He is gone. Died without even seeing a single grandchild...
And we have you to thank for that.
Tajimi Kyuuya's Funeral Ceremony

Mother!
Could you not bring up things like these right now? We're at father's funeral for crying out loud.
Tajimi Kousuke, Elvest Son - Doctor

Sayaka!
.....
Can't even conceive... you should be ashamed!
Tajimi Sayaka, Kousuke's wife

If only you had chosen another one. But no... you had to pick her!
Hmph!
It's your fault too.
Tajimi Matsuko, Kyuuya's wife

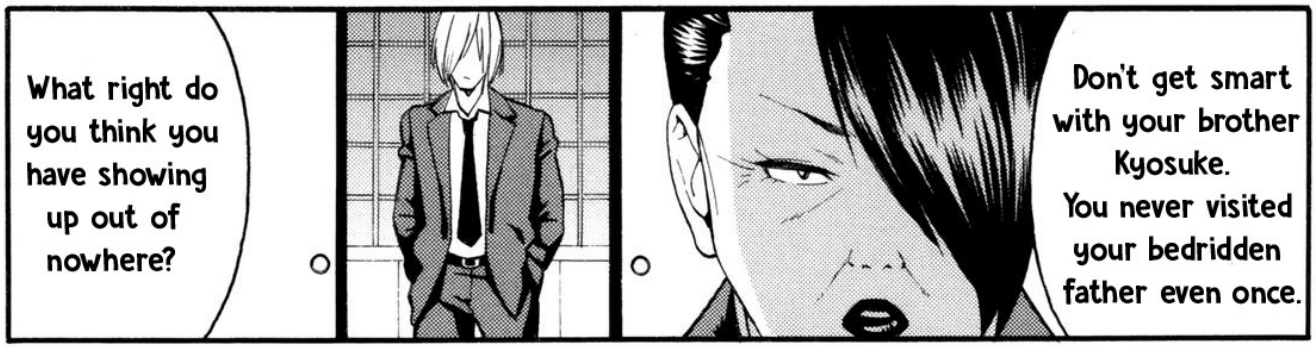
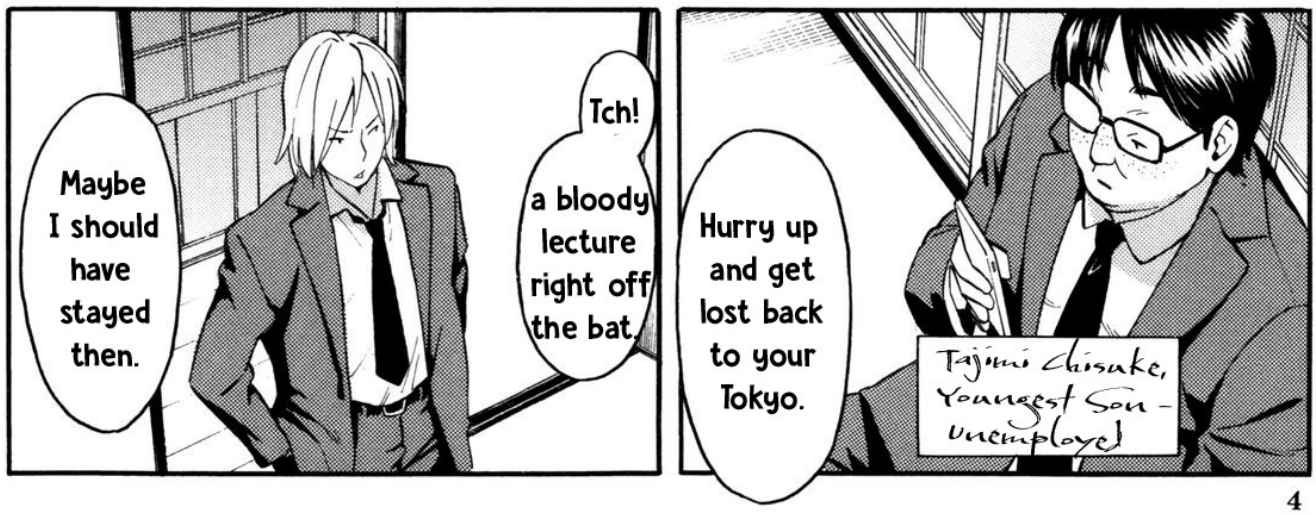
Oh wow... funeral wrapped up already?
Damn... a whole trip wasted.
Tajimi Kyousuke, Second Eldest Son - IT Manager
Huh? What do people come to funerals for? Attend weddings? Geez bro..
Kyosuke! You have some nerve showing your face again. What the hell did you come here for?



