G-complex

There was a girl who despised everything in the world.

There was something upon which she relied, something which was born from despair.

It was that which she called "hope."

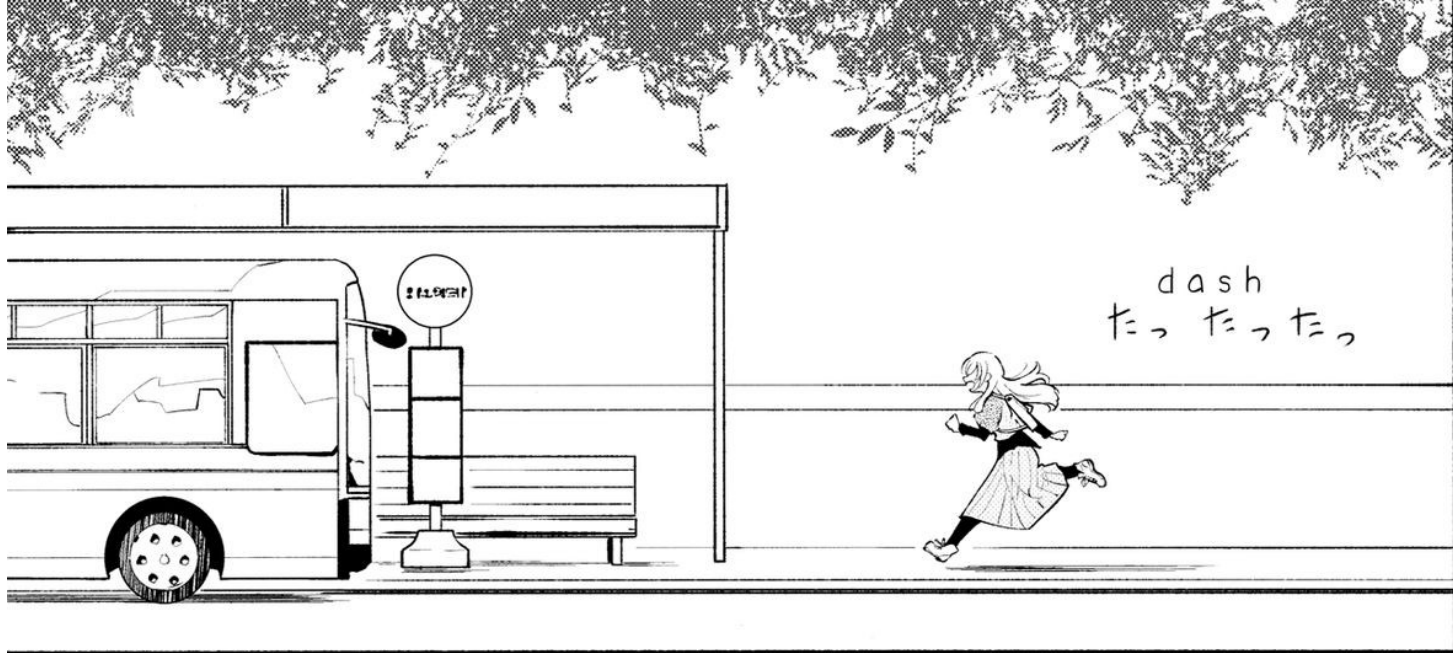

That hope was a hope preordained as such from before its very creation.

