IS... DAD !?**

Ah, welcome home dad.

There's a word I don't know so I'm looking it up...

What are you up to?

...

That's not true ...

You really take studying seriously, Yuuna. I can hardly believe you're my kid.

...

... Huh

And that's what I'm impressed with!

I just heard that using a physical dictionary makes things easier to remember, is all...

It's fine if I make it now?

Ah, that's right. Mom is going to be home late today ...

So she's leaving dinner to us.

Alright, I'll get started!

Or should I wait until later?

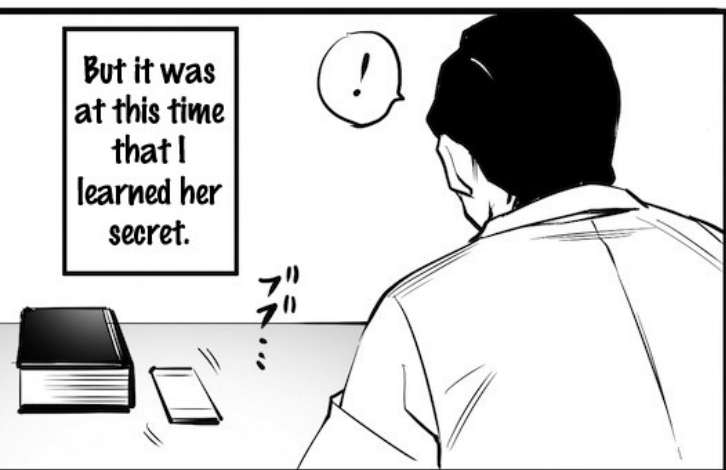

Next is the chopsticks ...

She's great in both schoolwork and housework. Pretty much your ideal daughter.

I may be her parent saying this, but my daughter Yuuna really is a great daughter.

But it was at this time that I learned her secret.

!

アハハ

And that's when I realized it...

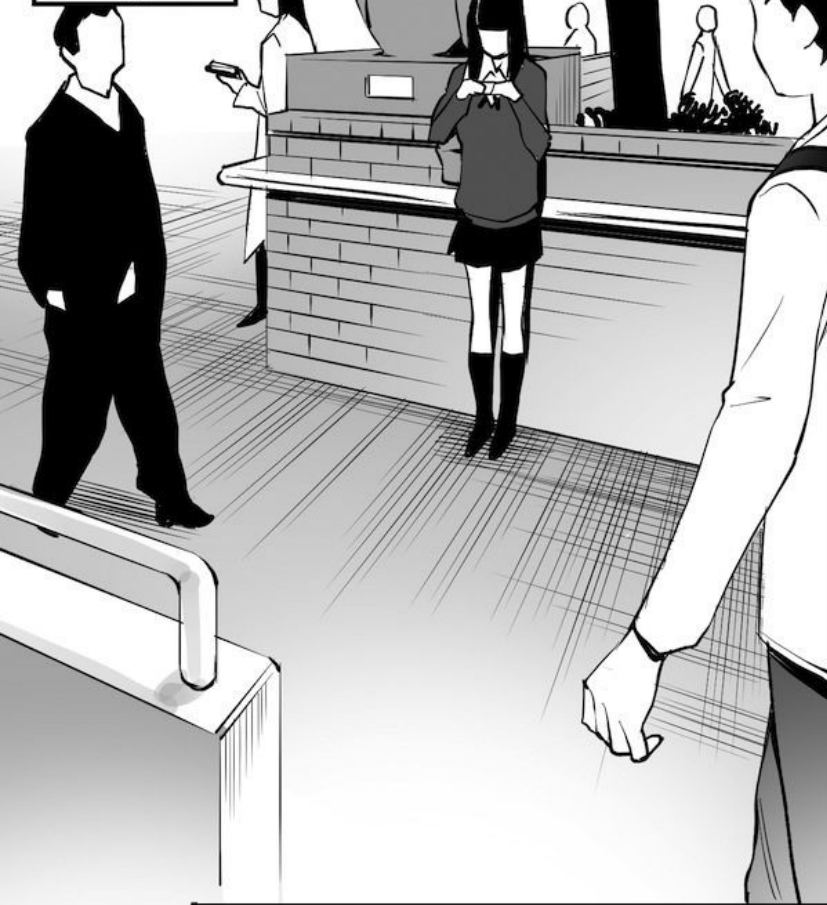

By coincidence, I ended up seeing a message that was left displaying on her cellphone ...