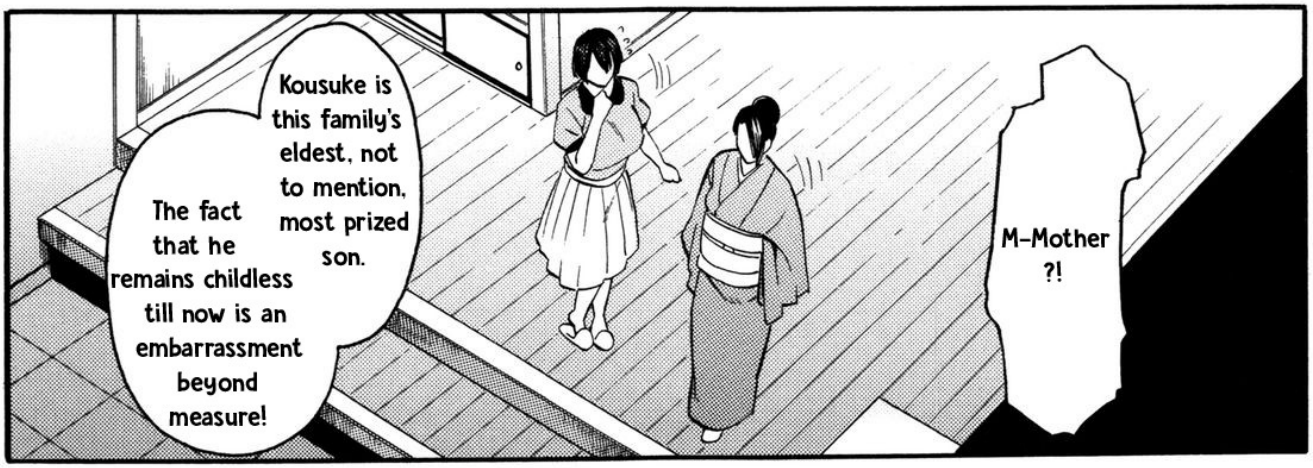
What right do you think you have showing up out of nowhere?
Don't get smart with your brother Kyosuke. You never visited your bedridden father even once.



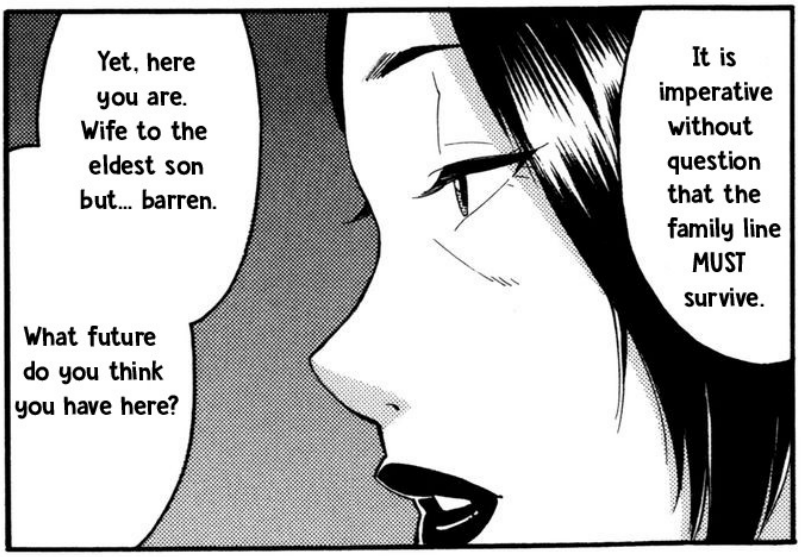
Hurry up and get lost back to your Tokyo.
Tajimi Chisuke, Youngest Son - Unemployed
Tch! a bloody lecture right off the bat.
Maybe I should have stayed then.

