It's summer,
Year 12,
Light.

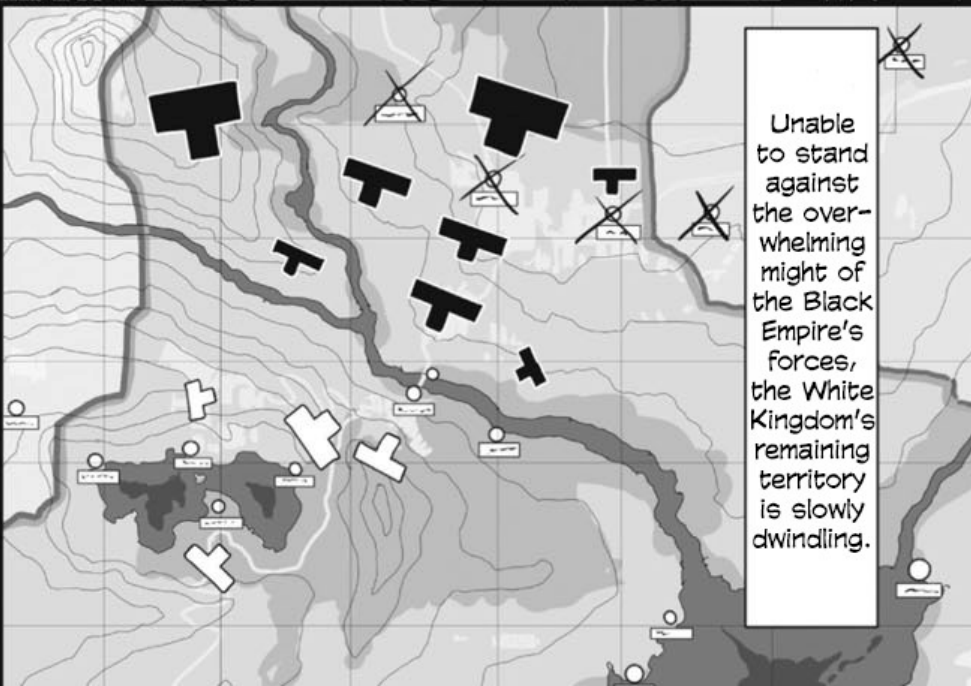

Leader of the enemy army
Is the Black Queen Fuyu.

The White Kingdom is being invaded by the neighboring Black Empire.

And the Kingdom's two strongest warriors make their advance.

But now the counter-attack begins. By order of the White Queen, a smoke signal is sent up.

Unable to stand against the overwhelming might of the Black Empire's forces, the White Kingdom's remaining territory is slowly dwindling.

The strongest swordsman in the Kingdom,

The Queen's sword, Haruka.

And the Kingdom's strongest sorcerer,

The Queen's shield, Akira.

May you have good fortune in battle.

And the White Queen, Nasirina.

白の王国直属遊撃隊クイーンズランス

UNDER DIRECT COMMAND OF THE WHITE KINGDOM'S ROYAL FAMILY, THE SPECIAL COMBAT UNIT "QUEEN'S LANCE"

18
Days
Later

In the
Konoha Village,
lying at the edge
of the White
Kingdom's
borders...

They
-re
here!

The
Empire
soldiers
are
here!!

No good!
They all
seemed to be
in a trance!
I saw blood
pouring out
of their
noses!

And
the garri-
son
?!

