

Excuse me.

Today for sure...

Ah, t-thanks!

Sorry for the wait. Here's your hot café au lait.

The split second her stoic angelic face breaks into a smile...

I'll ask her out today for sure!!

U-um!
Kazami... san.

Sorry for making you wait!

Kazami-san!

Ah, no...

Don't be...

She has decent boobs, though.

What, is she that scary?

She has a reeeeeeal mean look.

Idiots, enough already!!

Could she... have been looking forward to this?

I came ten minutes early and she was already here... Didn't really have to apologize, oh well.

Okay...

Let's get going.

Really? That's a relief!

Yeah... I... Wanted to... watch it too...

Do you wanna watch this one?

That... was pretty fun~!!

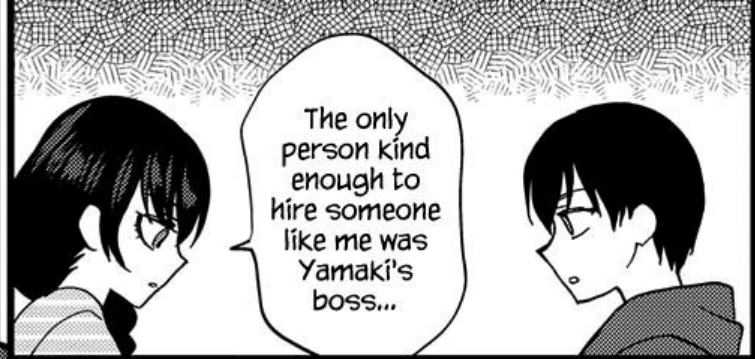

→ on the work
→ to go along with
→ on the field etc.

→ to be of use,
→ that's why other and so on.
That is the purpose of life.

This is really embarrassing, but I don't have any friends to talk to about it...

The only person kind enough to hire someone like me was Yamaki's boss...

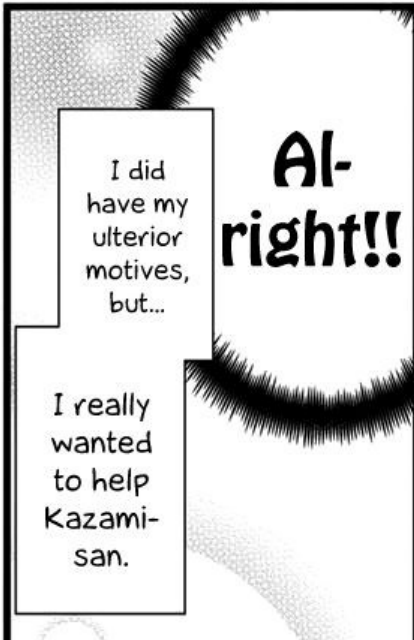

Would you... really?

Yes! Of course!!

U... umm, if you're fine with me...!

I don't know if I'll be able to be of much help, but I can try and give you advice!!

I did have my ulterior motives, but...

Al-right!!

I really wanted to help Kazami-san.

No matter how much effort she put into it, she didn't really know what to do... And so on.

About not being able to smile.

Kazami-san talked about a lot of things.

Sure will!!

I-is that so...? Please come again.

The coffee's tastier back at Yamaki, after all...

Thank you... very much.

I-it's nothing, nothing at all!!

I'll keep asking her out from now on!!

You don't need to wear anything too flashy; I think something simple will fit you more.

Were you always this... fashion-conscious?

Kazami-san! How about these?

I used the excuse of going to buy clothes together.

Huh? Are you reading a women's fashion magazine? It's impossible to give advice with just that.

Maybe if she wore something brighter.

U- umm... Does this look good on me...?

How about suggesting something you like to start with?

I asked her out on more dates.

How about... here~?

We did a lot of fun things and laughed a whole lot.

It goes above and beyond that!! I can't take my eyes off of you...

JOLT

YOU!!

I-I'm sorry.

You were so happy about it, I got surprised...

He he...

Eh?

Thank you very much...

I feel I can be cheerful now, even if just a little bit...

So that was... a smile.

We're taking baby steps, but it looks like you can smile now!

That was a really good natural smile just now!

Oh man, she's so cute. That was a surprise attack.

Woah~
There's something different about her, isn't there?

Here's your hot coffee au lait, and a blue mountain.

