The next challenger, Prielle, enters the arena!

And... And, what's more...

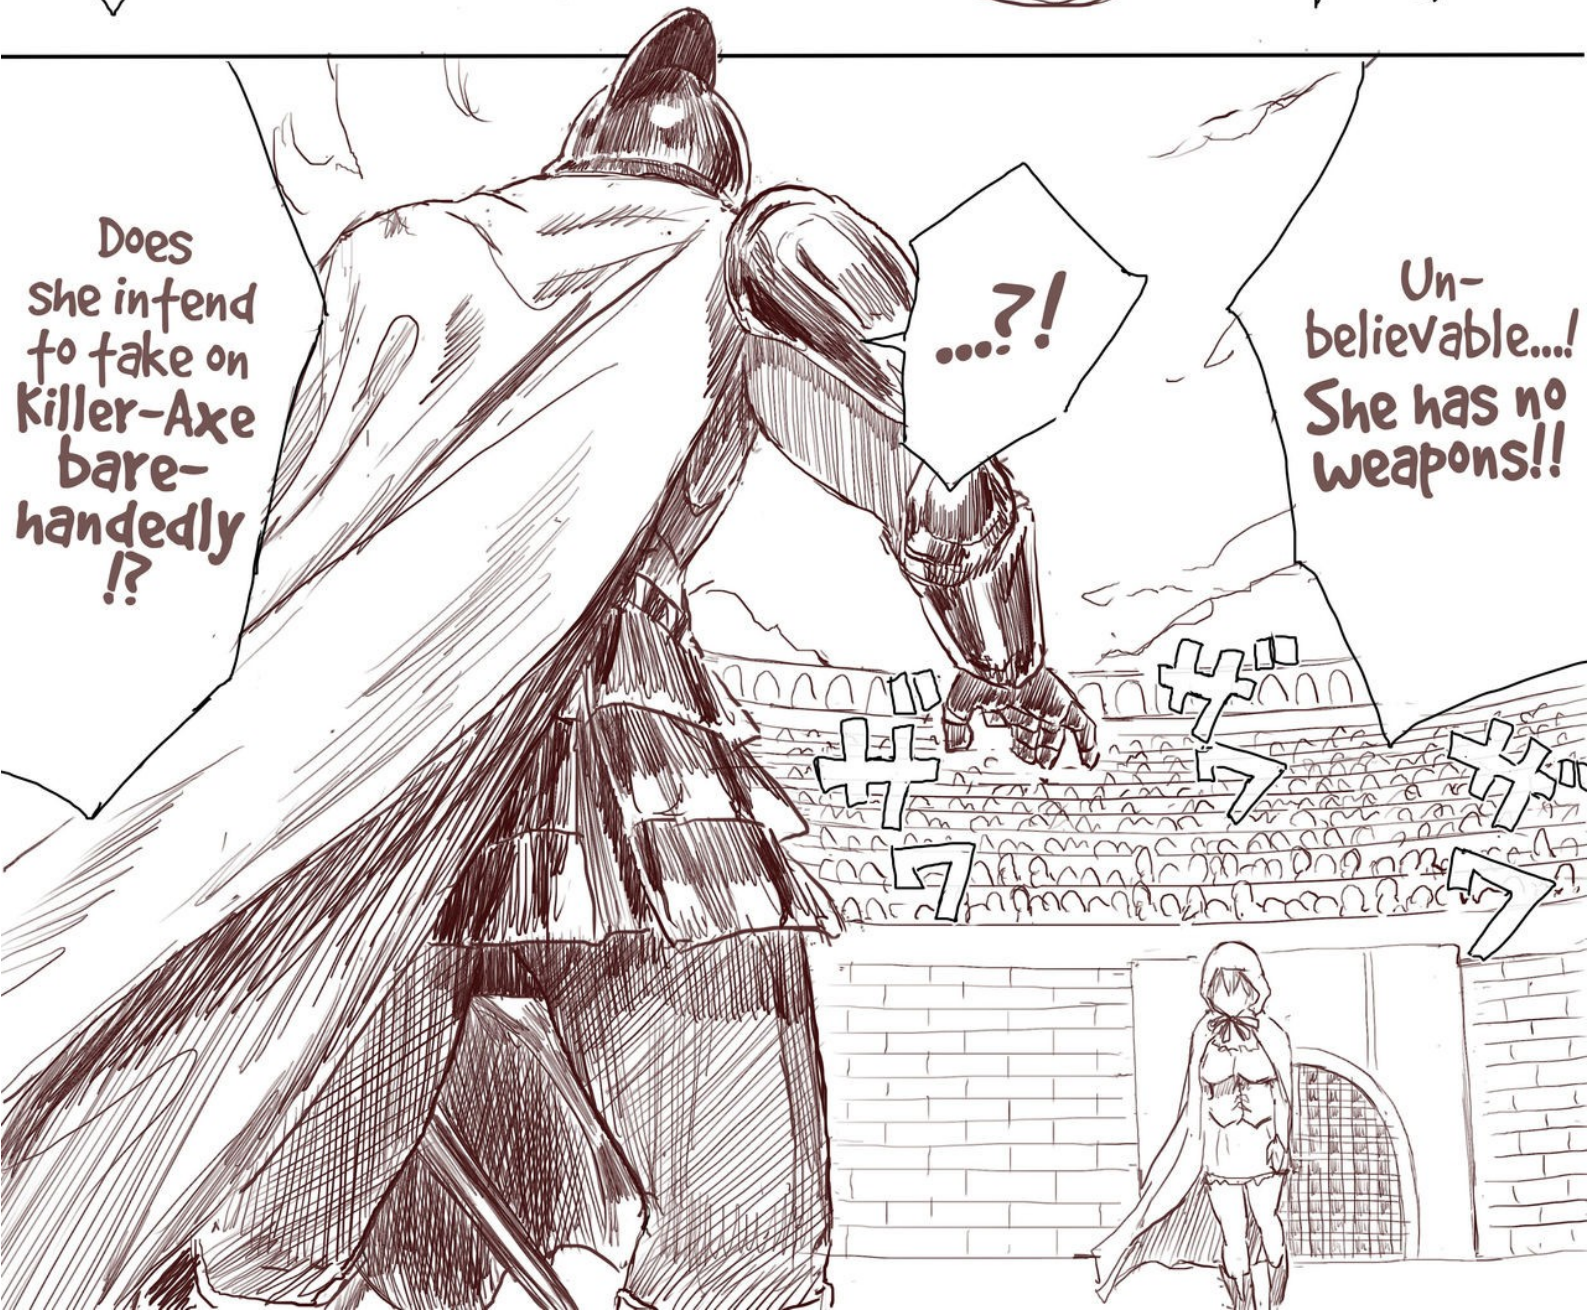

She's not merely an actual female... she's a young girl!

Does she intend to take on Killer-Axe bare-handedly?!

I made her hair a bit shorter than in the previous info sheet (to make her butt more visible)

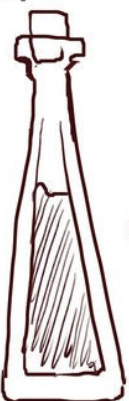

When her senses are lost, her pupils become wider.

I'll kill you all!

