

When I was abandoned, I was rescued by

On a certain winter day, many years ago...

Good Boy.

Don't worry, everything is fine now.

What a cute little orc! Poor dear.

by the multimillionaire lady knight, Letina-sama.

Letina-sama, I've come to clean.

She is gorgeous, adept in arts both fine and martial. She does, however, have a certain flaw...

She named me "Bouze", and now, many years later, I'm working by her side as her servant.

I swear,
if she's
thinking
something
outrageous
again---

Excuse
me!

Isn't
she in?

...No.

What
on earth
is she
thinking
now!?

Kh...
Kill
me!!

Huuuh!?

that
she likes
books
so much,
she lets
them
influence
her way
too much.

Is that
potassium
cyanide?

Transformation!

Lick

Her
flaw
is...

Just
where
did you
find this
book...?

What
kind of
book is
it this
time...?

Are you
going to
assault
me?

You
filthy
orc!

Waaaaaah!

Aah!

ばいばい

...That's weird.

I'll untie you now.

maybe you shouldn't be doing all this in the first place.

If you can't untie yourself and have to yell for my help,

Come on now, Letina-sama.

Plus, I'm an elf and a lady knight too.

hmm...

It ought to be the mating period for orcs right now.

voa

Say, Bouze-chan!

No.

Not even a little?

...No, I do not.

When you see me all tied up, don't you end up wanting to ravish me?

I am in love with her,

Tsk...

how-ever...

I guess
I'll use
my
trump
card!

Fine
then!

I
must
not
think
of her
like
that.

Not only
am I
indebted
to her for
rescuing
me, but
we are
mistress
and
servant
right now.

Don't
tell
me...

My
body... is
burning!?

Don't
say
things
that lead
to a
losing flag-

Whoah!?

You're
just
adorable,
Bouze-
chan!

I love your
hanging gut,
and your
hunched
back, and
everything
about you!

Seduction
magic!?

This is
bad...

Letina-
sama...
Please...
Dispel
the magic
quickly...

or
else...

...Or
else?

kyaaaaa!

I can't hold back any more!

あーっ

You're licking me so lewdly...

Bouze-chan, your tongue is encircling me...

I'm being assaulted by an orc

For a servant to lay a hand on his mistress is extremely improper.

I want to stop, but I cannot! My body is moving on its own!

