Welcome, Mr. Henry. What can I do for you today?
Yes. . Actually, the other day, I've cheated on my wife and I feel terrible about it.

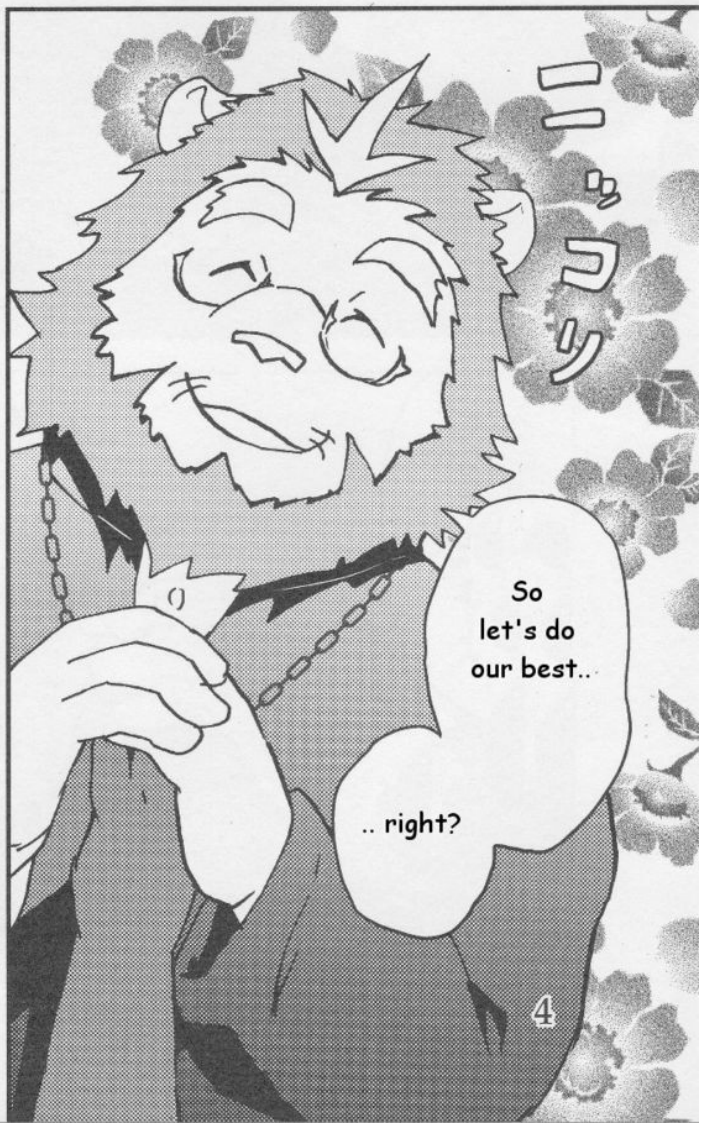

Of course Mr. Henry.

Will God ever forgive me for such a sin?
The sudden impulse lead me to betray my precious wife.

God always gives us the chance to start over.
If you care for your wife, you should make amends at once.
Mutual trust is the most important goal to construct successful relationships
Father Leopold ...

Y.. Yes, Father!

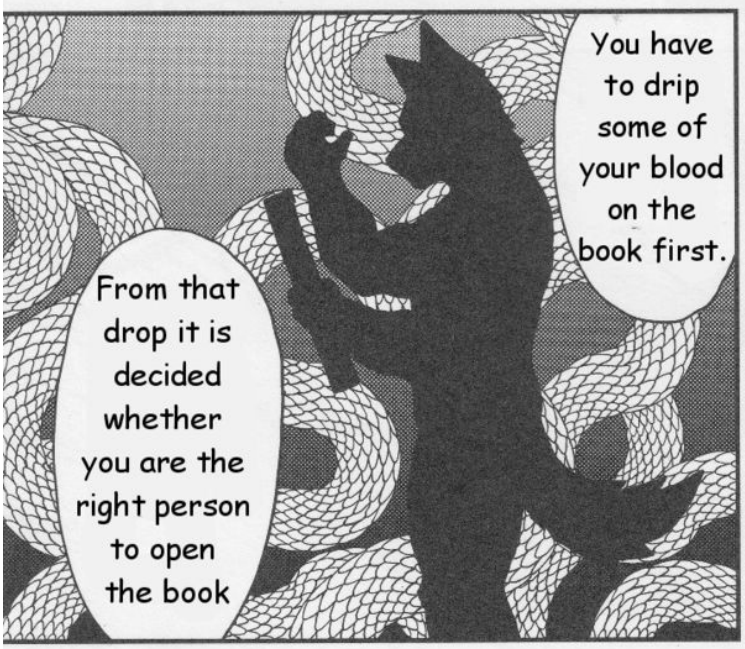

God gives us a chance to start over, or ..