YAMAKI COFFEE

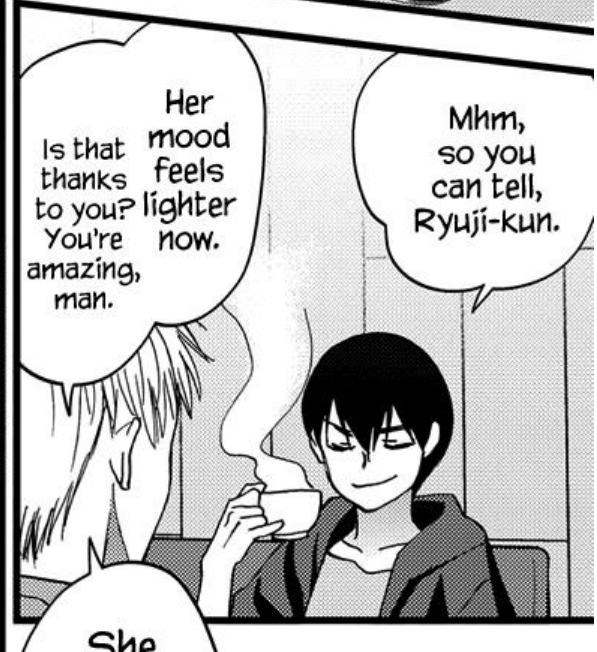

Sorry for the wait.

Much cuter!?

Sorry, gotta use the toilet.

Hey, you!?

Her mood feels lighter now. Is that thanks to you? You're amazing, man.

Mhm, so you can tell, Ryuji-kun.

She looks much cuter this way.

I may ask her out myself~
She's so cute...
Didn't say that.

If a womanizer like him sets his eyes on her...

Why are you saying that...!?

...why?

I'm sorry for having you tag along with me all this time.

You don't need to go out with me anymore... right, Kazami-san?

I was kind of useful, after all.

Ah, okay...

Eh?

Take it easy with Masaki-kun, hear me~?

It's almost closing time anyway, so you can close the store if you want to.

Excuse me, but I have to leave a little earlier today. Please take care of the rest.

Kazami-kun.

Eh...

K-Ka-zami-san!?

Um...

Was Kazami-san... crying just now?

Really? Okay, I'll go!

Ryuji-kun, I'm feeling fancy today, let's have a drink.

Eh? Boss, what's cooking?

Ueda-san... Am I...
b-
bothering
you?

Or did I
ever do
something
that hurt
you?

No!!
Erm...
It's the
complete
opposite...
Forget
what
I said
just
now!

keep
going
on dates
with you...
Kazami-
san...

I
want
to...

I think
I got
jealous
and
vented it
all out
on you...

Forgive
me...
Ryuji-san
started
saying
you were
cute all
of a
sudden,
and...

Haa
Please make me yours all the way to the end, Ueda-san.

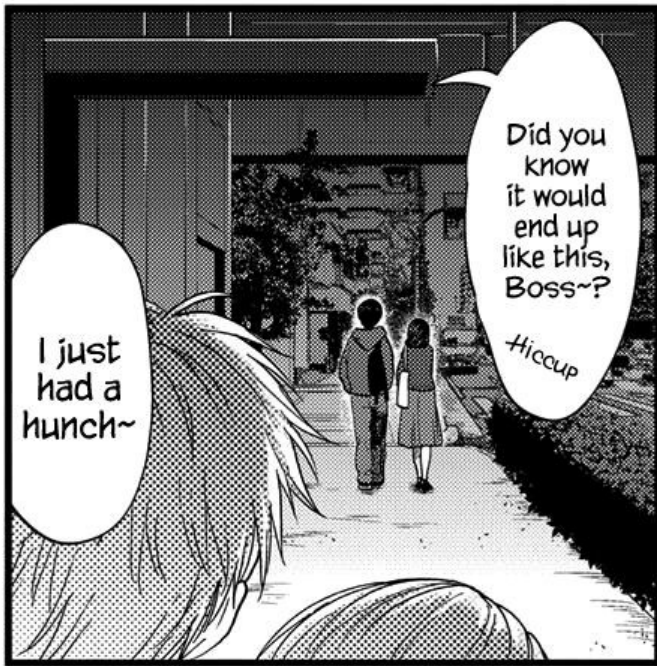

Today is a safe day...

AN!
D-do it... inside...

Kazami-san... This is bad, I'm about to...

Ueda-san... I'm so happy...

Tada...

I just had a hunch~

Did you know it would end up like this, Boss~?
Hiccup

Don't sweat it! Of course I would.

I'm sorry... for having you help me clean up.

I got it dirty myself and all.

That's fine, you're still young...

Amazing~ I couldn't tell...

I'm often told I can't read the mood; guess it's true...

Yes, that's good~

Wanna watch another movie one of these days?
There's one I want to see that got announced recently...

Eh, I don't mind at all! Or rather... it would make me happy.

Can I tell the boss about us next time?
I asked him for advice on a lot of things, so I at least owe him that.

Okay... I'd be happy to.
