even the
Public Morals
Demoness
can be nice
once in a
blue moon.

after
all...

You idiot!

Acting cool won't work with your face looking like that!

Can you do the usual?

Thanks to you, I even had a full recovery down here...

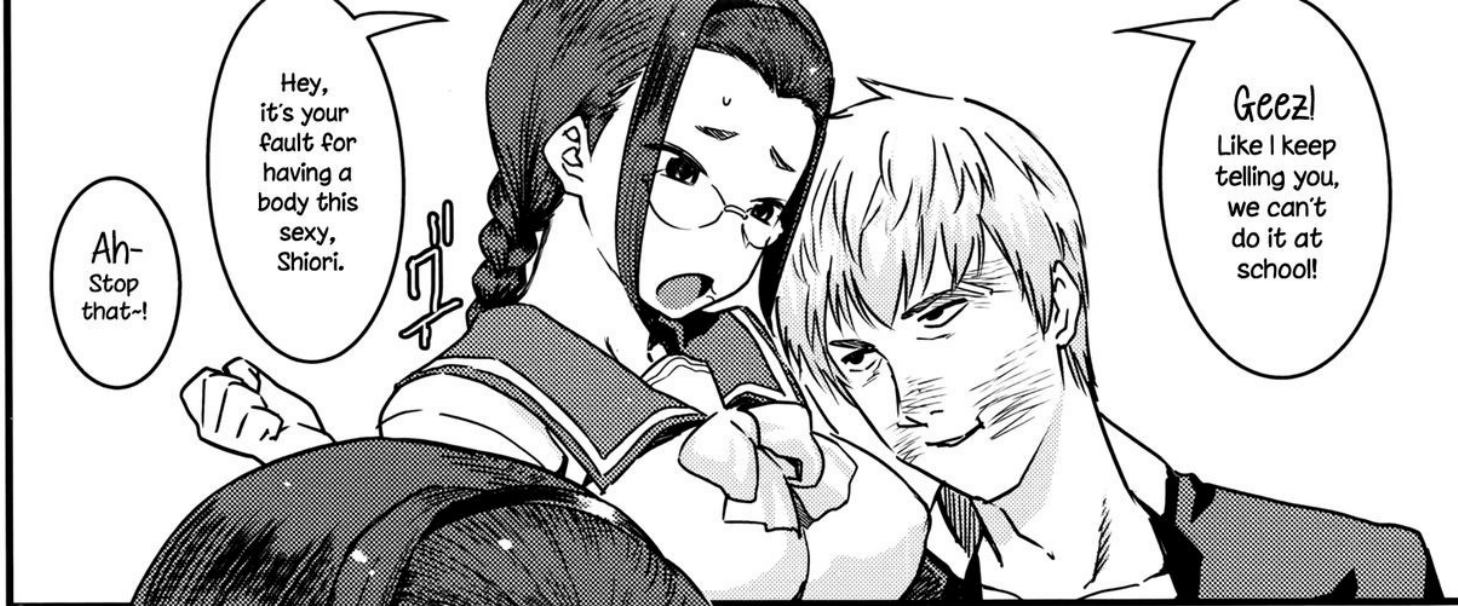

Thanks for patching me up.

Ah...

Nh!

Er, sorry.

No problemo.

...If you have a problem, we can stop here.

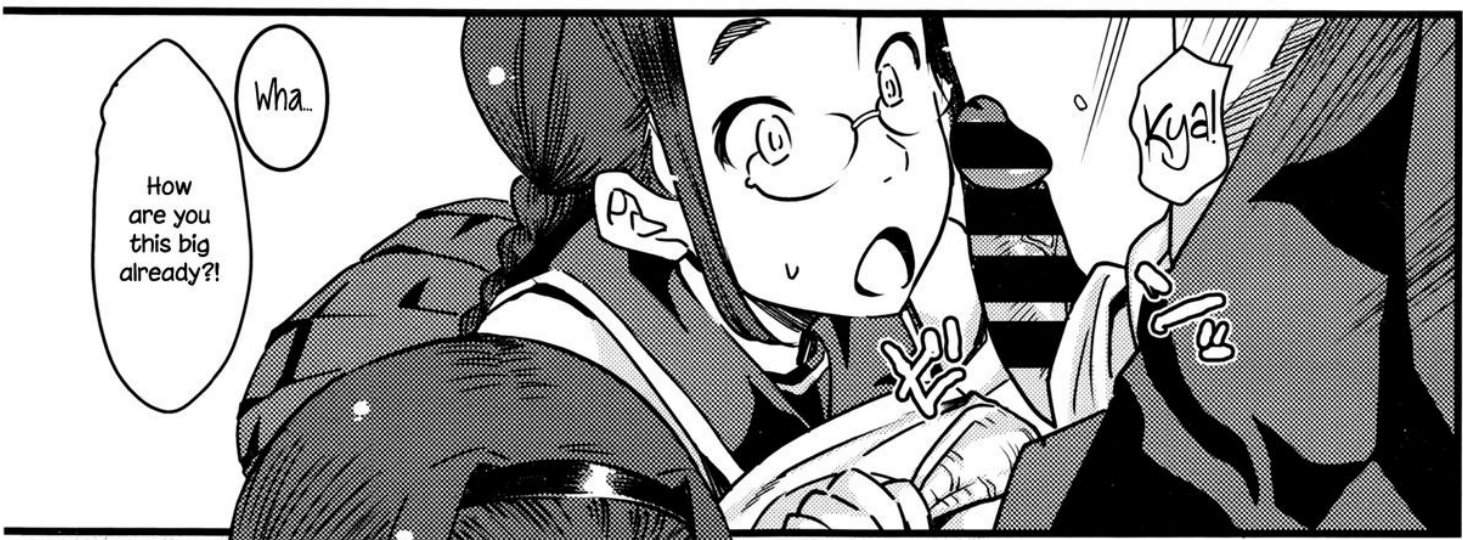

I have to wonder how you're allowed to be in the Public Morals Committee, of all things.