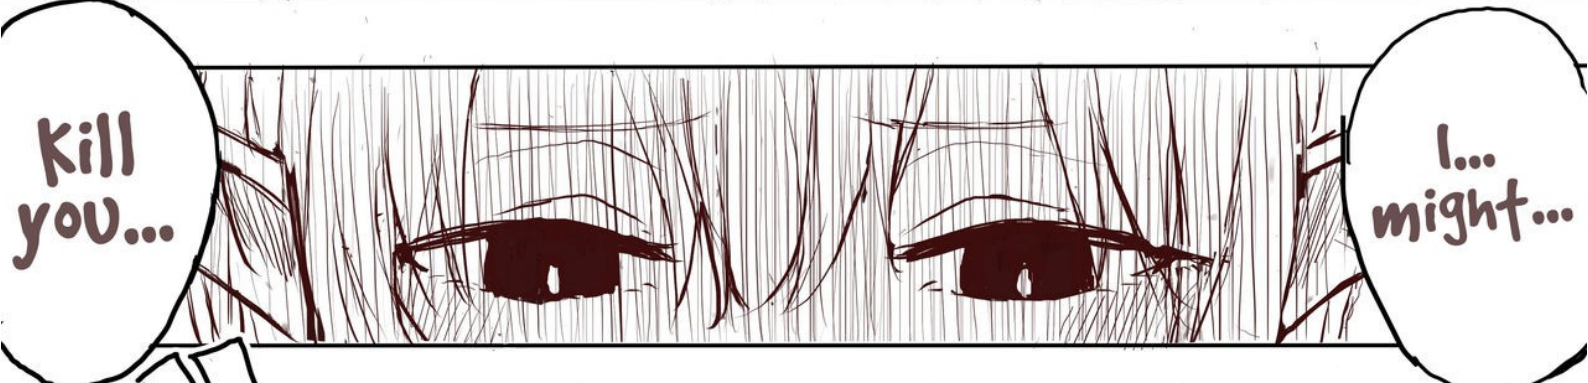

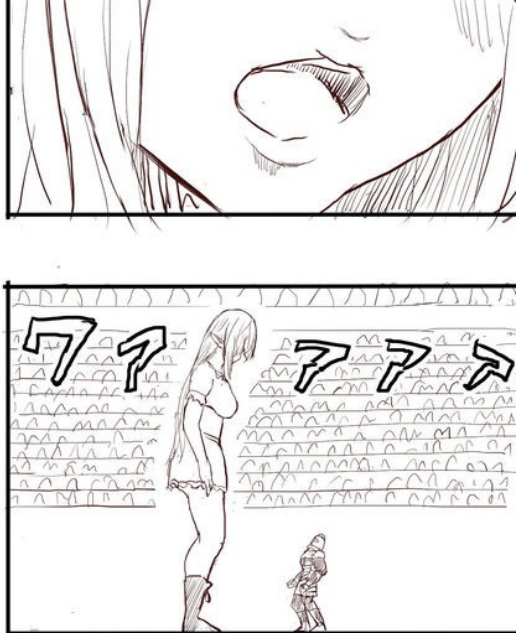

