The Nation of Head Scissors Presents

Now in this special ring, a 3:1 special irregular match between Kai from Hitoyoshi Wrestling and the Thanatos Selection Team is being contested now.

Even you must be exhausted now, constantly taking attacks from three people! I'll finish you ?

Lina and
another fighter
lifted Kai up
with their
own bodies
for one nasty
ground slam!
This is intense
♥♥

Next up,
take this!

ぐはっ...

Ah... ah...
gah...

Whoa,
now this is cruel! ♡
Another
team member
just thrust their
thigh into Kai's
face! We're all
holding our
breath ♡

The Thanatos Team is using its advantage in numbers and women's bodies to take Kai down cold!

We have to say that today's audience is all women! The voltage in the crowd continues to go up♥

It seems as if the women's enthusiasm is wrapping Kai up and crushing him!

What a naughty boy, getting all big down here♥

In that miserable state, think slowly about the fact that you've lost to women... ♡

Heh heh... Isn't it something to ejaculate while suffering?

"I'll do anything you say."

"And if I win?"

"If you lose, you have to have a crush on me."

under the pressure of defeat.

are you already broken?

What,

Despair turns to love...

What the hell?
You've been entrusted
so many times you've
gone crazy now.
All you want to do is

How

ing.

Not

You

I better
wreck you
a bit so you
can't win...

As

again and
again.

We

you
Lady

And so,
the men

By the way,
Lady Ren is
sometimes
kind enough
to show her
sex with her
boyfriend.

sister?

Hey!

What a

Sis,

Why

being
strangled!?

Here you go, take this!

Hey stand up already, pervert!

He was just about to pass out too...

Ah, pleasure.

Stop... please stop...

Sorry Yukiya, we goofed up.

Sorry Yukiya, we really did overdo it!

Lick... Hey Yukiya, make sure you lick mine properly too.

Sorry for teasing you so much.

I'll cool you down with my mouth.

**Idols these days have to be strong.
So that's why I'm doing proper
training,
But it's a bit weird that an idol like
me can bring you down so easy.
I mean, do you even have a future
as a pro wrestler now?**

You've lost now, but you're a man, so show it and at least try and squeeze me back yourself in the end.

You better hurry, you're gonna start losing feeling in your body from lack of oxygen.

He's already counted to three you know?

**So hey how does it feel to be helpless,
pinned down by a girl?**

**I'm an elite sportswoman who made the
Olympic candidate list and you're just a
nobody, so I could see perfectly that it
would end up like this.**

**All you've been doing is bench presses,
so what did you expect?**

**All it's proven is that they look great,
that's it!**

If you don't
give up,
I'll squeeze
you harder
until you die.
It's your life
or your pride,
you decide.

You're older
than me but
I beat you!
Will you keep
your promise
and go out
with me?
I'll make
you happy!

In return, please
give up your
athlete career
and become my
manager!
I'm counting
on you!

Inoue is a catfight enthusiast who loves having women fight each other.

On the same day every month, he enjoys bringing his prize, Anna, to a hotel room where he has her fight another woman sent on a delivery health service.

Tonight, Anna will fight Maya, a delivery health girl from Inoue's favorite sex shop.

It's a dangerous game: whoever knocks out her opponent within 10 minutes wins ¥150,000... and it's about to start.

Really...

Wow,

So, why