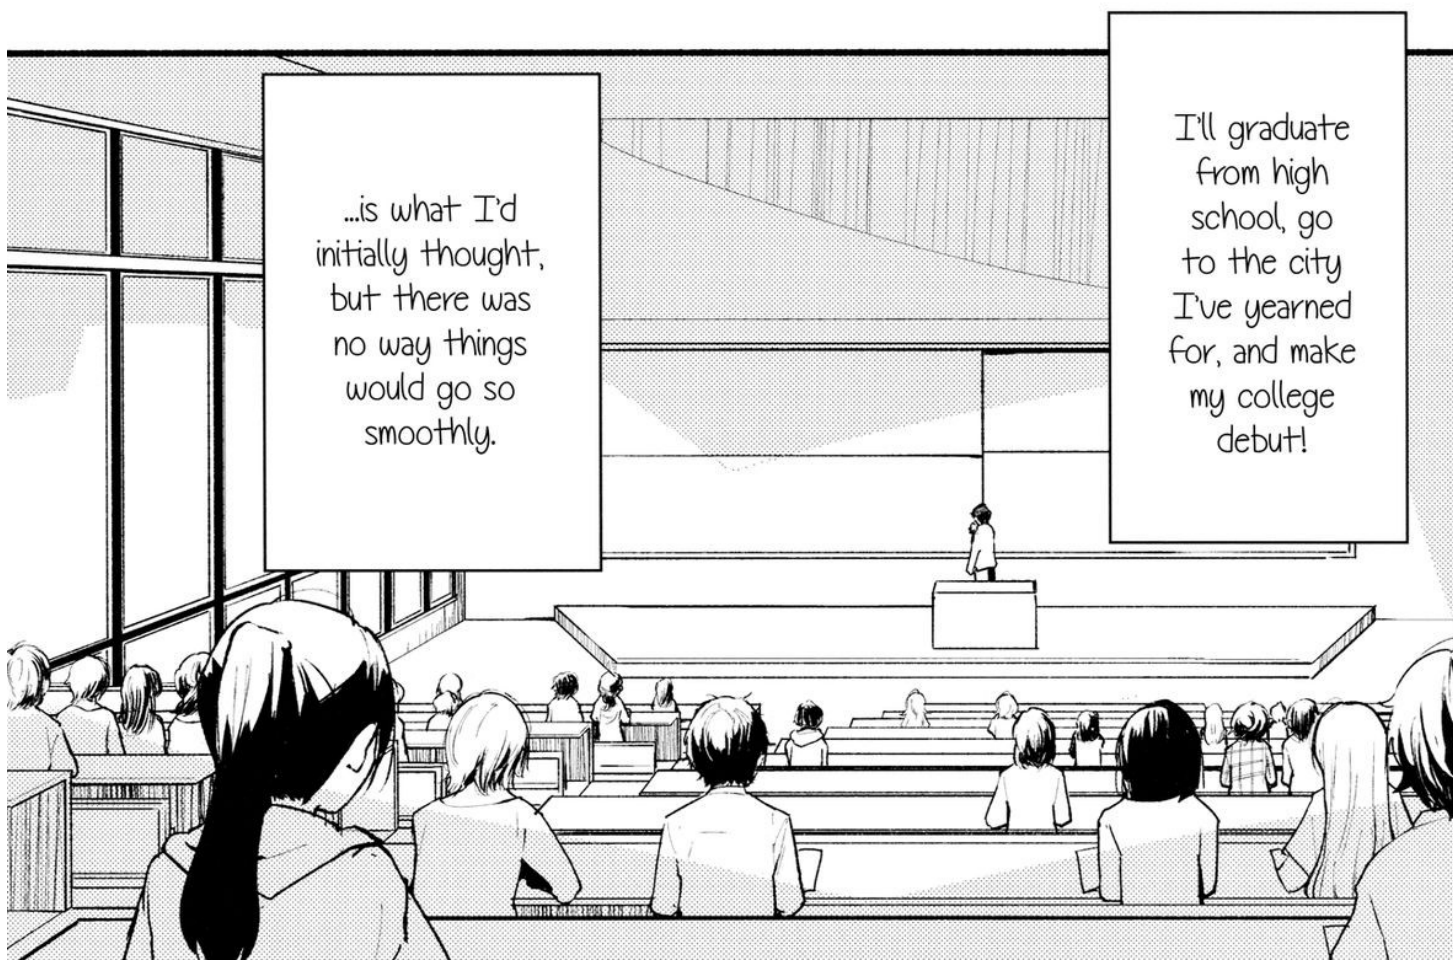

Yeah, I work starting from noon since I don't have any lectures today.

Aah, this is bad, I'm already late!  
Do you have work today, Shou-chan!?

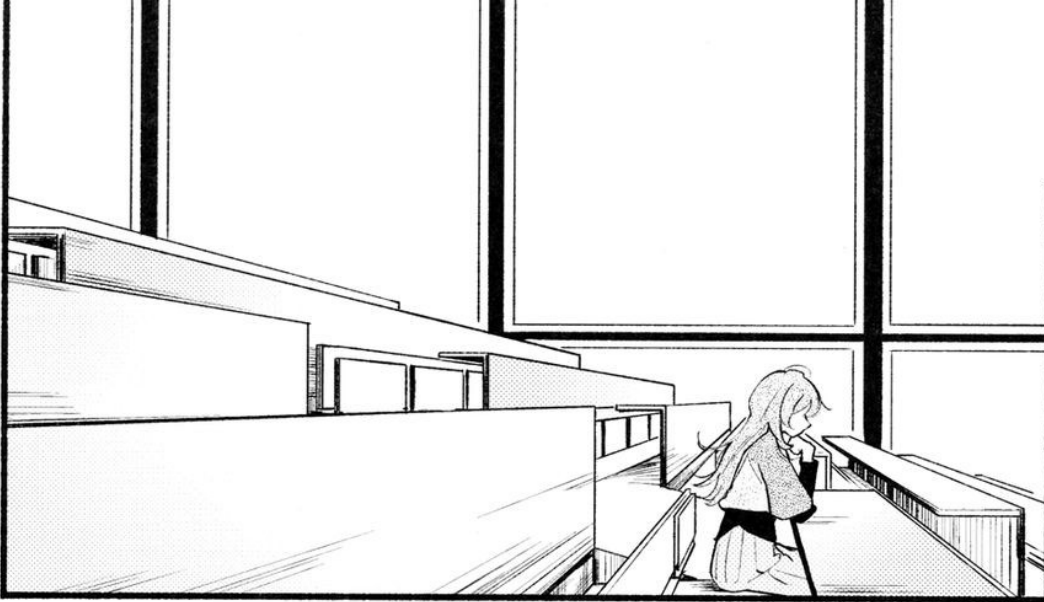

dash  
たっ たっ たっ

...is what I'd initially thought, but there was no way things would go so smoothly.

I'll graduate from high school, go to the city I've yearned for, and make my college debut!

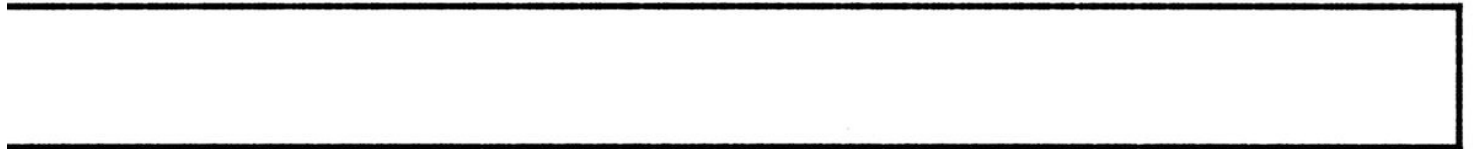

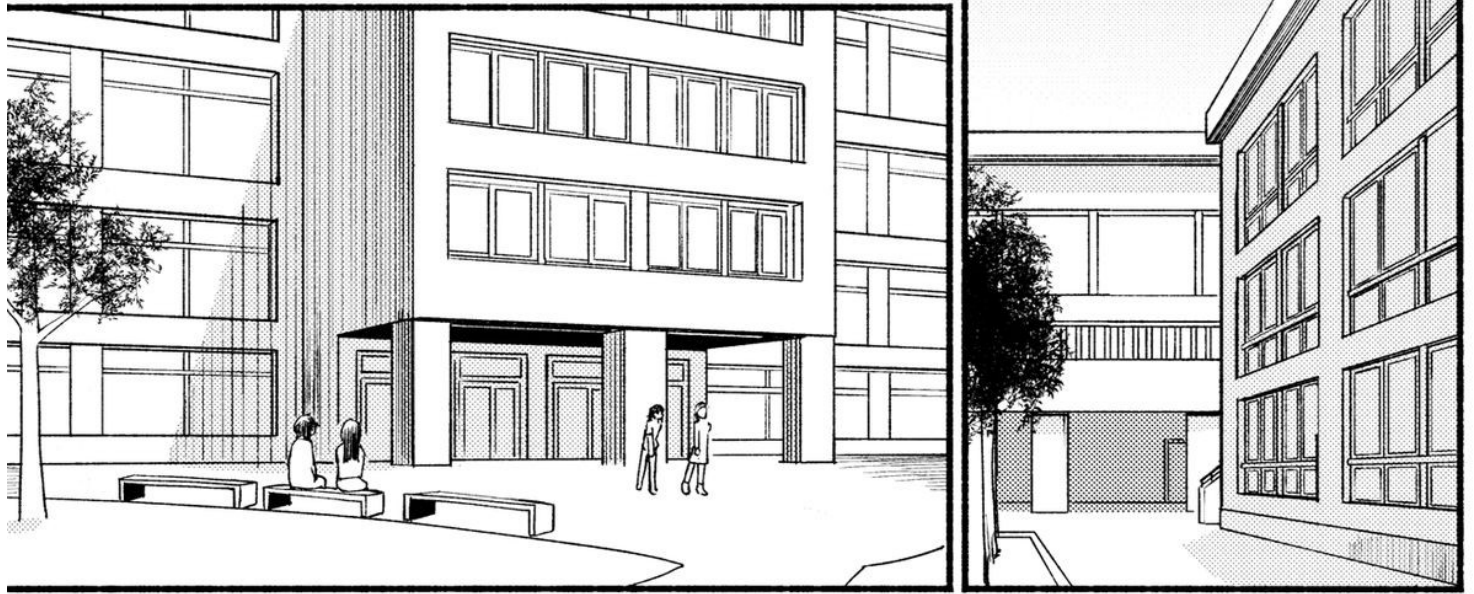

Before I knew it, the four seasons had passed, my first year had slipped away, and the spring of my second year had begun.

