TORU KUMANO presents

Does she actually have a boyfriend or what?

What "things" is she even doing?

Shinjou-san's always like that...

Even though we're going out of our way to invite her...

She's kind of a bitch, huh?

A boyfriend? Yeah, right. Not when she acts like that.

No, uh... I've got things to do, so...

Sorry.

I don't get it~

Does she not want to have any fun in her life?

So, I guess she just likes being alone?

Though... I guess I wouldn't mind having them...

...

Friends, a boyfriend...

I don't need all that trouble.

...What makes you think I'm not having fun?

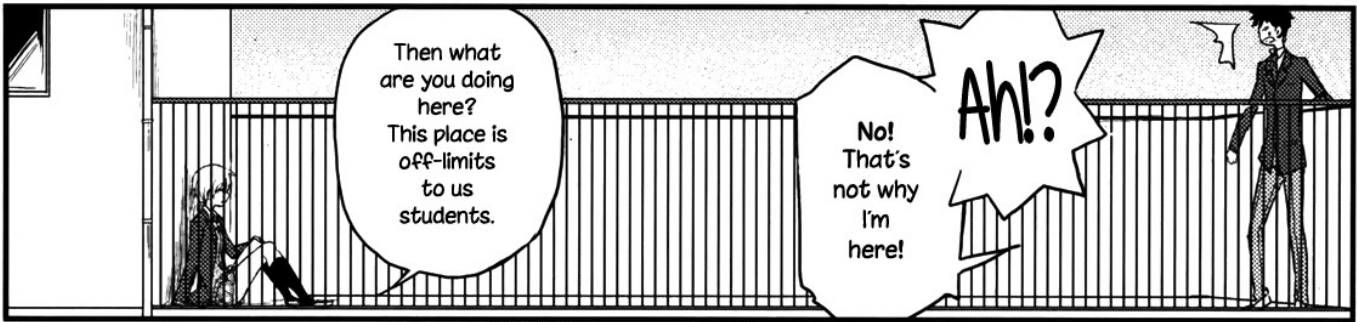

But I don't think I can go to sleep with a clear conscience tonight if you do it right in front of me.

Uh, I don't really care what you do with your life...

M-M-M-Man, you scared me!  
I didn't think there'd be anyone here...

Then what are you doing here? This place is off-limits to us students.

No! That's not why I'm here!

Ah!?

...Huh.

...I was looking for a place where I could be alone...

I just... well...

There's room for two of us here.

Sit down.

ぽん

ぽん

Y-Yeah, that's about it...

So, sorry for bothering you!

Hold up.

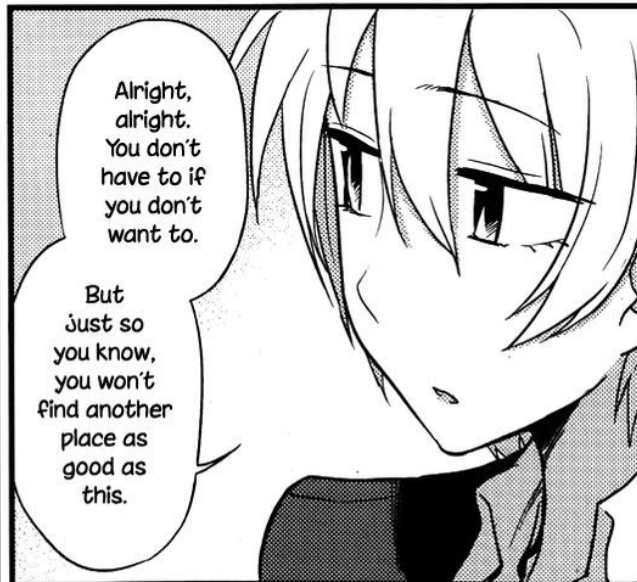

You say that, but I...

Come on. Where's the harm?

B-But that's...

...

Alright, alright. You don't have to if you don't want to.

But just so you know, you won't find another place as good as this.

So maybe I don't actually hate being around other people that much.

...Are you like that, too?

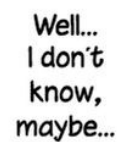

But I think...

I'm kinda having fun right now.

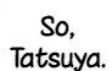

Aha-haha!

