They're here... And why...

Wow~
Looking
nice there,
Mai-
senpai!

I'm so
glad I
work
here.

Does...
every
member
of staff
really...
need to
undress?

Ah...

Haah...
Alright...
Only
one week,
though.

What...
does that
have to
do with
anything?

You're...
curious
too, right,
Megumi?

Wait...

You'll
have to
wear this
kind of
swimsuit.

Although
I've
already
heard
about this
system...

OH...
S-slip-
pen!

No! It's awesome!!

Is that a bad thing?

Hmm. Rakh, well...
♥

What's the matter with this pool?

Then again, having their staff undress every so often...

I'll... undress... now.

Ahh, you should take your clothes off too, Megumi-chan.

ズル

Isn't that a swimsuit underneath? It's meant to be seen anyway.

Oho~
A little bit more!
I can almost see it...

Gross...

Eh, you wanna take a look? It can't be helped then.

How about you hurry up and undress too, Seiji-kun...?

You sex freak...

Eh... Why do you ask? Although I don't... have one. E-ehh?

You don't have a girlfriend, right, Seiji-kun?

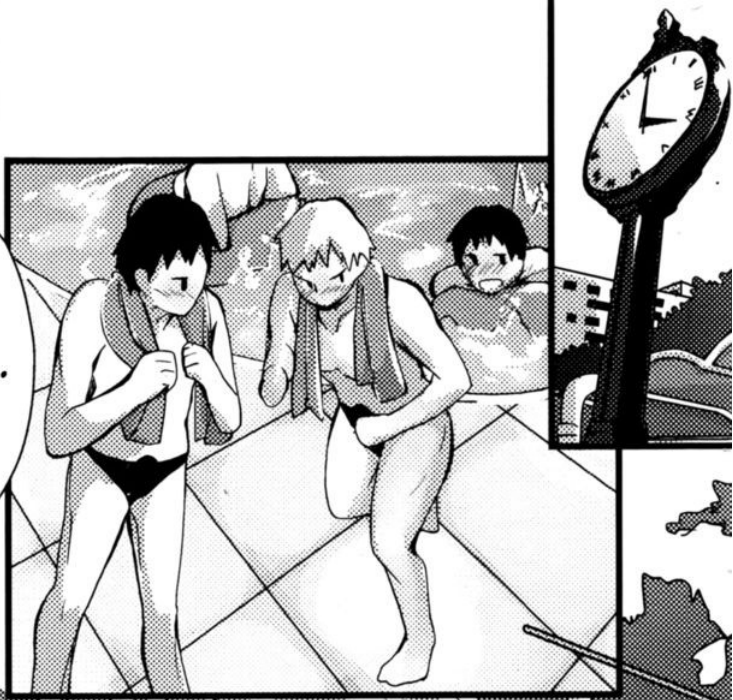

Eh? Gr-gross...? You don't... mean that, right?

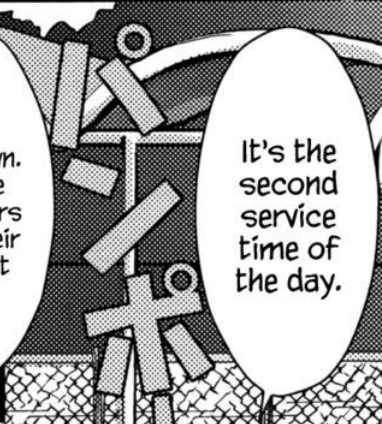

Then I think you will stay single your entire life...

