This fabric is so transparent that you can see through it... Is there a point to it at all?

Also...

It's only got cloth in the front...

This underwear, too...

The butt feels really breezy. I can feel the wind hitting it and it makes me unable to calm down...

AH...

Before I throw it out, I might as well wear it once...

Just to see what it feels like to have it on... that's all...

I've gotten hard...

Oh no...

Shh...

Ha!

My hand just won't stop moving!

This outfit...

I've gotta rest. Just for a little bit...

unable to even lift a finger. I can't move...

I came...

Comments: Some nice masturbation in here. I enjoyed that part more probably, just because it's rarer. Saki's also finally awakening to the idea of leading sexually frustrated men on in order to get free stuff. Ah, the tinge of reality.
