

A "girls-only field trip" has a nice ring to it...

The artist returns at long last with the first yuri manga in Comic Koh history which checks in at 30 pages.

Seventeen-year-olds' purity and lewdness brought to life in Okinawa's sweltering heat makes the beautiful flowers bloom.

Hope you enjoy it!

IT'S JUST, SINCE WE CAME ALL THE WAY OUT HERE FOR THE FIELD TRIP, THIS MIGHT BE BORING FOR YOU...

OF COURSE NOT!!

HM? ARE YOU BOTHERED THAT I'M HERE?

I'M FINE BY MYSELF, SO YOU CAN MEET UP WITH THE OTHERS, YUKI.