"I've already given up on my 'college debut,' so if I can just graduate from college—"  
  
was the sort of thing I had begun thinking——

So, in other words...  
I can't go on like  
thiiii-  
iiss-

Young lady,  
you're here  
every week

time, aren't  
ya?

You sure are defensive, huh. Or maybe I should say,

What's with this person...?

Oh, but first things first! What's your name?

By the way, lady, will you hear what I've got to say?

Eh?

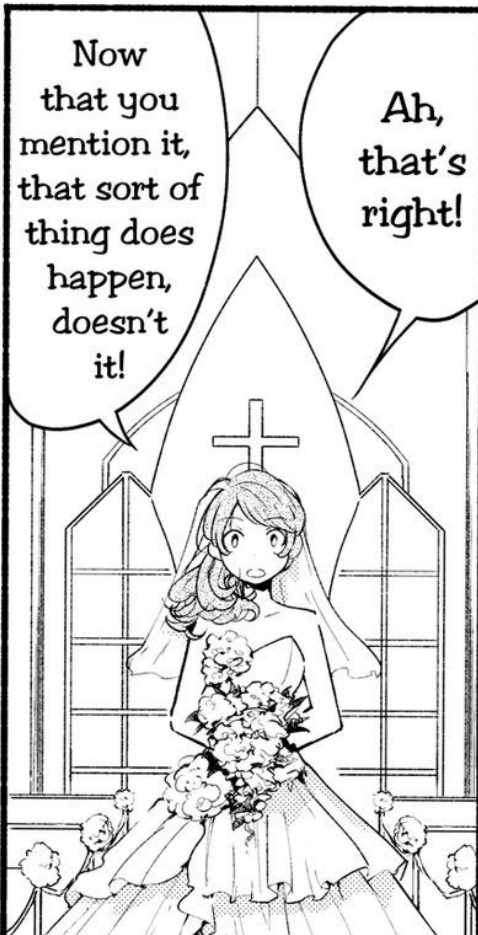

Y'see, if I don't have your given name, then if your family name changes I won't know what to call you, right?

Huh...?

What about your given name?

Eh, but even so, it's not particularly necessary, is it?

Now that you mention it, that sort of thing does happen, doesn't it!

Ah, that's right!

Well, y'see, if you get married, it'll probably change.

It's fine, umm...

...But, I guess that's just a pretext.

Ah, I was sitting in the back before, but it's hard to hear Sensei's stuttering voice back there, so I'm moving forward.

I'm Fuse, Fuse Aoi. You can call me "Aoi".

Nonomiya-san, are you the sort of person that's always alone?

You're pretty straightforward, huh... Well... That's true... I suppose.

Umm...

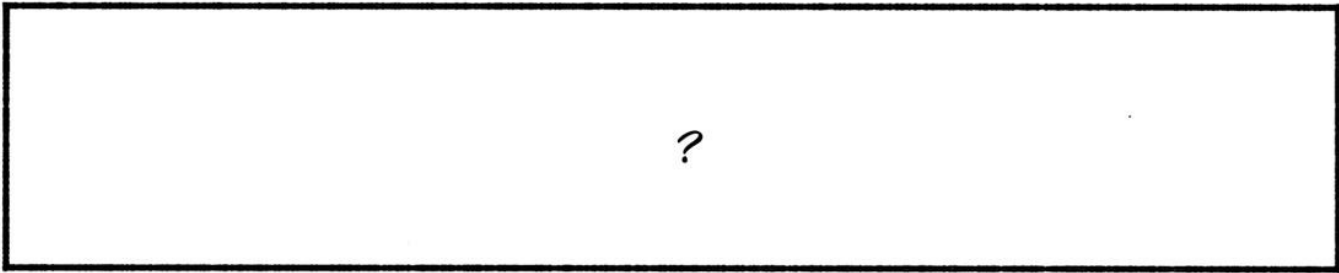

That's not really it. It's just that, before I realized it, I... uuugh.

Was it bullying?

But that's probably good...

T-Thank you...

Aah, sorry. No, I've had that experience before, but, how to put it... Even if nothing had happened, people around me had found their own groups and I had a feeling like there was nothing I could do.

Yesterday, right, we saw that delicious beef stew on that drama, didn't we~  
...Do you wanna have that?

Ah, that looked ultra delicious!  
Let's eat it!  
Let's make some!  
It'll be good with a small bottle of wine.

Mm~  
...

What are we gonna eat today~?

That's not really it,

but I was wondering if Shou-chan knows about some things that I don't.

Why do you ask?  
Wanna drink?

...Shou-chan, have you ever had alcohol before?

Mm, well...

It doesn't have to be particularly soon or anything.

Uh-huh.

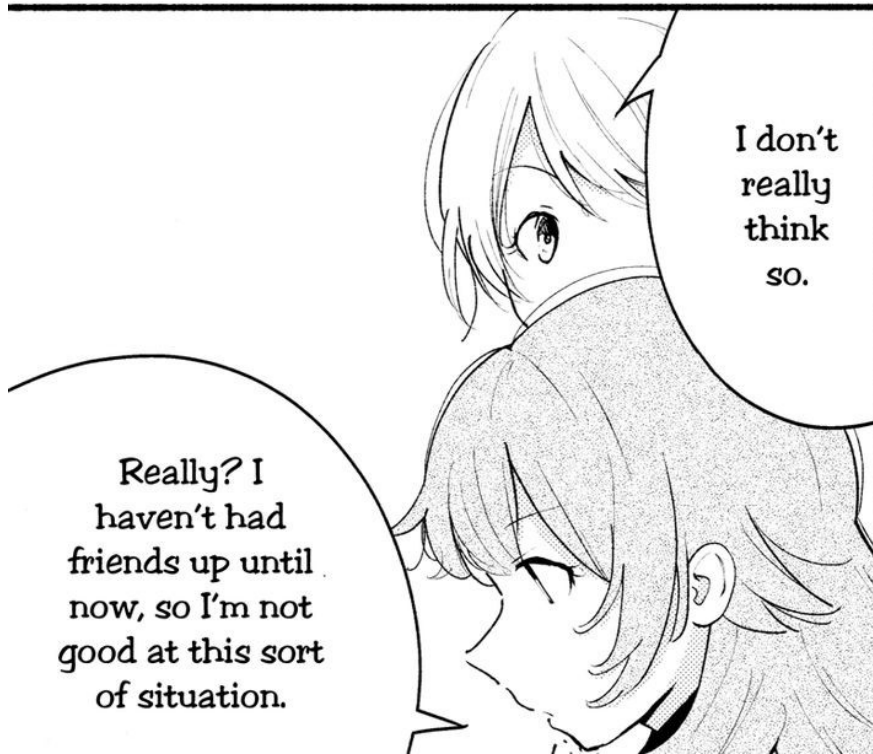

Then won't it be fine if you just try drinking?

