

TINA SENSEI'S BIG TROUBLE!
SECOND PERIOD: CAN YOU DO
INDECENT THINGS TO SAVE
SOMEONE'S LIFE?

OKASHI TINA SENSEI IS A HALF JAPANESE AND HAWAIIAN BEAUTY. SHE WORKS AT KUSUNOKI ELEMENTARY SCHOOL, WHICH IS LOCATED IN A REMOTE VILLAGE IN THE MOUNTAINS. SHE MAINLY TEACHES ENGLISH, BUT SHE ALSO ACTS AS A VICE HOMEROOM TEACHER FOR CLASS 4-1

I'M NETORI MASUO FROM CLASS 4-2! I LOVE TINA SENSEI!

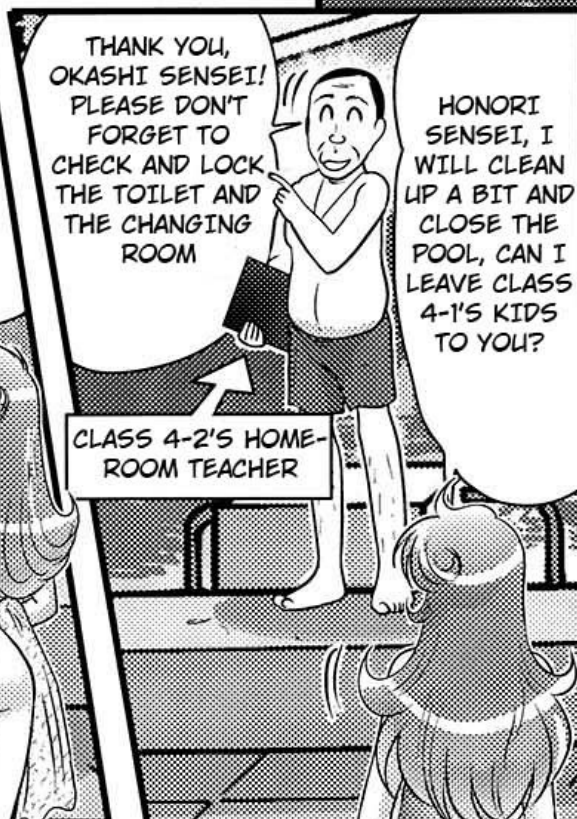

TODAY WE HAVE A JOINT SWIMMING LESSON WITH CLASS 4-2

TINA SENSEI AND CLASS 4-2'S HOMEROOM TEACHER WILL SUPERVISE US DURING THE SWIMMING LESSON.

(CLASS 4-1'S HOMEROOM TEACHER IS ELDERLY, SO HE LEFT THE JOB TO TINA SENSEI AND WAITED IN THE STAFF ROOM)

24

HE
REALLY
DID!
WAAAH!

IS HE STILL IN
THE TOILET?
MAYBE HE FELL
ASLEEP OR
SOMETHING

DON'T TELL ME
HE SLIPPED
AND FELL
DOWN...

25

THIS KID MUST
HAVE BEEN
STUNG BY THAT
POISONOUS
BEE! AAAH
WHAT SHOULD
I DO!? I... I
HAVE TO
BRING HIM TO
THE INFIRMARY
AS SOON AS
POSSIBLE!

OH NO,
THIS
IS
BAD!

HUH?
EEEEK!

WHAT'S
HAPPENED?
YOU'RE
FROM
CLASS 4-2,
RIGHT?
HANG ON!

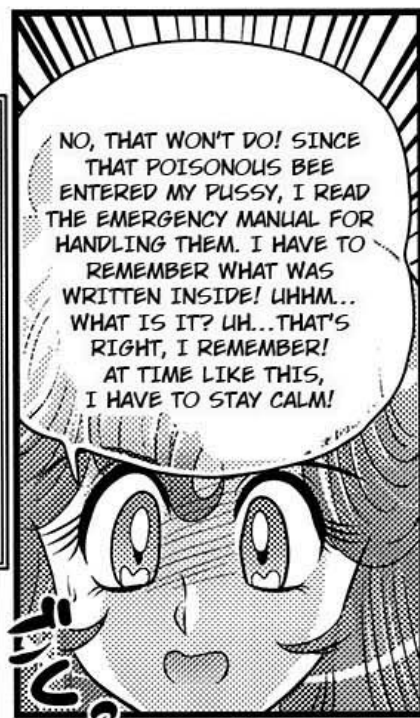

THAT
WAS... THE
POISONOUS
BEE FROM
BEFORE!

2: FIND THE STUNG AREA, AND THEN IMMEDIATELY SUCK THE POISON OUT

HOW TO DEAL WITH A PATIENT WHO HAS BEEN STUNG BY A POISONOUS BEE.
1: LAY HIM ON HIS SIDE, TO MAKE BREATHING EASIER

WHERE DID HE GET STUNG?

NO, THAT WON'T DO! SINCE THAT POISONOUS BEE ENTERED MY PUSSY, I READ THE EMERGENCY MANUAL FOR HANDLING THEM. I HAVE TO REMEMBER WHAT WAS WRITTEN INSIDE! UHHM... WHAT IS IT? UH... THAT'S RIGHT, I REMEMBER! AT TIME LIKE THIS, I HAVE TO STAY CALM!

