

You all need to keep it up and stretch back home!

The tournament is this weekend!

I didn't make today's practice light to let any of you slack off!

And she's a super fast swimmer.

Yeah! She's super cool!!

Shiono-senpai's so cute...

I'm totally beat... Senpai's stamina is bad news for us...

She said today's practice was light, but...

Haah...

My body couldn't feel better, but my heart hurts...

I'm tired...

It's Yamaguchi-sensei.

Would you shut it? And don't call me Masa here.

I'm tired... Masa!!

I don't wanna be the captain anymore...

はあ...

It's basically an individual effort sport, I think the leader can take it a bit easier.

I just want to swim, that's all...!

Why does a girl like me have to become the captain just because I can swim faster!?

I'm tired of playing the cool senpai that never complains about anything...

Why!?
Did! You!

Make! Me! Captain!?

That won't do either, will it...?

You don't have to try that hard...

Japanese companies are a tough place... it's better to start dipping in professional management in advance...

That's what this talk was about!?
About that!?

Sooner or later, you'll have to learn to do things you don't want to.

Think about it as growing up and becoming an adult; give it up already.

Naturally...

I never thought you were this irresponsible!

Yeah... If that's how you see it... nevermind what I just said, brace yourself and keep at it!

Geez... For how long do I have to keep doing this?

No way!

Until you die.

オオッ.

Ugh...

That's a funny thing for the person who made me an adult to say...
♥

Comfort me more... physically.
♥

Don't say it like that! I support you when I listen to your complaints, right!?

There, there.

Ah!!

Not like that!
You know what I mean, gee!!

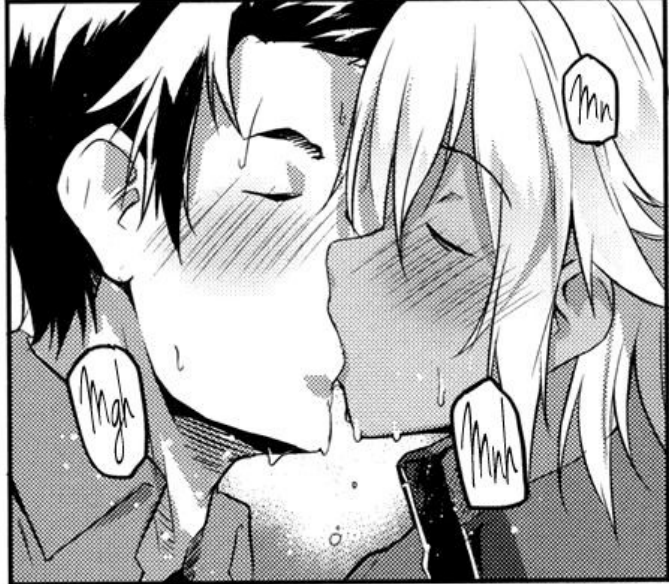

I don't want you to just listen!

It gets me kinda worked up and horny when I train so hard. ♡

Are you sure? The tournament is this weekend.

That's exactly why.

It's fine. ♡ I like it here.

Why?

You might end up getting back home kinda late... but if someone sees us like this...

We can always go to my room, or even a hotel.

You like doing it here, don't you?

Shut it!

So you like this stinky place... You have really odd tastes...

I won't!

Don't say that outside...

The smell... there's a certain air in this room... Something I can't see, but it makes me excited, know what I mean?

Rubs against what?

I wanted to... but...

The way it rubs against them feels kinda good...

This feeling... You're not wearing anything under this, are you?

Nope. ♡

The tips... ♡

Hnn...

Ahh...

Do you like them?

I do...
They're delicious...

Eh...

Hmm... No, they taste like chlorine, I think.

Delicious...? They taste good?

Well, practice was kinda easy today, so I still have a lot of energy left. ♡

I want to work out a bit. ♡

But the way they're bathed in sweat is...

It's not the taste...

Then how about we work up a good sweat? ♡

Don't push yourself so hard.

Ready, set, GO!