Whatever. Sayaka!
Quit daydreaming and give me a hand cleaning this up will you?
ah!
I'm sorry. Yes, right away.
There she is; my dear brother's wife.
Pfft, boring pushover chick from the sticks..
Sorry
For a limp dick douche my brother sure lucked out scoring a sexy looker with a rocking body.
I mean would you look at that inviting hip line? Even though she's wrapped in a boring skirt every part of her body is oozing sex appeal.
Those tits and that ass... heavenly!
Her body is engine ered for sex!
Damn... what I wouldn't give to party with this babe all night long..

The patient's condition is critical. As a doctor, I cannot ignore a life in peril.
Yes I am but this is an emergency.
Ohh..
Ehh?
Aren't you on leave for a few days?
Okay,. I'll do my best!
Kousuke, do your best too okay?!
Sayaka, I know this is hard for you but bear with it for a while longer.
Once the commotion settles down the first thing we will do is to move out.
Alright, I'm off then.
Take care.
カラカラ
ピシャッ
Plan on leaving huh? Fine by me.
But make sure you only pack your own luggage.
ドキッ



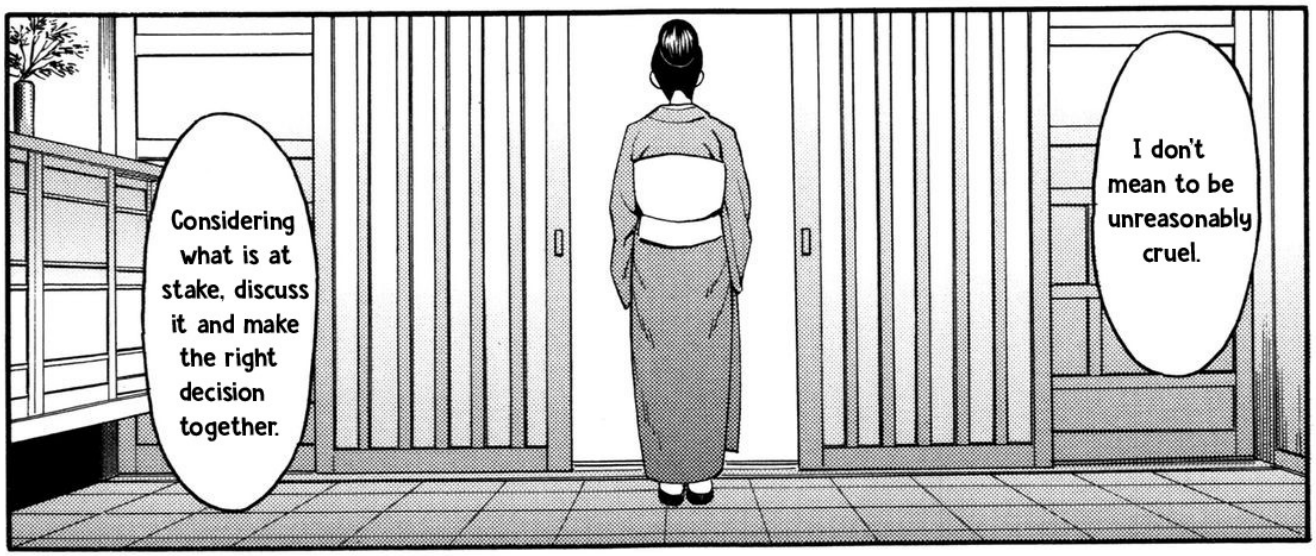
M-Mother ?!
Kousuke is this family's eldest, not to mention, most prized son.
The fact that he remains childless till now is an embarrassment beyond measure!