IT SAYS THAT I CAN'T MOVE HIM ROUGHLY!

3: POISONOUS BEES ARE RARE, THEREFORE CURRENTLY THERE IS NO ANTIDOTE FOR ITS VENOM. THERE IS NO OTHER WAY TO DEAL WITH THE VENOM EXCEPT IMMEDIATELY SUCKING IT OUT AS AN EMERGENCY TREATMENT

DO... DO I REALLY HAVE TO SUCK THAT?

OH NO... IT'S REALLY BIG! HOW CAN IT BE SWOLLEN TO THIS EXTENT? IT'S BIGGER THAN A NORMAL ADULT'S COCK, IT'S AS BIG AS A HAWAIIAN NATIVE'S DICK!

IT... IT SEEMS HE GOT STUNG WHILE HE WAS PEEING...

HE'S STILL A KID, BUT HIS DICK BECAME AS BIG AS AN ADULT'S

HAA...
AAAN

AAA! IT'S
SO WARM!
IT'S
FEVERISH
AND
THROBBING
LIKE CRAZY!

AAAN...
THIS IS NOT THE
TIME TO BE
EMBARRASSED
OR HESITATING
LIKE THIS!
I HAVE TO TREAT
IT QUICKLY!

4: IF A CHILD
WAS STUNG,
REMOVE
THE VENOM
IMMEDIATELY,
AS IT CAN
ENDANGER
HIS LIFE

27
I'M TRYING TO GET
THE VENOM OUT
FROM HIS DICK!
THIS IS A
LIFESAVING
PROCEDURE, SO
THIS IS A RIGHT
THING TO DO!
AAAN....

THIS IS LIKE I'M
GIVING HIM FELLATIO!
NO, THAT'S NOT IT, I'M
NOT SUCKING HIS DICK
BECAUSE I WANT TO!
THIS IS NOT FELLATIO!

HAAAAAN

5: ALWAYS USE PROPER EMERGENCY EQUIPMENT TO SUCK OUT THE VENOM, LIKE THE VACUUM USED FOR A VENOMOUS SNAKE'S BITE. AVOID USING YOUR MOUTH TO SUCK IT DIRECTLY AS MUCH AS YOU CAN TO PREVENT SELF-POISONING

I CAN'T DO THAT, THERE'S NO SUCH TOOL AROUND HERE

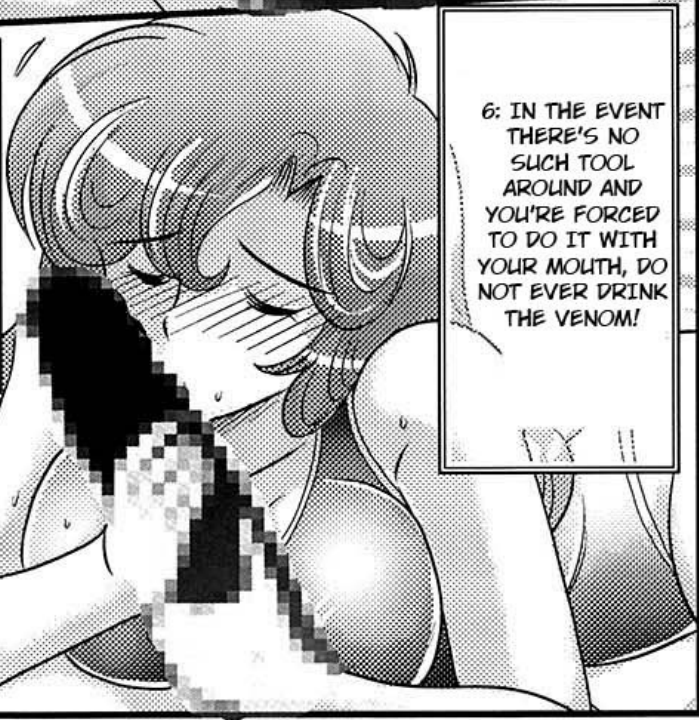

ン

BE CAREFUL IF THE VENOMOUS STING WAS TO A GENITAL AREA. DO NOT LET THE VENOM MIX WITH GENITAL EXCRETIONS SUCH AS VAGINAL FLUID AND SEMEN

THEY CAN ACT AS PORT DE ENTREE FOR THE VENOM TO YOUR BODY

DO NOT LET PEOPLE WITH CAVITIES OR COLD SORES PERFORM THE TREATMENT

6: IN THE EVENT THERE'S NO SUCH TOOL AROUND AND YOU'RE FORCED TO DO IT WITH YOUR MOUTH, DO NOT EVER DRINK THE VENOM!

