Kiss Me Vampire Girls

-Sisters Party-

Summary ☺

Two vampires hiding in an all-girls academy. No teacher or student is safe from being preyed upon, in more than one sense. ♡
But this time... they're in a tight spot...?

Character Introductions ☺

Haruka // Vampire

Horrible grades, and her hunting abilities as a vampire are lacking as well. Doing badly in various subjects. A flatty. No matter what she says, she really loves Shinku-chan for looking out for her.

Shinku // Vampire

Haruka's cousin. Excellent grades and looks, a girl that attracts every student and teacher with her alluring beauty. Flattest. Since she wants what she doesn't have, she's always looking for a nice pair of boobs to suck on.

Ayumu // Human

A junior that knows our two vampires' secret. She gives them her blood from time to time. She's a determined twintail busty cutie. She's really into pathetic "good-for-nothing" girls, and so, she loves Haruka.

Akane-sensei // Human

Homeroom Teacher. Her subject is Classical Literature. She sometimes gives Haruka and Shinku blood to drink. She's an earnest and serious teacher with a lewd chest.

Junko // Human

Haruka's and Shinku's classmate. She's a pure and kind girl that happens to be lewd. A bit masochist.

Kanata // Vampire

Making a dashing debut! She's Haruka's older sister. She came to the academy mainly for her training to become a teacher, but...

Foreword

Thank you very much for picking up this book.

This is the fourth book of the Vampire Girls Kiss Me series, but every girl from the last 3 parts makes a sexy appearance.

The stories are not directly related, so you can read this even if you don't have the previous 3 books. And, I added them all in the character introduction to make it easier to understand as well.

Without further ado, please empty your head and enjoy the book, nothing would make me happier than that.