I guess so.

...

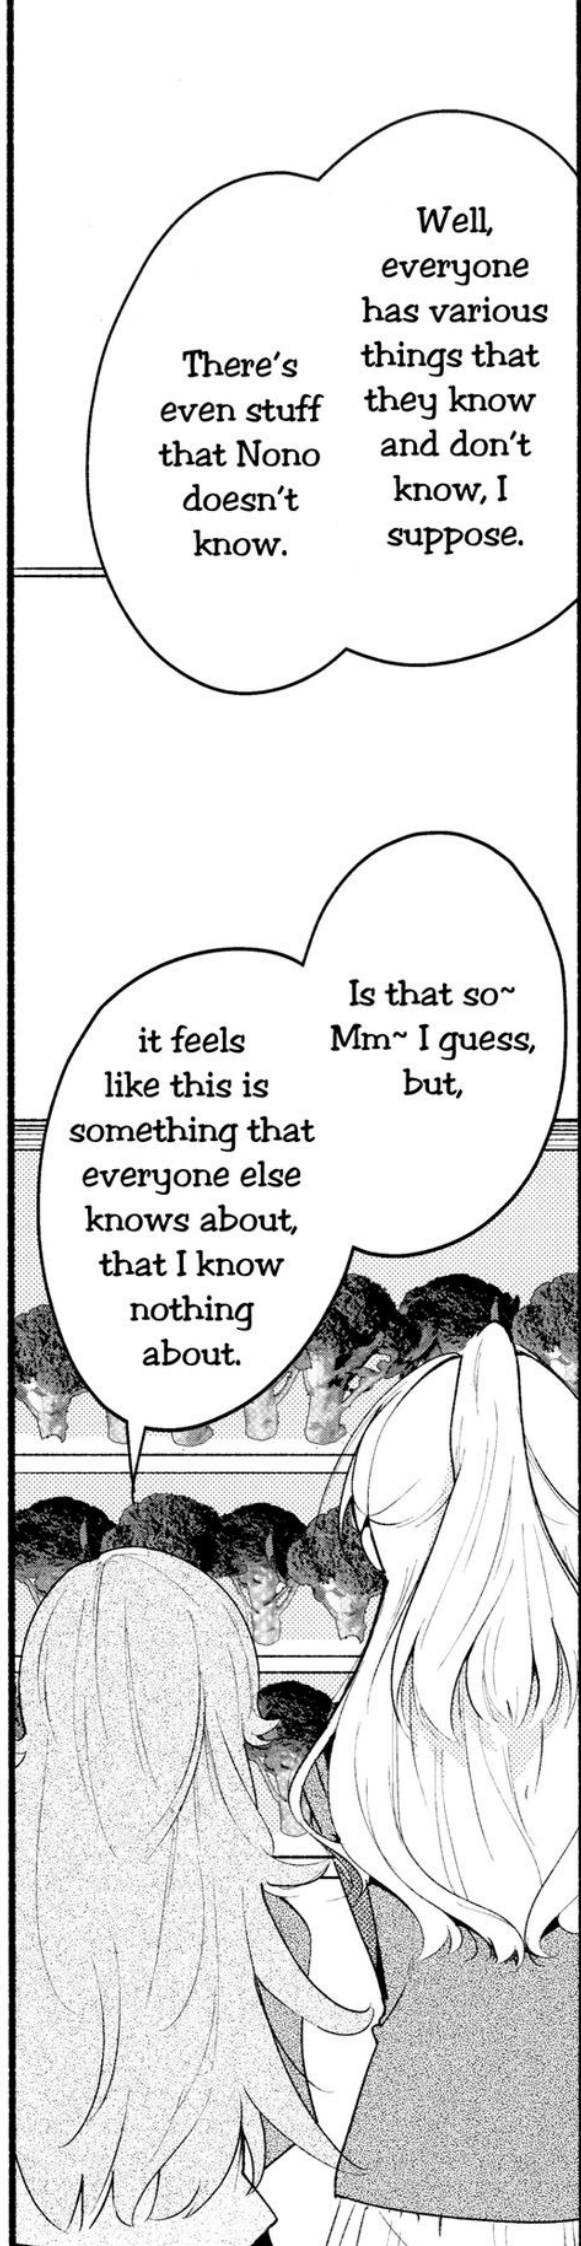

...Yeah.

Oh, was my response just now a bit rude, maybe?

I don't really think so.

Really? I haven't had friends up until now, so I'm not good at this sort of situation.

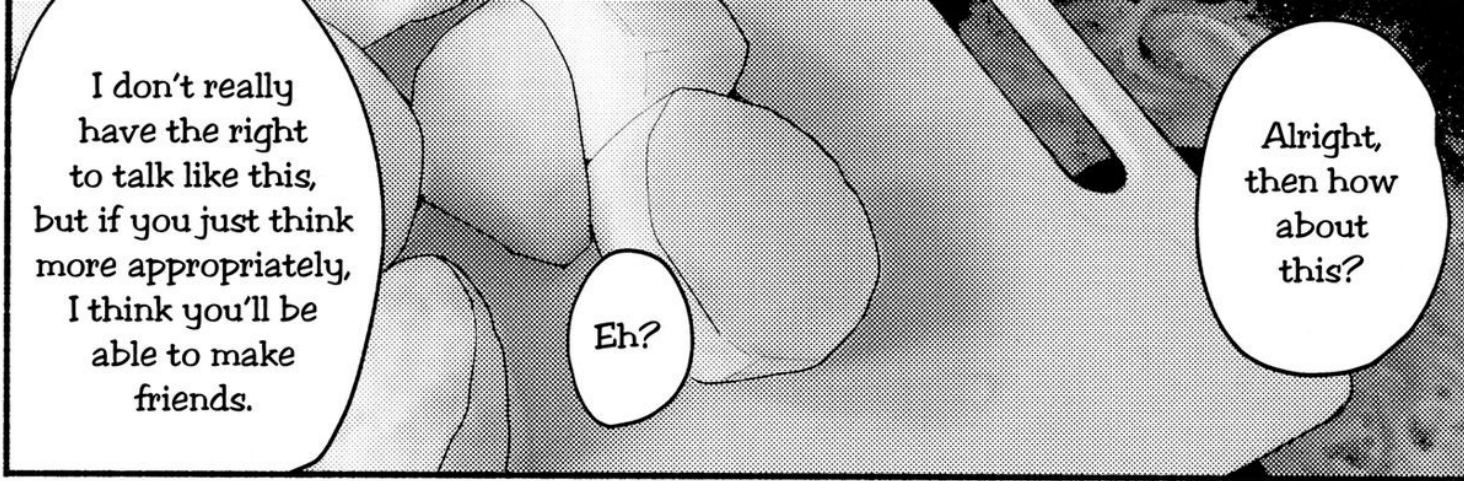

There's even stuff that Nono doesn't know.