7: THE VENOM HAS A SIMILAR EFFECT TO A STRONG APHRODISIAC WHEN APPLIED IN SMALL DOSES TO AN ADULT. MORTAL RISK IS RELATIVELY SMALL FOR ADULTS. CHILDREN, HOWEVER, ARE AT A HIGH RISK OF DISABILITY OR EVEN DEATH

NCHUUU
CHUUU

AAN

I DON'T HAVE TO WORRY IF A SMALL BIT OF VENOM GETS INTO MY SYSTEM, BECAUSE I'M AN ADULT

HAAA
HAA...
AAA...

F2~!!
HOLD YOURSELF TOGETHER, JUST A BIT MORE!

NCHUUU

AAA... THIS KID HAS STARTED TO RESPOND...

AAA...

8: IN ADULTS, THE POISONING SYMPTOMS CAN OCCUR EVEN FROM SMALL DOSES. DO NOT DELIBERATELY DRINK THE VENOM

AH

GULP

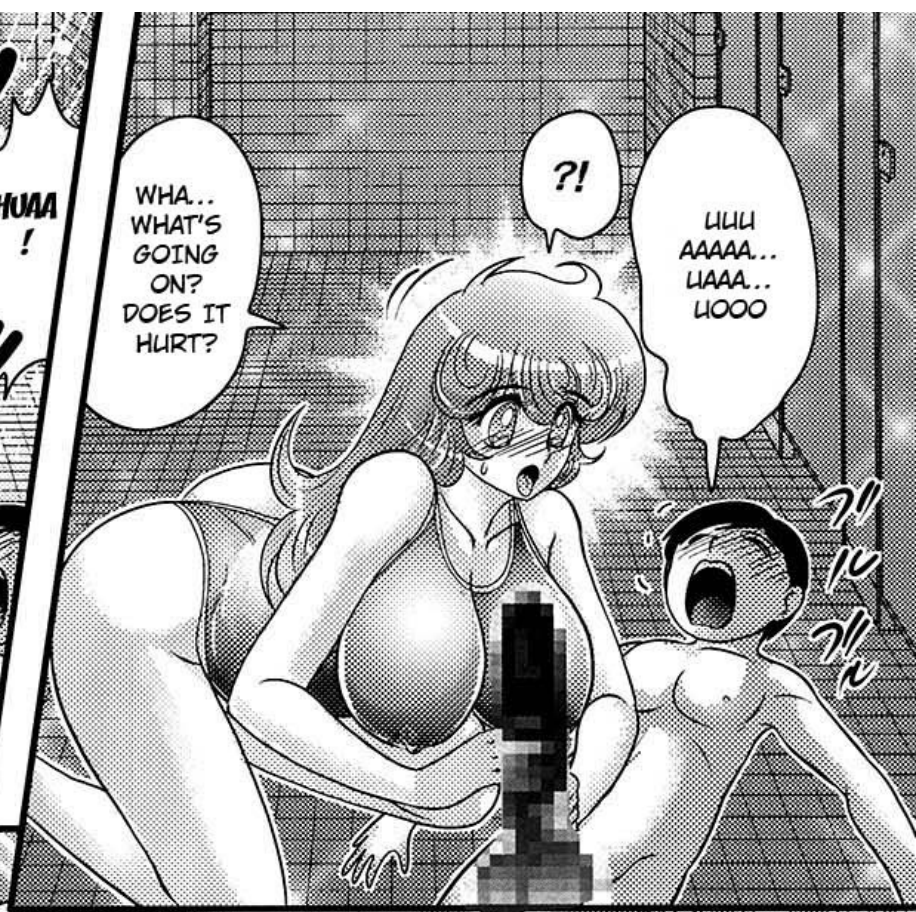

NN
NNN

EEK!
NOOO!

HUA
!

WHA...
WHAT'S
GOING
ON?
DOES IT
HURT?

?!
LULU
AAAAA...
LAAA...
LOOO

EVEN THOUGH
THE PUS IS
HARMLESS, IT
WILL LEAVE A
PERMANENT
STAIN ON
YOUR
CLOTHES IF
YOU DON'T
WASH WITH
WATER
QUICKLY

AAAAH, THE PUS
SPILLED ON
MY SWIMSUIT!
IT'S SO
DISGUSTING!
EEEEW!

AAAAAN!
THAT'S
AWFUL!

9: DURING
SUCTION, THE
AFFECTED PART
MAY PRODUCE A
RELATIVELY HIGH
AMOUNT OF PUS.
THE VENOM
USUALLY
DISCHARGES
ALONG WITH THE
PUS, SO IT IS
SAFE TO STOP
SUCTIONING
WHEN IT COMES
OUT FROM THE
PATIENT'S
BODY

30

SIGH,
I CAN'T
HELP
IT...
SNIFF!

THANK GOD
THERE'S NO
ONE ELSE
IN THIS
TOILET

I CAN'T
CHANGE MY
CLOTHES NOW,
I'LL HAVE TO
STRIP AND GO
NAKED

AAN

UHHMM...
WHAT
SHOULD I
DO NEXT?

