Here are some details and updates about the setting and stuff

I made her hair a bit shorter than in the previous info sheet (to make her butt more visible)

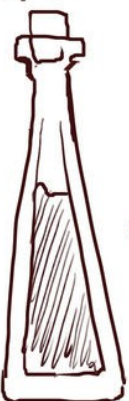

When her senses are lost, her pupils become wider.

I'll kill you all!

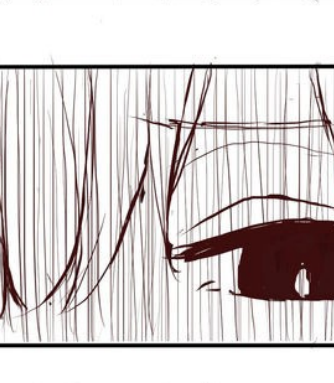

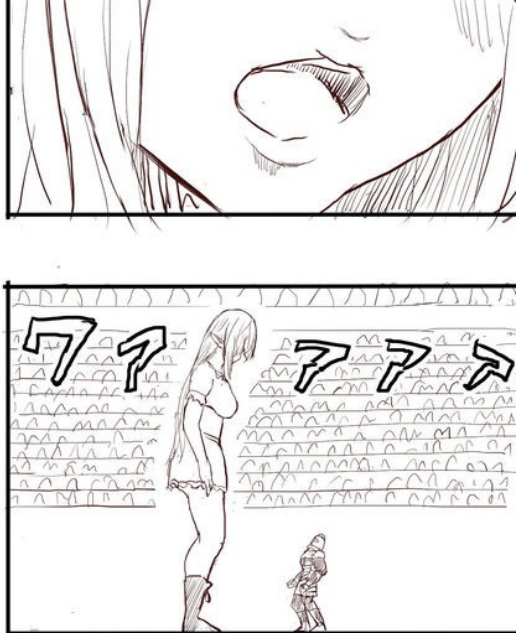

