Eh

...what's going on

Oh, yeah

It all began when we were shopping for some supplies for making takoyaki
Myself,
my friend, Yoshi
A saber-... wha-?
Naver Aggregator
One of the strongest ancient felines, the Saber-toothed tiger. Having a pair of 20cm sharp fangs,
along with the first girlfriend I've ever had,
Mana-chan
Hey, don't you think Yasuo-kun totally looks like a saber-tooth tiger?

I managed to get together with Mana-chan all thanks to him though
He sometimes could be a little mean, but...
Nahhh, if you think about it, hmm...
More like a gorilla, Yasuo
Heyy!
No way, Yasuo gotta look more like a gorilla, ain't that right?
Well, either one of them is terrible enough I guess...
Mana-chan could be a little goofy and
sometimes I'm not even quite sure what she's meaning to say but
having a girlfriend like that
Don't saber-tooth tigers have giant fangs?
Yasuo-kun too, has a giant body, right?
And he's in the judo club even! So he's gotta be strong! But at the same time, he's quite cute too?
See, that's how they're totally alike!

Cuz that's why, I totally like him, all right!
No matter what Yasuo-kun is
he's gonna protect me, all right!
I like her very much!
I like it
I like it
じーー…
A saber-tooth tiger is not just strong, it can run very fast as well~
Hey, are you listening, Yasuo-kun?

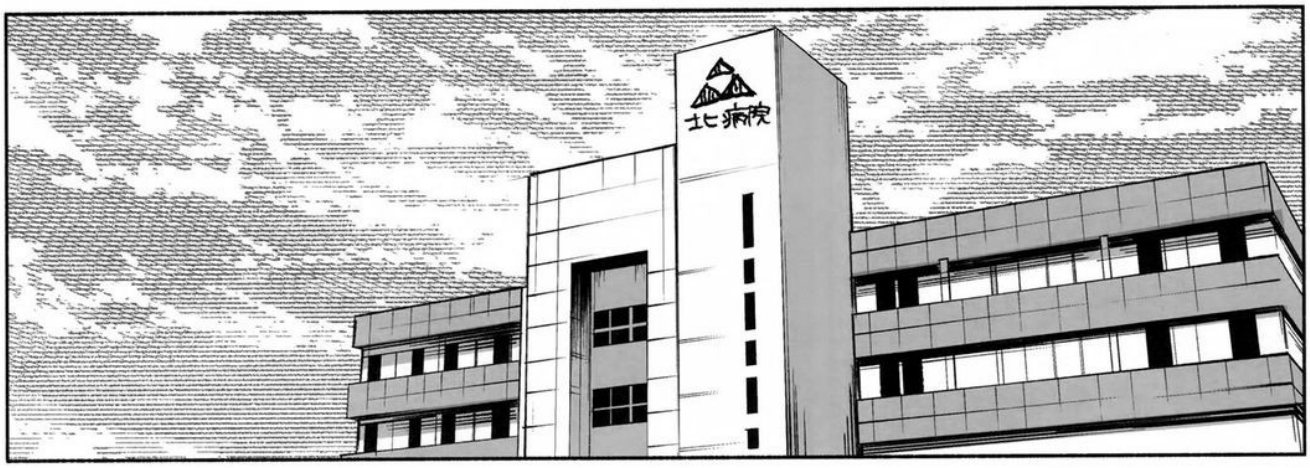

Yasuo-kun, let's have a race!
Ding! Go!
Eh! So suddenly!?
Mana-chan
Hold on!
It's dan-ger-ous!
You shouldn't just go on running like that...!
Yasuo!

Fuck! I came...
What's wrong with you!
Eww ww~

That's none of your business!
Just who are you, by the way!?
You're Yasuo-kun's girl-friend and yet you're doing this with
his friend...
Huh!?
See, it's really none of your business then!
I'm Yasuo-kun's middle-school-mate...
Don't you just appear out of nowhere
and simply start saying these things!
It might not be my business but
how could you treat poor Yasuo-kun like this!

