

But she didn't come to the usual elevator entrance, so I searched for her in the school.

I promised my friend that "we'd go home together".

Don't look, Asami ...!

Do-

Ha ha

Snicker

Why...?

Mai ...?

I'm glad I found her...

The girl I have a secret crush on.

Mai is my precious friend.

Asami ...!

背徳の憧憬

How dare you do this to Mai!

Unforgivable!

Kagawa Ryouko!

It's alright now...

Mai...

But, why?

Even if she's a girl, she could have pushed Kagawa off if she hated it.

So why didn't Mai escape?

Asami...

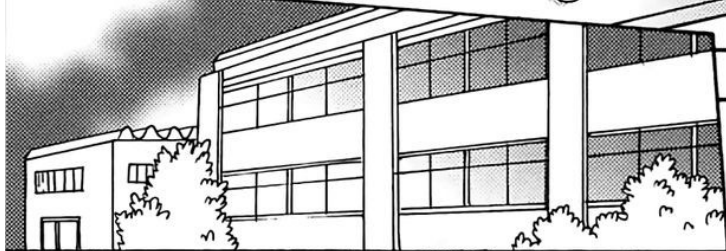

her individualistic sense and free-spirited charm have always dazzled me.

For someone who only reads books and is introverted like me,

Mai from the Clothing Club has always loved making stylish Western-style clothes.

She's always so cheerful in front of me.

She's answering difficult questions so indifferently.

Her cold face.

Kagawa Ryouko from the same class, on the other hand,

is acting like nothing happened and is listening to the lesson as usual.

Does she have some hidden, burning desire?

wish to get a hold of Mai's love no matter what?

has such a dark side beneath that facade.

Does this kind of girl

She doesn't seem to have any friends.

She doesn't smile.

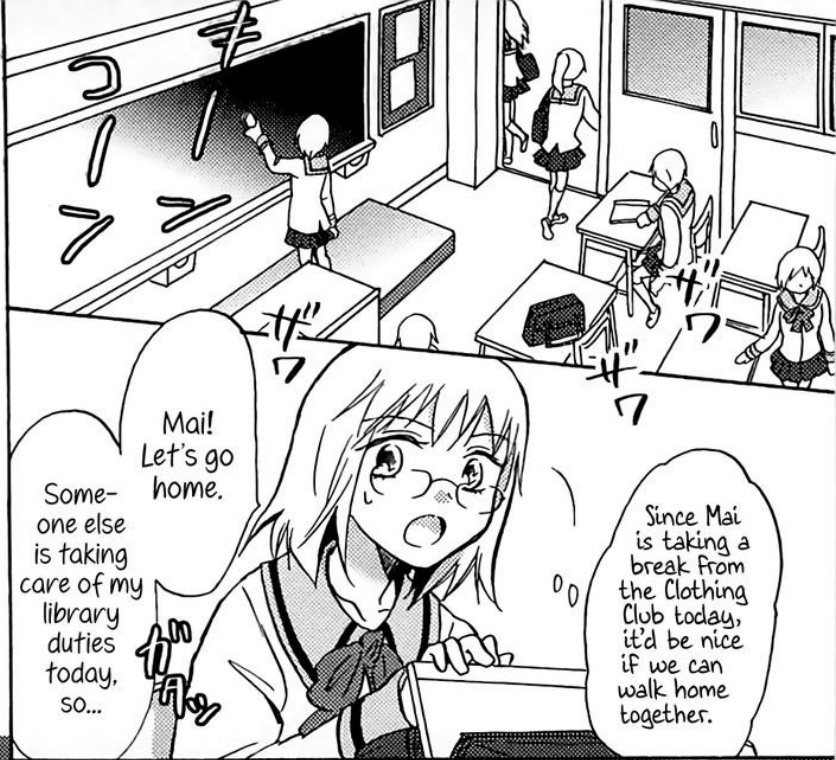

That honor student

If the hands that were touching Mai... were mine...

I hate Kagawa Ryouko for laying her hands on my precious Mai.

But on the other hand, that scenery has left an unforgettable impression upon myself.

She's doing this on purpose because she wants me to find them after all.

She has the keys but she didn't lock the door to the rooftop.

G-
Give
back
Mai!

I said I wanted to sketch the scenery from the rooftop.

and the teacher lent me the keys, just like that.

I'm from the Arts Club.

Isn't the rooftop a prohibited area...?