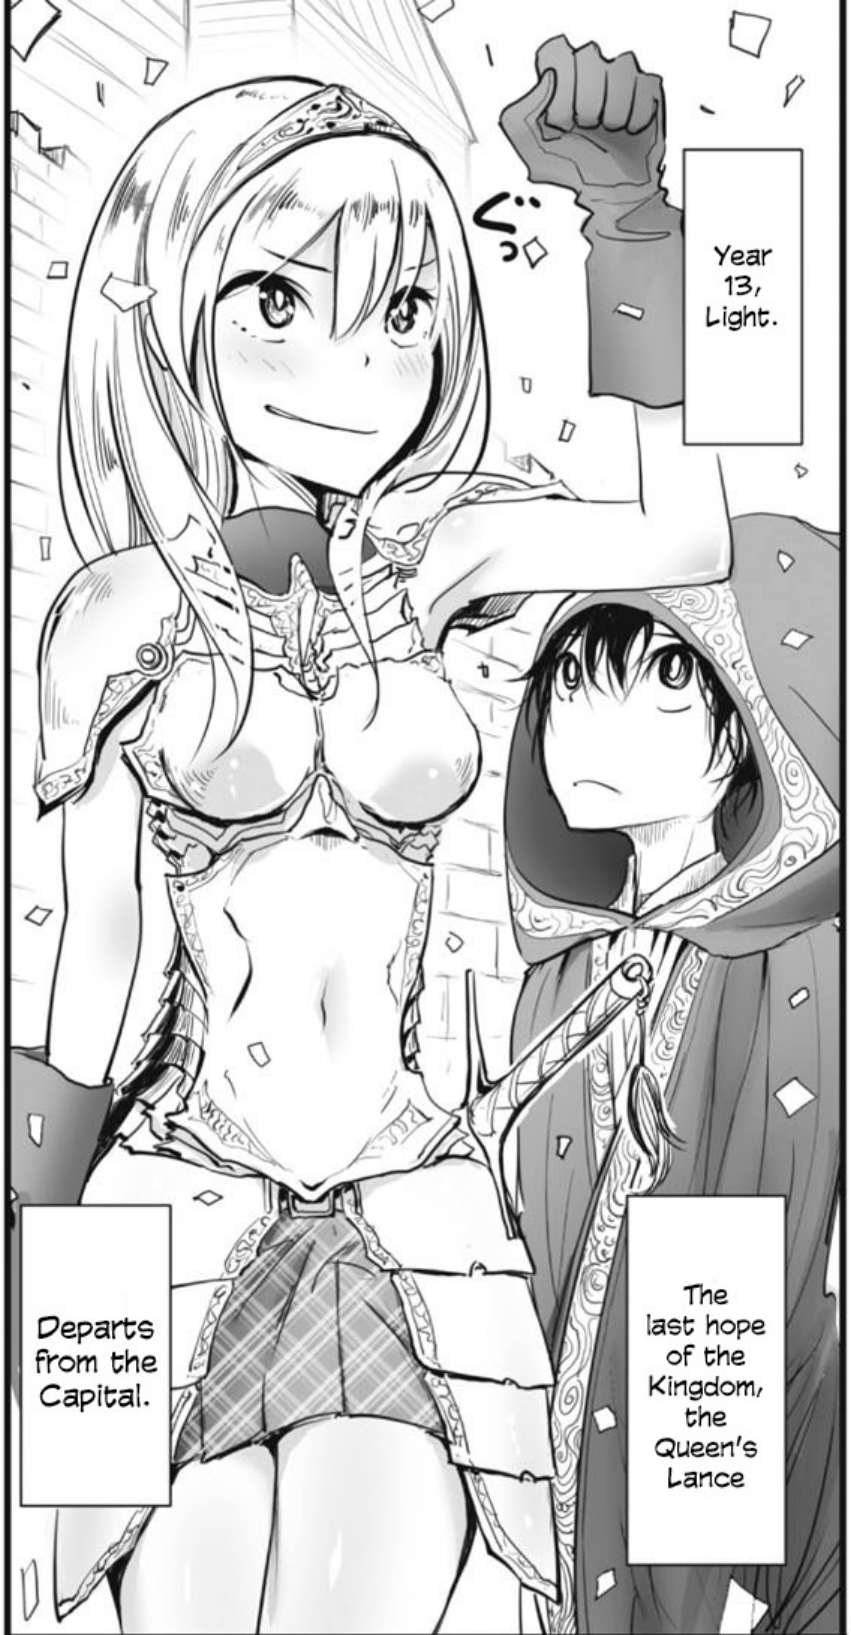

W-
wait...
Those
soldiers
...

Run!!

Aren't
those
two...

Year
13,
Light.

Departs
from the
Capital.

The
last hope
of the
Kingdom,
the
Queen's
Lance

Also...

Hello, everyone!
It's been a while!

Sorry to say this...

But you see, not too long ago, the two of us...

The Queen's Lance?

And so today

どよ...
どよ...

And surrendered ourselves to the Black Queen Fuyu.

Were defeated by the Empire

The show

involves the former sorcerer of the White Kingdom,

どよ...
どよ...
どよ...
どよ...

Akira of the Queen's Lance

I am here to impart upon all of you the greatness of the Black Empire.

I'll also be performing a show for all of you in hopes of encouraging you to join the Empire's forces.

!?

?