Well, everyone has various things that they know and don't know, I suppose.

it feels like this is something that everyone else knows about, that I know nothing about.

Is that so~ Mm~ I guess, but,

I don't really have the right to talk like this, but if you just think more appropriately, I think you'll be able to make friends.

Eh?

Alright, then how about this?

So that's how you're taking it! How awful!

That's too awful! Even though I was talking to you so seriously!

Appropriately... Oh, so you're saying I'd be "appropriate" for you, Shou-chan?

Ahaha-haha-haha-haha-haa...

As if.

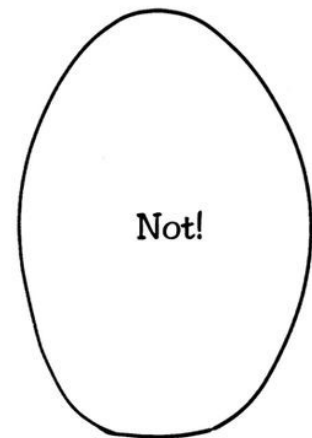

Pssh, as if!

I was just joking ♪

Ueeeh!?

So-Sorry, Shou-chan!!

Honestly, honestly, Onee-san's been curious about this particular point for a while now...

Oh? For real? But, y'see, how to put it, how to put it...

Eh, are we really gonna talk about this? I was just talking about how to raise egg-plants...

Hmmm... So, are you a virgin?

Well... That sort of thing... I've never done it, but...

Huh!?

So, wanna try it with me?

Hmm... I see.

That so?

Ahh, I can't even remember how that saying goes.

Now, now, if you don't think so rigidly, right, like, don't they always say that first you've got to gain EXP or something?

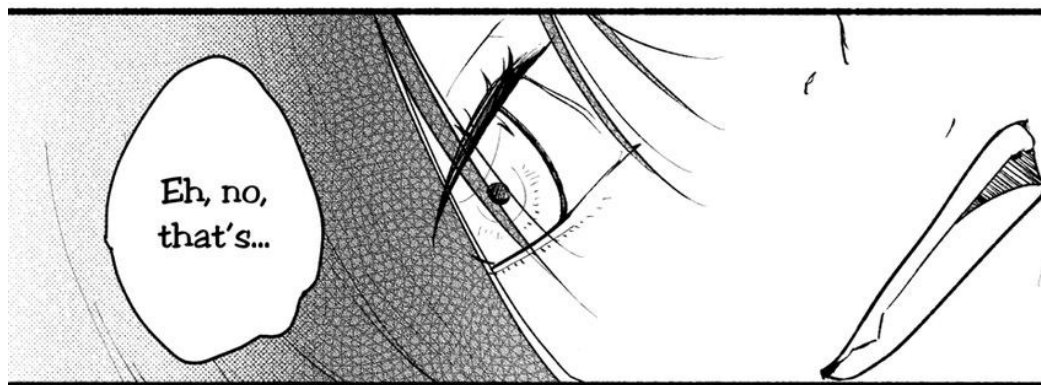

Yeah, and I'm also a woman. So, I mean, I'll be real with you, I'm what's colloquially referred to as a "lez".

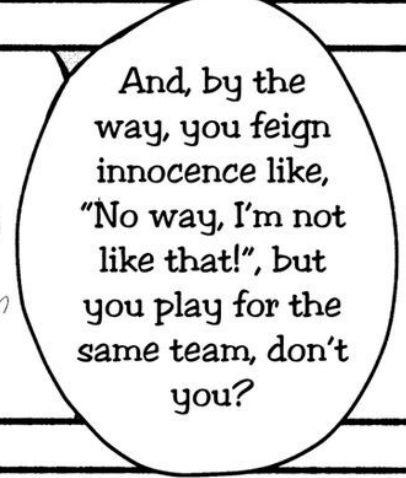

Even if I'm not exactly well-endowed!

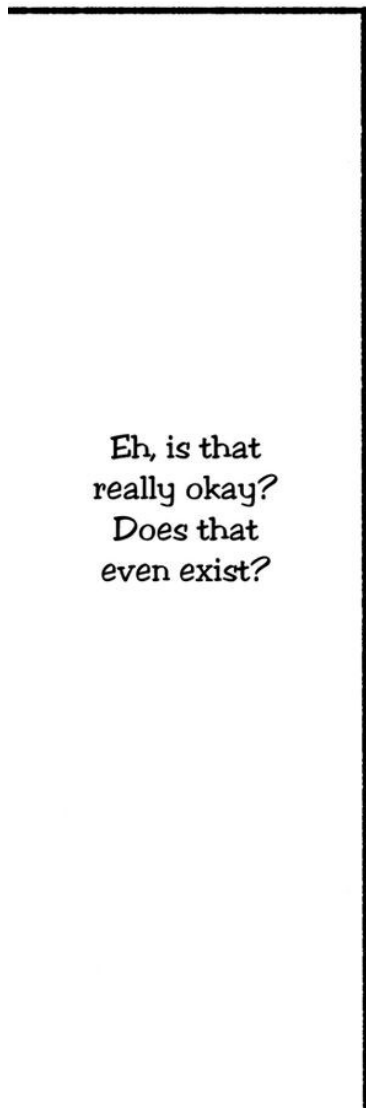

More importantly! I'm a woman, see!?

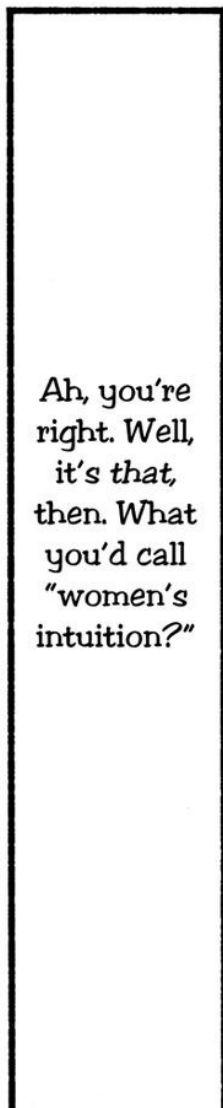

Eh, no, that's...