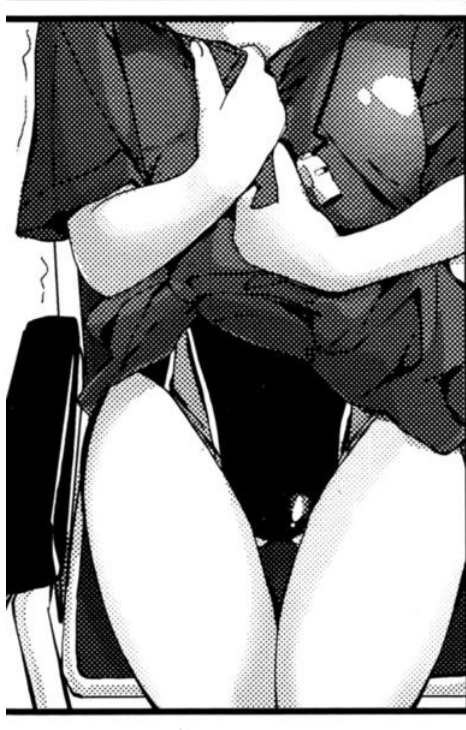

It's about... time.

Just calm down. See, the customers are in their swimsuit too.

It's the second service time of the day.

Shut up...

*TL Note: The word "恵体" (Megutai) means a person who has a blessed and amazing body figure. Her Senpai was also making a pun with her name: "恵" (Megumi). It's a Japanese pun that can't really be translated properly.

That's... That's...

Eh... What future children...?

I have some good business prospects for you. Interested?

Bl-les-sed?!?

You really do have a blessed body.

Amazing.

Your future children will surely be blessed too.

I went ahead and registered you. ♥

I-I'm just fat... that's all...

Eh... Eh... Th-that's...

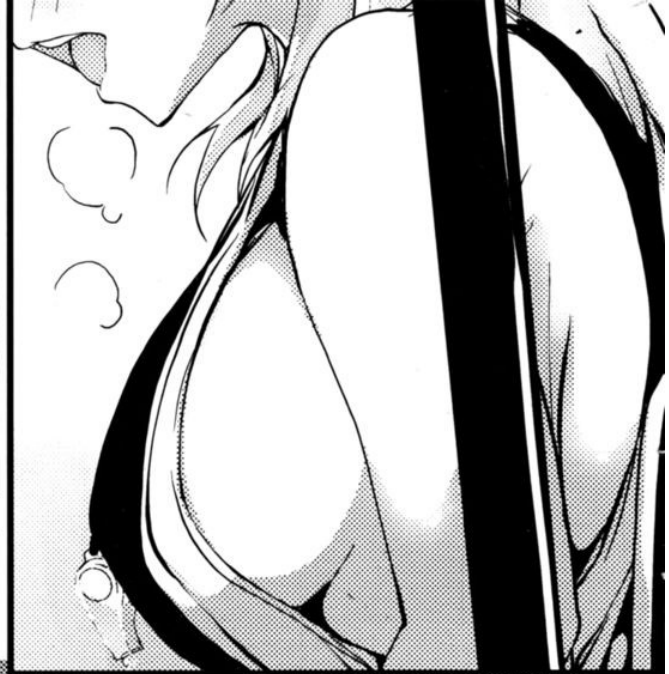

...for a bit!

No, I just need to go to the toilet

Seiji-kun...? What's the matter?

ア

ア

How unreliable... What is he thinking...?

ハア

ハア

Unbelievable...

He isn't back yet...

I said it out loud.

Ye-yes... Thank you, Maī-senpai.

Want me to take over, Megumi-chan?

Seiji-kun...?

After you rest for a bit...?

カチャ

What are you doing...?

Now that I'm here alone with him, I kinda stand out. No...

Are you feeling sick...?

Just feeling a little under the weather.

Don't ignore me.

I'll come back after I rest for a bit.

Ye-yeah.

Not letting your semen out after accumulating so much is no good.

Or finish masturbating...?

