お前達、新年で
浮かれてるんじゃないかしら？

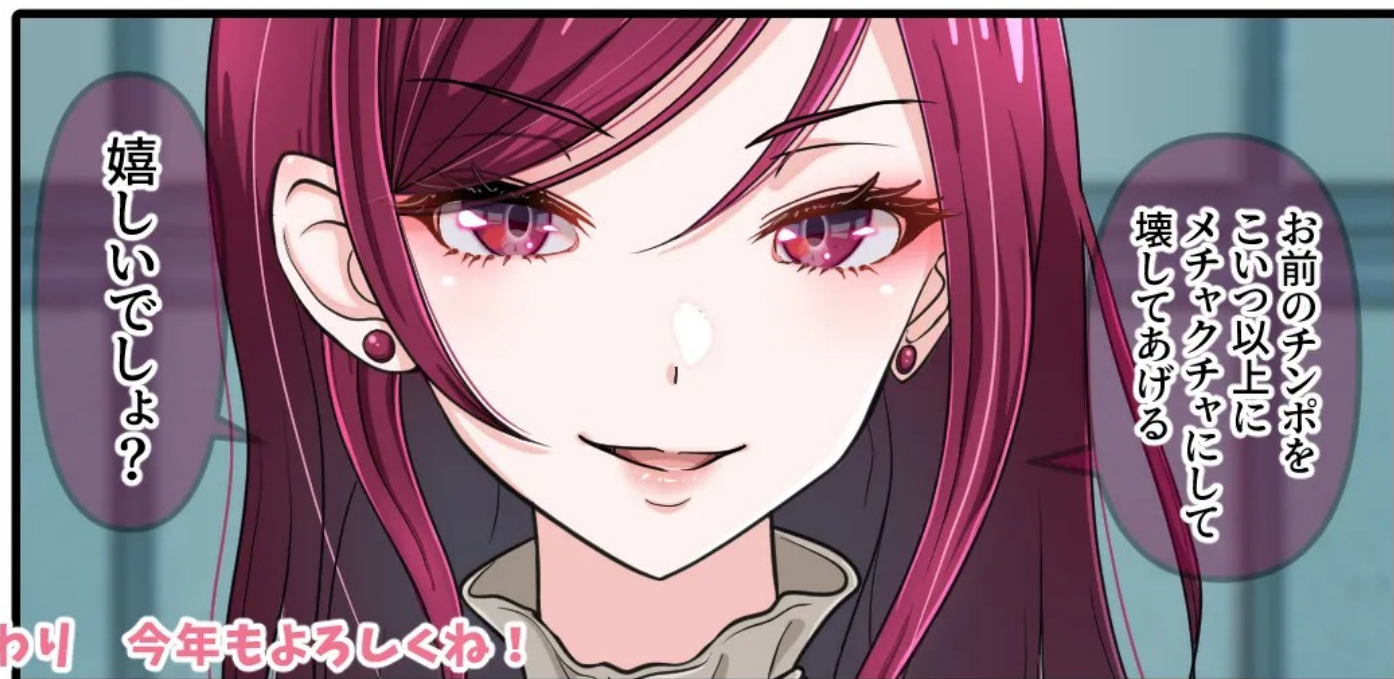

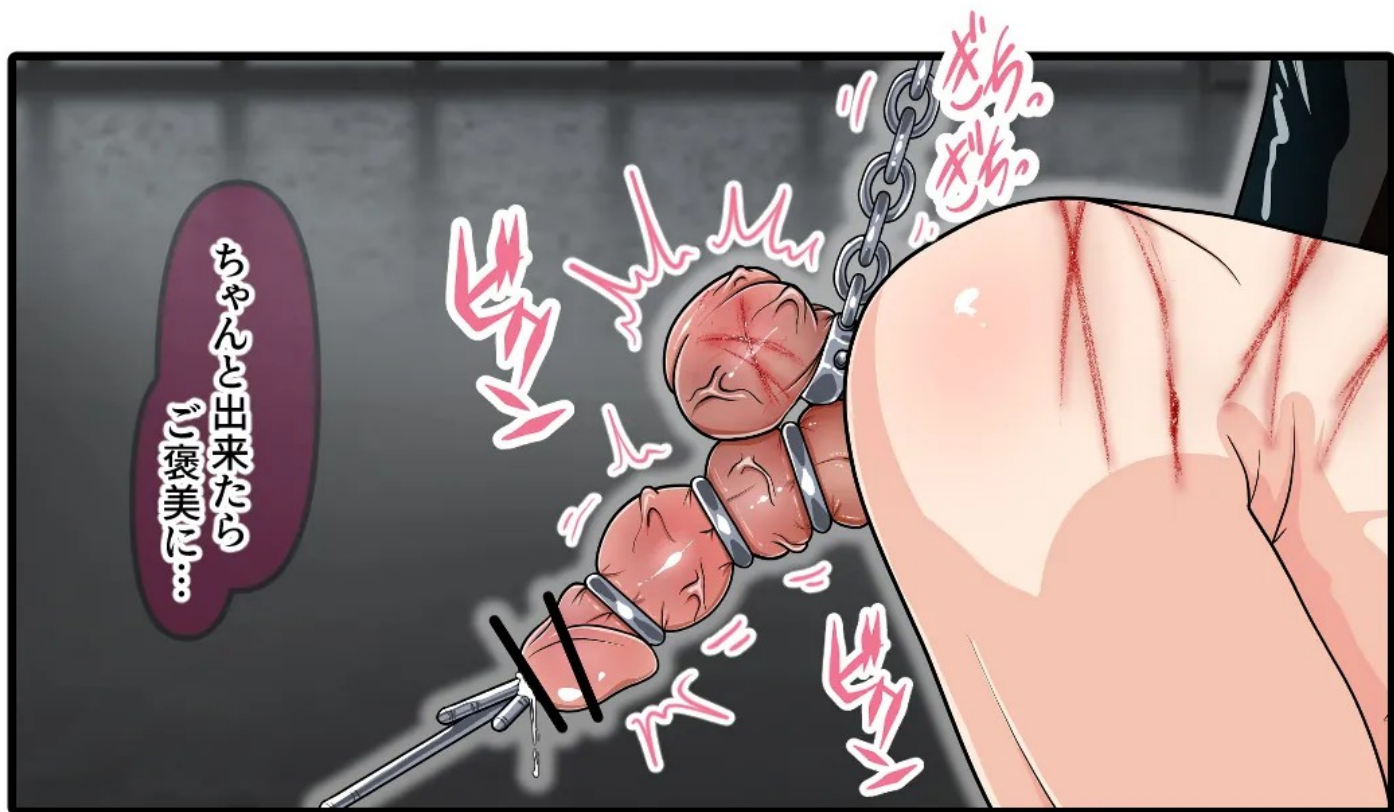

マゾちゃんぽに
休みなんてあるわけ
ないでしょ？

そうね…
今日から3日間、
私の過去のイラストを見ながら
毎日最低2回は射精しなさい

もう出なくなっても
無理矢理搾り出すんだよ

HISANO

You lot seem to be
having a good
time with your
year-end festivities.

... But I own you and your
filthy cock, slave.

And I didn't give
you permission to rest.

Tug
Yank