We used to visit him all the time after the accident, you know?
But...
...
He couldn't even understand anything we said to him
And when his mood turned a little sour, he even threw a tantrum, lunging and attacking us
There's nothing we could do about it
Everyone could just sugar-coat and carelessly say those things like you do
But think about how it'd feel like to be in our position

Mana, let's continue back home
Hey, h-
Hold on!
A Yasuo-kun that doesn't look like a saber-tooth tiger
isn't Yasuo-kun at all!

I'm not sure what that girl was saying, but
You came inside, didn't you?
Hell no!
it feels like
what she's trying to tell me was that Yasuo-kun right now is no longer the old Yasuo-kun that she had cherished before

WHAT DO YOU ...
Vu

Look, I brought some cheese cake over
You like them, don't you Yasuo-kun?
Let's eat them together
Okay?
YOU REALLY SAVED US, KOKORO-CHAN
It's nothing
By the way, do you think the taste is good enough?
YOU MADE THESE YOURSELF?
I THOUGHT YOU BOUGHT THEM FROM A STORE!
Ehe-hehe

W-
We used to talk a lot when we were at school
He wasn't very good at English so
I helped him with his studies and stuff...!
He even used to say "I'm a Japanese man, it's gotta be no big deal even if I'm bad at English"
he'd keep on grumbling like that
YASUO, HE LOVED CHEESE CAKE SO MUCH, WE USED TO HAVE THEM ALL THE TIME
HE COULD EVEN GOBBLE UP A WHOLE TUB BY HIMSELF!
Hehe, that's just like Yasuo-kun
BOTH OF YOU SURE WERE CLOSE FRIENDS, RIGHT KOKORO-CHAN?

All lies
I'm not really good friends with Yasuo-kun at all
In fact, it's just that one time in the library that we've exchanged words with each other
The popular Yasuo-kun, liked by all
and me, the one at the polar opposite of all that
What I was capable of was merely observing him by the sidelines
The food he liked to eat. The classes that we was weak at
I knew them all, merely because I was always listening

THANK YOU AGAIN FOR TODAY, KOKORO-CHAN
Don't say that, I had lots of fun too
IF IT'S OKAY WITH YOU... SOME OTHER TIME.. YASUO...
Auntie
Is it all right if I drop by to visit Yasuo every-day?
YES!
OF COURSE!

That day on, I started to visit Yasuo-kun every day
At first, I had to be wary of his sudden outbursts but,
as days passed by,
grad-ually
he started to show happy smiling faces with me
and my bond with Yasuo-kun kept getting closer

I HAVE TO START MY PART TIME JOB NOW. I'LL LEAVE HIM TO YOU, OKAY?

Afterword

This is Shiruka BakaUdon-chan. Thanks lots for purchasing this book. My first challenge at a lovey-dovey book! I did it! ♥
When it comes to lovey-dovey stuff, I want you to think of Udon-chan's manga-poyo.
This is the first time I've felt like my hands are gonna drop off so badly!!!!
So fap as hard as your heart's content-poyo~♥♥♥

Since June this year, my serialization had started in the Manga Action magazines that are sold in convenient stores. I think they scouted me out when I was selling my books in Comiket. This wouldn't happen to me if I didn't draw for Comiket.
Even if I couldnt't sell my works, even if I'm at a loss with my house covered with cardboard boxes, from the bottom of my heart, I felt glad that I still kept on drawing.

I could move on all because of the thoughts that everyone shared with me, and how everyone cared for me in Twitter. Even more so, those that kept making their way to Comiket or their local bookstores to purchase my works. Without your frequent support, I wouldn't have became the Udon-chan that I am today.

The release of my first compilation book, and even the release of this one, wouldn't be possible without the opportunity you've all given to me. That is why, Udon-chan will not change and will continue drawing manga-poyo~ ♥
Even having said all that, from now on as well I'll be needing your support!

I haven't abandoned the thoughts of drawing erotic things! I don't know if I could release something for each Comiket! But what I'm sure is, even if I went normie, I'd still continue drawing erotic stuff-poyo!
