Sex is different from what I have been imagining.
...You mean, it's crappy?
イメージ画
No, it's nice and it feels good when I cum, but...
It's not crazy exciting like in erotic comics.
...Huh?
...I think it's possible to achieve.
For realsies?!
The girls in them pant heavily and orgasm very hard.
I mean...

I'm gonna need some time to learn about it. Are you okay to try it out?
It's only a theory
Absolutely!
Then, we'll do it the next weekend, okay?
ROGER!
Well
So long
Bye-bye!!

Next weekend
...So
I'm at my boyfriend's place!
And I'm going to make an o-face today!
You showed up early.
What's up with you?

So, whatcha gonna do? S&M?
Or you gonna use some toys?
Ah.
Did I forgot to tell you?
...
We will work on your portio.
Hm?
Pourshio?
Uterus ...?
The external orifice of the uterus has an erogenous area.
Remember you talked about girls feeling good in erotic comics? That's where it happens, most likely.
So if we build up that area, you should feel much more pleasure.

ポス…
A blind-fold…
Put in on
Let's start, okay?
Eh?
……
You said you'll work on the inside part.
Do I have to cover my eyes for that?
Not really, no.
ん…
ん…

Muh...!
Nh...!
You're wearing a blindfold.
So your tactile sense gets sharper.
Hya!
Feeling more sensitive than usual?
It's true...
He's just stroking my body...
But...
These small sensations are spreading through my skin.
This feeling...

I was impatient to the painful level...
...Hm?
You seem very wet already.
Were you looking that much forward to this?
Give me more.
Well, that's good.
It's important to become aroused.
So strong.
So strong...

Hyi...
Ah
Nh
Nh
I came so easily...
Eh?

Ah
Ah
Wai...
AAA
... Hm, you're prepared.
Miyu, look.
Ah...
Ah...
.....?

You can feel the portio, now that you climaxed.
Stroking your uterus like that increases the pleasure.
You can do this method on your own.
Like during masturbation
So, does it feel good?
Hm... I don't really get it, but I'm starting to feel it, maybe?
Kind of a pleasant feeling, I guess...?
Understand.
It's good that we've got such results today.
Are we done?

Yes. Don't overwork yourself today.
You'd want to wash off all the sweat.
Yeah, thanks...
Mh... I'll boil the water for you.
Also, we'll have to put aside sex for some time.
Why?
It will feel better when we're done with the cultivation, don't you agree?
So I have to wait till he's done?
And I was psyched up for today...
And so, he began cultivating my portio.

10th day of cultivation
It's getting much easier to feel.
AH
AH
I don't kn-
Mh!
Mh!
I came?
Which spot is sensitive?
Now only the portio.

20th day of cultivation
Today we'll change it up.
...My butt?
The vibration will get to the uterus.

It's good to have a big reaction.
Don't forget that feeling.
It can be done from behind.
40th day of cultivation
Inside!
I felt it inside!
Three times in a row.
Now, where do you feel the orgasm?
Try one more time.
Okay!

Then...
Ah!
You're late, Takeshi.
I couldn't wait, so I started on my own.
I'm going to cum in a bit.

Yeah. We've done enough.
We're doing it today, yes?
Mh!
Ah!
Ah...
All of our work will give you the most pleasure.
I had to wait for so long!
It's been a while, so don't even think about getting off early.
Aha...
Don't worry about it.

I'm finally here.
Ah!
It's going in.
Ha
Ha
I've prepared you!
As I suspected...

You came right after the insertion, didn't you?
I can even see your pee...
I can't help it!

No!
It feels weird!
I came
Inside, yet
I feel the next orgasm!
I didn't
EXPECT
THAT!