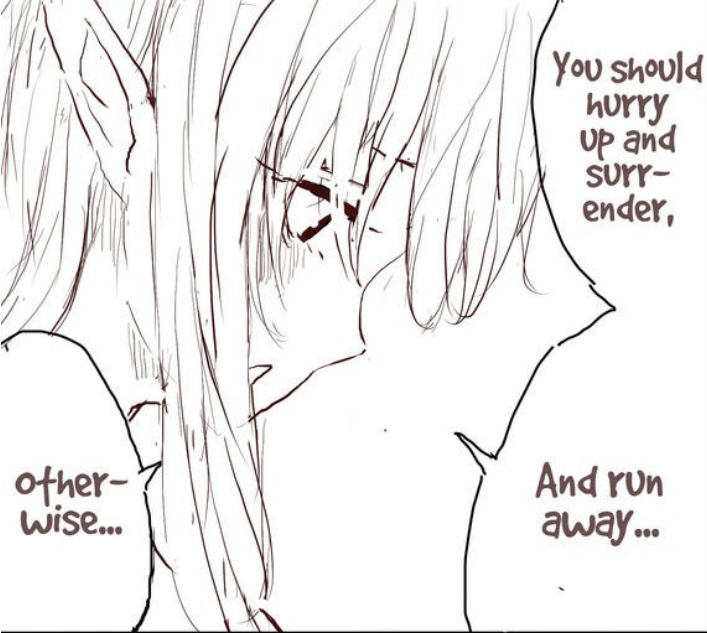

Some sort of potion

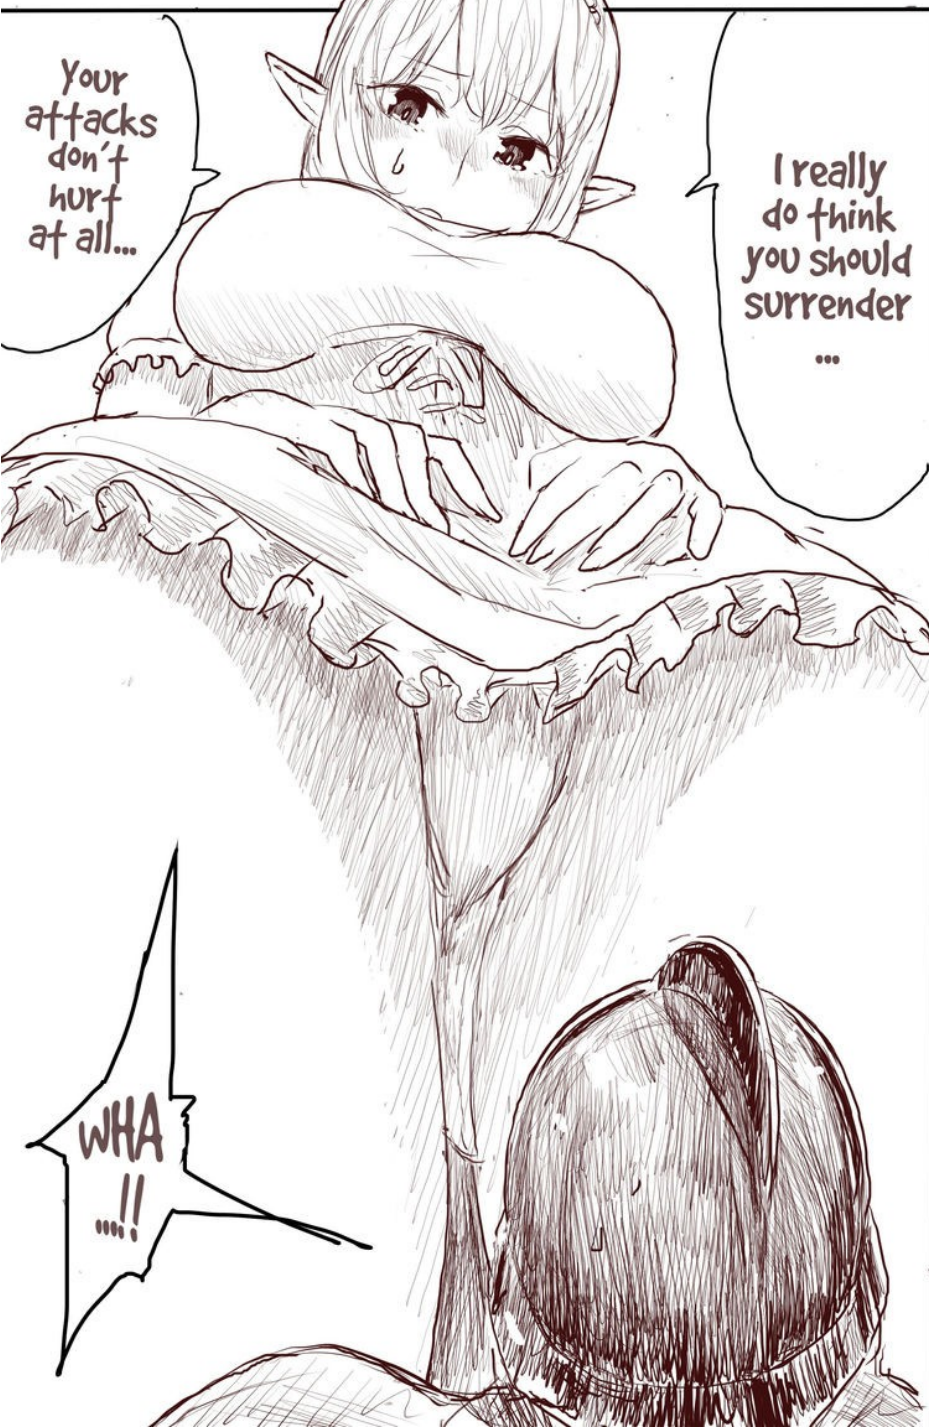

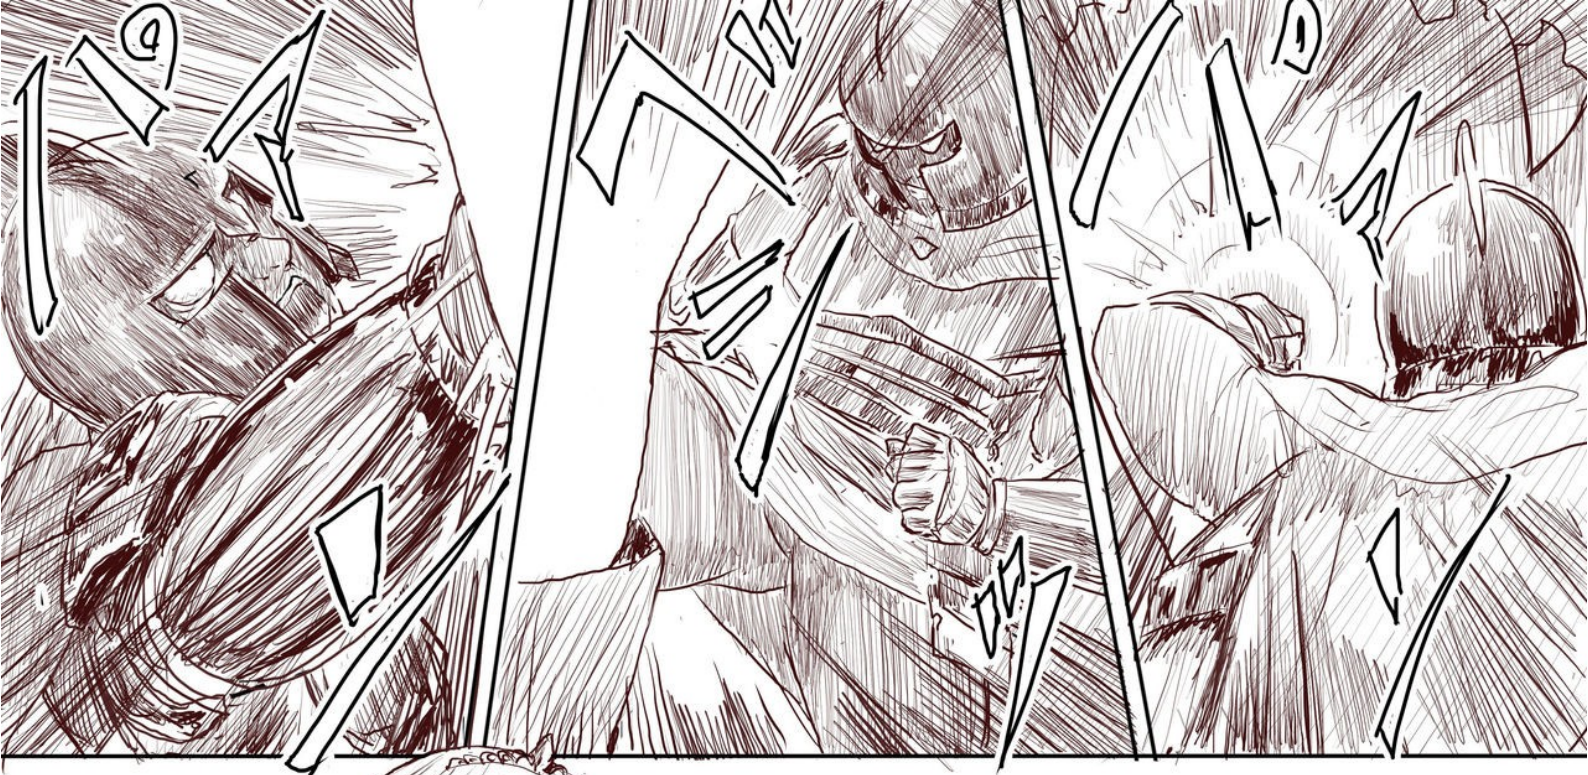

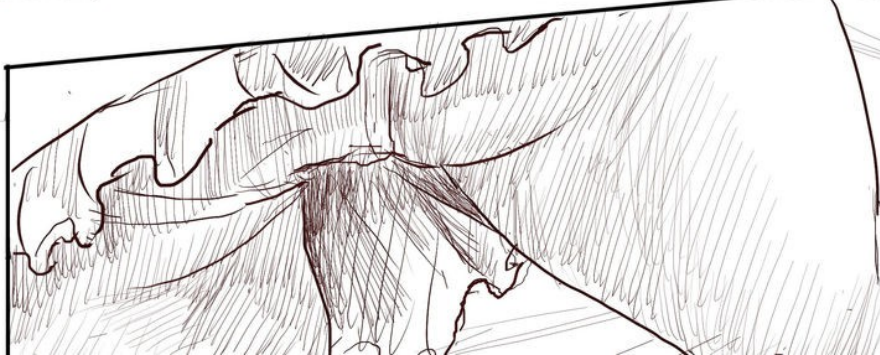

