 I thought you went over to Big Bro Kei's house again. Big Bro Kei's got way too strong of that weird sense of responsibility, you know? So if he doesn't make the first move, you've gotta be the one to push him down!  
 Both of our families have already approved of you guys having a relationship for a while now~! Huh? Did I never tell you that? He~y, are you listening~? Ah! My my my! Now I see what's going on here~! We don't have dinner tonight, so feel free to not come home today, okay~!? Remember, girls should have guts!  
 Bye now!
