Afterword

Thank you for getting the book! Nice to meet you if you're a first-timer! I'm Fukuno Tsukuribe.

This is the seventeenth book in the Mromantik series. Was it to your liking?

The concept this time was Onee-chan X Loli X Trap, oh, and a vibrator. (Heheh)

I've wanted to draw some vibrator teasing for a long while... Phew, I feel incredibly satisfied now that I got to draw something I've wanted to try out for so long.

Let's see, what else...? Hmm... Oh yeah! The trap! About the trap... He was so cute, I was super into it! When I was looking at some lolis from LO, I don't know why, but for some miraculous reason, all the receiving girls in those looked like traps to me! Traps are... frightening... (Trembles in panic)

Maybe my days here are reaching their end... Should I make the jump from a loli S&M circle all the way to a trap circle? Just kidding... ^^;

Oh, there's something else... An unexpected error destroyed the script this time around; that was a serious nightmare...

That PC is probably useless now...

...And that would be it. There's still lots and lots of stuff I want to talk about, but I don't have much time left to send the manuscript and there's not that much space to write in, so it might be a little simple, but I think I'll wrap this afterword up around here.

See you later, as usual, the story continues a little bit after the ending. Since you made it all the way here, please read it all the way to the end.

Thanks and apologies.

Marurin+San, thank you very much for lending me a hand for this time's script.

Thanks to my local Mikuni Bookstore, for the cooperation they lent me to research sex toys; I'm very thankful.

Fukai-san, thank you so much for getting the Onee-chan X Trap coupling stuck in my head.

Production notes

Please let us know what you thought of this project.

BESIDES...
I REALLY
...

WANT
A BOY
THAT LOOKS
ONLY AT ME,
AFTER
ALL...

THAT'S
WHY
...

This is a work of fiction, it has no relation to real people, organizations, or events in any way. Please do not try the acts depicted here without proper preparation, it can be dangerous. Don't try it out at home.

STARTED
FLAUNT-
ING IT

EHEHEH,
DON'T