I'll show
you all
how semen
comes
spouting
out of his
dick.

Being
raped.
By me.

They started... r-regula... regulating... when and how... how I came... ♡

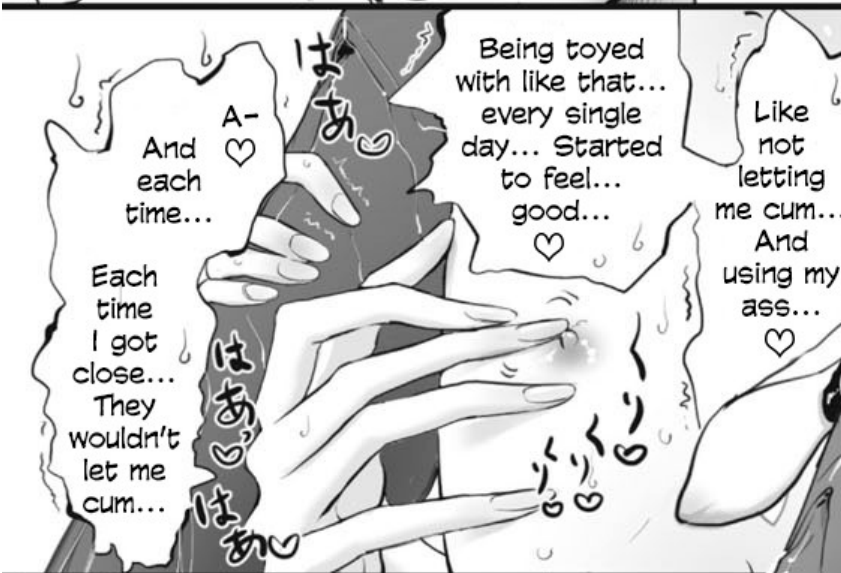

And then... After that... ♡

A-

I'm so... so sorry... We lost and... Then we were captured... ♡

Heey~ Why don't you explain to everyone what our little show's about? ♡

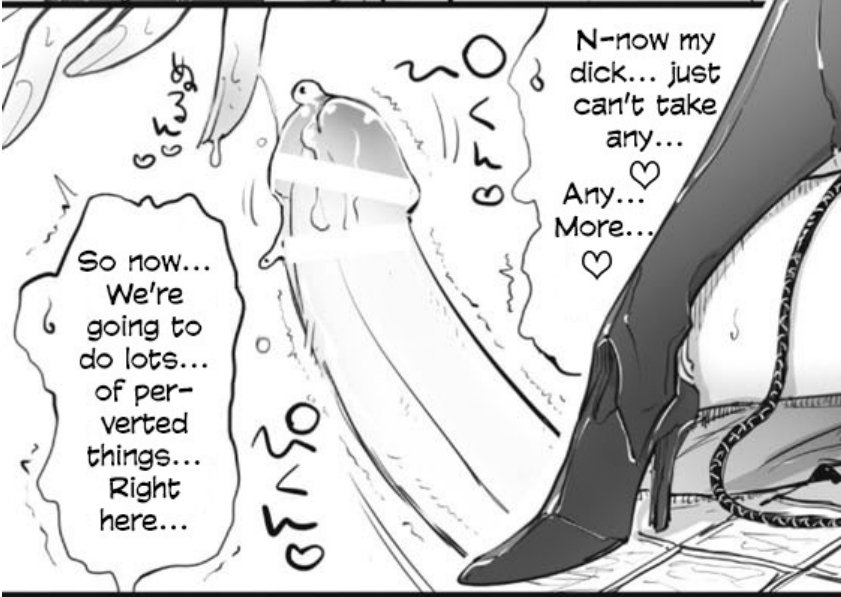

And each time... ♡

Each time I got close... They wouldn't let me cum... ♡

A-

Being toyed with like that... every single day... Started to feel... good... ♡

Like not letting me cum... And using my ass... ♡

So now... We're going to do lots... of perverted things... Right here... ♡

N-now my dick... just can't take any... ♡

Any... More... ♡

Pleash... Wash... Ha... Ah... ♡

Ah Ah Ah Ah ♡

M-my precious, wonderful partner... H-Haru is... Going to grant my wish... And m-make me cum... By teasing my most... Most sensitive spots... ♡