AAH...
THAT'S
NOT
GOOD

10: AFTER THE
VENOM HAS
BEEN REMOVED
FROM THE
PATIENT, YOU
CAN REST EASY.
WARM THE
PATIENT'S BODY
TO PREVENT
HYPOTHERMIA

AAAN... WHAT
SHOULD I DO? HE
DOESN'T HAVE HIS
TOWEL WITH HIM,
I THINK IT WAS THE
ONE LEFT BEHIND
EARLIER. I DON'T
HAVE ANY OTHER
CHOICE BUT TO
WARM HIM WITH
MY BODY

HIS BODY
WILL GET
COLD IF
HE LIES
ON THE
TILED FLOOR

又ギ
又ギ
又ギ

AAN... UFUFU, IN SIMPLER WORDS, HE'S HEALED ONCE HIS DICK RETURNS TO ITS ORIGINAL SIZE, RIGHT?

11: LET THE PATIENT REST FOR A WHILE IN A WARM CONDITION. WAIT UNTIL THE SWELLING OF THE AFFECTED AREA SUBSIDES AND THE FEVER HAS GONE DOWN. ONCE THE AFFECTED AREA STABILIZES, BRING THE PATIENT TO THE HOSPITAL TO HAVE HIM EXAMINED, JUST IN CASE.

BUT... I DON'T KNOW HOW BIG HIS COCK WAS IN THE FIRST PLACE. AAN...

AAN! STAY STILL!

THERE WAS A CASE WHERE A PATIENT RAN AWAY IN CONFUSION AND GOT HIT BY A CAR. TO PREVENT HIM RUNNING RAMPANT, HOLD HIS BODY AS FIRMLY AS YOU CAN

AAN... STAY STILL, DON'T MOVE AROUND!

12: BE CAREFUL IN HANDLING YOUNGER PATIENTS, AS THEY CAN HAVE NIGHTMARES DUE TO HIGH FEVER, MAKING THEM STRUGGLE OR EVEN SUFFER SEIZURES. PLEASE DO NOT AVERT YOUR EYES FROM THE CHILD PATIENT, AS THEY MIGHT HURT THEMSELVES

NNN... NGGG-HAAA

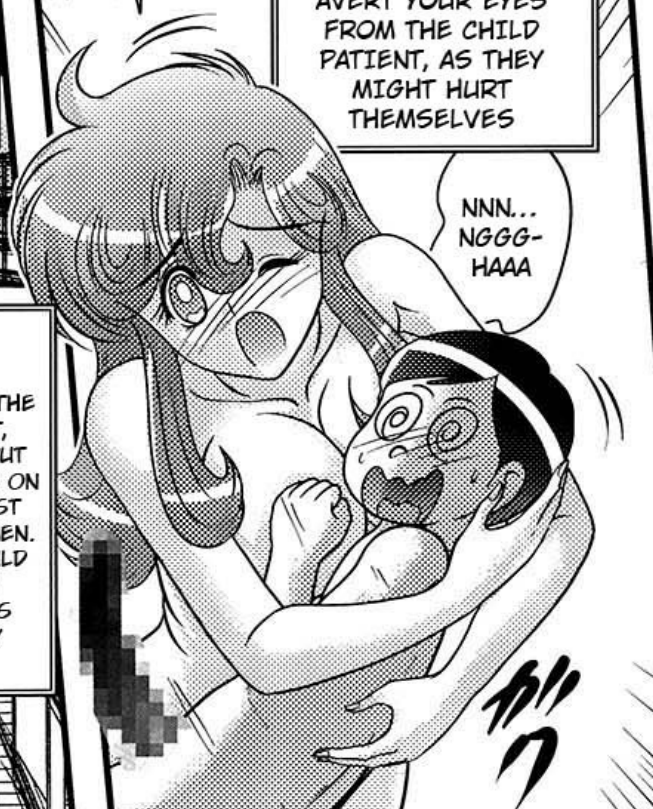

THE SAFEST WAY IS HOLDING HIS HANDS, WHILE POSITIONING YOUR BODY ON TOP OF HIM, LIKE RIDING A HORSE. THIS CAN PREVENT HIM RUNNING AWAY EFFECTIVELY

UAGAAH!

IT'S GONNA BE ALRIGHT! SENSEI IS HERE!

WHEN HOLDING THE PATIENT, DO NOT PUT PRESSURE ON HIS CHEST OR ABDOMEN. THIS COULD CAUSE SERIOUS INJURY

AAAN! HIS STRENGTH IS TOO GREAT!

HYAAN!

PLEASE BE CAREFUL NOT TO INJURE YOURSELF

13: HOWEVER, DELIRIOUS AND RAMPAGING PATIENTS CAN SOMETIMES RELEASE MORE STRENGTH THAN NORMAL. EVEN A CHILD COULD OVERPOWER AN ADULT WOMAN IN THIS CONDITION

DEPENDING ON THE PERSON AFFECTED, THIS SYMPTOM'S DEGREE VARIES SIGNIFICANTLY. THERE IS A RISK OF THE PERSON AFFECTED CAUSING SEXUAL CRIMES OR ABNORMAL SEXUAL INTERCOURSE. PLEASE PAY SERIOUS ATTENTION TO THIS

AAAN

15: THE FOREMOST SYMPTOM AN ADULT COULD SHOW IS A STRONG INCREASE IN SEXUAL URGES, AS THE COMPOSITION OF THE VENOM IS SIMILAR TO AN APHRODISIAC.

