Great, now they're frightened.

And they're supposed to be my precious women.

Such a loud and cruel speech...

Did you really need to scare them like that?!

You...

NEXT ONE!

Come!

Take her away from here!

Noo!

I don't need a worn out woman, dispose of her...

Didn't I make it clear beforehand~?

What's that?.. Some nasty woman tries to take advantage of my mercy?..

Mgh

I... I'm terribly sorry, your majesty!

So this is Goppier...

I heard he was a lecherous, short-sighted and prodigal king...

OH?

Well, as far as I can see, he really lives up to his reputation...

Bergia, you say?

This one is a female knight, her name is Bergia.

Every time we encountered our enemies, it was she who was in charge!

I'm spotted!..

Hey! Who's that?!

She's dealt great damage to our forces...

Some sort of a weird woman...

I see... You did great...

I did wonder what kind of a woman you are...

But I never would've thought...

Bergia...

WHAT ARE YOU DOING?! DON'T TOUCH ME!

Wh...

...you were such a magnificent lass!

This body completely suits my taste!..

UGH...

UGH...

Such a strong will... Just as expected from the only female knight here!

I already love grabbing you~

TA... TAKE YOUR HANDS OFF!

AAH... UGH...

Get up, come on!

LET ME GO!

UHH...

Bring that Bergia straight to my chambers!..

Yes, sire!

That's it! I have decided...

Hii

HAA

I have no choice but to negotiate...

I'll save you all!

Don't you worry!

Lady Bergia!

Lady Bergia!

They bear no guilt!

Exactly!

You want me to release those women?

Wha-a-t?...

アハ...

And you're ready to take their place...

O... Of course...

I'm ready to accept everything it takes!

アハ...

O-oh...

I'll make it short - if you manage to satisfy my tastes...

...you'll grant my wish?..

アハ...

アハ...

Everything depends on you...

Really?

I may think about it...

...then I suggest thinking about your life... ♡

If you think about resisting...

Like this... Stick your tongue out! ♡

Let us entwine our saliva...