Mai-san, return to me.

...

Asami!

Mai is an important friend to me!

Stop doing weird things to her!

Kaga-wa...

He heh.

That's...

No!

I don't want that!

I beg of you, don't say anything anymore!

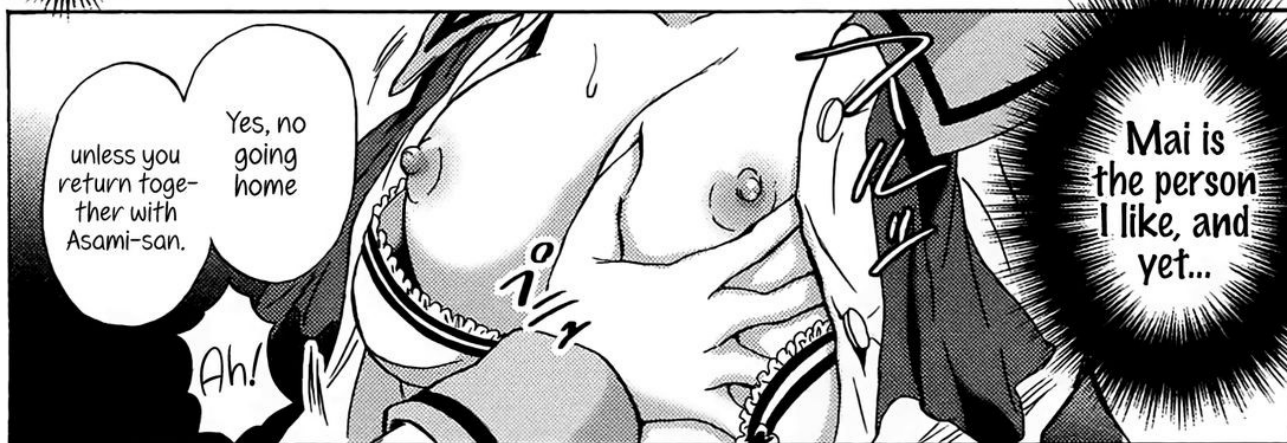

Just leave me alone, Asami...

Just go home!

Don't do this, Mai!

I don't know what happened, but you don't have to listen to someone like her!

unless you return together with Asami-san.

Yes, no going home

Ah!

Mai is the person I like, and yet...

No...

Don't look... Asami...

Nmhh!

Nh...!

Isn't it fine? Just let Asami-san see

I know I must stop them, but my body won't budge.

your naughty places.

No, Asami...

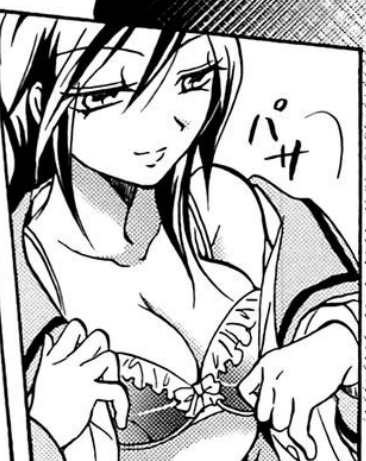

I can't take my eyes off of them. I'm feeling dizzy.

Eh...?

What are you doing? Take your clothes off too, Asami-san.

All I wanted is to be by the side of my friend.

Asami, you're so wet.

Asami-san, you should try doing that to Mai-san, as well.

Eh...

I long for this kind of relationship with Mai-san, as well.

The truth is,

Maiiii...

That's right, doesn't this feel good, Mai-san?
Heheh

Mai...