And, by the way, you feign innocence like, "No way, I'm not like that!", but you play for the same team, don't you?

Eh, is that really okay? Does that even exist?

Ah, you're right. Well, it's that, then. What you'd call "women's intuition?"

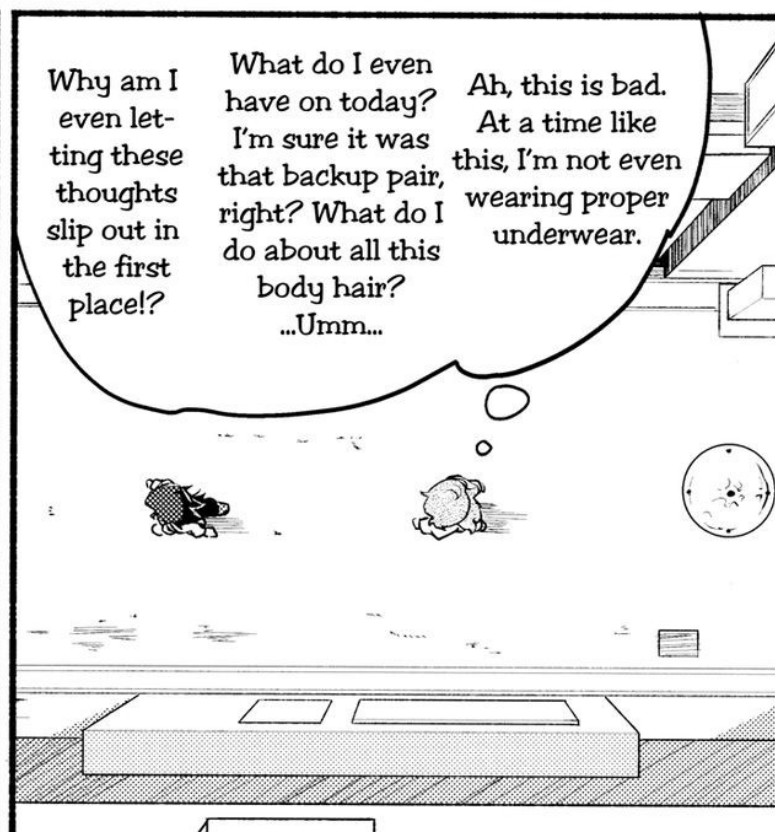

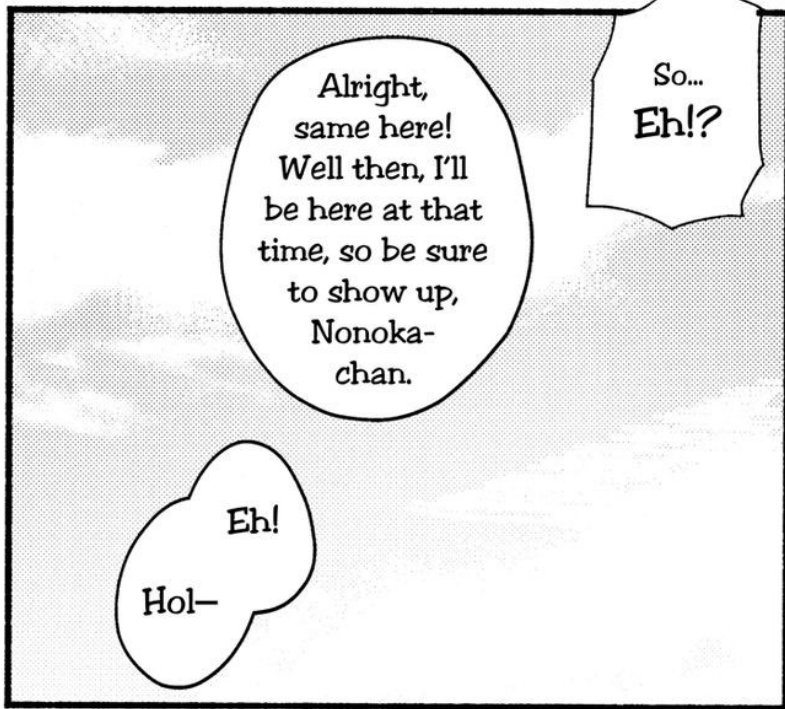

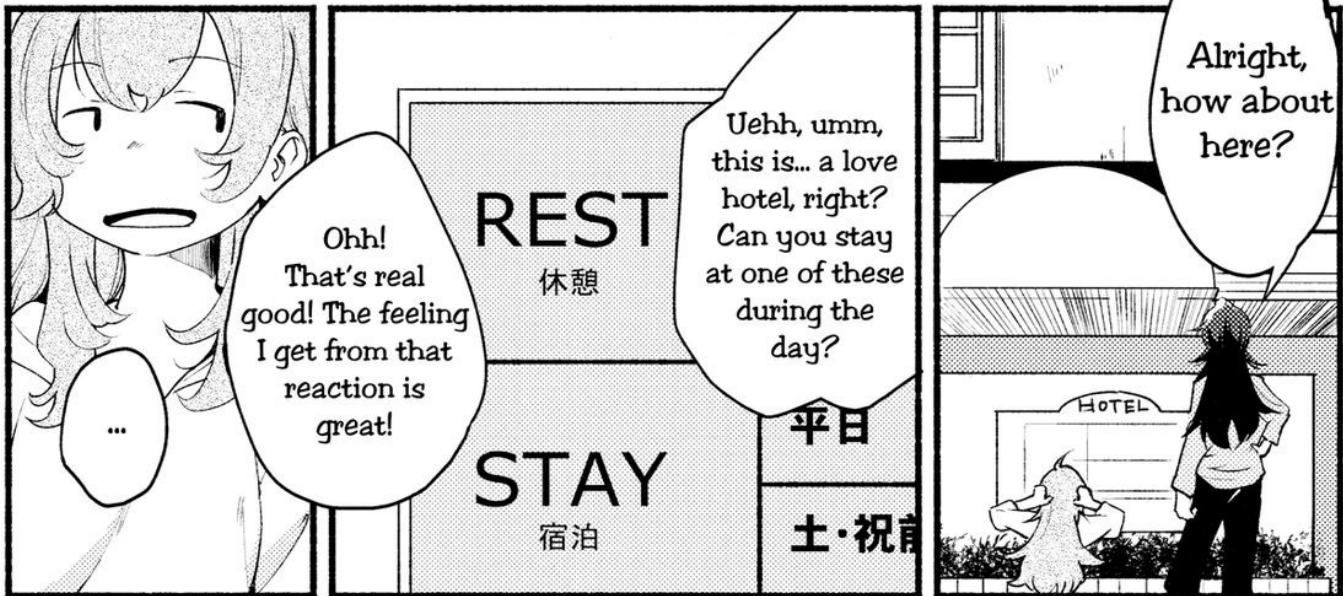

Ah, that's because I've been playing guitar for a while. Look, my right hand has long nails.

