あおまと

People often teased us by calling us a couple.

We had practically the same classes during elementary and middle school.

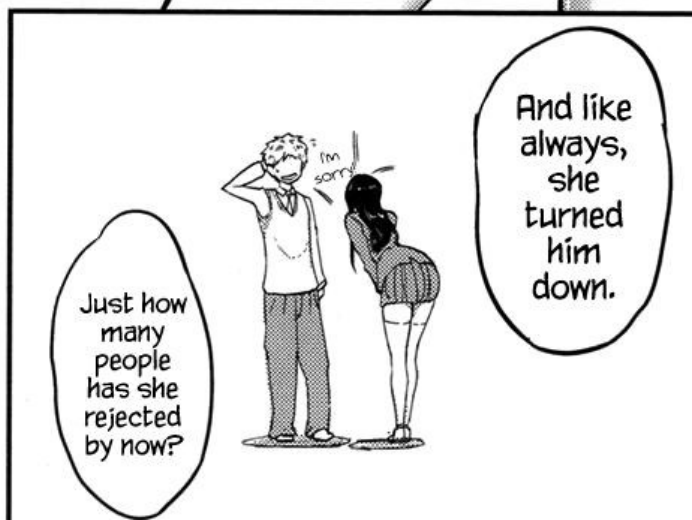

We were always together back when we were little.

Misaki and I are childhood friends who live next door to each other.

her body's gotten really developed lately...

Wha-

Oh
no!

I can't
believe
you!

You
per-
vert!!

Riku!
You saw
that,
didn't
you!?

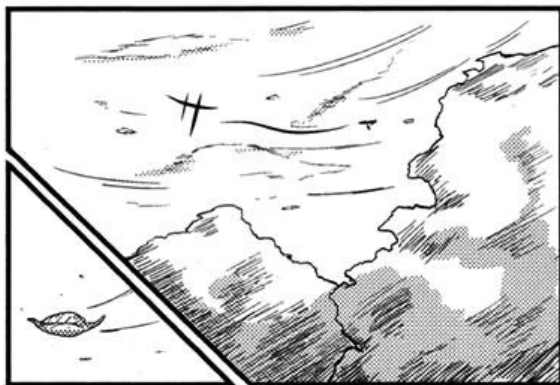

This was
what my
everyday
life was
like.

Just me,
going
through
the day
with this
carefree
atmo-
sphere.

Why
was I
singled
out?

Huh?

Shame
on you

Dr. Misono, could we...

use that one room?

I-I see...

I've heard a lot about you from Misaki-san.

So you're Riku-kun, huh?

Kinda suspicious...

Fufu... So...

Sure, feel free.

Yes...

He's the one?

It's here.

I know, I know. Just come with me...

What a weird doctor.

Don't be out too late, now.

