I actually knew he'd try this.

! Ever since we were at university, Tomo-senpai used to ask me and Jinsuke for "naughty fun" together all the time.

Eh?

If I'd tried to stop or warn him, he wouldn't have done such a terrible thing..

Jinichi
I'm sorry.

And we stopped doing that after we graduated, I didn't think he'd start doing it again--

But that was just for fun, not like the way he was touching you.

RungstX Bara/Yaoi Translation

I won't hold back anymore!! Ah! Fuck it!!

I have to apologize

for being so careless. If I could control myself...

I wouldn't do... umm... that...

to you...

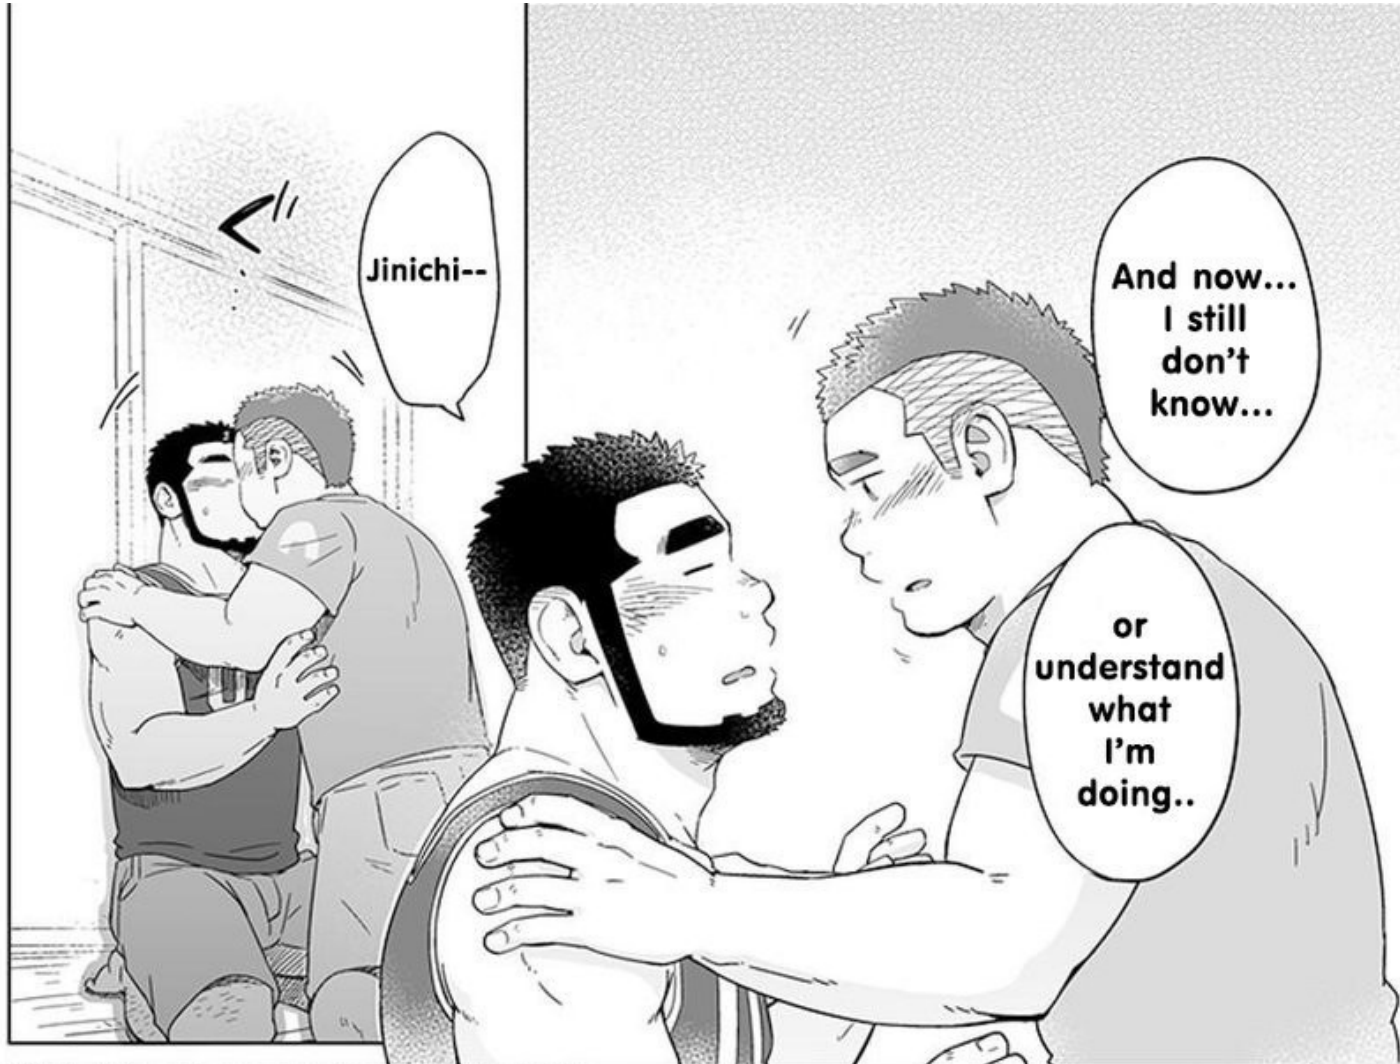

I should have thought about your feelings on this.

Doing that with him might trigger his wild and horny instinct...

RungsiX Bara/Yaoi Translation

Ah...

Ahwww

! ?

---Maybe
it's
not time
for this
just yet.

**I'll
make
sure**

**that

That feels good...

**SO

**Then,

**Today

but I'll
do some
cooking**

**B-Because
I haven't
eaten since
breakfast..**

U-Uhm...

**There goes
your
stomach,
totally
killing
the vibe!!**

Pfft

I'll think
about it
carefully--

$\frac{0}{\sqrt{e}}$ $\frac{0}{\sqrt{e}}$ $\frac{0}{\sqrt{e}}$ $\frac{0}{\sqrt{e}}$

RungsitX Bara/Yaoi Translation

**(...You sure
do change
how you're
feeling
pretty fast.**

Wow, 2 incredible!

**Yuzaku's
food
tonight!!**

**And
this'll
never
change--!!**

**Our
feelings**

**Have become
so close
together from
living
under the
same roof,
like rice
from the
same pot.**

**Let's
eat~~**

Rice from the Same Pot Character Design

Tamano-ii Jinsuke

Jinichiro's big brother,
member of the
football club. 170/70

He's the same age
as Yuzaku and he's
straight although some
may not think so at first.
He's also afraid of
Tomo-senpai's sex-addiction.

Tamano-ii Jinichiro

Addicted to curry.
20 years old. 165/82

Nipple hypersensitivity.

Actually had some sex experience
with his girlfriend. (from highschool)

The origin of his surname TAMANOII