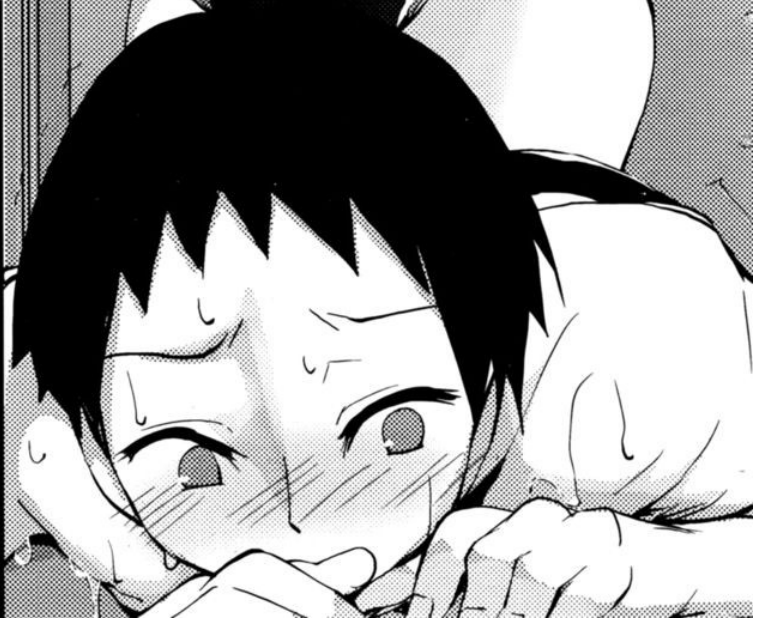

Looks like it can't be helped, since... you don't have a girlfriend, after all.

Stop... I'm going to cum if you...

You won't be able to cum if I don't tease your cock... Or so I heard...

Huh...? Are you... about to cum?

I'm just using the mop, and yet...

I see... Seiji-kun is still a virgin.

you're already reacting this much...

Haha... What a pitiful child cock.

so I gotta give this thing a lesson...

It's meaningless for a virgin to have an erection anyway,

I'm gonna hit it if you have an erection.

You have... nothing to change into if you get your swimsuit dirty.

You'll have to continue working fully naked with your cock... hanging out if that happens.

If that's really the case, then...

You came... so much.

why is your cock getting big?

I said all of those harsh things, and yet,

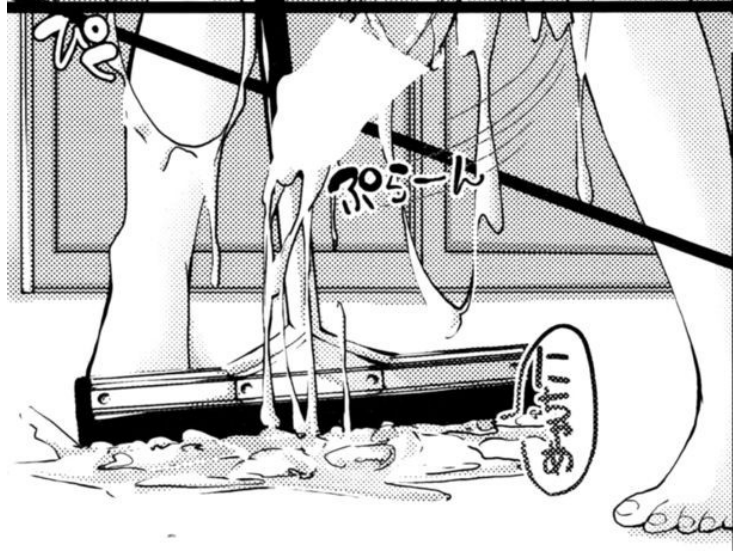

Oh no...

Or is it because you're a virgin?

