Anon B: "Huh, he kinda looks a little like Dracula"

Anon C: "I really hope there's not gonna be blood in this one!"

Suzune: "No, he drinks breastmilk, not blood"

Anon D: "Oh cool, so he sucks tits instead?"

Suzune: "Yeah!"

Su-Su-Suzune, It's Suzune Rai! Thanks for picking up "oneshota Kyuunyuki"! You know, "oneshota Kyuunyuki" is the first time I've ever used one of my Twitter drawings for the intro page. To those certain followers, your conversation is now immortalized in manga form (well, not quite, it's really a screenshot)! I don't know about you, but I think "oneshota Kyuunyuki" has got to be one of the best doujins I've made so far.

In other news, the "Dainyaou-sama" LINE stickers are out! It's crazy to think that I started my Twitter account on a whim one day, and now I'm selling LINE stickers through there! On the first day alone, there was more than 200 purchases! Woah! After one month, there's been constant sales everyday. I'm so glad I made these! Thank you so much!

I'd like to give a shoutout to my biggest supporters on Fanfia! I couldn't have done it without you!

(Meganemusume-san, Luremoa-san, malka030-san, KC-san, Kurunesan-san, Anyanokarasu-san, Mukuronoeko-san, Nikkoro-san)

Last but not least, thank you to all who picked up and read this book! It really means a lot! I'll have more for you guys in the future, so stay tuned! I'm so happy that there's so many of you who love my work!