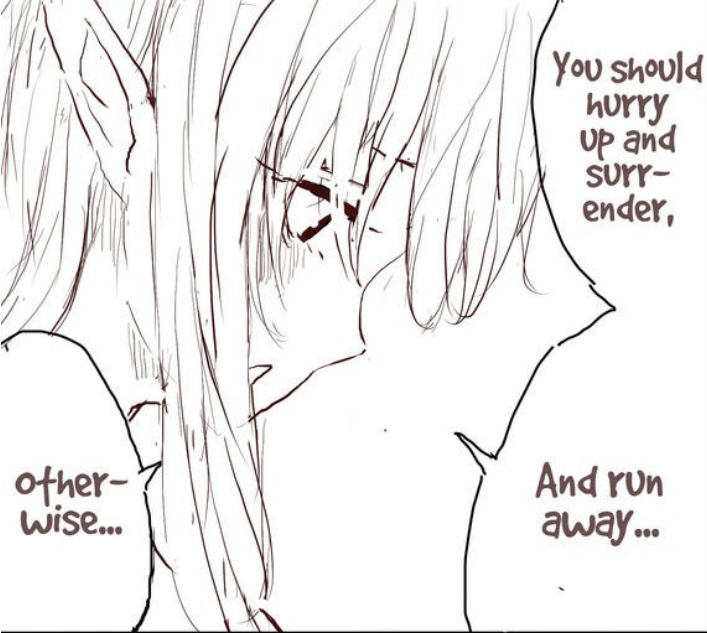

Some sort of potion

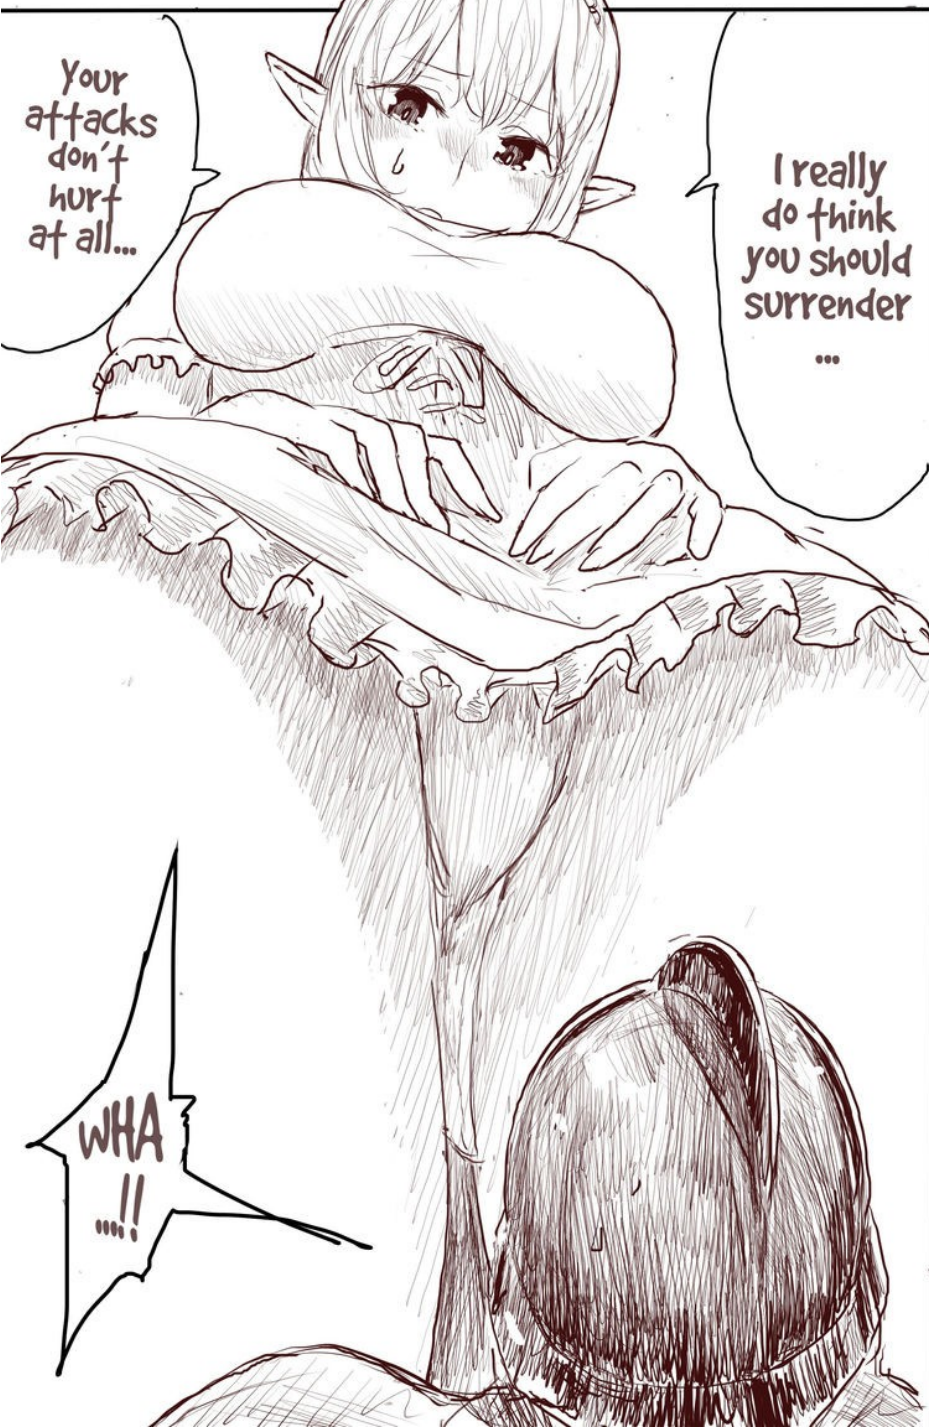