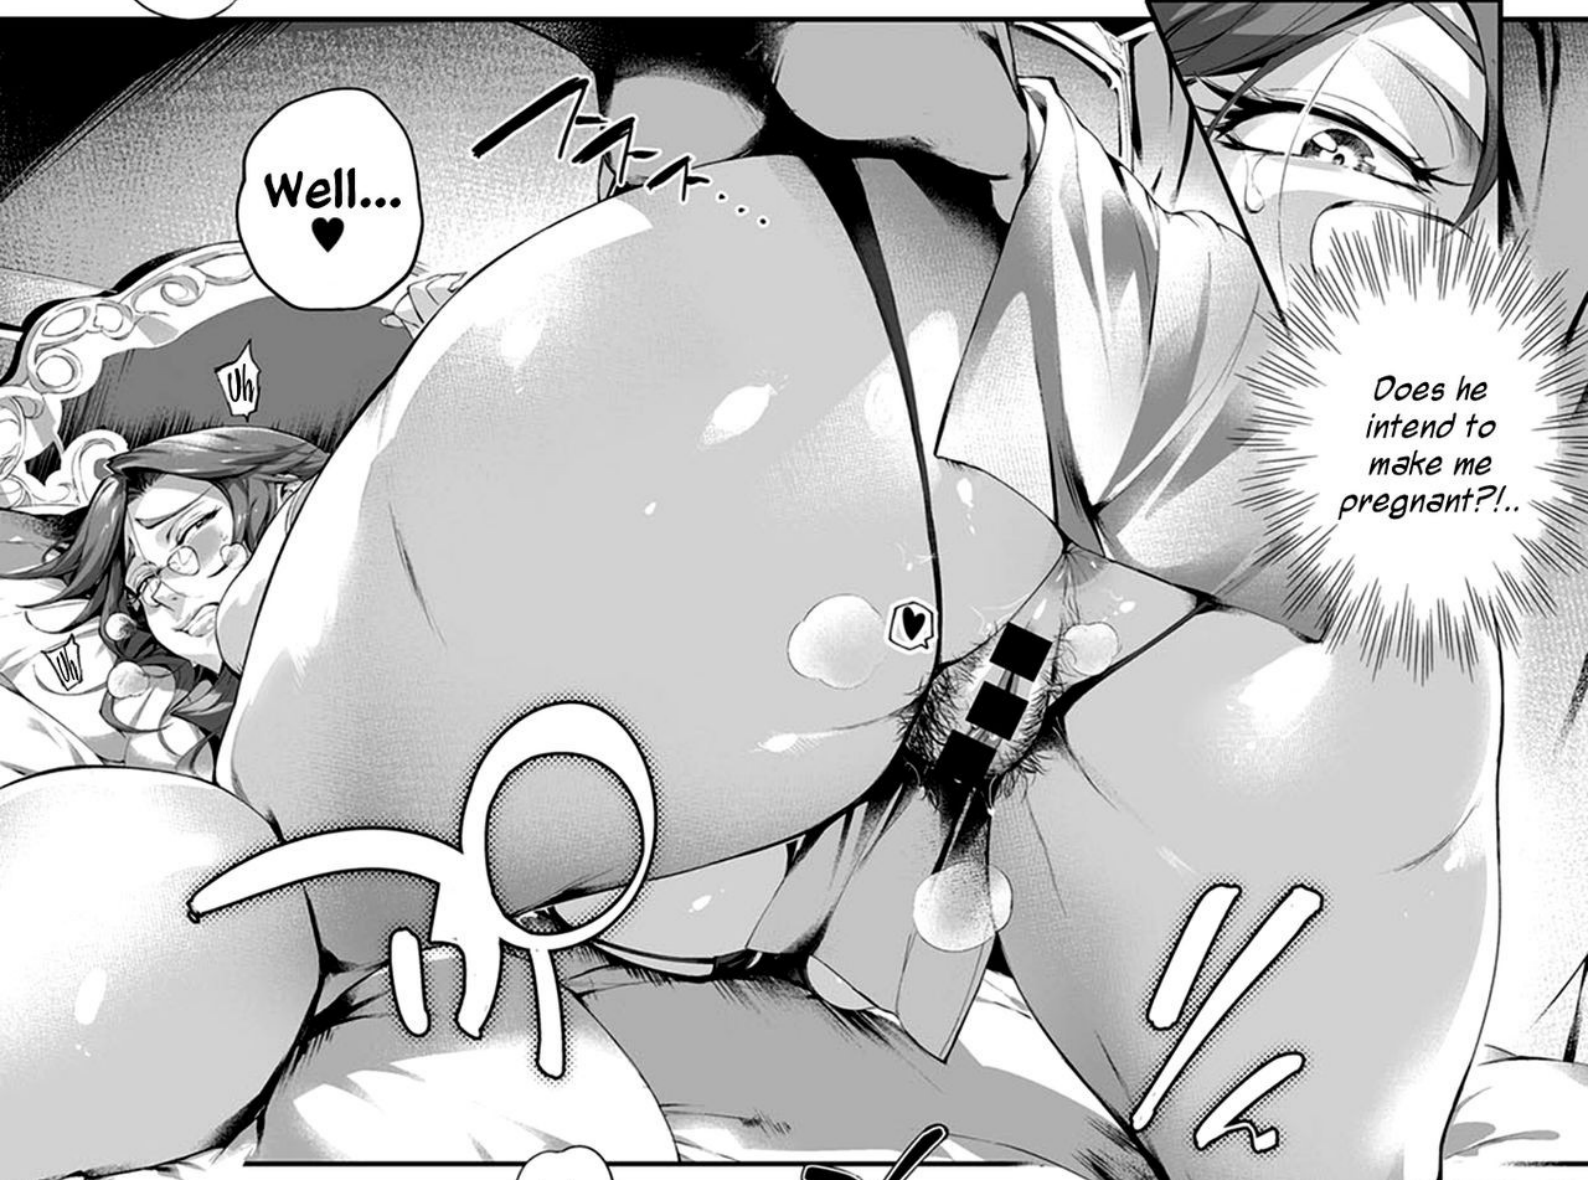

Wh...

What are you talking about?

About making your tits able to lactate... ♡

How would it feel when I milk them? ♡

Well... ♡

Uh

Does he intend to make me pregnant?!..

This meaty vagina of yours is imbued with the superb smell of female! ♡

Ugh...

Ha

Ho-on~ You have quite a jungle over here...

I really like all that sexiness...

Can't he just... shut up?..

Though it's the first time I've seen a female knight's pussy...

It's so meaty... and smelly... ♡

UH...

UGH...

Don't get close to me, it's terrible...

HA HA

Do you want to break my mood?

Doesn't matter, I'm raging to go. Spread your legs, Bergia!

Haa...

I hate it... I hate that talky pig...

GUH...

GUH...

And what's that?.. What's with your face?

Please,
Your Majesty

YOU CAN,
BERGIA!

Feels

it?!

Go on,
cum!

I'm going to
make you
even more

I'll make you give up!

Fuh...

But I'll make sure you become my stubborn woman!

It's the first time I face such a stubborn woman...

Get over here!

Ugh...

Haa...
Haaa...

Haa...
Great...
Now
lower
your

You are expected to appear at the meeting.

Your Majesty Eoppler!

What should I do?..

Oh... Sorry to intrude!..

UGH

Post-pone it!..

I'm spending time with my wife right now!