TWITCH

THEREFORE, IT IS NOT RECOMMENDED HOLDING A PATIENT JUST WITH ONE PERSON. AT MINIMUM, TWO PERSONS SHOULD PERFORM THIS PROCEDURE.

14: IN ADDITION, IF THE HELPER ACCIDENTALLY CONSUMED SOME VENOM, THEY COULD EXPERIENCE SOME SYMPTOMS. THEY INCLUDE (NOT LIMITED TO) SUDDEN DIZZINESS, BURNING SENSATION, AND MUSCLE WEAKNESS

AAH

TWITCH

HAAAN

NOO...
I CAN'T...

I... I JUST
REMEMBERED
THAT...
THERE...
THERE'S THAT
SYMPTOMS
TOO... AAAH

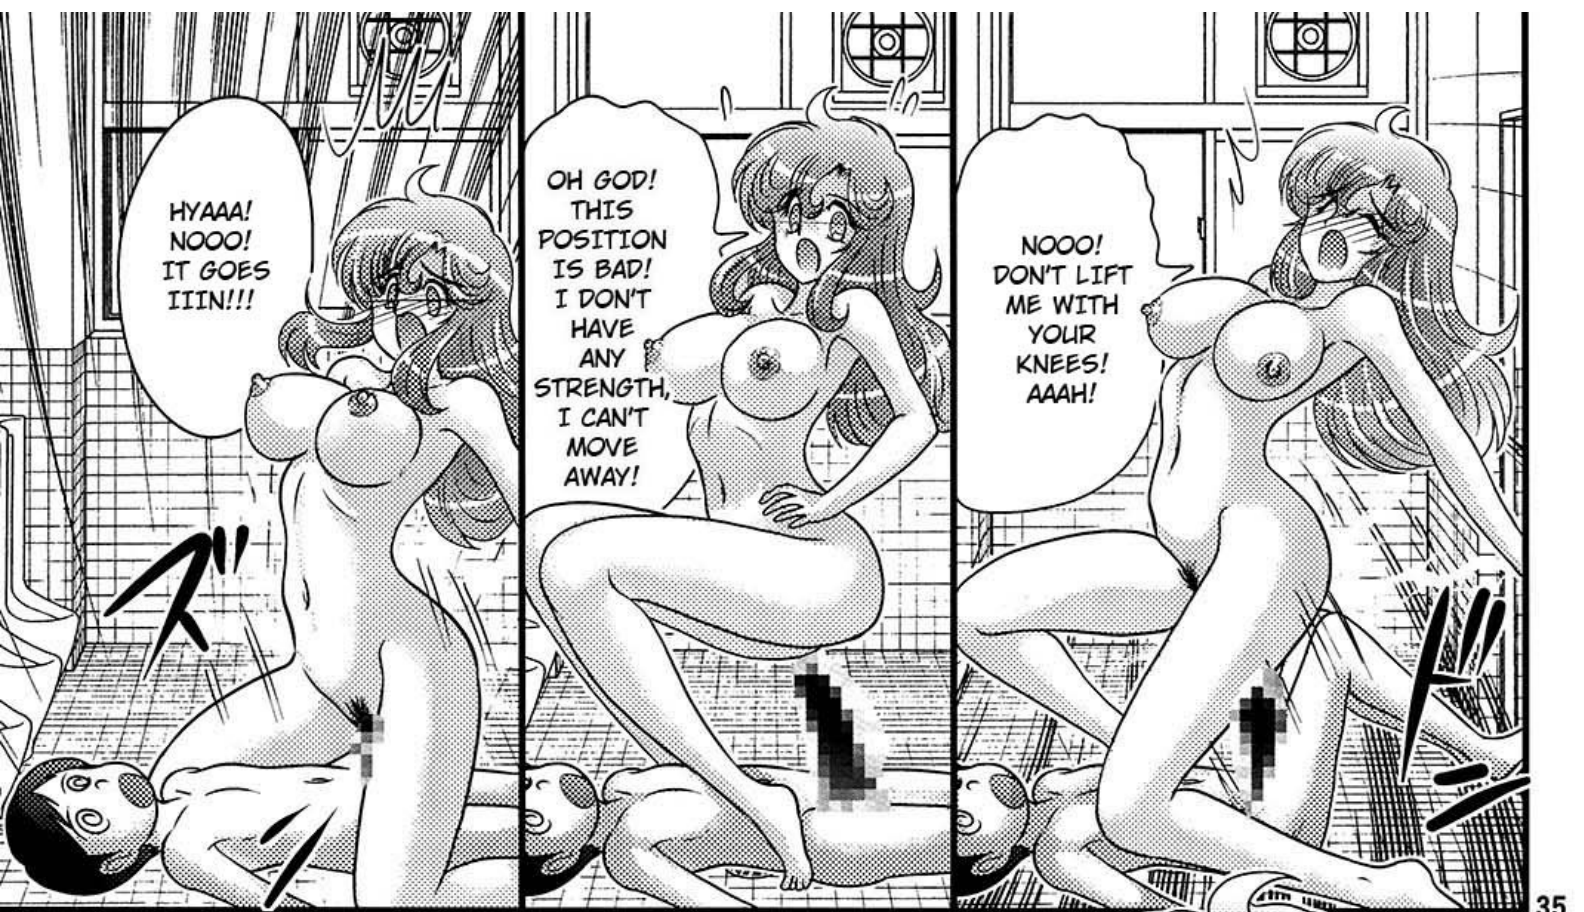

16: LOCAL
PEOPLE HAVE
BEEN REPORTED
USING THE
BEE'S VENOM
TO MAKE AN
APHRODISIAC
OINTMENT.
PLEASE DO NOT
DO THIS AS
THIS COULD
BE VERY
DANGEROUS!

AAAH! THIS
IS NOT
GOOD! I'M
BOUNCING
AWAY!

MY STRENGTH
IS FADING...
I CANNOT CONTROL
HIS LEG'S
MOVEMENT
ANYMORE...
MY BODY KEEP
GETTING CLOSER
TO HIS COCK!

34

7777

17: VENOM POISONING
FREQUENTLY HAPPENS TO THE
ONE WHO HELPS SUCK OUT THE
VENOM, BUT IT RARELY CAUSES
THEM TO ENGAGE IN SEXUAL
ACTIVITY. WHEN IT DOES
HAPPEN, THE LAW CANNOT
PUNISH THE HELPER AS THEY
ARE UNACCOUNTABLE FOR THEIR
ACTION. HOWEVER, YOU WILL BE
PUNISHED IF YOU'RE AN ADULT
AND PROVEN TO HAVE
DELIBERATELY CONSUMED
VENOM OINTMENT, LEADING
TO A SEXUAL ATTACK ON
ANOTHER PERSON.

NO... NOOO!
HIS COCK
REALLY GOES
IIIN!

A KID FROM
ANOTHER CLASS
HAS HIS COCK
IN MEEE!