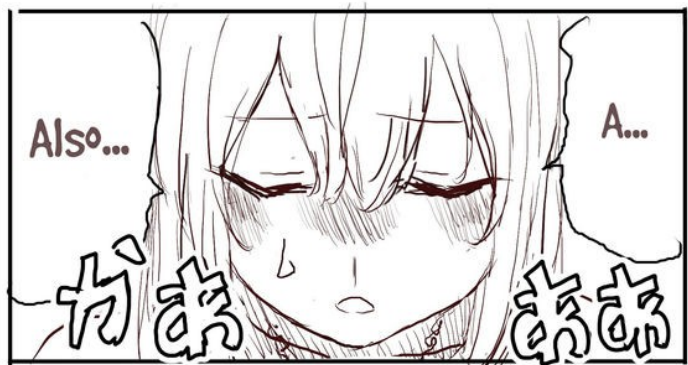

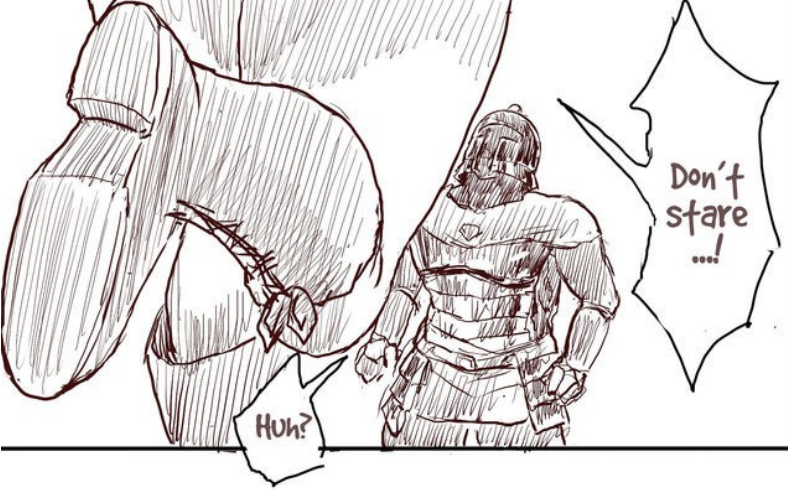

Her body becomes stronger when she drinks it, and grows in size when her emotions explode.