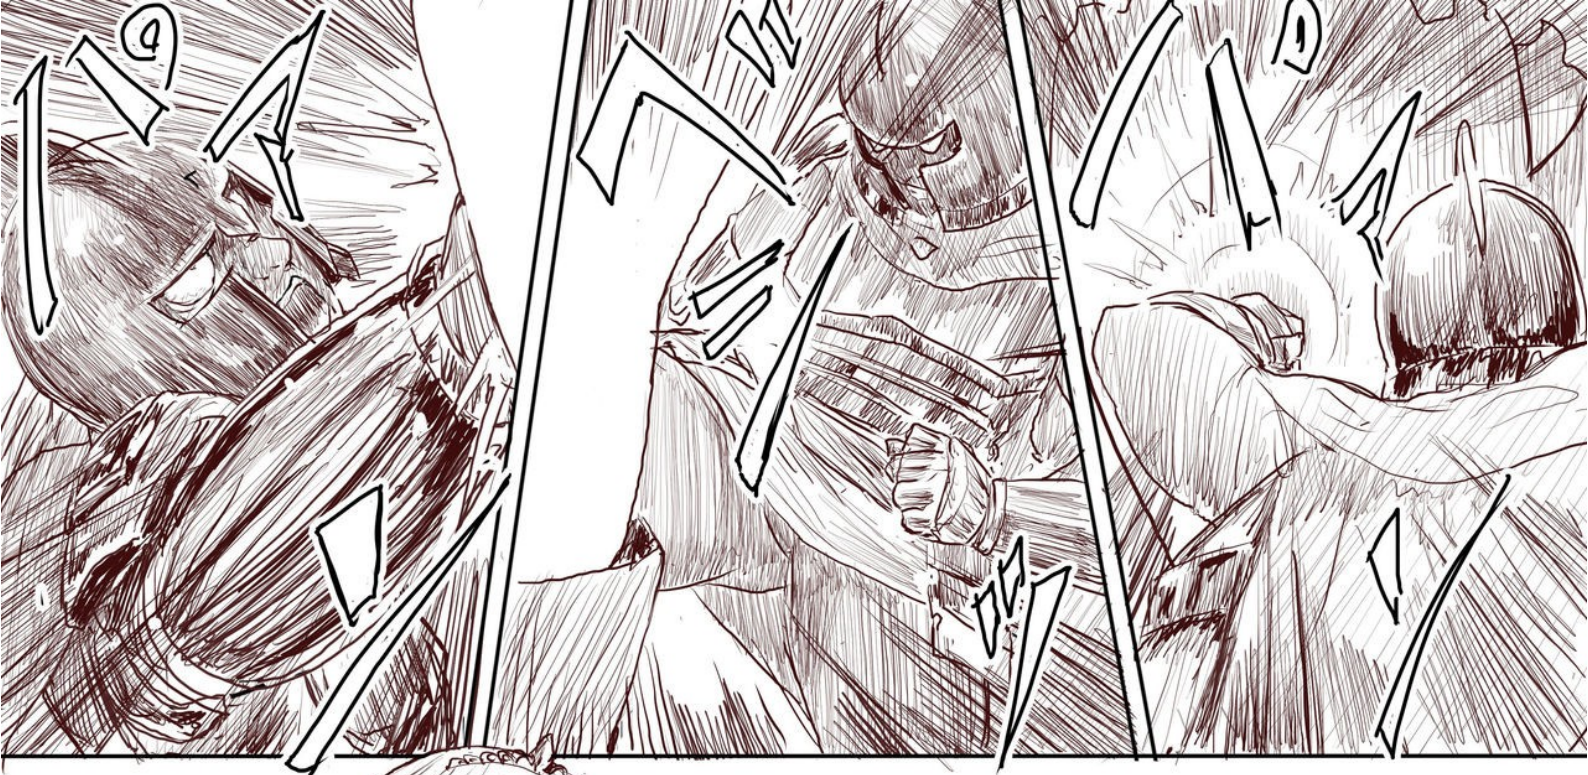

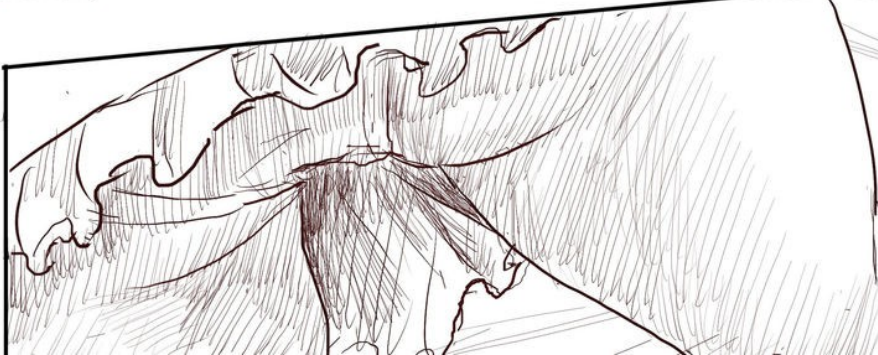

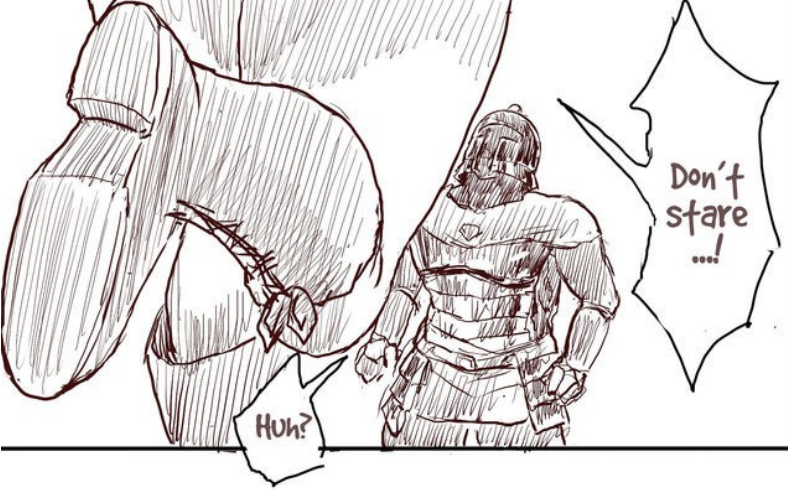

Her body becomes stronger when she drinks it, and grows in size when her emotions explode.