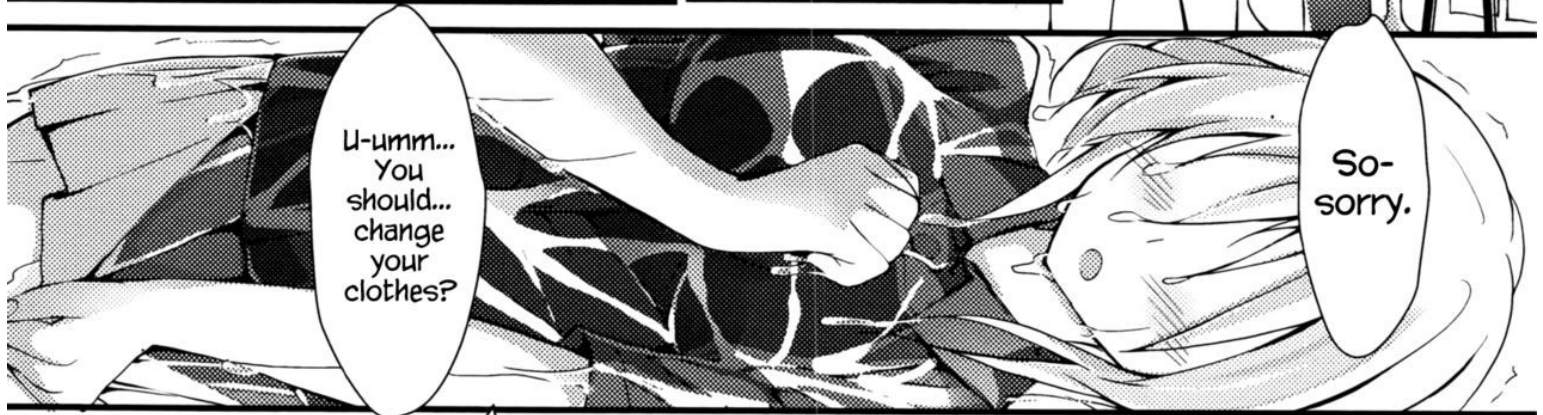

Isn't this humiliating?

Hey, why is that?

Won't you tell me?

It'll be bad... if I get drenched today!