is a Japanese god's artifact.

RungsiTX Bara/Yaoi Translation

Tsurugi Yuzaku

180/115/25

First design was a wrestling fitness coach.

Very good at cooking.

Usually plays in an attacking position
in his team because of his huge body.

Very little experience with sex

Can't control himself well when he gets angry.

Half of his kanji surname also comes
from a god's artifact mixed with
another half meaning "the origin".

Kagami Tomohiro

172/85/26

He's straight.
He's attracted to women
and has never seen himself as gay.
(Although he's very unlucky
when looking for a girlfriend)
But because of sexual experiences
with his senior club at university,
he ends up being bisexual.
He can have sex with men
Though he hates kissing.

RungsitX Bara/Yaoi Translation

His surname also comes from
one of three god's artifact.
(T/L note : Sorry, these parts about
their kanji surnames are too in-depth for
me to describe.)

Mogami Shima

180/115/27

Rugby team captain

He only bottoms.

Lives moving from town to town,
sometimes coming back to Tokyo.

When creating Rice from the Same Pot,
I tried to name him after the theme of god,
like the others. At first I named him "Homogami"
but it looked so sketchy. It's took a week for me
to come up with the top three and finally it
ended up being "Mogami". However, the
name has no opportunity to appear in this work: #orz

Afterword

Hello, I'm SUV.

[The Same Pot] series has finally come to an end.

I was actually planning to draw it as one shot doujin, but it came out as 4 chapters. I have to thank every reader who has been following from the beginning to the very last chapter. Although their story has finished, their life "in the same pot" will continue. It may take more time for Jinichi to decide on anything clearly, but whatever the future may be, I guess his senpai roommates will support him along the way to a happy life.

See you again next work!

SUV

T/L note : See after story in my page, coming soon!