It is imperative without question that the family line MUST survive.
Yet, here you are. Wife to the eldest son but... barren.
What future do you think you have here?

The Tajimi ancestry is one of the oldest families around..
A legacy spanning hundreds of years.

Simply put, you are unsuitable
to be his wife.!



I don't mean to be unreasonably cruel.
Considering what is at stake, discuss it and make the right decision together.

Sigh...
Wow. That's one long sigh.
...well, it's because I've been unable to give birth.
The sheer fact that I've failed to conceive has made me an eyesore to her.
Kyousuke...
If I were a betting man I'd bet the reason behind that sigh is none other than my dear old mom herself, isn't she?
Oh...
Conceive ...eh?
Father was always loving and kind.
He never once berated me for failing to provide a family heir...
Mother was always cold but ever since father passed on her attitude towards me has turned for the worse.

I had myself examined at the hospital you know. I was really scared it was all my fault
However, it turned out that I wasn't the problem. My fertility tests came back normal.
If it wasn't me, I suspected the problem might lie with Kousuke So I did a Huehner Test (PCT) for him in secret.
Devastatingly, it turned out he has azoospermia. No sperm count whatsoever...
I was shocked beyond words. It was so heartbreaking; I couldn't bring myself to tell anyone about it.
How about this then?
Oh I see.
So that's the real source of all your troubles.
Sleep with me.
If you do it with me, you will definitely get pregnant.
Eh- ?
Considering his condition, conceiving with Kousuke would be near impossible.
Yet, you are in luck since me and my dear brother are twins!!
You give birth to my child and no one will be the wiser...
ohh.. So why not just do it with him..

ohh
ohh
oh!
How are you holding up sis?
If the guilt is too stressing just imagine you are with my brother instead.

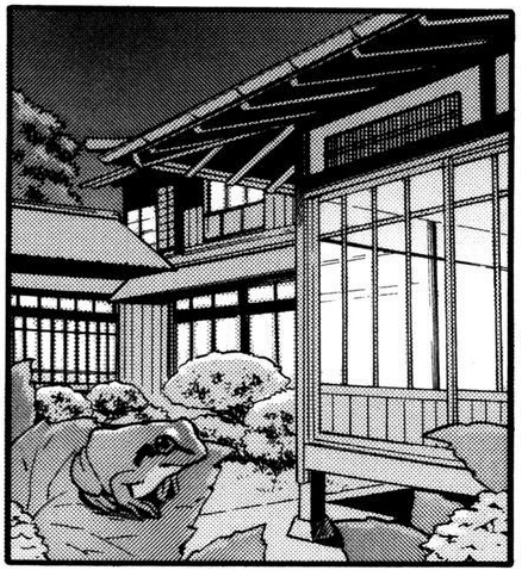
I can't comprehend how unbelievably lazy you are!
Seriously?
You had the whole afternoon and yet you didn't do a single chore? What were you sleeping or something?



Hmph!
You pamper her to no end. No wonder he is such a useless sloth.
Would you give it a rest mother? Sayaka has been under a lot of stress lately.
Just cut her some slack will you?
Sayaka,
don't worry about it.
I-I'm fine ....
Hehe, amusing how she is avoiding eye contact with her own husband.
I ravished her so passionately I bet her head is filled with nothing but sex right now.
What's wrong? Are you alright?
Yea... I'm fine...
Then again, it isn't surprising. She fucked his twin mere hours ago.
Then again, there is probably one more
who can't get, what he saw, out of his head either.