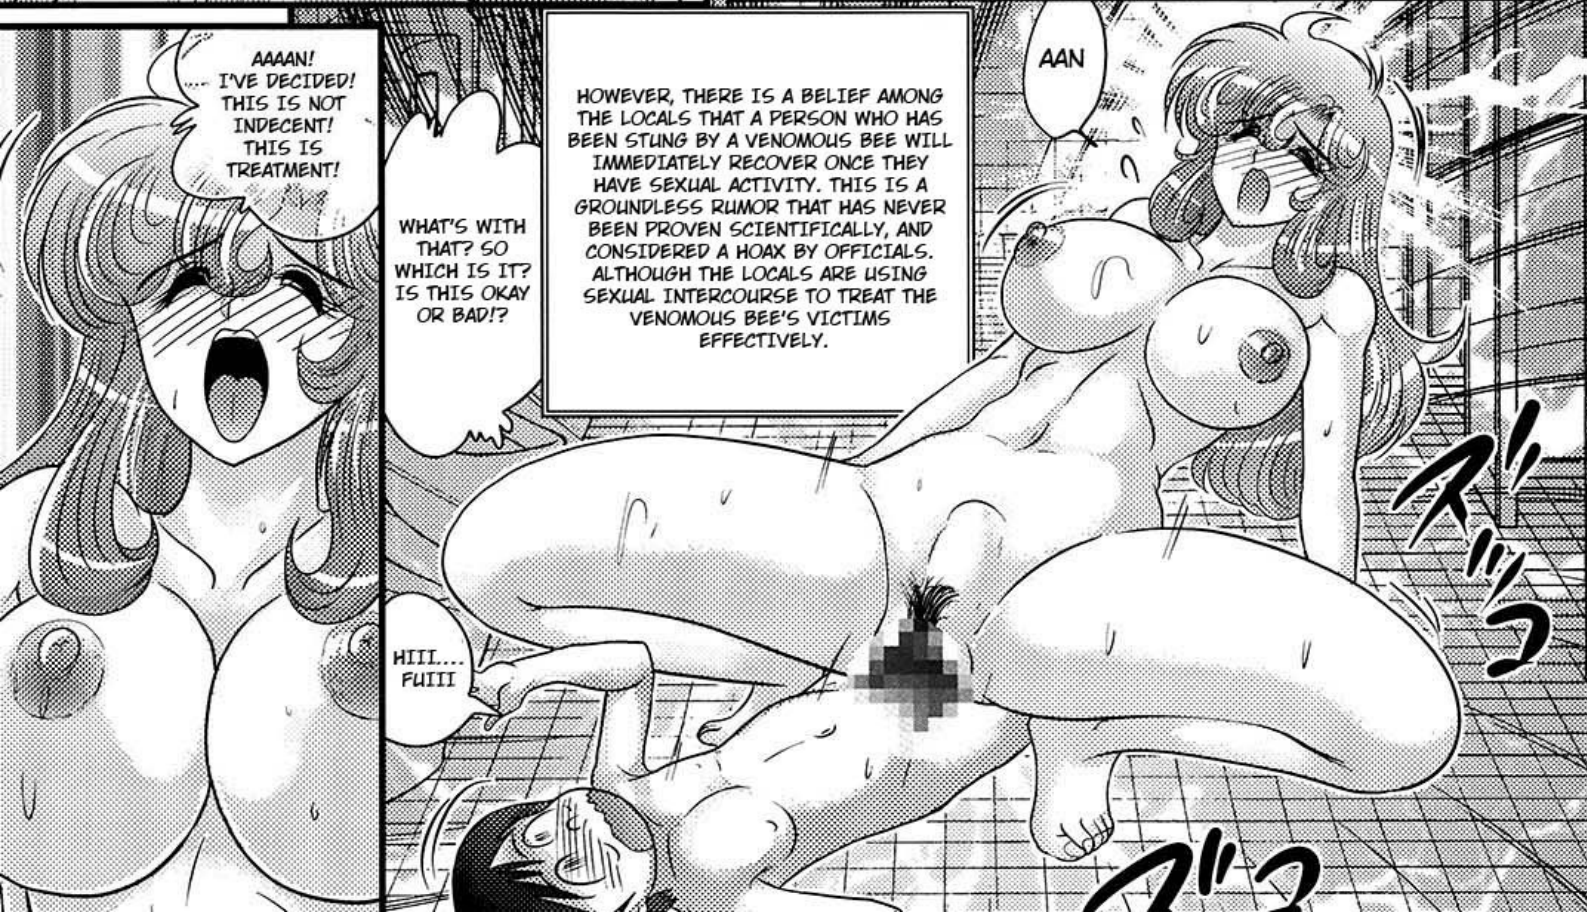

BUT...
BUT IT WAS
FOR THIS
CHILD'S
SAKE! I CAN'T
HELP IT!

18: IN THE EVENT
THERE'S SEXUAL
CONDUCT WITHOUT
BOTH PARTIES'
AGREEMENT,
PLEASE
IMMEDIATELY
REPORT TO THE
POLICE. SEXUAL
ASSAULT IS A
SERIOUS CRIME

AAAN! I'M
HAVING SEX
WITH A
KIIIIID!

AAAAA!
I'VE DECIDED!
THIS IS NOT
INDECENT!
THIS IS
TREATMENT!

WHAT'S WITH
THAT? SO
WHICH IS IT?
IS THIS OKAY
OR BAD!?

HOWEVER, THERE IS A BELIEF AMONG
THE LOCALS THAT A PERSON WHO HAS
BEEN STUNG BY A VENOMOUS BEE WILL
IMMEDIATELY RECOVER ONCE THEY
HAVE SEXUAL ACTIVITY. THIS IS A
GROUNDLESS RUMOR THAT HAS NEVER
BEEN PROVEN SCIENTIFICALLY, AND
CONSIDERED A HOAX BY OFFICIALS.
ALTHOUGH THE LOCALS ARE USING
SEXUAL INTERCOURSE TO TREAT THE