Haa Haa Haa Haa ♡

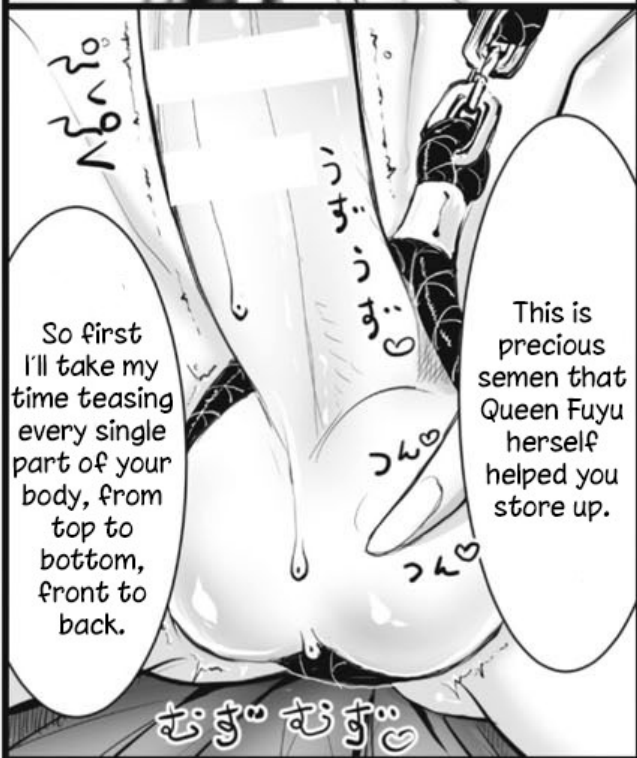

But...

Touch my dick... Please... Touch... Touch my dick...!

My dick...! My dick is...!

So first I'll take my time teasing every single part of your body, from top to bottom, front to back.

This is precious semen that Queen Fuyu herself helped you store up.

You want me to touch it?

Hmm? What about your dick?

You want them to watch as cum starts dribbling from the tip?

You want everyone to watch you get drunk off the pleasure as I mess with your dick?

I'll finally let you spurt out Every. Last. Drop.

Then, in front of every-one...

As you're drowning in a sea of overwhelming pleasure ...

I hope you're ready for this. ♡

Ooh, that's it... Such a good boy. Just try to be patient a wittle bit longer okaay?