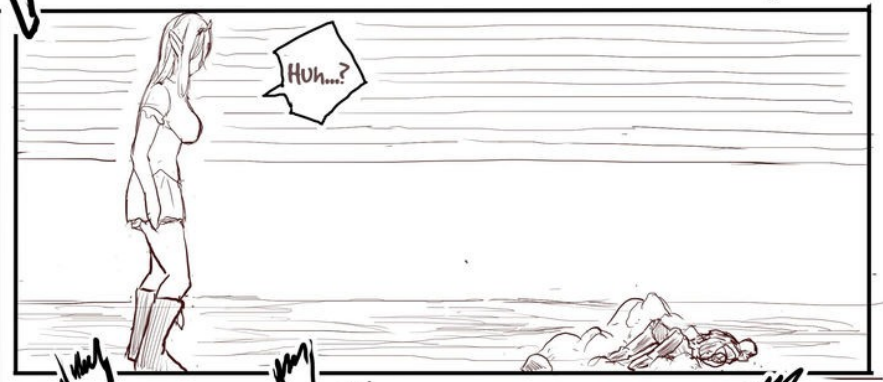

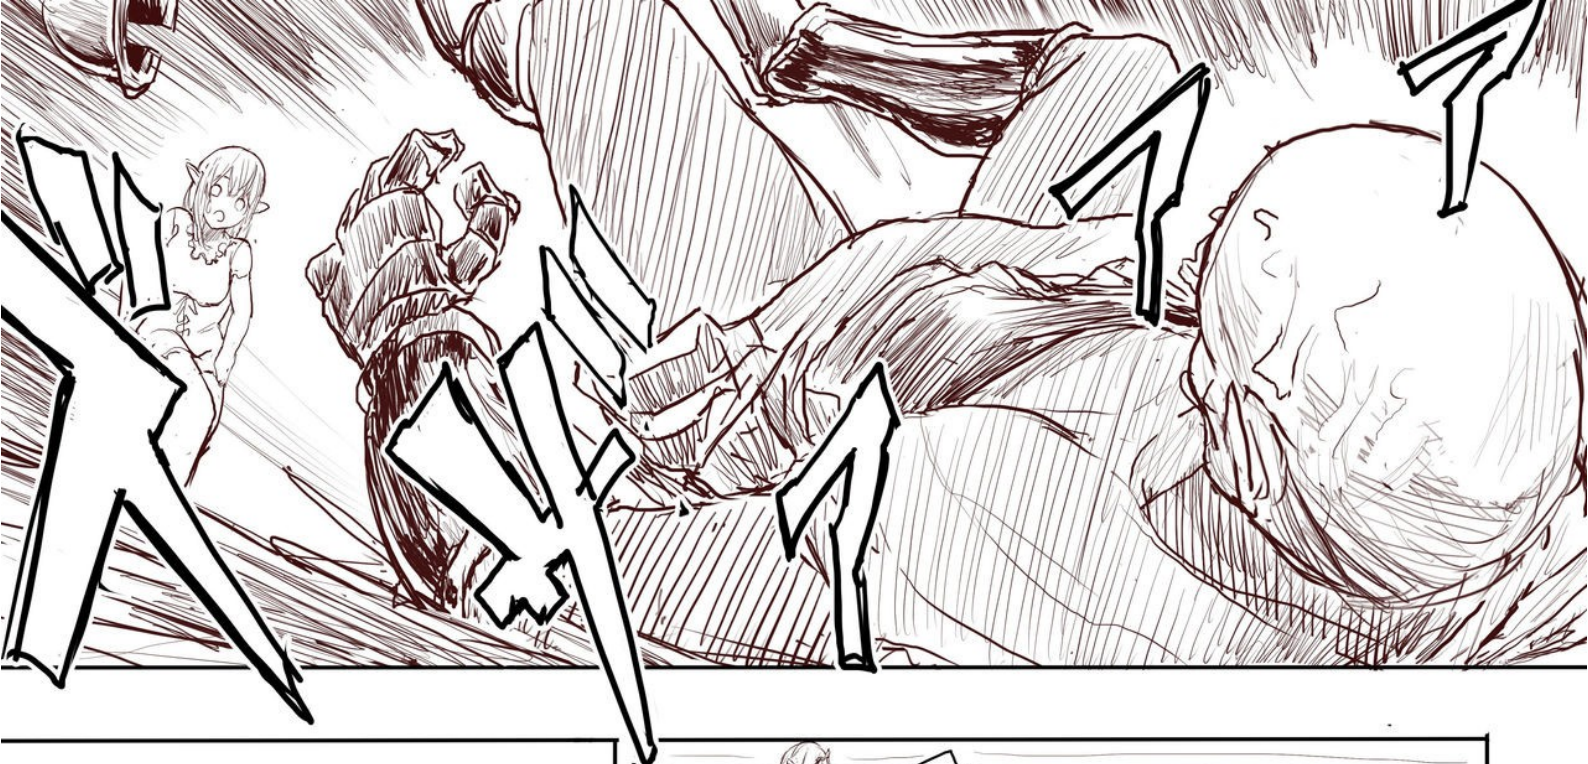

Loses her senses in occasional fits as a side effect.

Side effects become stronger as she grows bigger.

How about you make up your resolve already?

Isn't it a tad too late to be resisting?

I simply can't kill innocent humans...!

N... NO!!

So, whether sinful or not...

Is to exact revenge on them for that...

The whole reason we have obtained this power...

These humans slaughtered the innocent elven race.

All humans must be killed!! Isn't that right?

Is so we could get a whole bunch of them at once....!

The reason we came to this colosseum to begin with...

these silly excuses.

Let's cut

Thought I could force them into submission with as little casualties as possible by showing them my power...

No! I just...

You want to mercilessly massacre them as they're begging for their lives...

You want to show off your massive power and make the humans yield...

In truth ...

...!

N...