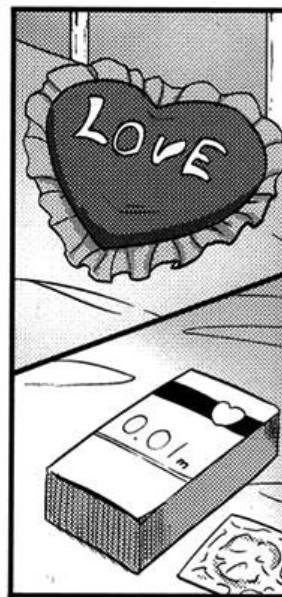

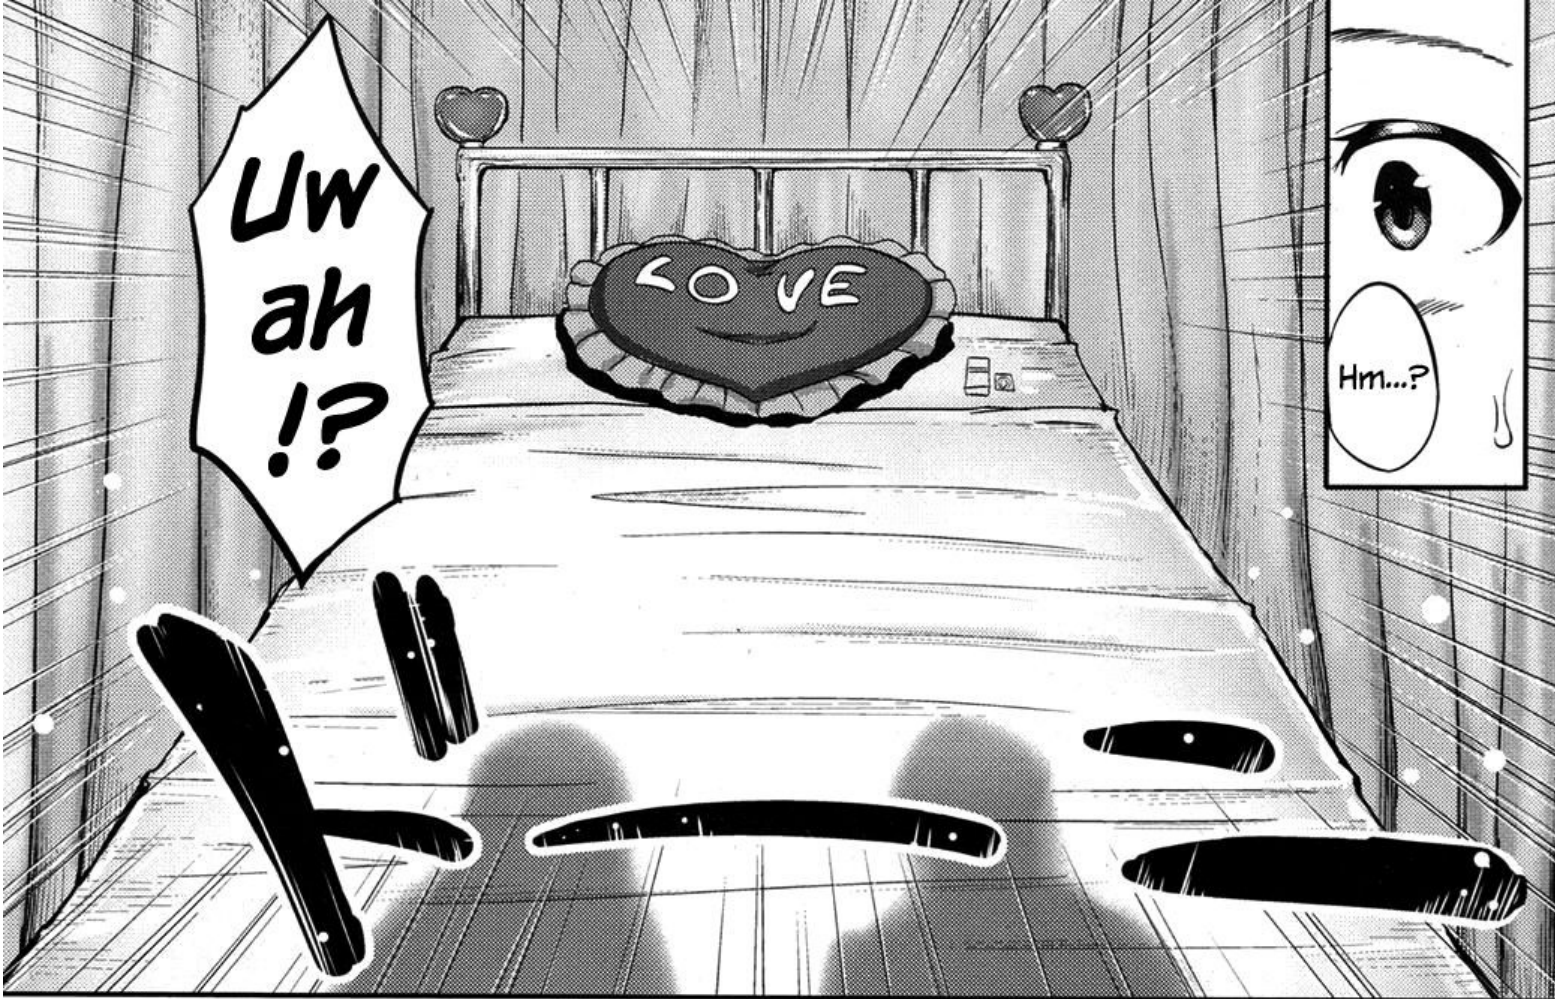

Have fun!

Here's the key.

The room's at the very end of the warehouse next door.

They're huge!

Here. ♥
Touch them directly.
♥

Riku.
♥
You're like a little kid.
♥

Hmm?

Don't blame me if I go too far!

What's going on here? ♥
You've made quite the tent. ♥

It's all hard. ♥

Don't worry. ♥ You don't have to hold back. ♥

Huh? Oh... Y-yeah.

What's wrong? Keep going, Riku. ♥ Keep thrusting into me. ♥

Hm?

feels way too good...

If I go too rough... I'll...!

ア

I'm not holding back or anything.

It's just that your pussy...

only holds power for girls pure of heart.

But it could be that this infirmary's secret

It's true that there are all kinds of secrets behind this school...

The Seven Mysteries, huh...?

Since it's occupied right now, I unfortunately can't lend it to a shameless excuse of a teacher like you.

AWW!

And you're definitely not pure.

Dr. Miso-nooo! Is the room open?