How about I hold my breath 'till you cum, Masa-kun?

Then...

What is with this sucking!?

She's entwining it inside her mouth!?

Is it because she's holding her breath?

Ah, this is...!!

It's pouring out deep inside my throat ...!

I won't let a single drop spill...

I sucked it all out...

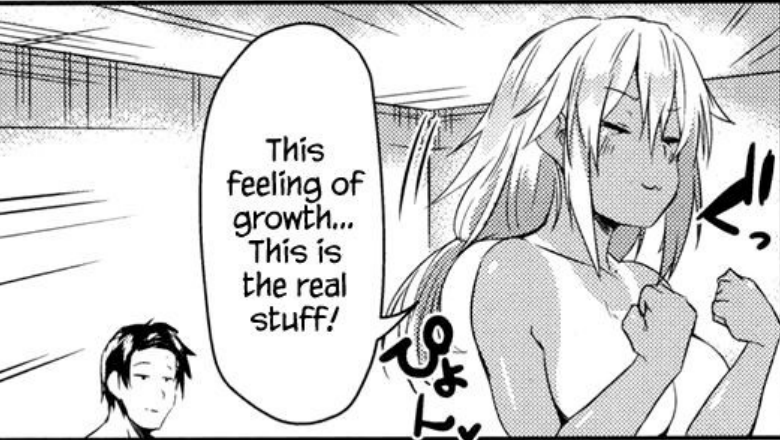

I hate to admit it, but it was...

So!/? Amazing, right!/?

This feeling of growth... This is the real stuff!

I don't mind if you want to time me!

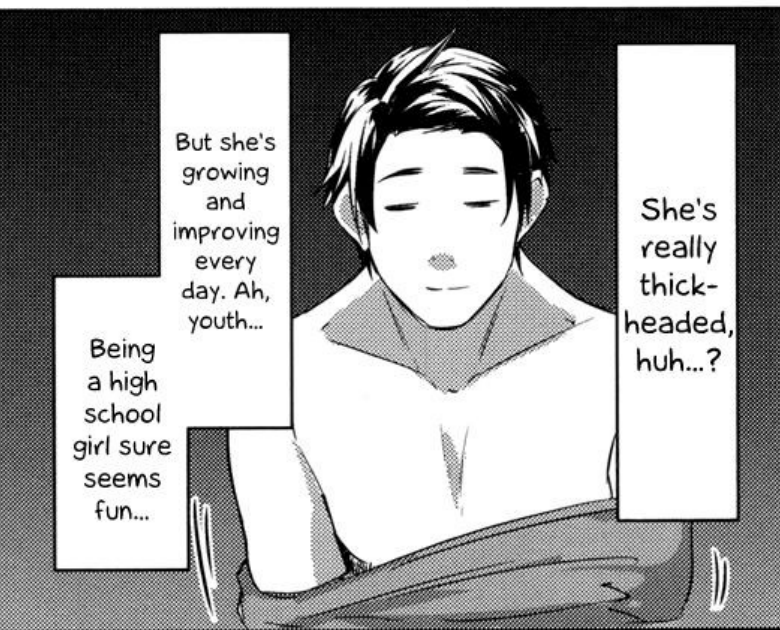

Training on my own has its results!

Being a high school girl sure seems fun...

But she's growing and improving every day. Ah, youth...

She's really thick-headed, huh...?

Treating me like an adult, treating me like a kid, would you decide already...?

I won't lose! I'm not an adult for nothing, you know?