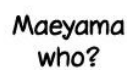

Well... I don't know, maybe...

Wanna try getting used to it nice and easy?

So, Tatsuya.

Maeyama who?

...Tatsuya.

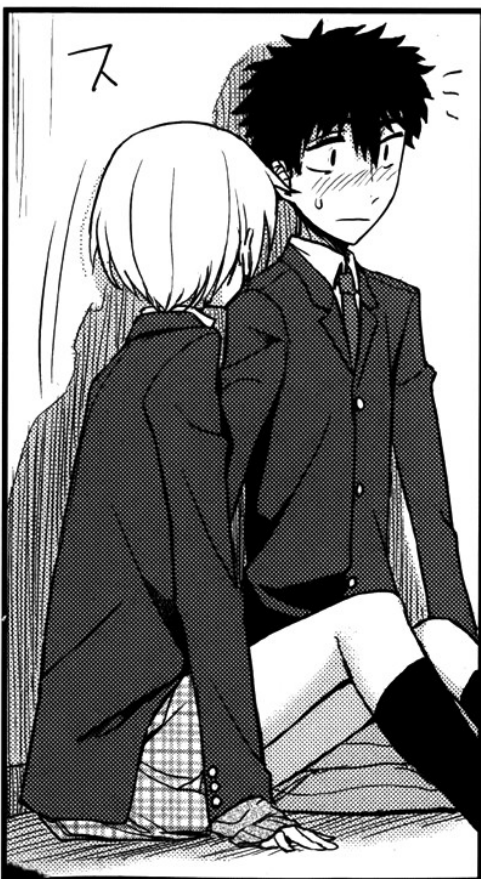

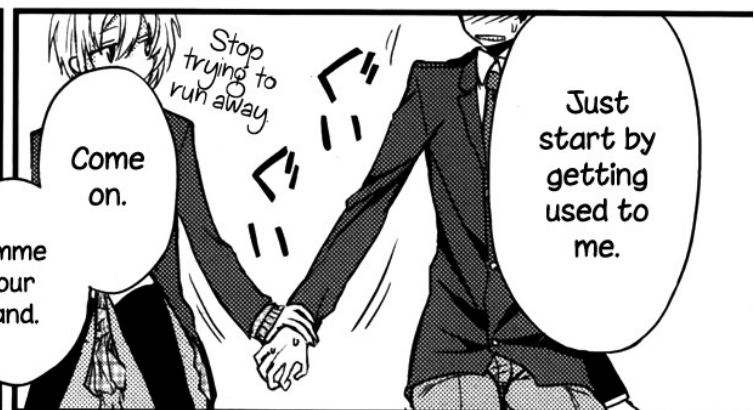

Hey. What's your name?