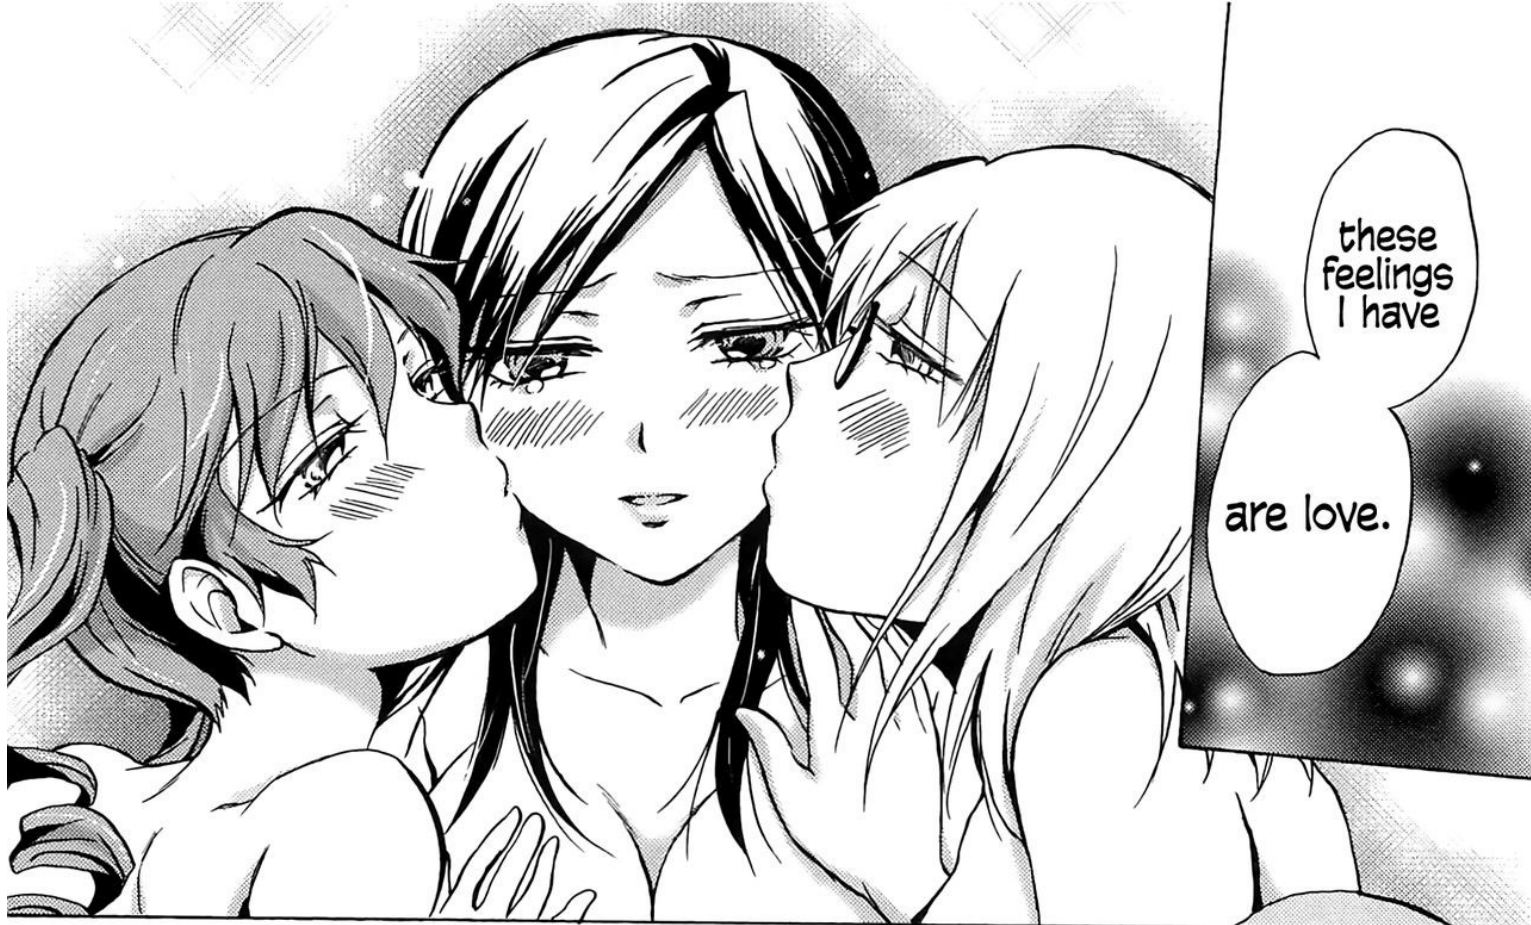

Mai...!

Asami!!!
Fuuu
AHH!

these
feelings
I have

are love.

please
don't
hate
me too
much.

but
since I'm
the cupid
that got
you two
together,

so I won't
ask you to
forgive me,

I know I did
so many
cruel things
to you

in this
classroom.

The
girl
is no
longer
here

Wouldn't
it be
great

painful
smile
to this
day.

Yeah,
that'd
be
great.

We still
remember
the girl's

if
Ryouko
found a
lover
soon?