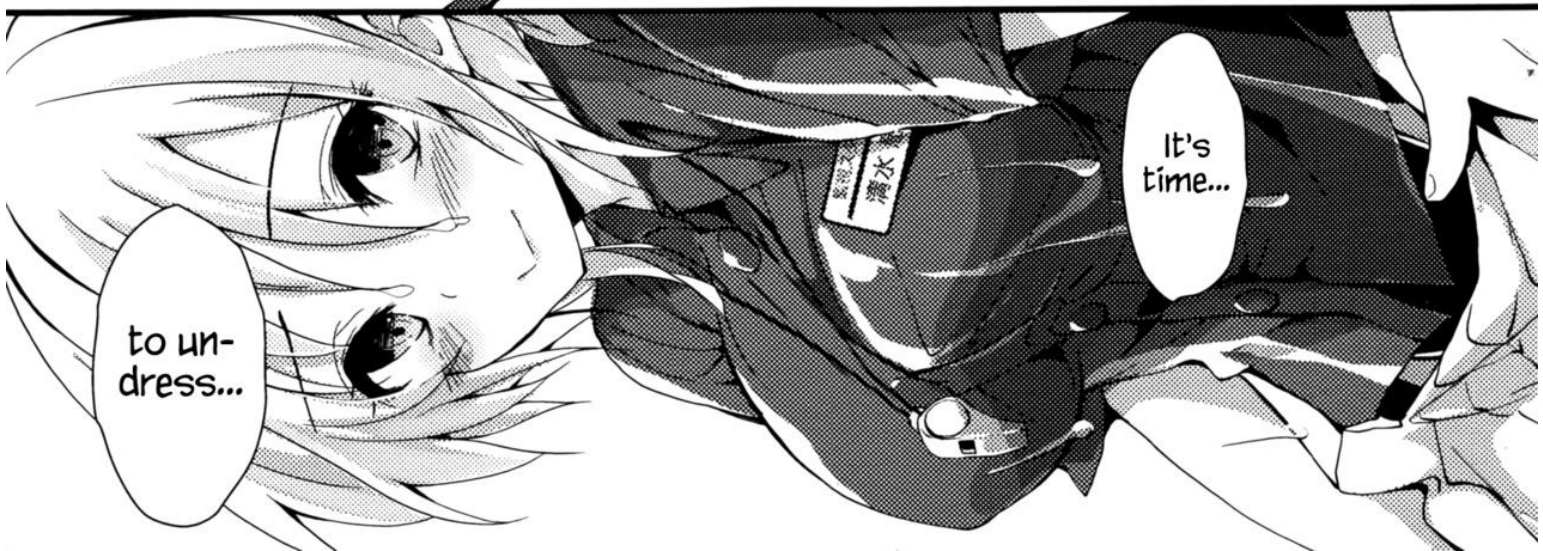

I don't care...

What's this...? Aren't you getting big here...?

You look like you're pissing yourself...

Are you getting turned on by the water stream...?

to undress...

It's time...

No. I'm... going to the toilet for a bit.

Do you wanna show off that much?

Why do you always undress from the top, Seiji-kun?

So you came to this kind of place...

so hurry up and take it off...

It'll be troublesome if someone passes by,

you'll have to take another piece of clothing off, Seiji-kun...

As your punishment for running away,

once
it's
dren-
ched...

Since
nylon
becomes
a little
trans-
parent

Just
making
sure...

You have
a new
swim-
suit... Is
it made
from
nylon?

Ye-
yeah.

Do you want me to stomp on your virgin cock?

You look like an idiot...

You're already reacting just from this...