So let's do our best..
.. right?

For nearly two decades I have taught people the teachings of God as an advocate of God. .
But there is no such thing as actually hearing the voice of God
Is That it?
Is it really a fact?
Up to now I have only taught the lessons that were written in the Bible,
but is that really what God wanted?
Perhaps, I was preaching different teachings from God's idea
I can not wipe my uneasiness unless I can find a clear answer.
Oh God, am I not allowed ...
... to hear your voice?
If you really want to hear, then do you want to hear now?

The Voice of God, that is?
Where did you come from?
Do not worry about that.
What do you mean by hearing?
It means exactly what it means ...
Listen to the voice of God directly.
Using this.

There is a tremendous aura coming from this book ..
There is no doubt, this is not just a book. . . . !
!!
ポン
A book .. ?

You have to drip some of your blood on the book first.
From that drop it is decided whether you are the right person to open the book

It cannot be opened by just anyone
Oh yeah!
Hmm? I cannot open it.

. . . . .
!?
Th.. That's not true!

or perhaps, you're scared?
You may be an unsuitable person after all.

I have spent most of my life serving God. . . .
I must be sufficiently qualified to hear the voice of God. . !

In order to regain my dignity and magical power as a God. .
I need your power and influence as a priest for they are essentials
But my seal has just been broken
Naturally, believers' power and influence are essentials
Let me tell you something good
God's rank is determined by the number of his believers
Wah~ ...so fluffy~
Let's enjoy the Paradise of this world
mm.. nmm..
I will dedicate my whole soul and body to pound the shit out of you, bastard.
No matter how much you scream or suffer, no one will be able to hear you here.

Feel honored!
It's been 500 years since I used this instrument.
Now then ...
Quickly, before you fall off and as the effect of the gas still remains..
Do not be afraid to go nuts from it.
You bastard have to work as a manservant to me
My inside is completely soaked and has twined around it.
It feels so good that my head is going to pass out!
Oha, it's amazing . . !

I'M CUM-MING !!!
I... I..a. I'm CUM... CUMM ING!!!

I'M ALSO GONNA CUM !!!

Here it comes ...
I haven't been this fired up in a long time!

I am grateful to you, Father.
I never thought that I could experience such a pleasant sex again.
EEK!
and get to the real work
Well, time to put out ...
I will not let you leave here until I am satisfied. . !
I had been patient for five hundred years
But...
IT IS STILL NOT ENOUGH!

A Few Months Later
And then, God said: ...
Instinct is a signpost that tells us how to live
What it is the point of living while suppressing it?
"Human beings will only get true bliss after filling both the mind and the body"
"Forbidding the desire born within myself is a crime per se"
"To live without free instinct is equal to death"
... will guide you, my childern, to the right way to satisfy your instincts.
For I at the time being...
I think that there are a lot of people who do not yet know how I can satisfy my instinct
But, you do not have to worry.

The three major needs of man are "sexuality, lubricity, lust" . . .
and there's no better opportunity to realize the meaning of "Life" than while having sex.
That is why I want to see where mankind will end up at.
Even to sacrifice the humanity's descendants for the sake of pleasure, still there's one unwavering fact.
Even though it is a nasty path that could be painted in the pleasures of virtue, no one has any doubts. . Humans' hearts are really easy to manipulate
Religion is a type of group hypnosis, if you brainwash their leader on the ways, then his believers will naturally advance on the same path.
I guess I'll find out if I stayed here...

Uha! It feels amazing!

People all over the world will worship me
I will be the god of Gods and rebuild the world for me. .
by spreading faith in this method,

Good... The plan is going well

In My Perfect World.
Humans will live only according to Ilust,

あとがき
Post Scriptum

こんにちは、毎度おなじみの果実です。
個人誌シリーズは今作で４作目！
そしてサークル「くだものだもの」も
コミックマーケット86で一周年を迎えます。
一周年で初めてコミケに受かるのも何かの縁なのかな？
春のイベントで新刊を出してしまったせいで
４月からまた一から本を作る羽目になって、
結果として今作は今までで一番薄い本になりました（苦笑）
後、テーマがテーマなだけに描いてて大丈夫なのかと
不安になる時も多々ありました。
だってこの内容、地球の人口の二割近くを敵に回すかも
しれないんで、慎重にいかないと・・・（汗）
だから何度でも言いますが、**この作品はフィクションであり、**
実在の神様・神父・宗教・事件などとは一切関係ありません。
「実在の神様」って言うのもなんか変な話ですね。