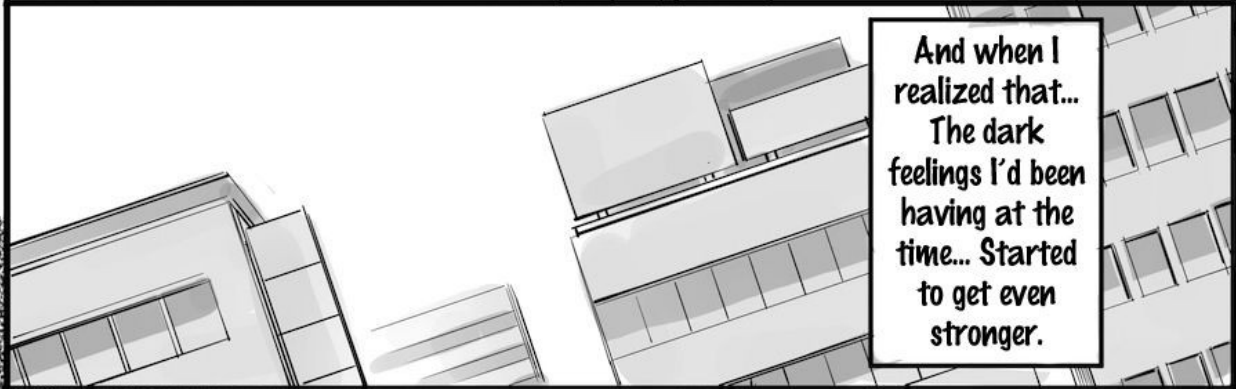

My daughter was doing compensated dating ...

Looks like there's going to be a lot Dad.

But as the years went by and I've gotten closer to adulthood, those words started to take on a new form for me.

I've often heard people around me call say that I'm "serious" or a "good girl". That would make a part of me feel happy.

And when I realized that... The dark feelings I'd been having at the time... Started to get even stronger.

I didn't want anyone else to be troubled by this so... I decided to go through with compensated dating.

But...  
After having  
sex that  
first time,  
I've come to  
think of  
it as lovely.  
Not to  
mention  
how good it  
feels.

Since I  
was just a  
virgin at the  
start I was  
pretty  
nervous.

I thought  
it was  
scary.  
And it  
felt really  
dirty.

HAAA  
HAAA  
HAAA  
HAAA

The feeling  
that I was  
doing something  
wrong just  
made me get  
even more  
turned on from  
having such  
dirty sex.