You're such an unfair adult.
♥

Ah, you cheater.
♥

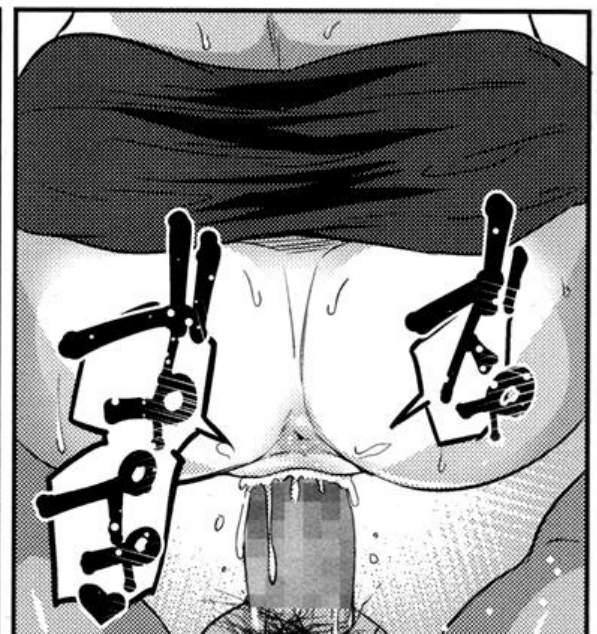

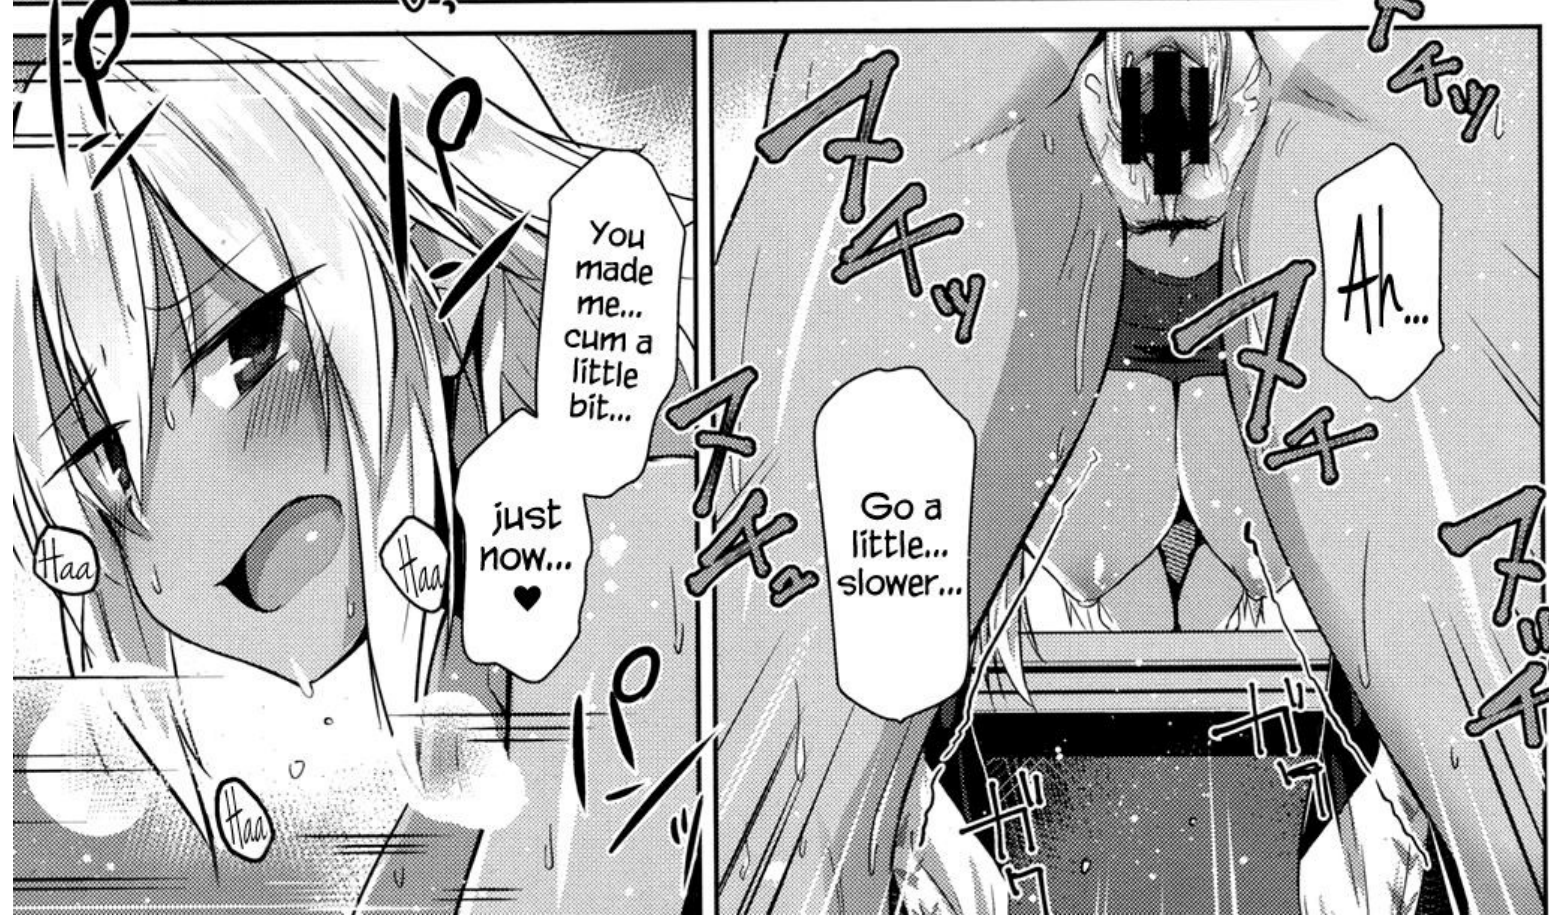

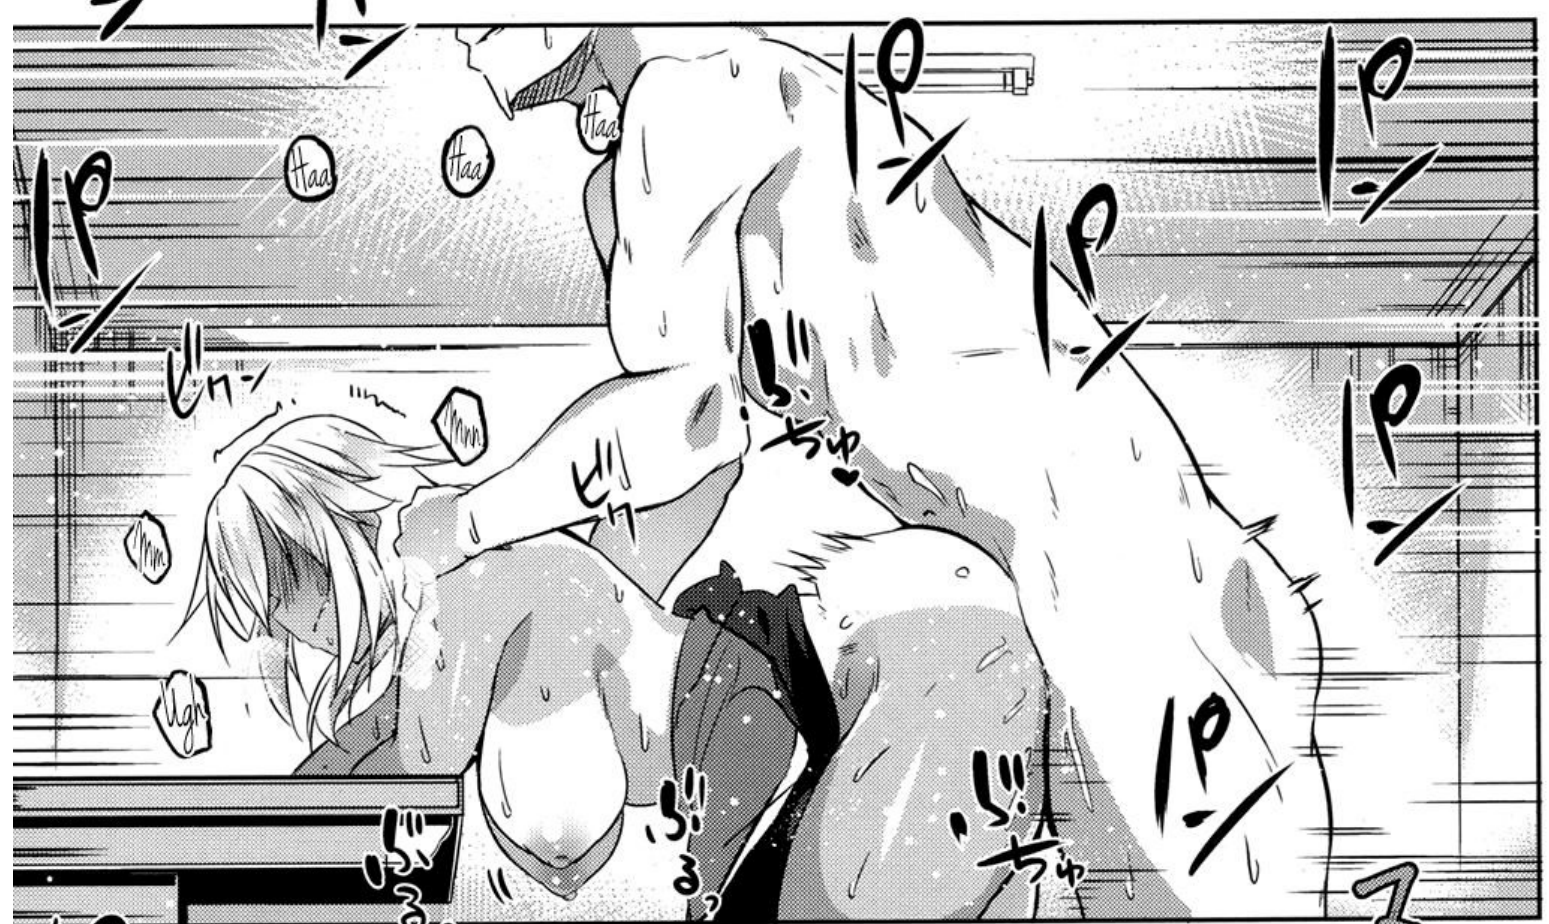

Why don't you make sure...
with that adult dick of yours?
♥

So, tell me...
Am I an adult down there?
Or am I still a kid?

NGGH...
♥

Accepting your loss already? Did you lose to my adult dick?

I'll win for sure!! My pussy feels better than that!

I-I haven't lost anything yet...!

Let me return the favor... ♡

She's tightening up on purpose.

It adds up to the tightness she naturally has...!

It feels so good ...!

まじっかっ

Being an adult sure is hard.

You're pounding away this hard and twitching in so much pain while trying to endure...

Your adult dick... might lose to me.

Why don't you just give in already? ♡

Being an adult is hard...

!!?

There are a lot of good things about being an adult too.

Ooh?

It's not like I'm trying to endure because I hate it, so it's fine!