Don't tell me you actually believe that.

That room is just a place to go at it. That stuff is just superstition.

Huh?

Do you think that the couples that bond with each other in that room stay together for the rest of their lives?

Geez...

Sorry about that, just wait in the car for now. We'll go to a hotel.

Huh? Seriously!?

I haven't heard of any couples with mutual feelings that have broken up.

Hmm... Well, at the very least,

Ms. Shizuka.

Yes?

Urgh...
I'm cum-
ming...!!

I'm
becoming
one with my
childhood
friend
Misaki...

not
too
long
from
now...

I can't
believe
that
despite
that...

That
those
days
would
last
forever...

I thought
that we
would
always be
together.

Misaki
will be
leaving
me...

Just when I finally realized my feelings for you...

Why do you have to...
Why...

Hey, Misaki...

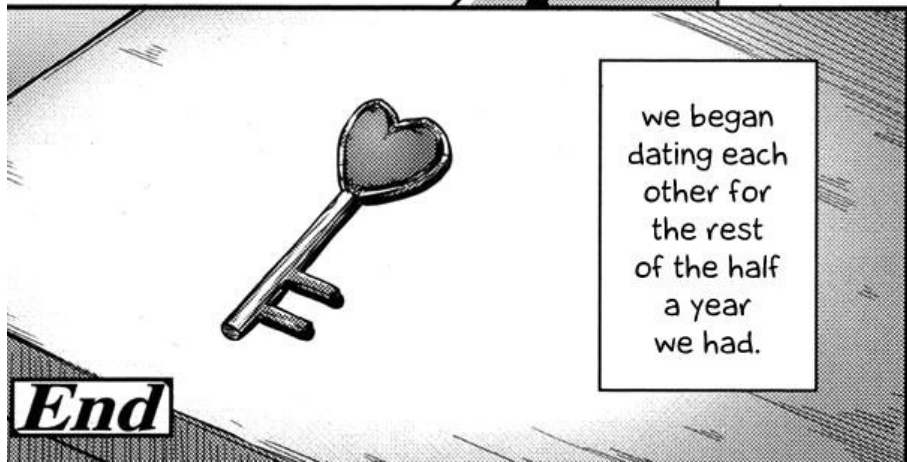

Misaki...
Please
go out
with
me...

I love
you
too...

And
with
that...

...Of
course.

we began
dating each
other for
the rest
of the half
a year
we had.
