Yes. You're a good... good boy.
I'll be able to have a lot of babies with this.

There was a coming of age ritual in this village where young men had to lose their virginity to Ubushiyaku-sama.
Thanks to that, the village men were blessed with an indomitable sex drive and fertility, blessing them with many children. Thus, the village was prosperous.
A goddess named "Ubushi-yaku-sama" lived in a certain village.
That noise...
However, as the times changed, people began abandoning traditions. Ubushiyaku-sama was left without any partners.
Due to her large physique, she came to be called Hasshaku-sama, the 8-foot tall lady. The townsfolk would grow to fear her.
As a result, the once fertile village fell to its demise without her blessings and disappeared, and so did Ubushiyaku-sama; or so it seemed.
After that, what Ubushiyaku-sama set on to do was...
to freely roam across the country, looking for a boy that would catch her interest. She made finding such a person her new duty.
END

Long ago, a student named Hasegawa Hanako was attacked by a janitor--
She ran away into the boys' bathroom, but he caught her and did terrible things to her...
And she was killed in that very bathroom...
Unreal Academy Teacher: Okuda Kei (24)
Hanako-san?
That's a popular ghost story among students, right?
You think that story comes up everywhere, don't you?
But I'm telling you, she really appears in our school!
You really haven't heard the rumors about Hanako-san?
Rumors say that bathroom is at the end of the special class building. Plenty of students claim to have seen the ghost of a girl with a bob cut and a red jumper skirt.
Each time the school is renovated, they hold a memorial service...
But every student who tries to use the bathroom ends up collapsing, so they've blocked it off.
Sensei? You listening?
Hmm....
Didn't the vice-principal mention that...?

Keep Out
And when a person is forbidden from doing something, he wants to do it even more!

Se... Where did that come from!?
That doesn't make any sense!
I can't find any connection between reaching Nirvana and having sex with me!!
I bet you've heard all the rumors about me.
The reason I can't reach Nirvana must be because I was raped and killed by that awful man.
W-wait a sec...
So don't you think plenty of sex with a man I like would be the obvious solution?

I had given up on finding a partner, since I can't leave this bathroom...
How lucky I felt when the ideal man did the searching for me!
Qui—
Quit it, already!!
A teacher can't just lay his hands on a little girl!!
Don't play dumb. You only became a teacher because you wanted to fuck your students, right?
You won't get punished if you do it with me.
N-no! That's not true at all!
Hmph... Then let's try this.
Gah--!?
My body's so heavy... Is this paralysis!?
Let's find out how you really feel.
If looking at my pussy doesn't awaken your desires, I'll acknowledge that you're innocent and give up.
Ha-Hanako-chan!?

I'm really going to have sex with her--
See, your cock won't lie!
What's this? Instead of innocent, you were actually an indecent man who loves loli pussy!
Ugh...
It's a loli pussy, but the smell is suffocating, like a woman's...
Well? If you're not a lolicon, you shouldn't be interested at all.
And how can I feel her if she's a ghost--
No, Hanako-cha...!!

... Wait a minute! Why are you here... !?
What's up with you, for real!? You popped out of the screen!
Did you say Sadako? Isn't that the famous...
Yes, that's right~ ♪
To be accurate, the former group of spirits inside the cursed tape were given the name "Sadako". But since that name became extremely popular, I took it for myself.
Mmh? Eh...?
Are you that Sadako-san, the one from the famous... cursed video?
Eh... Are you the real deal?
I sure am.
Then why did you come out of a porn video?

Mmh... to be forgotten by everyone, like in that Elm street movie?
Too close...
That's right! Looks like you know your stuff!
Onii-san, what do you think we spirits refer to when we say "death"?
Yes!?
I get that a lot!
Even if we're dead, we might lose our identity if we started competing against each other...
It turned out to be a bit problematic for us spirits to adapt from VHS to this new video format.
But why a porn video? Don't you have some pride as the ghost of the famous cursed video?
That was quite the speech.
You can't go against the times, you see...
Due to the decline in VHS media, I faced the danger of being forgotten as the curse of the video tape.
Due to that, we had to come to a hard decision, migrate from VHS to digital video media format.
Not being watched is the worst thing that can ever happen to me, you see...
What can I do about it?
Do you want to kill me with a curse?
Do you get it now?
I'm not ashamed of the replays.
I see... well... I don't quite get your situation, but...
I have no other choice now, do I!?
Video editing technology is so good these days that paranormal videos get ignored left and right.

Oh, this looks promising... but this title's way too simple... Must be a regular old AV...
Wait a minute! If I get identified in a dangerous video like this...
Anyhow, it seems the whole deal about "If you see this you'll die," is not necessarily a lie...
Hahah... You'll certainly be unable to keep on living if that sex tape leaks out...

Long ago, when a girl was moving, she threw her western doll "Mary" away.
The girl forgot about her doll soon after.
Then on a certain night, the girl received a phone call.
"It's Mary-san, I'm at the landfill right now."
The girl was so shocked that she hung the phone up, but it immediately started ringing again.
"It's Mary-san, I'm at the corner of the tobacco shop right now."
No matter how many times she hung the phone up, it just kept ringing afterwards. The caller was slowly approaching the girl's location, and finally, she arrived in front of the girl's home...
The girl mustered up every ounce of her courage and opened the door, but there was no one there... Just when she thought it was all a prank, the phone started ringing again.
"It's Mary-san, I'm actually right behind you."
Beep

But surprisingly, nobody knows if this rumor about Mary-san is real or a decoy to hide something else.
"Mary-san's phone." A lot of horrified people have heard of this urban legend before...
It's Mary-chan.

I'm... at... Where am I?
I'm lost.
Do you want to use Mary-chan's service?