When you've got a body that's like a walking violation of the school regulations...

Your tits are as amazing as ever...

Shit

How are you this big already?!

Wha...

Kya!

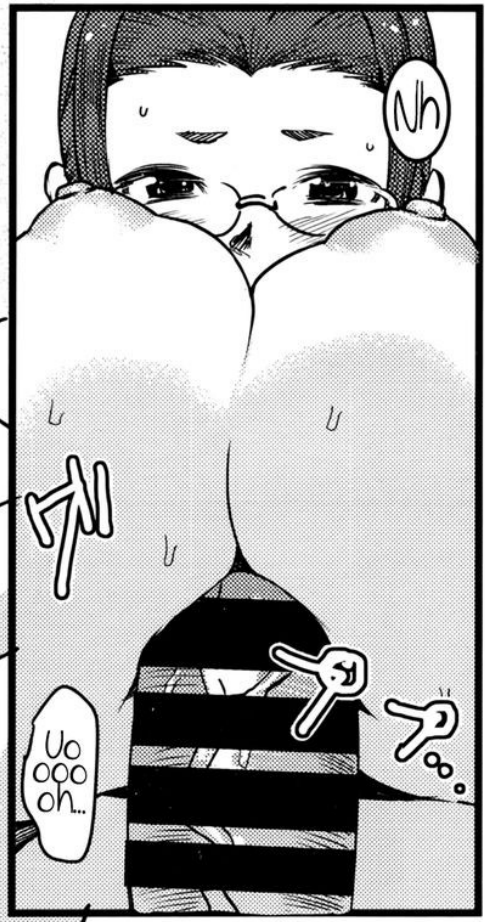

...You really like this, don't you.

Uhah~

Damn, your tits feel good...

Take some responsibility, you idiot!

You left my butt feeling all tingly and I couldn't do a thing about it!

Uwah...

It's like your ass is asking for my dick all by itself.

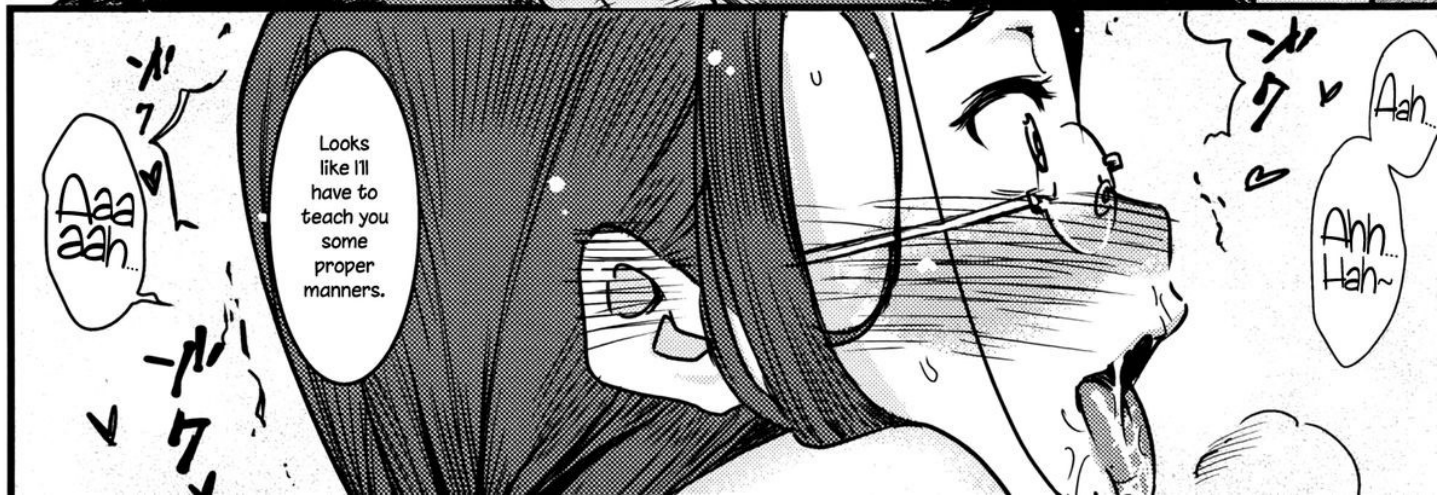

You're the one who made it like that, aren't you?!

Sorry for teasing you like that.

Alright, alright.

N-
Never!

Are you

I'm
starting
to think
you have
no place
in the
Public
Morals
Committee
anymore.

Ahh

Ah

Shiori-
chan,
you're the
only one
who'd get
excited
from
getting
spanked
naked...

It has to be yours, Hayato~!

Noo~!

So, would you be happy with just any dick?

Fill my perverted, immoral butt...

With your cummm...!

I love butt sex~!

In that case, I'll just fill your ass up, okay?