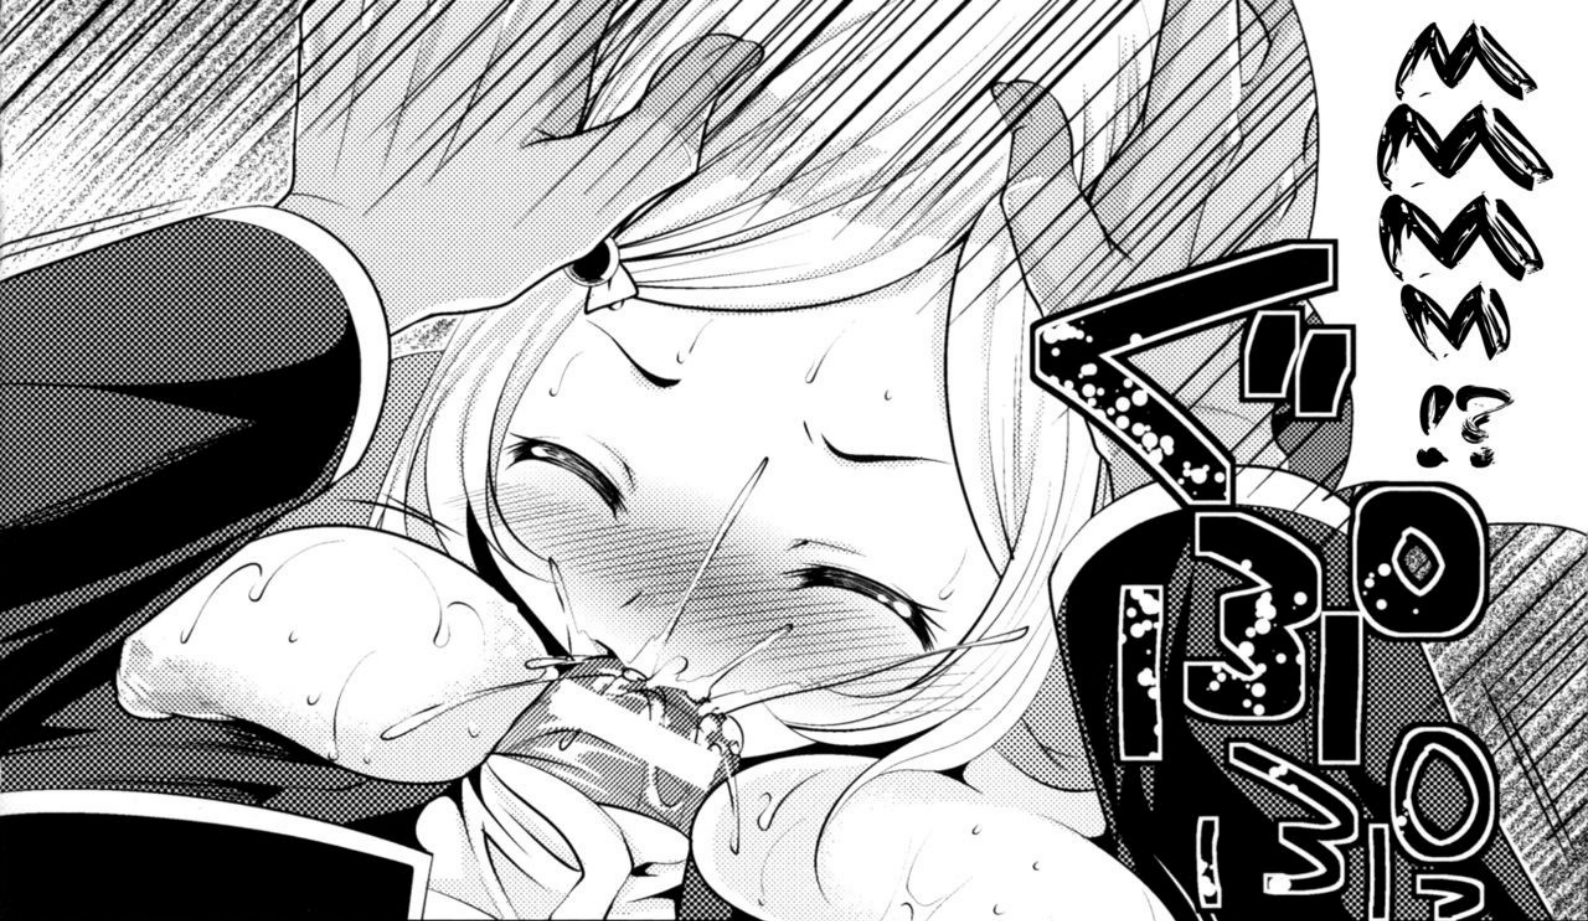

Aaaah! So soft!

Oh no... I can't stop any more!

Letina-sama... I'm sorry!

Eh? Bouze-chan? What are...

It's so hot... it's driving me crazy!

This is the inside of Letina-sama's throat!

An orc's stinky cock

Mmm

I was reading!

Rather
than my

Say,
Bouze-
chan?

wouldn't
you
prefer
this
place?

Come on,
Bouze-
chan,
hurry up!

My
mind's
telling
me no...

N-no,
that'd
be too-

but the
seduction
magic is
moving my
body on
its own!

I'm taking it out-

Wait!

What have I done!?