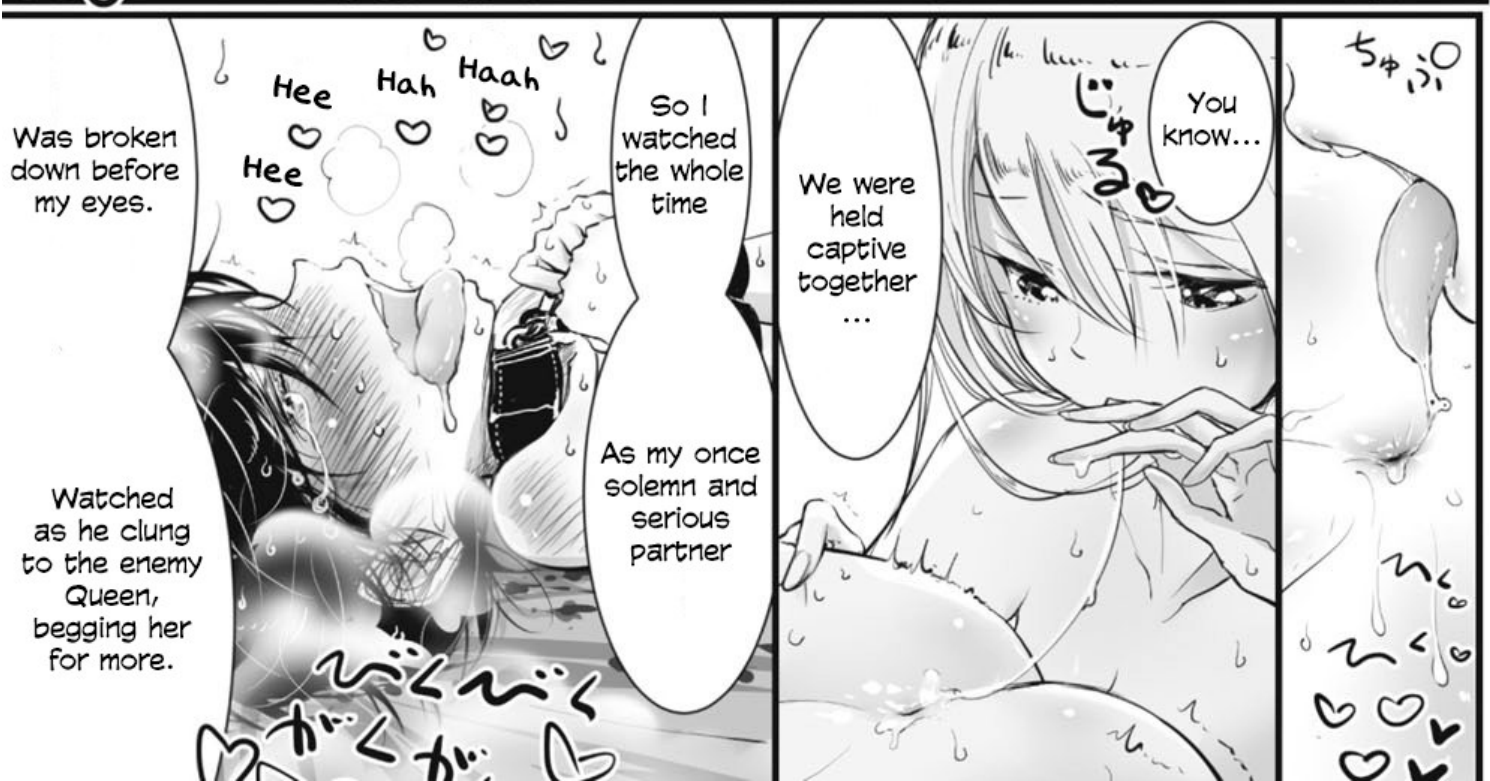

You kept protesting at first, but eventually you started to enjoy it.

After we were captured,

The Empire started restricting your orgasms

And Queen Fuyu herself even gave your asshole specialized care.

And then finally... I watched first-hand... As you cried out in that sexy voice and happily stuck your ass out, trembling in anticipation.

Was broken down before my eyes.

Watched as he clung to the enemy Queen, begging her for more.

So I watched the whole time

As my once solemn and serious partner

We were held captive together ...

You know...

So wet the whole time.

I was

I couldn't help it...

The two of you were right in front of me...

And my loins were aching...

My heart was pound-ing ...

んんん

んんん

んんん

んんん

んんん

んんん

んんん

By the end

All it took was the sound of her foot-steps

To get you weak at the knees.

Hee Hee

You looked so cute, crying as you pleaded for release...

But Queen Fuyu wouldn't even let you cum once.

She just left you bound and naked

And ever so gently teased your ass and nipples.

Then occasionally she'd lightly brush a hand over your dick, just like this...

Be willing to take you as her own personal pet since you're so good.

Hee hee hee~ ♡

Queen Fuyu might even

You've gotten good with your mouth.

Ah... ♡
Aki...

This technique. ♡

Queen Fuyu taught me...

You don't mind, right...?

There's actually...

Something else I'd like you to use your mouth on...

Quite amazing, isn't it?

I suppose you already know what I'm...

Ha Ha Ha

Here... How's this?

♡♡♡♡♡

Going to do with it, right...?

I'm going to give you exactly what you want and grind my dick against your prostate.

You better wet it down good with your tongue...

Yees... Very nice...

Because in just a moment

Let's lose ourselves in ecstasy... Together...

And while I pound into your ass, right where you like it the most,

First I'm going to unbind your dick

So make sure you cry out in that sweet, erotic voice and let the people watching know

I'm going to bring you to the peak of pleasure by stroking you, **hard**.

Exactly how good this feels and how much you love it.

Hehe, that's right. Your dick's so desperate for release that your juices are overflowing.

Ahh... You're sopping wet and dribbling semen everywhere.

You've covered yourself in cum from tip to root, praying that I'll give in and stroke you.

Alright, I'll do it. It's about time anyways... For you to cum in front of everyone, and show them how good it feels to hit that release.

That's right, good boy.

So the first stage of my takeover is complete.

Aha...
The source appears to be those two soldiers you sent.

And right now we're seeing a strange burst of activity? In the village.

Those from the village and its surrounding area have agreed to join us.

The Black Castle

My Queen ...

Hee hee ♡

Leading the charge.

We'll have those two...

And of course

Then let's put the rest of my plan into play... Using pleasure instead of brute force...

Just as sakura petals fall gently from their trees,

We'll conquer this country without spilling a single drop of blood.

End