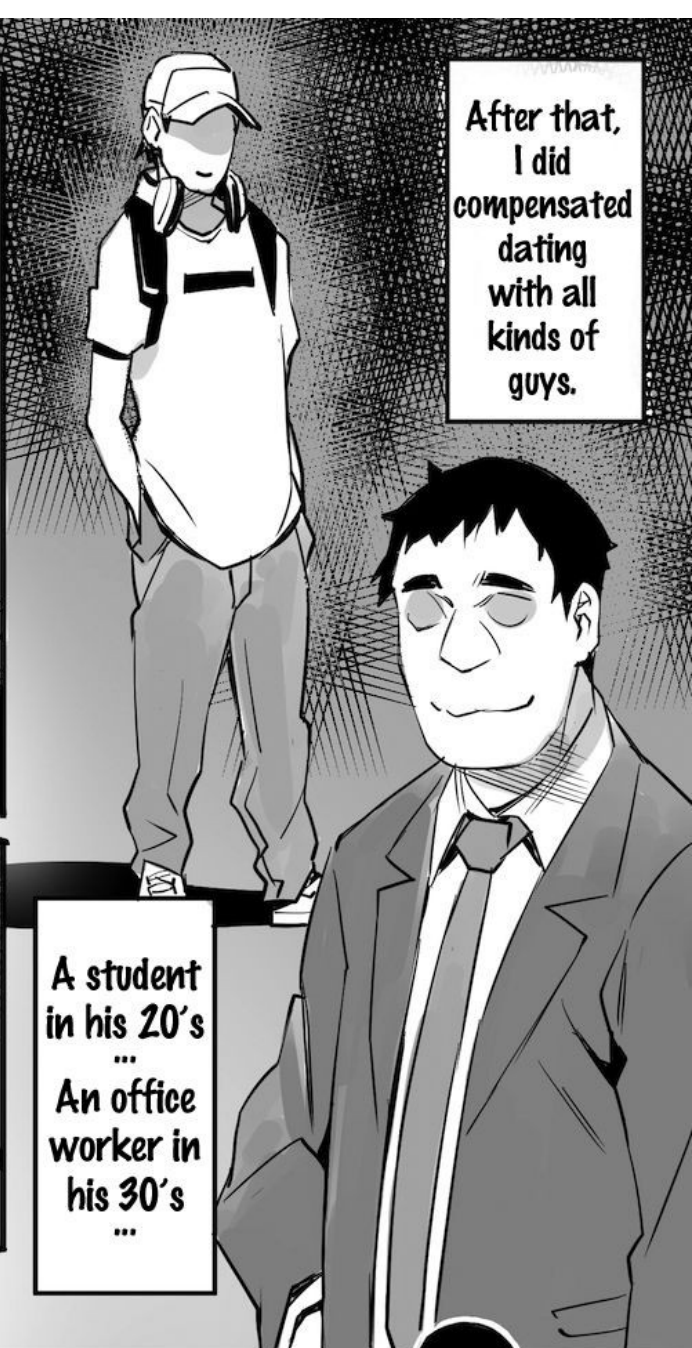

And by  
the time  
I was  
finished  
fucking...  
I felt  
satisfied  
...

Right now it's only been 5 guys, but their age difference has been so drastic, it feels pretty satisfying...

After that, I did compensated dating with all kinds of guys.

A student in his 20's ... An office worker in his 30's ...

There was even one time where a pushy guy around my Dad's age fucked me in a family restaurant bathroom...

I think that time felt really good...

I wonder what kind of sex we'll have...

とき...とき...

I wonder if I can get something that good again...?

The guy I'm meeting today is also a lot older than me. He's supposed to be as old as my father so I remembered it easily.

Those clothes...  
And the fact  
that he can't  
speak...  
I'm sure  
there's a good  
reason...

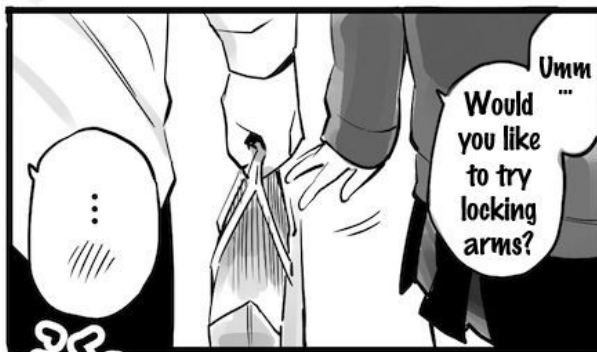

It feels  
like I'm  
starting  
to calm  
down...

He even  
made sure  
to take  
the side by  
the road.

You're  
going to  
hold my  
bags for me?  
Thanks  
...!

XX-san is  
actually a  
nice person,  
huh...?  
At first I  
thought he  
was kind  
of weird  
but...

Umm...  
Would  
you like  
to try  
locking  
arms?

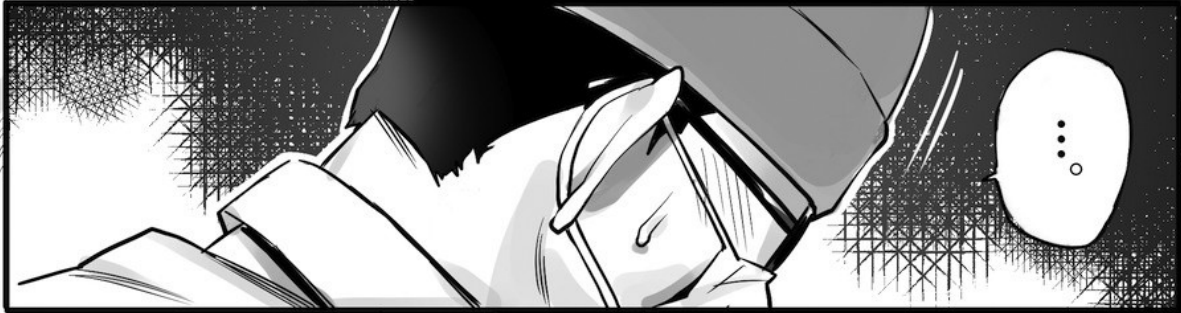

For some  
reason I feel  
like I can relax  
with you, XX-san.  
Just like with  
my dad!

Next we'll have a current event question!

We had sex but we didn't act like lovers.

Huh...!? But I'm not really good with problems that deal with current events...