VENOMOUS BEE'S VICTIMS
EFFECTIVELY.

AAN

HIIL...
FUIII

WHOOAH!
TINA
SENSEI IS
NAKED
ON TOP OF
ME!

NOOO!
DON'T
LOOK!
CLOSE
YOUR
EYEEES!

HUEH?

20: SEXUAL
INTERCOURSE CAN
ALSO MAKE THE
PATIENT REGAIN
CONSCIOUSNESS
FASTER THAN THE
SWOLLEN AREA CAN
COMPLETELY
RECOVER.
BE MINDFUL
OF THIS

HAA..HAAA..
YOU'RE
CLASS 4-1'S
TINA
SENSEI?

WHAAT?
WHAT?

AAAH! PLEASE
DON'T LOOK!
I'M SO
EMBARRASSED!
I'M DOING
THIS TO SAVE
YOUR LIFE!
I CAN'T HELP
IIIT!

AAAAH...
EVEN THOUGH
THE SWELLING
HASN'T
SUBSIDED YET!

UHYO HOOAAH! I
DON'T KNOW WHY,
BUT MY DICK
FEELS REALLY
GREAT!

JUST BE
STILL UNTIL
I FINISHED
TREATING
YOU... AAH!

DON'T... DON'T
GET UP JUST YET!
STAY THAT WAY
UNTIL THE
SWELLING IN
YOUR DICK
SUBSIDES...
AAH! WE'VE
GOT TO MAKE
IT SMALL
AGAIN!