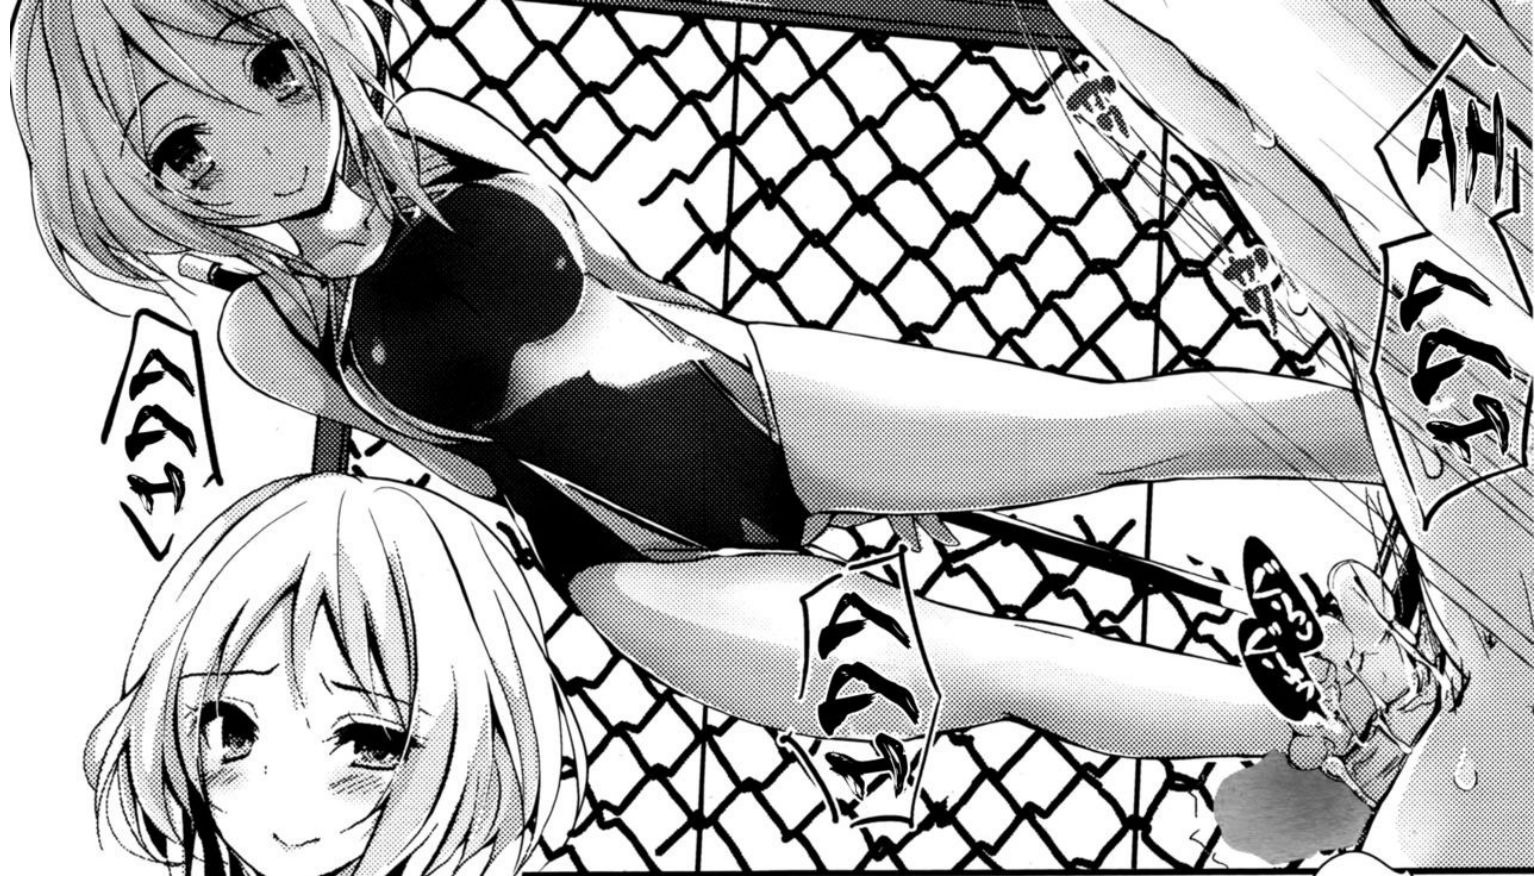

It's sticking out with all its might... What's wrong?

Does your head... have a screw loose?

You're getting turned on by having your cock stepped on...

Hehe... How bothersome...

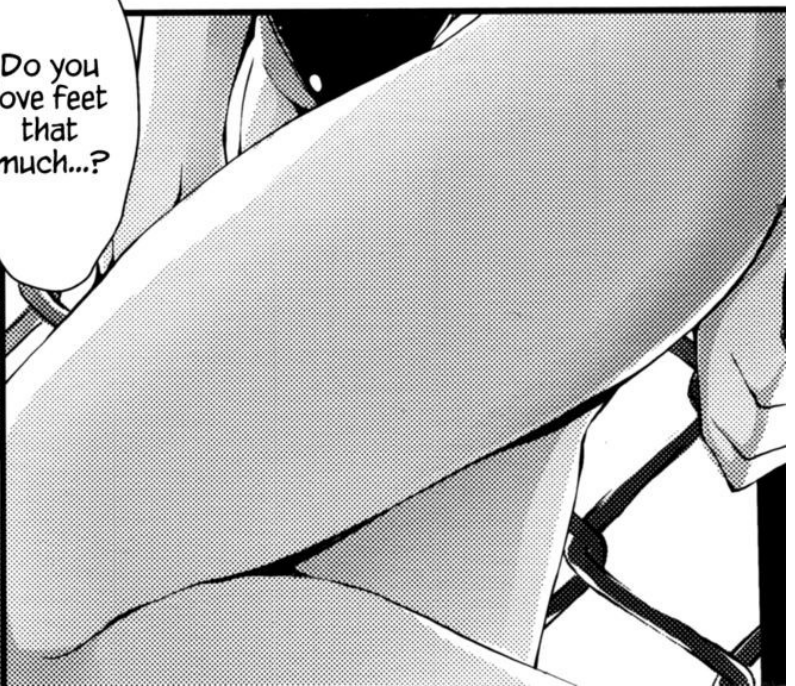

You're on the brink of cumming just from getting stepped on.

If you can hold your ejaculation back,

Do you love feet that much...?