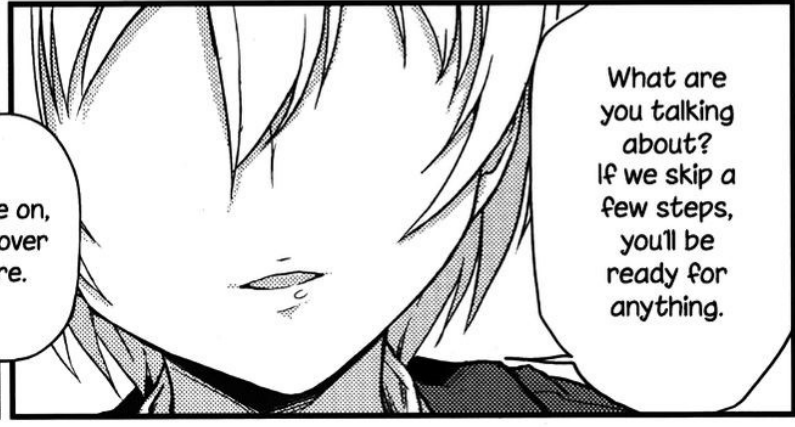

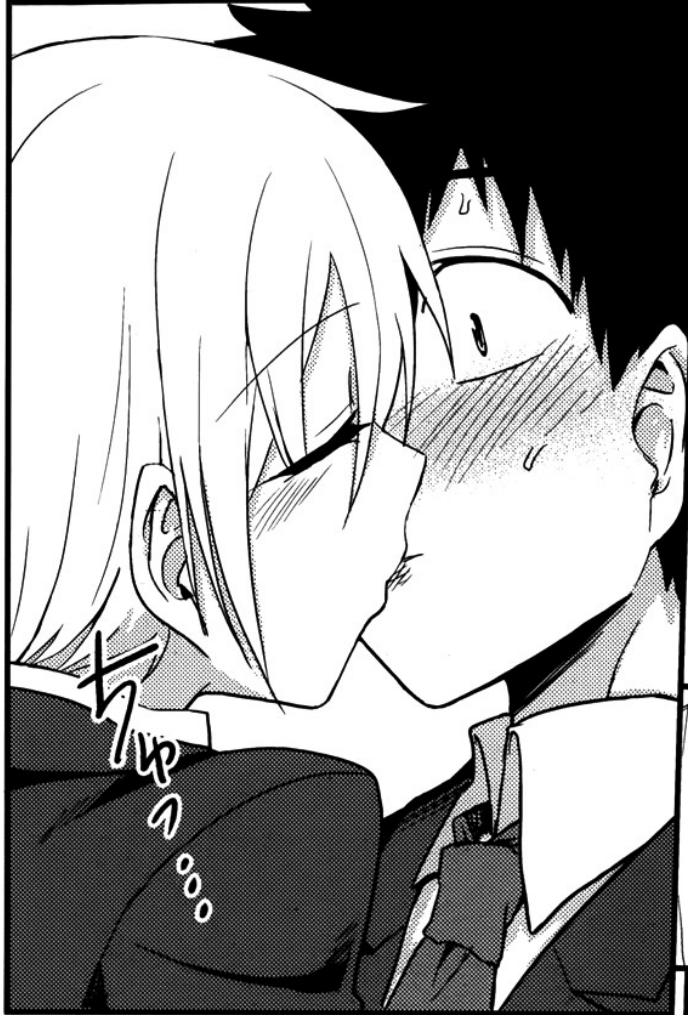

...Mae-yama.

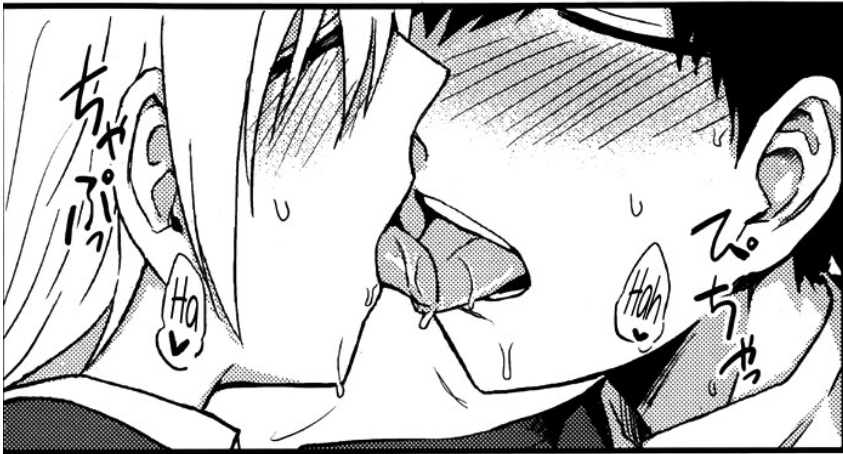

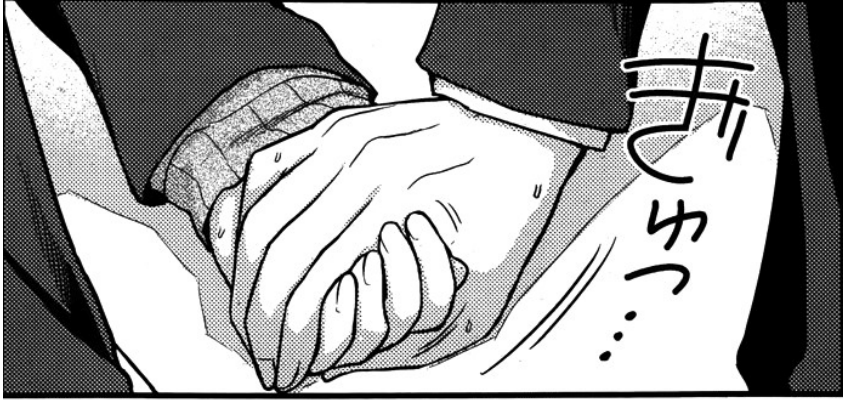

Heh?