See?

See! Just like I thought, look at these trimmed nails.

Ohh!  
That's real good!  
The feeling I get from that reaction is great!

TL's Note: In Japan, one who takes a year or more to begin college after graduating high school is called a "ronin", a reference to masterless samurai.

No good, huh? Look, I wasn't asking all that seriously, but I thought you'd at least give me a more direct answer...

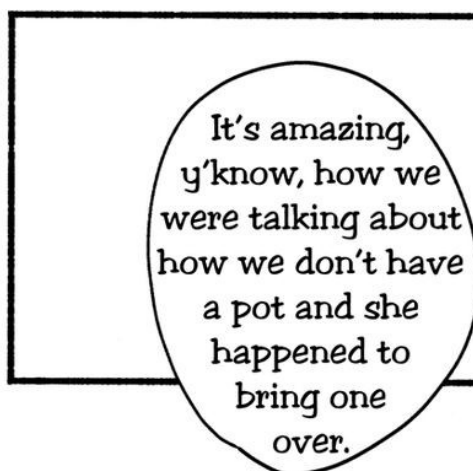

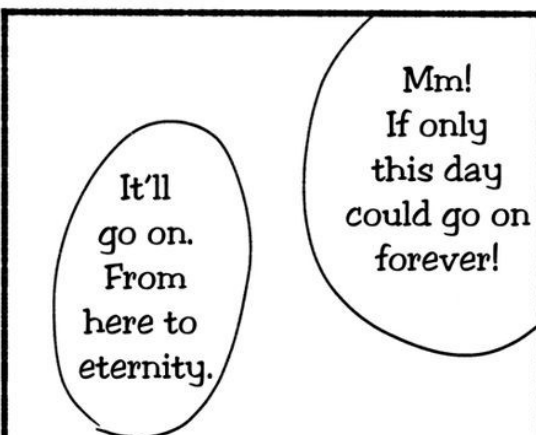

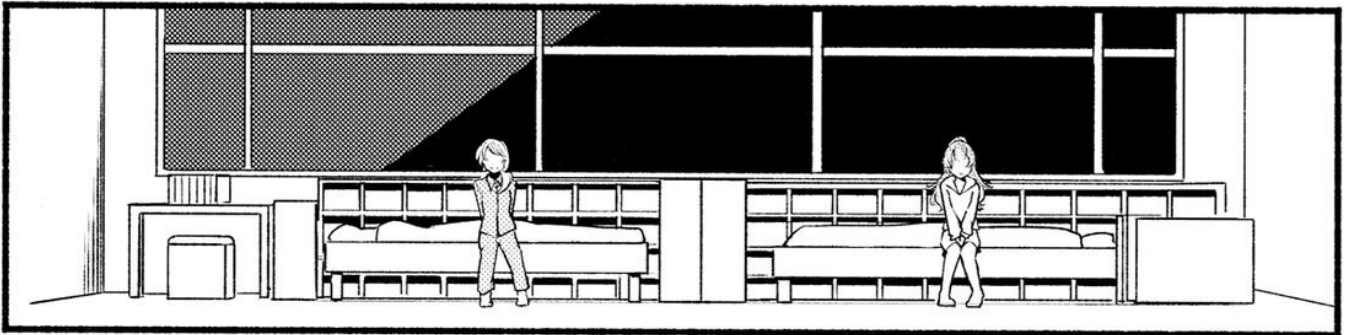

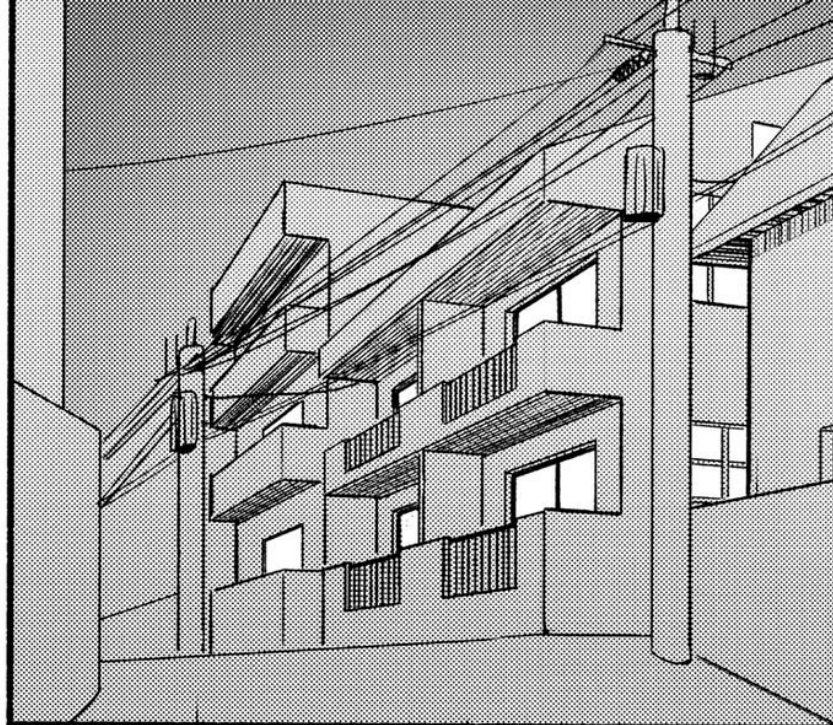

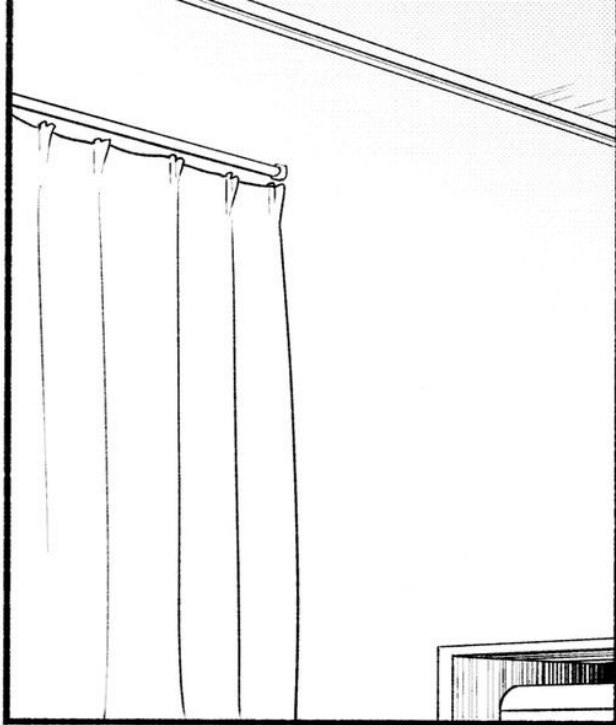

...I don't really care either way.