I'll let you rub me as you please...

really suits you...

Rubbing that thing on a girl's foot...

Take a good look at the sign of your virginity.

Yes... Look below... Can you see your cock...?

No looking...

Then, I'll just hold it tightly like this...

Since you're a virgin, you're about to cum and can't even move just from being close to a pussy...

What's wrong...? Isn't it twitching...?

You can... point your cock here.

do you wanna stick it in... like this...?

Do you wanna cum on my swimsuit...? Or...

You'll cum... if I don't grab it tightly, right?

Huh...?
Are you sure you
don't
have to
protect
your
virginity?

If you
don't
resist,
your very
precious
virginity
will be...

Are you still... waiting for my permission to cum?

Your masochist cock will have to endure until your balls explode.

Endure more.

More...

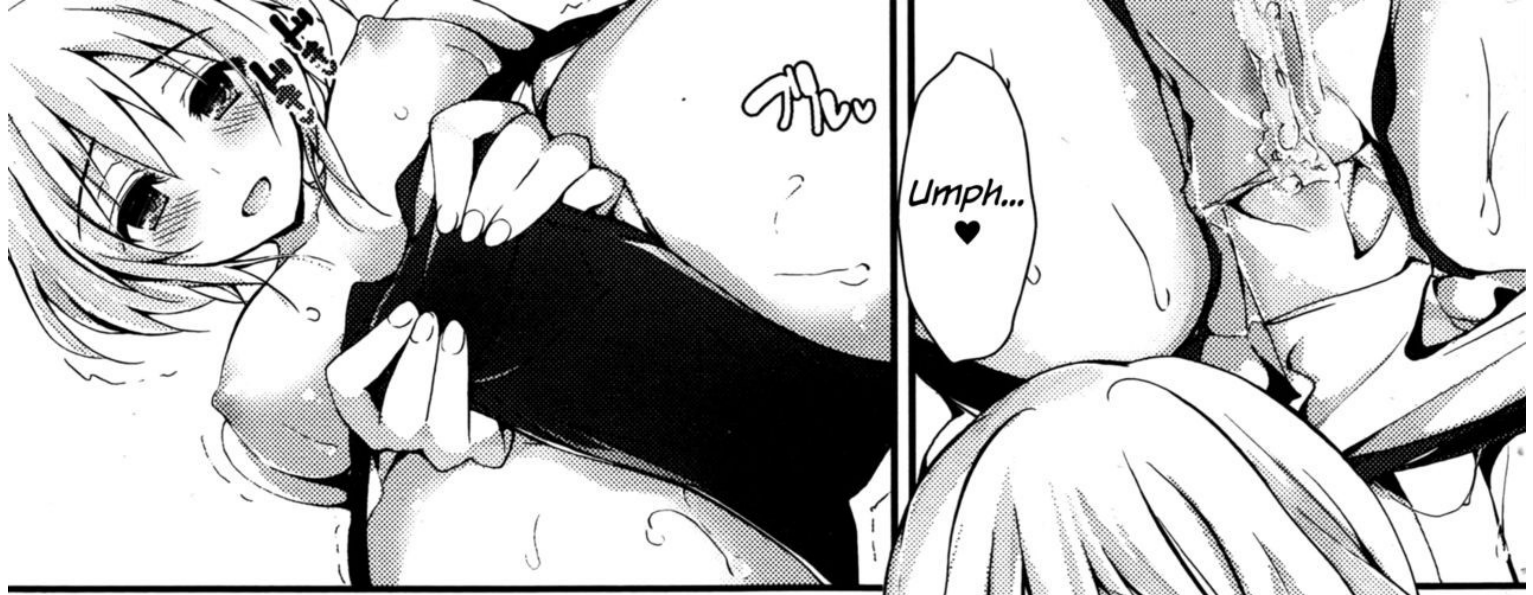

More...

More...

More...

More...

The next train... is leaving... in 15 minutes.
