The only supplementary class I don't wanna take is her Japanese one~

don't you feel like it's a hassle having to take Kiyose's supplementary class every time?

Riri,

Why

did it become like this?

What are you saying?

Well, I think we get along quite well!

ニギハ

How should I say this? Everyone seems to be so scared of Kiyose-sensei~

Jeez,
Morita-
san....!

Please
take your
lessons
seriously!

You're the
only one
who needs
supplementary
classes every
single time!

Isn't it
fine?
Having
the two
of us
stay back
together
is the
best!

You'll
scare
people
away
if you're
too blunt,
Kiyose
Yuuko-
sensei~

...I wonder how many times we've had supplementary classes when that happened.

~!

So cute ♡

just bad at talking to others?

Aren't you

I'm an idiot, after all.

don't you think it's useless helping me no matter how many supplementary classes I take?

Hey, Sensei,

I think she's an incredibly cheerful kid.

She's not good at studying, but she's popular in class.

Girls' talk!

Compared to that, I wanna know more about Sensei~

Hey, do you have one or not? Tell me!

Ah! Did you blush a little?

Stop kidding and get serious with your studies...

How about a boyfriend?

Morita-san seems completely unfazed.

The other students seem to be afraid of me, but

So you have one?

She's too close ...!

Wha-

I did not...

N-

No...

No...!

Her
dazzling
smile

You're
so cute,
Kiyose-
sensei.
♡

overwhelmed
me so much
that I didn't
know what
to do...

Ever
since
then,

I've been
caught up
in this
girl's
rhythm.

I fell in
love with
Kiyose-
sensei
at that
moment.

I
think

Eeh?
Are you
a homo-
phobe,
Sensei!?

First
of all,
we're
both
girls...

Isn't it bad
if a teacher
is *that* out
of touch~?

Oh no ~~~~

! ...

I was naive
in thinking
that I'd be
safe from
this issue
just because
I'm teaching
in an all-
girls
school.

I have
no idea
what to
do in this
situation.

Truth to
be told,
I have no
experience
with love
at all.

Jeez...

stop
teasing
your
teacher
already...!

She's just a
kid so why
is she such
a smooth
talker?

That's
not the
point...

Wh-
What
...?

Her
teary
eyes are
cute
too.

Do you want to turn me into a criminal!?

Regardless of chance, a teacher and student shouldn't be doing this!

Kiyose-sensei ...!

Ah, not there ...!

Can you call me Riri...?
Please, Sensei...!

There's no way I could escape from this.

Ever since that day, I have been infatuated by Riri, just like how she was with me.

Noo! Your finger is inside ...!