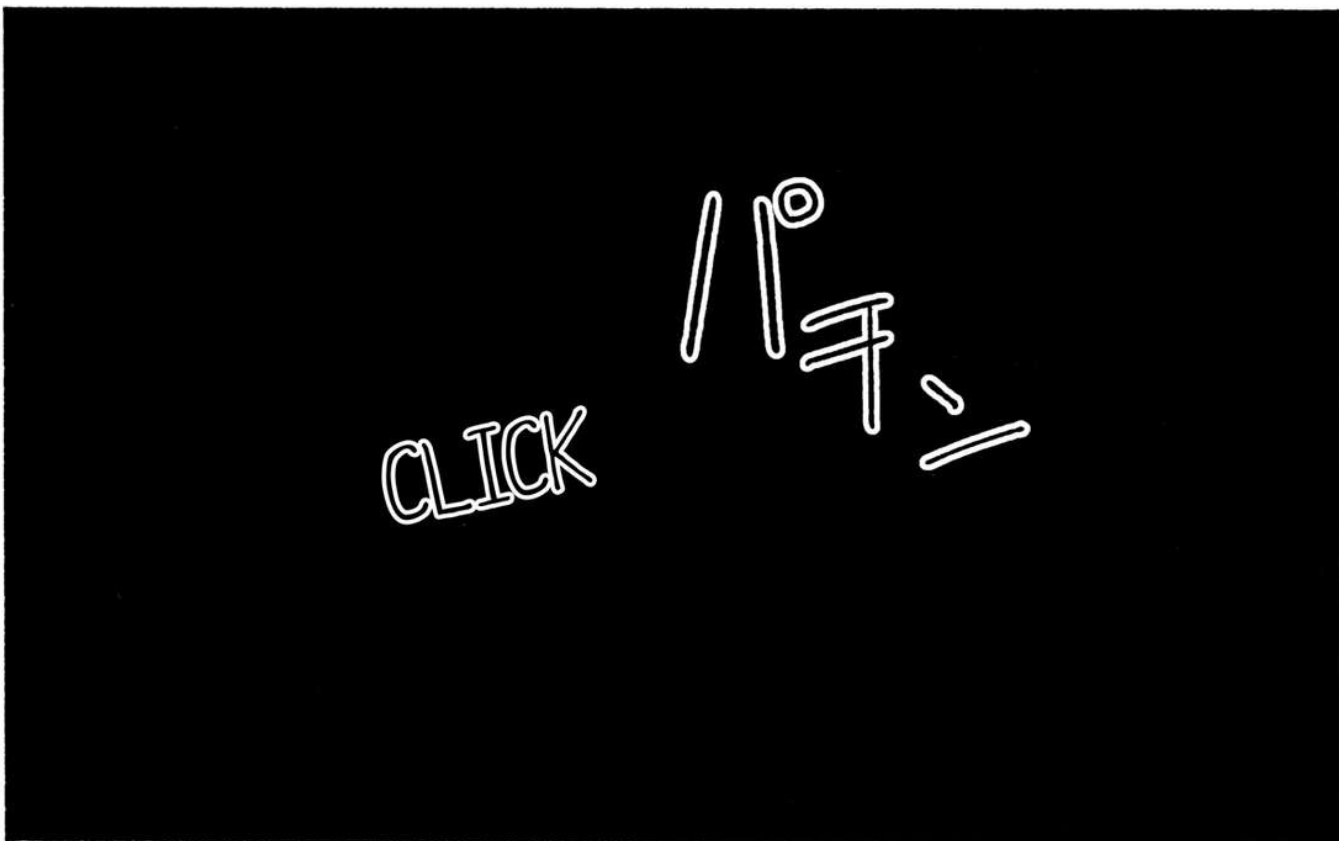

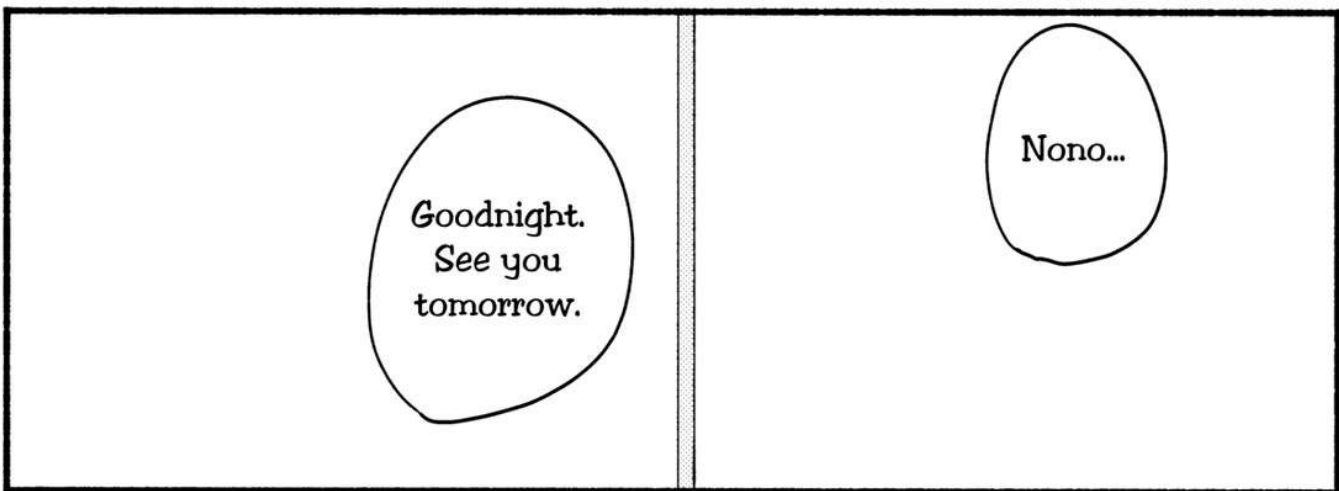

It's fine. As for your reply... I'll ask some other time.

Sorry... I didn't think I'd upset you so much.