Sorry!  
I didn't mean to...

It's alright.

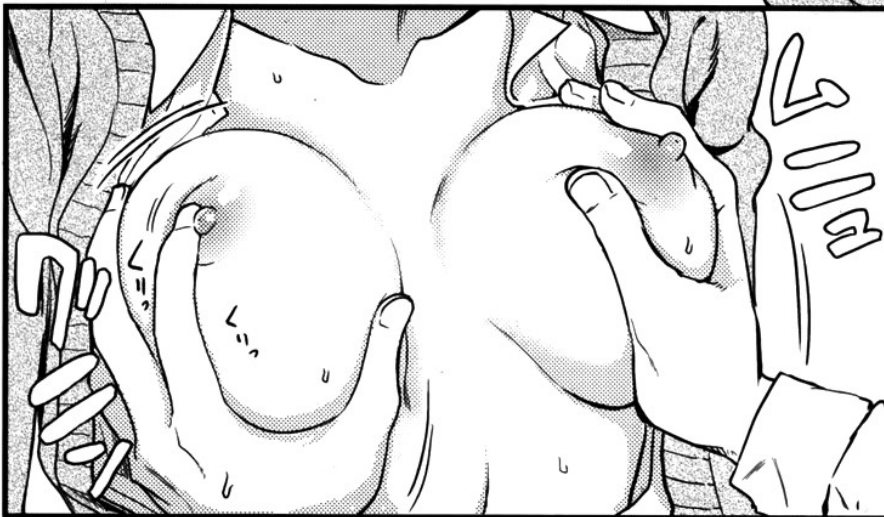

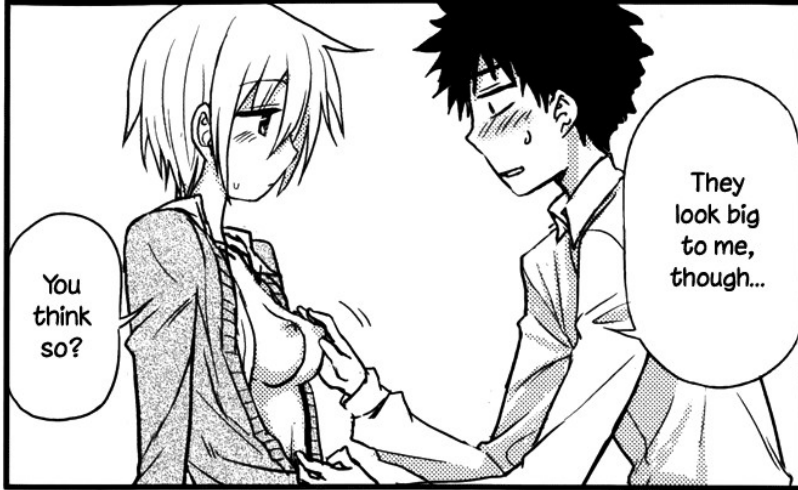

What do you say we...

See how far we can go?

ま

Ah-?!

Hup...

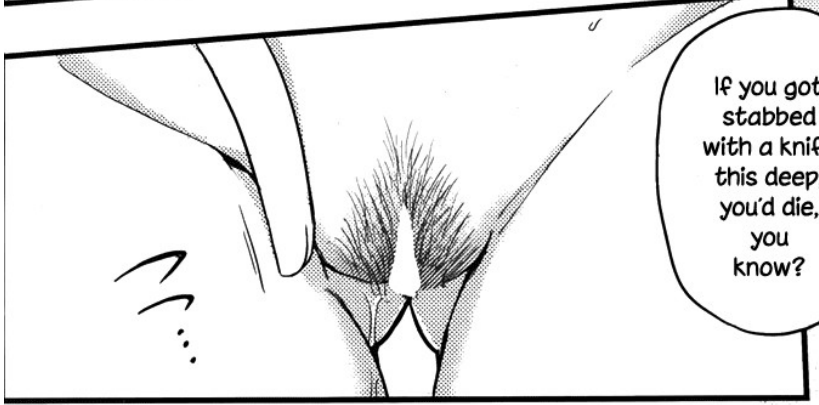

Average or not...