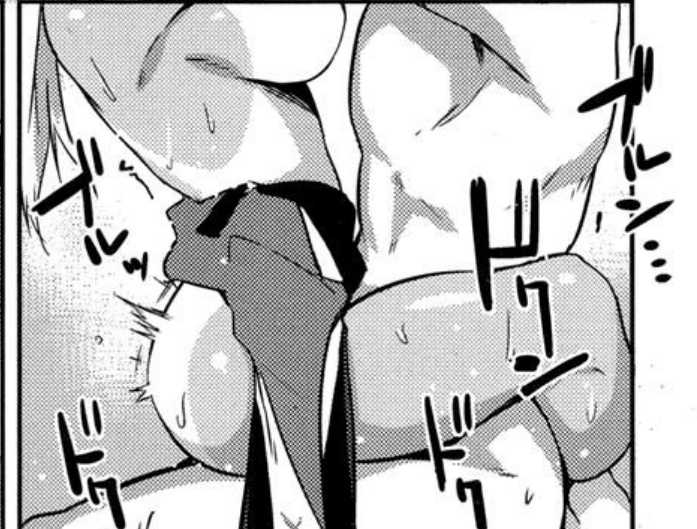

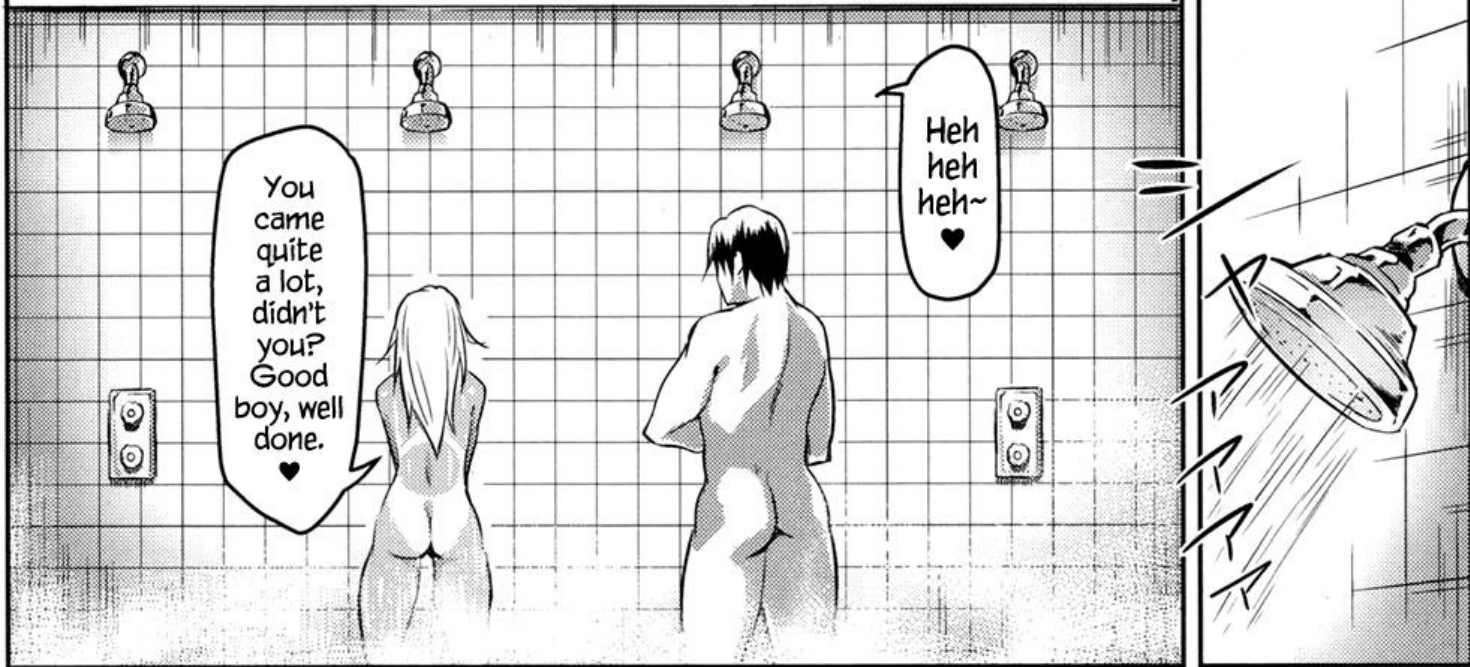

Can't hold it in?

No!!

Y... yeah...

When you say good things... do you mean stuff like cumming inside a younger girl?

You came quite a lot, didn't you? Good boy, well done. ♡

Heh heh heh~ ♡

I was just thinking... Adults don't get praised even if they do their best, so...

Well...

That came out of nowhere.

I think your praising sense needs a little more work though...

You would make a fine mother. And teacher, maybe?

You're really good at worrying about others...

I... I didn't mean it like that!!

N-no way... It's too soon for me to be a mom... I'm still in high school... But if Masa-kun says so...