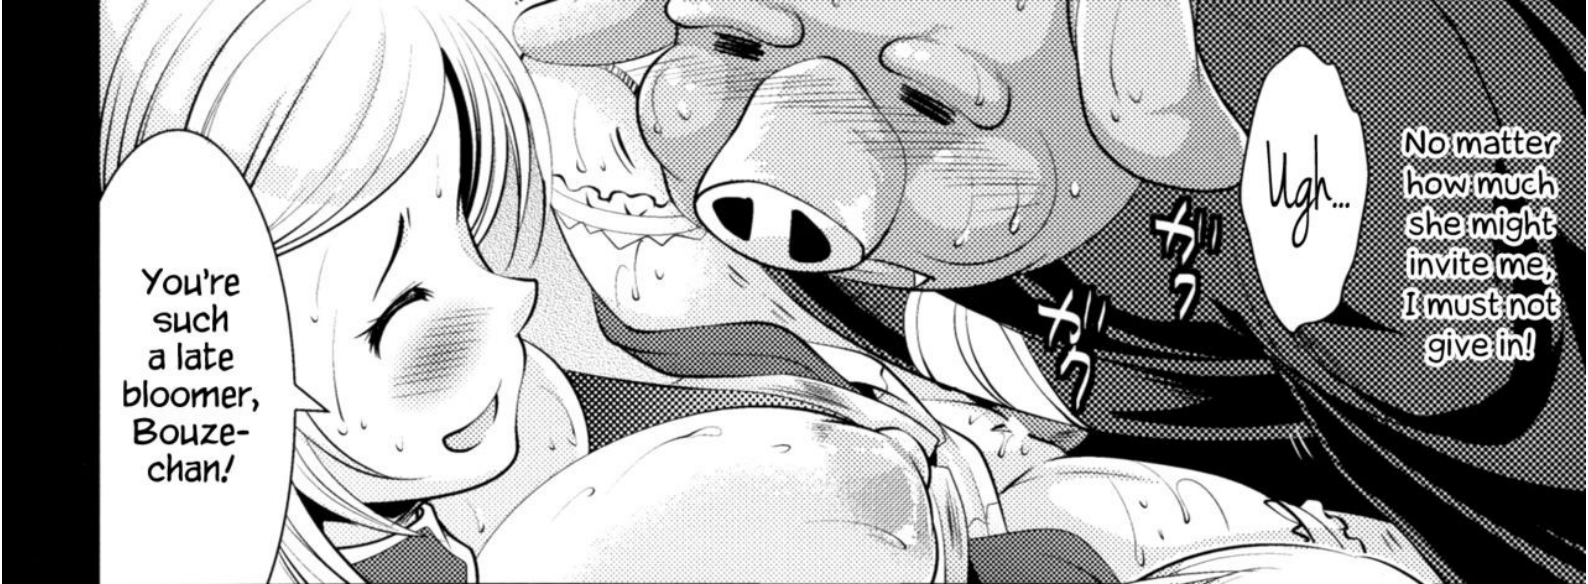

Letina-sama... Don't tell me it's your first...!?

Ah... it hurts...

to ravish me more,

The lady knights in the book were all in pain... so it's alright...

please?
♥

You're
such
a late
bloomer,
Bouze-
chan!

Ugh...

No matter
how much
she might
invite me,
I must not
give in!

in my
virgin

creampie
me!

Just where
did you
learn those
words...?

Still, I
must not
finish
inside
her...

They
were
written
in the
book.

WHO
OOH!?

Ugh!!

How
can you
still be
hesita-
ting!?

Letina-
sama...
stop...

In
that
case,
I'll
ravish
you!

Ngh... It
hurts...

See?
If you
can't do
it then
let's
stop...

No!

I'm
a lady
knight
that's
being
raped
by an
orc!

Until
Bouze-

cream-

me...

she didn't stop raping me.

Even after the effects of the seduction magic wore off,

Bouze-chan!

Let's clean up a bit.

Aaah! Sto-Aah!

But why nooooot!

It's a dangerous day for me today,

so you'll do even more to me tonight, won't you?

END

...Again?

How about we follow this book tonight?

She figured me out!

Ah! I got it!

Come on, I know you liked it!

Ugh!

Letina-sama is too easily influenced by books...

You finally came!

Bouze-chan!

I'm the orc servant of the lady knight Letina-sama.

I'm Bouze.

Today's sex is this!!

Now, the sex that men desire the most: Namely, infantilism. While sleeping on the lap of the girl that's spoiling you, you can suck her boobs or get a handjob.

Let's try infantilism today!

No way.

Call me whatever you like.

I'm going back to work.

Geez!

You're so straight-laced, Bouze-chan!

Then, since you just made me lose my patience...

I'll rape
you
myself!