You're pretty big yourself, huh?

Wah...

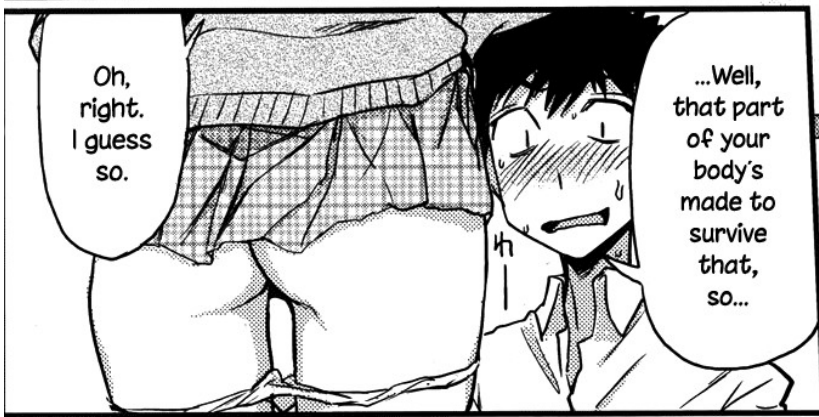

No, I... think I'm pretty average...

If you got stabbed with a knife this deep, you'd die, you know?

It's gonna go this deep down here, right?

Oh, right. I guess so.

...Well, that part of your body's made to survive that, so...

There we go...

Anyway, let's give it a shot, shall we?

...Kuh!

Uh...

Here we go...

Ooh...

ぬ

ツ

Uh?!

Start moving.

...Hey. If you're a man, take the lead.

Ah?! Okay...!

フ

It really is... pretty tough...

Gimme a break... I never expected I'd be doing this today...

W-What the hell... You're so rough...

Much less with someone I'd just met...!

Would it hurt you to be a little gentler?

Nh... But...

It feels good... too...

Well, obviously...

Yeah... I wonder why I wanted to do this...

D-Does it hurt...?

Ah...!

That I finally found...

Someone like me.

I'll have you know I'm not nearly as pushy as you are, Senpai.

...Wow, rude.