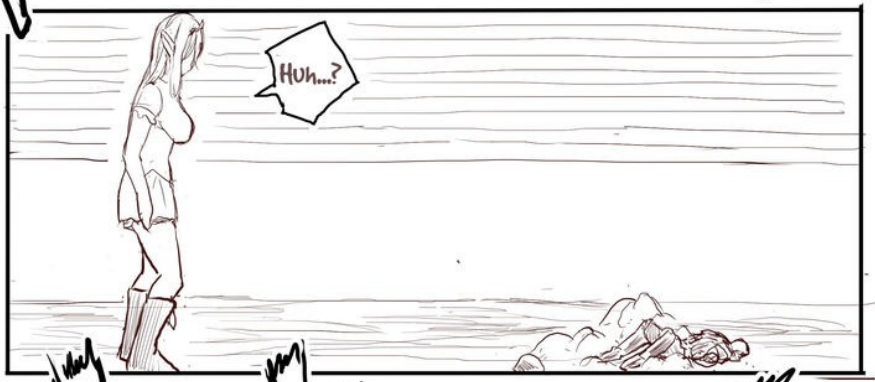

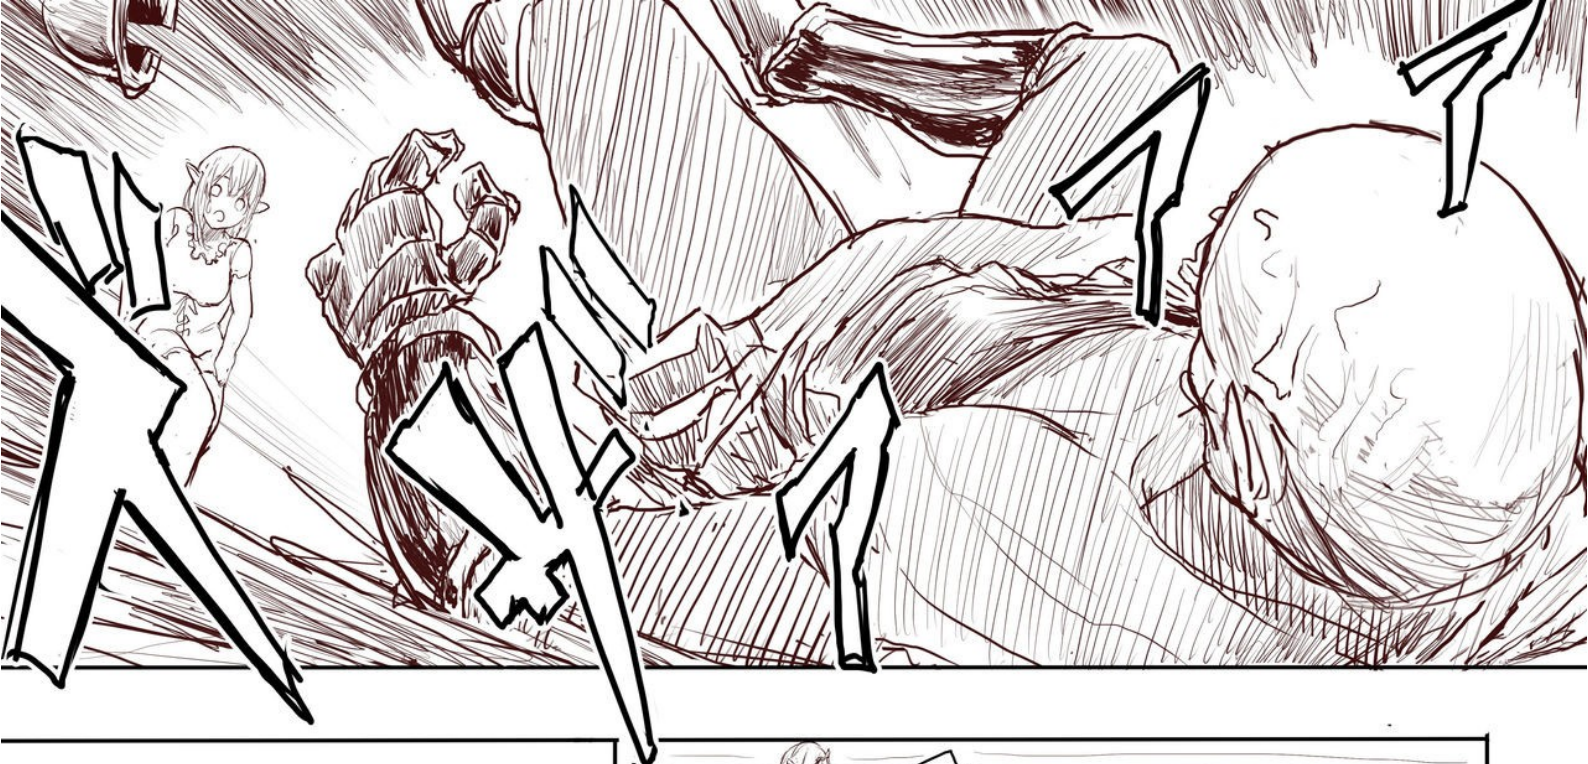

Loses her senses in occasional fits as a side effect.

Side effects become stronger as she grows bigger.

All I did was just lightly swing my leg at him...

No way...