Throb
Ache
Twitch
Press
Grind

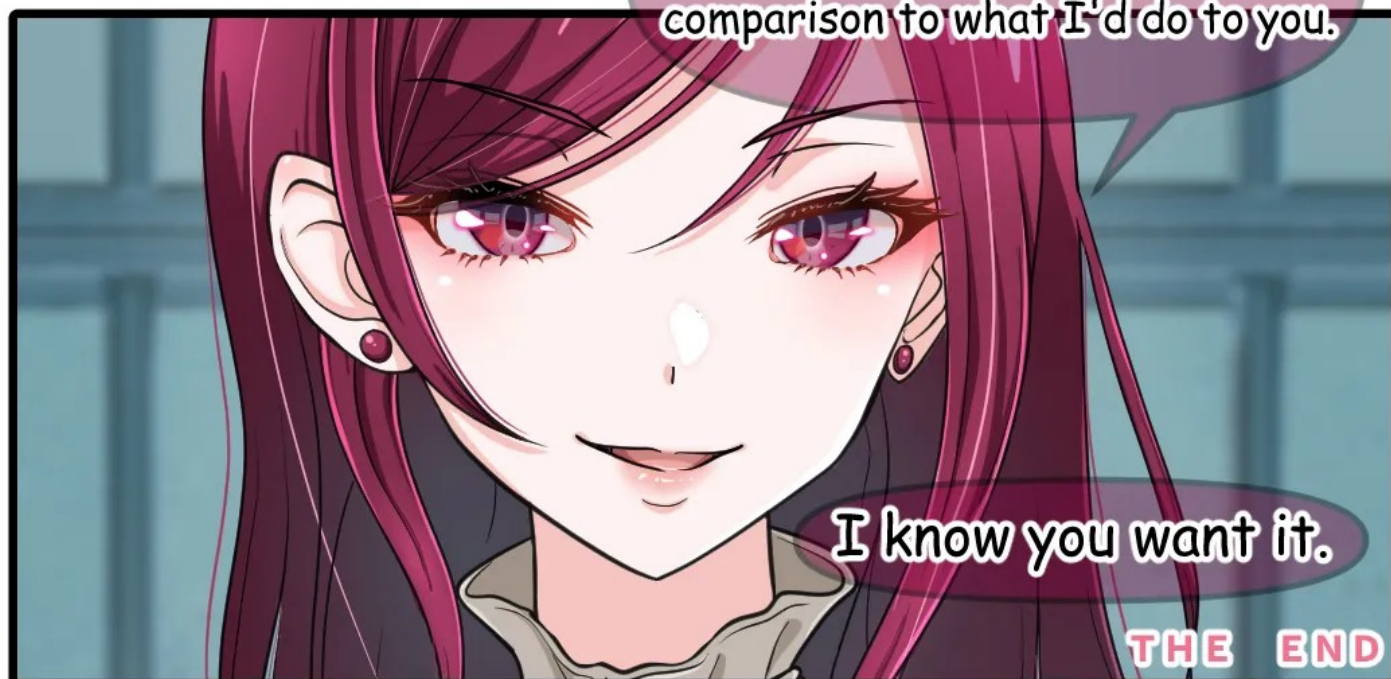

Mh, I know...

You are to jerk off and cum to
My illustrations at least twice
every day for the next three days.

... Keep stroking even if your
orgasms dry up. Squeeze every
last drop out for your Goddess.

Utterly destroying your cock.
This slave's would pale in
comparison to what I'd do to you.

THE END