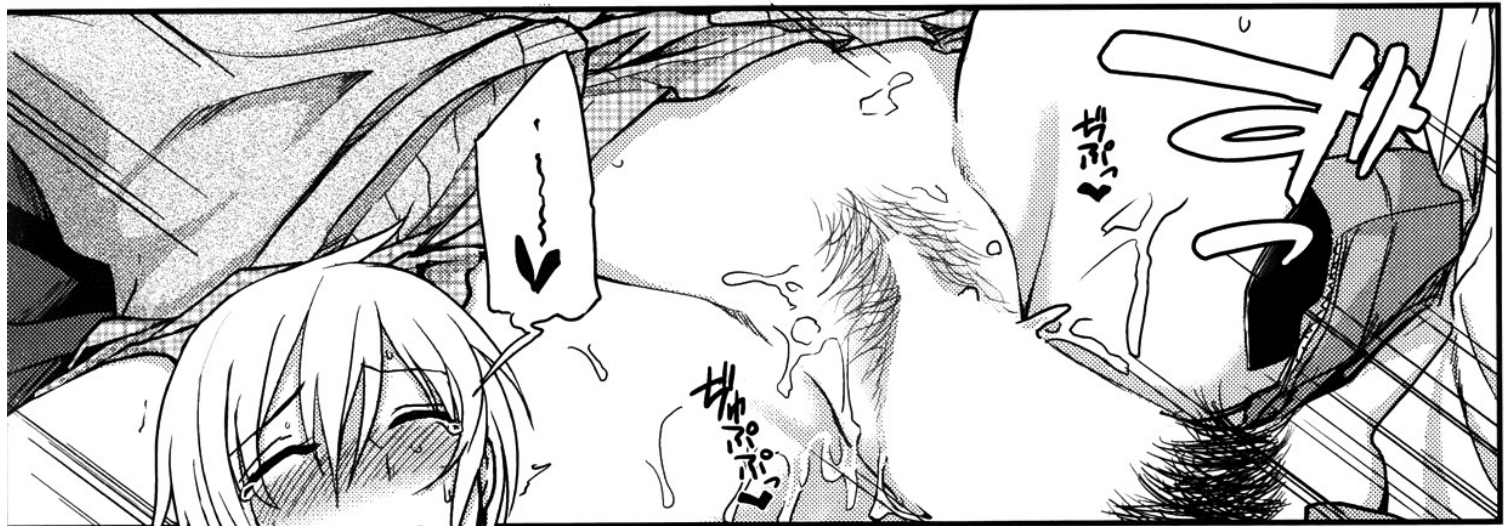

And your... sur-name?

Shinjou... Seriously, just "Yuki" is fine.

...Yuki...

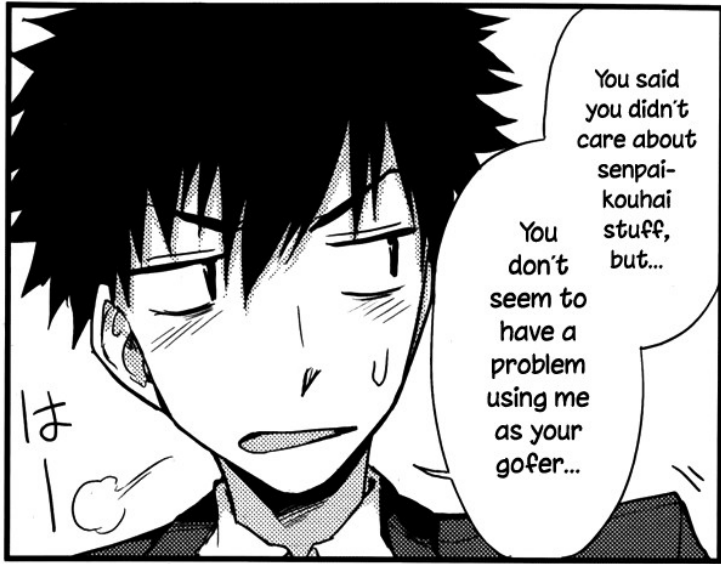

Senpai... Your name...

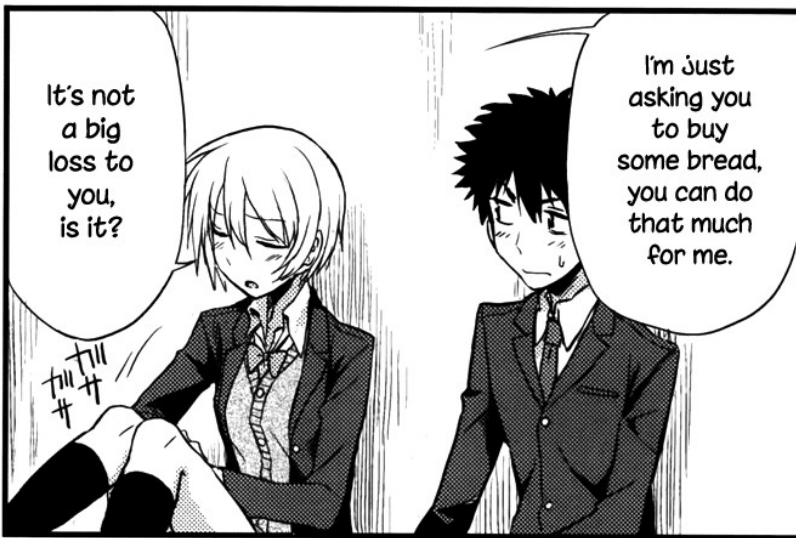

You don't seem to have a problem using me as your gofer...

You said you didn't care about senpai-kouhai stuff, but...

Sweet, thanks.

Here. I got what you asked for.

It's not a big loss to you, is it?

I'm just asking you to buy some bread, you can do that much for me.

Come on, it's not that big of a deal, right?

Don't be a baby about it.

...

Shove it.

I'm not a loner.

...It's because you're selfish like that that you're a loner.

Besides, it's your fault that I now feel bored if I'm alone, Tatsuya.

Just think of this as paying your "bother" tax.