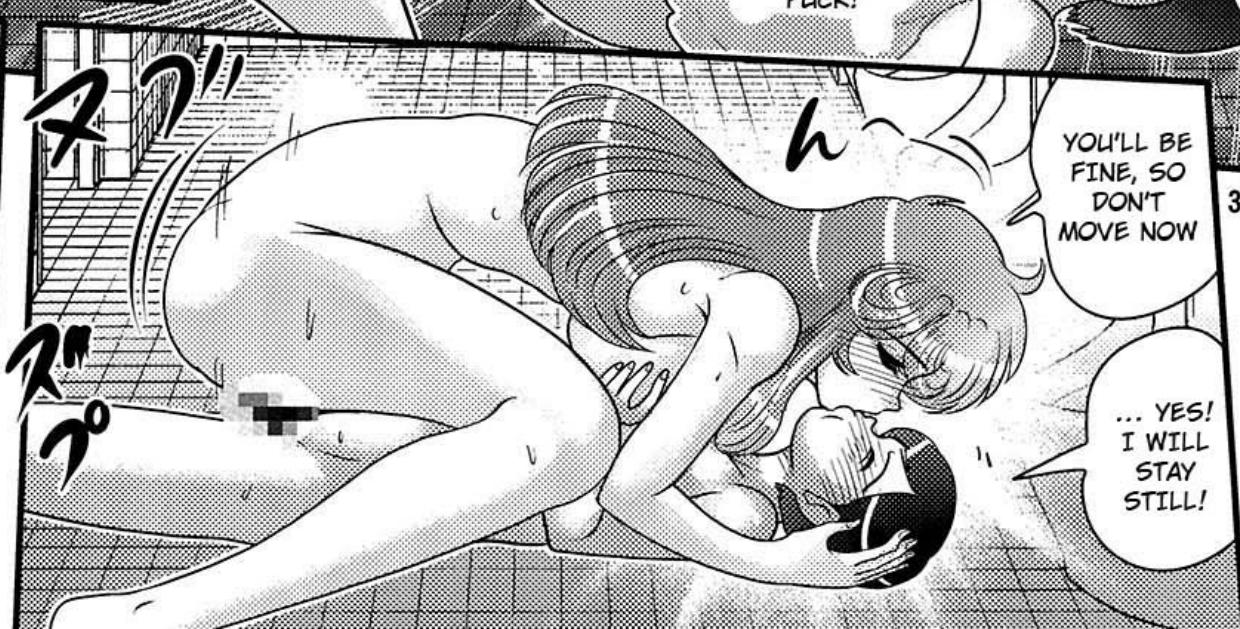

AA
AAAH

WAAH! MY
DICK
BECAME
HUGE AS
FUCK!

HAAAN

YOU'LL BE
FINE, SO
DON'T
MOVE NOW

... YES!
I WILL
STAY
STILL!

AAA...
I'M
SORRY,
I'M LATE

HUH? TINA
SENSEI
ISN'T HERE
EITHER?

EXCUSE ME,
THERE'S A BOY
IN MY CLASS
WHO HASN'T
COME BACK FROM
THE POOL, HAVE
YOU SEEN HIM
SOMEWHERE?

コンコン

ABOUT
TIME
FOR 5TH
PERIOD
TO BEGIN

I BET SHE'S
TAKING A
DUMP!

THE
LUNCH
BREAK IS
ALREADY
OVER

TINA
SENSEI
IS SO
LATE!

NO NO,
THERE'S NO
NEED TO
APOLOGIZE

I'M SORRY,
A KID
FROM MY
CLASS IS
CAUSING
YOU SUCH
TROUBLE

TINA
SENSEI!

I WAS
NURSING THIS
BOY IN THE
TOILET, HE
FELL SICK ALL
OF SUDDEN
BACK THERE

I'M
FULLY
RECOVERED
NOW

I FEEL BAD FOR
YOU 4-1 GUYS.
I GOT PLENTY
OF TREATMENT
FROM HER

HMPH,
YOU'RE
JUST A
BRAT

YOU WERE
SHITTING,
WEREN'T
YOU?

HA?

39

GEEZ,
YOU
CAN'T TELL
THAT TO
EVERYONE

I KNOW!
IT'S A
SECRET
JUST
BETWEEN
YOU AND
ME, RIGHT!

I TOLD YOU
THAT WAS A
LIFESAVING
PROCEDURE!
IT'S NOT A
GRADE-SCHOOL
ER HAVING SEX
WITH HIS
TEACHER!

BECAUSE YOU
MIGHT GET
FIRED AND
EVEN
ARRESTED
IF THEY FIND OUT

TEE
HEE
♡

I HAD
SEX
WITH A
KID!

PLEASE REPORT
IMMEDIATELY TO
THE AUTHORITIES
IF YOU SUSPECT
THE PATIENT IS
HAVING THIS KIND
OF EXPERIENCE.
THIS IS A
SERIOUS OFFENCE
OF POISONING
AND RAPE

LASTLY, THERE
WERE SOME
CASES OF
MISUSE OF THE
VENOM. THE
VICTIM WAS
STABBED WITH
THE BEE'S
STINGER TO
MAKE HER
UNCONSCIOUS,
OR SUFFER GREAT
SEXUAL URGES,
THEN RAPED
BY THE
PERPETRATOR.

IT WAS FOR
SAVING HIS
LIFE, SO IT
COULDN'T BE
AVOIDED

AAAN

?

ADDITIONALLY,
PUNISHMENTS FOR
NOT REPORTING A
POISONOUS BEE
ACCIDENT ARE
CURRENTLY BEING
ESTABLISHED BY
THE VILLAGE
COUNCIL, AND WILL
BE ENACTED IN
THIS FISCAL YEAR.

TO BE CONTINUED.