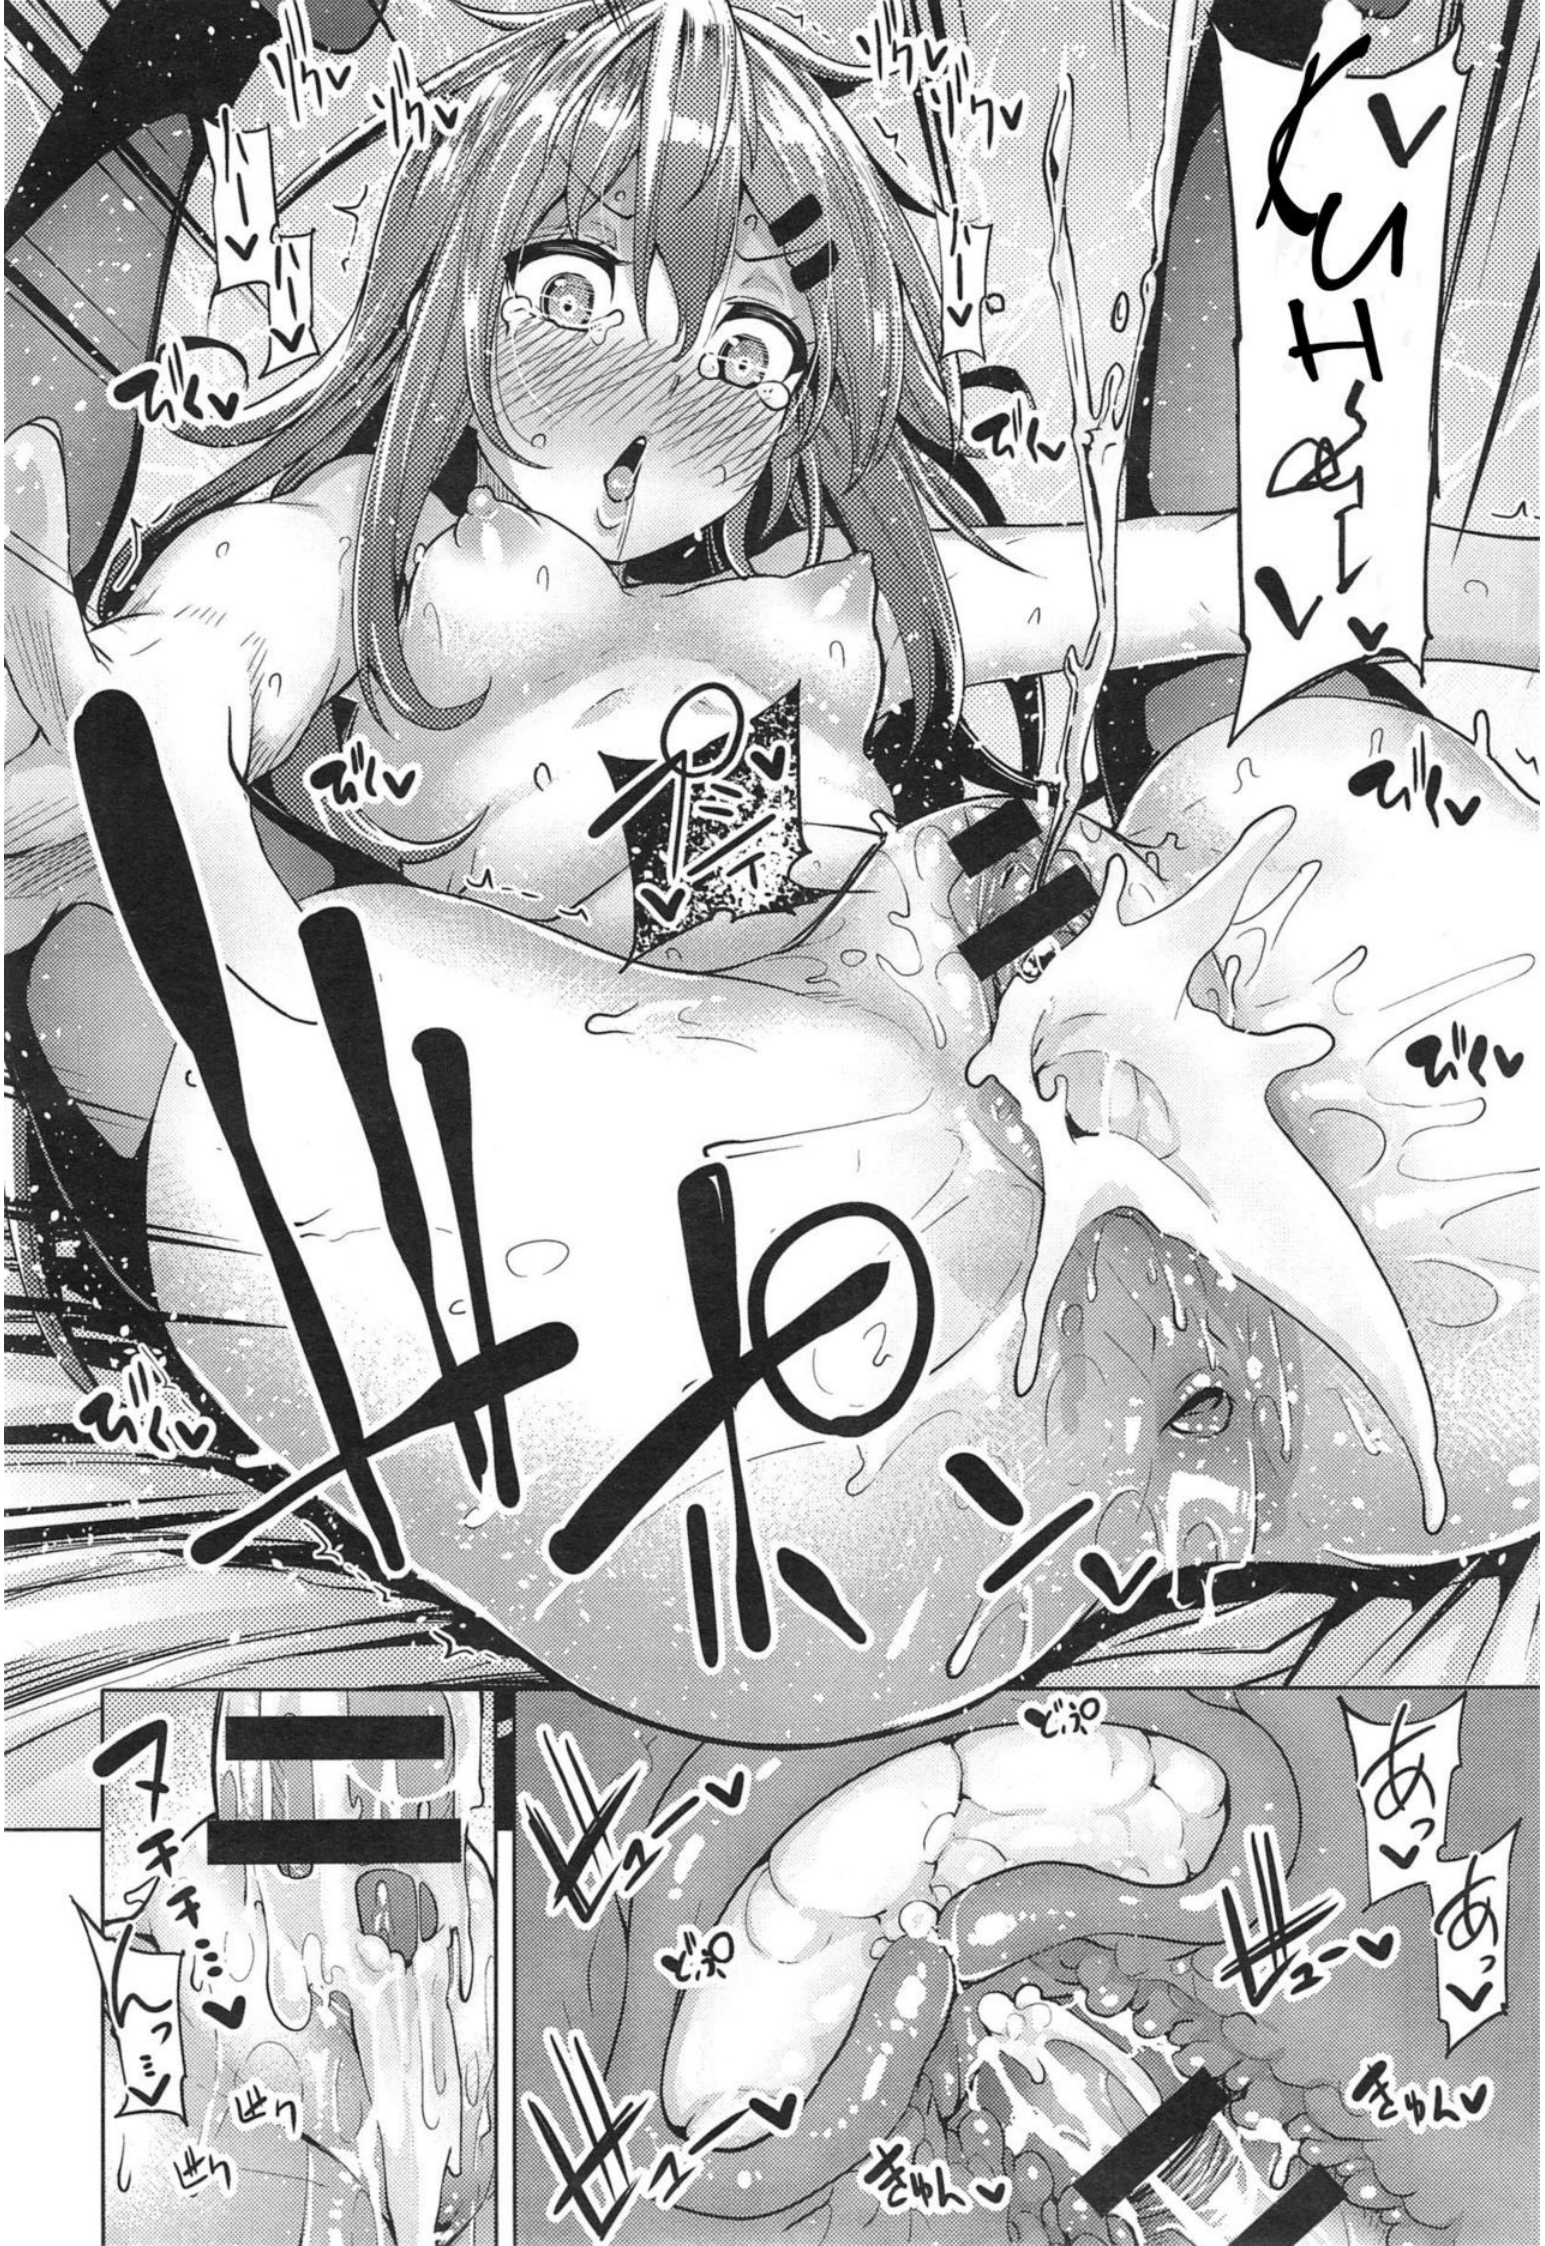
My head feels weird!
You're tapping my belly!
My belly!
Stop!
It feels terrific!
I'm cum-ming again!
GYU
HYA
And now you're grabbing my hard tummy.

I just can't..
Miyu.
Your vagina is tight. Loosen it up!
No way-
I'm cumming again. I don't get it...
Gh...!
Ha...!
Ha...
Ah...
Don't take it out.

You haven't cream-pied me yet.
Hey...!
HA
Do it pro-perly.
I want Kenji's semen.

AH
It's the best orgasm.
great!
This is
Miyu!
My hips don't stop.
Gh...
Your cock scrapes my uterus.
It's great.

I'm gonna cum, Miyu!
Cum!
Cum!
Give me your semen!
Ah–
I'M CUMMING
Gh...!



ぐちゅぐちゅ
ぐぢゅ
ぐぢゅ
ぐぢ

Ha..
Ha...
Ke...
nji
What do I do...?
My orgasms.
They don't stop.
Ah-
Try to lay still and it will wear off... Just wait.
Hey... How is...
Another... one is coming...

That was scary...

Well, maybe we shouldn't have such sex?

Chickened out
Still!
Didn't you know that would happen...?
You asked for it, remember?

No
What's with you?
You know what? Let's cultivate you this time!
Don't even suggest that...
Guys don't have portio.
Ha Ha Ha
But you have a prostate.
Huh?
