"The elven ruler's heart has the power to make humans immortal."
Believing in such a nonsensical rumor, the humans invaded the elves' country, utterly destroying it.

However, the many years have dulled my emotions from that time, and my resolve has weakened.

Some sort of potion

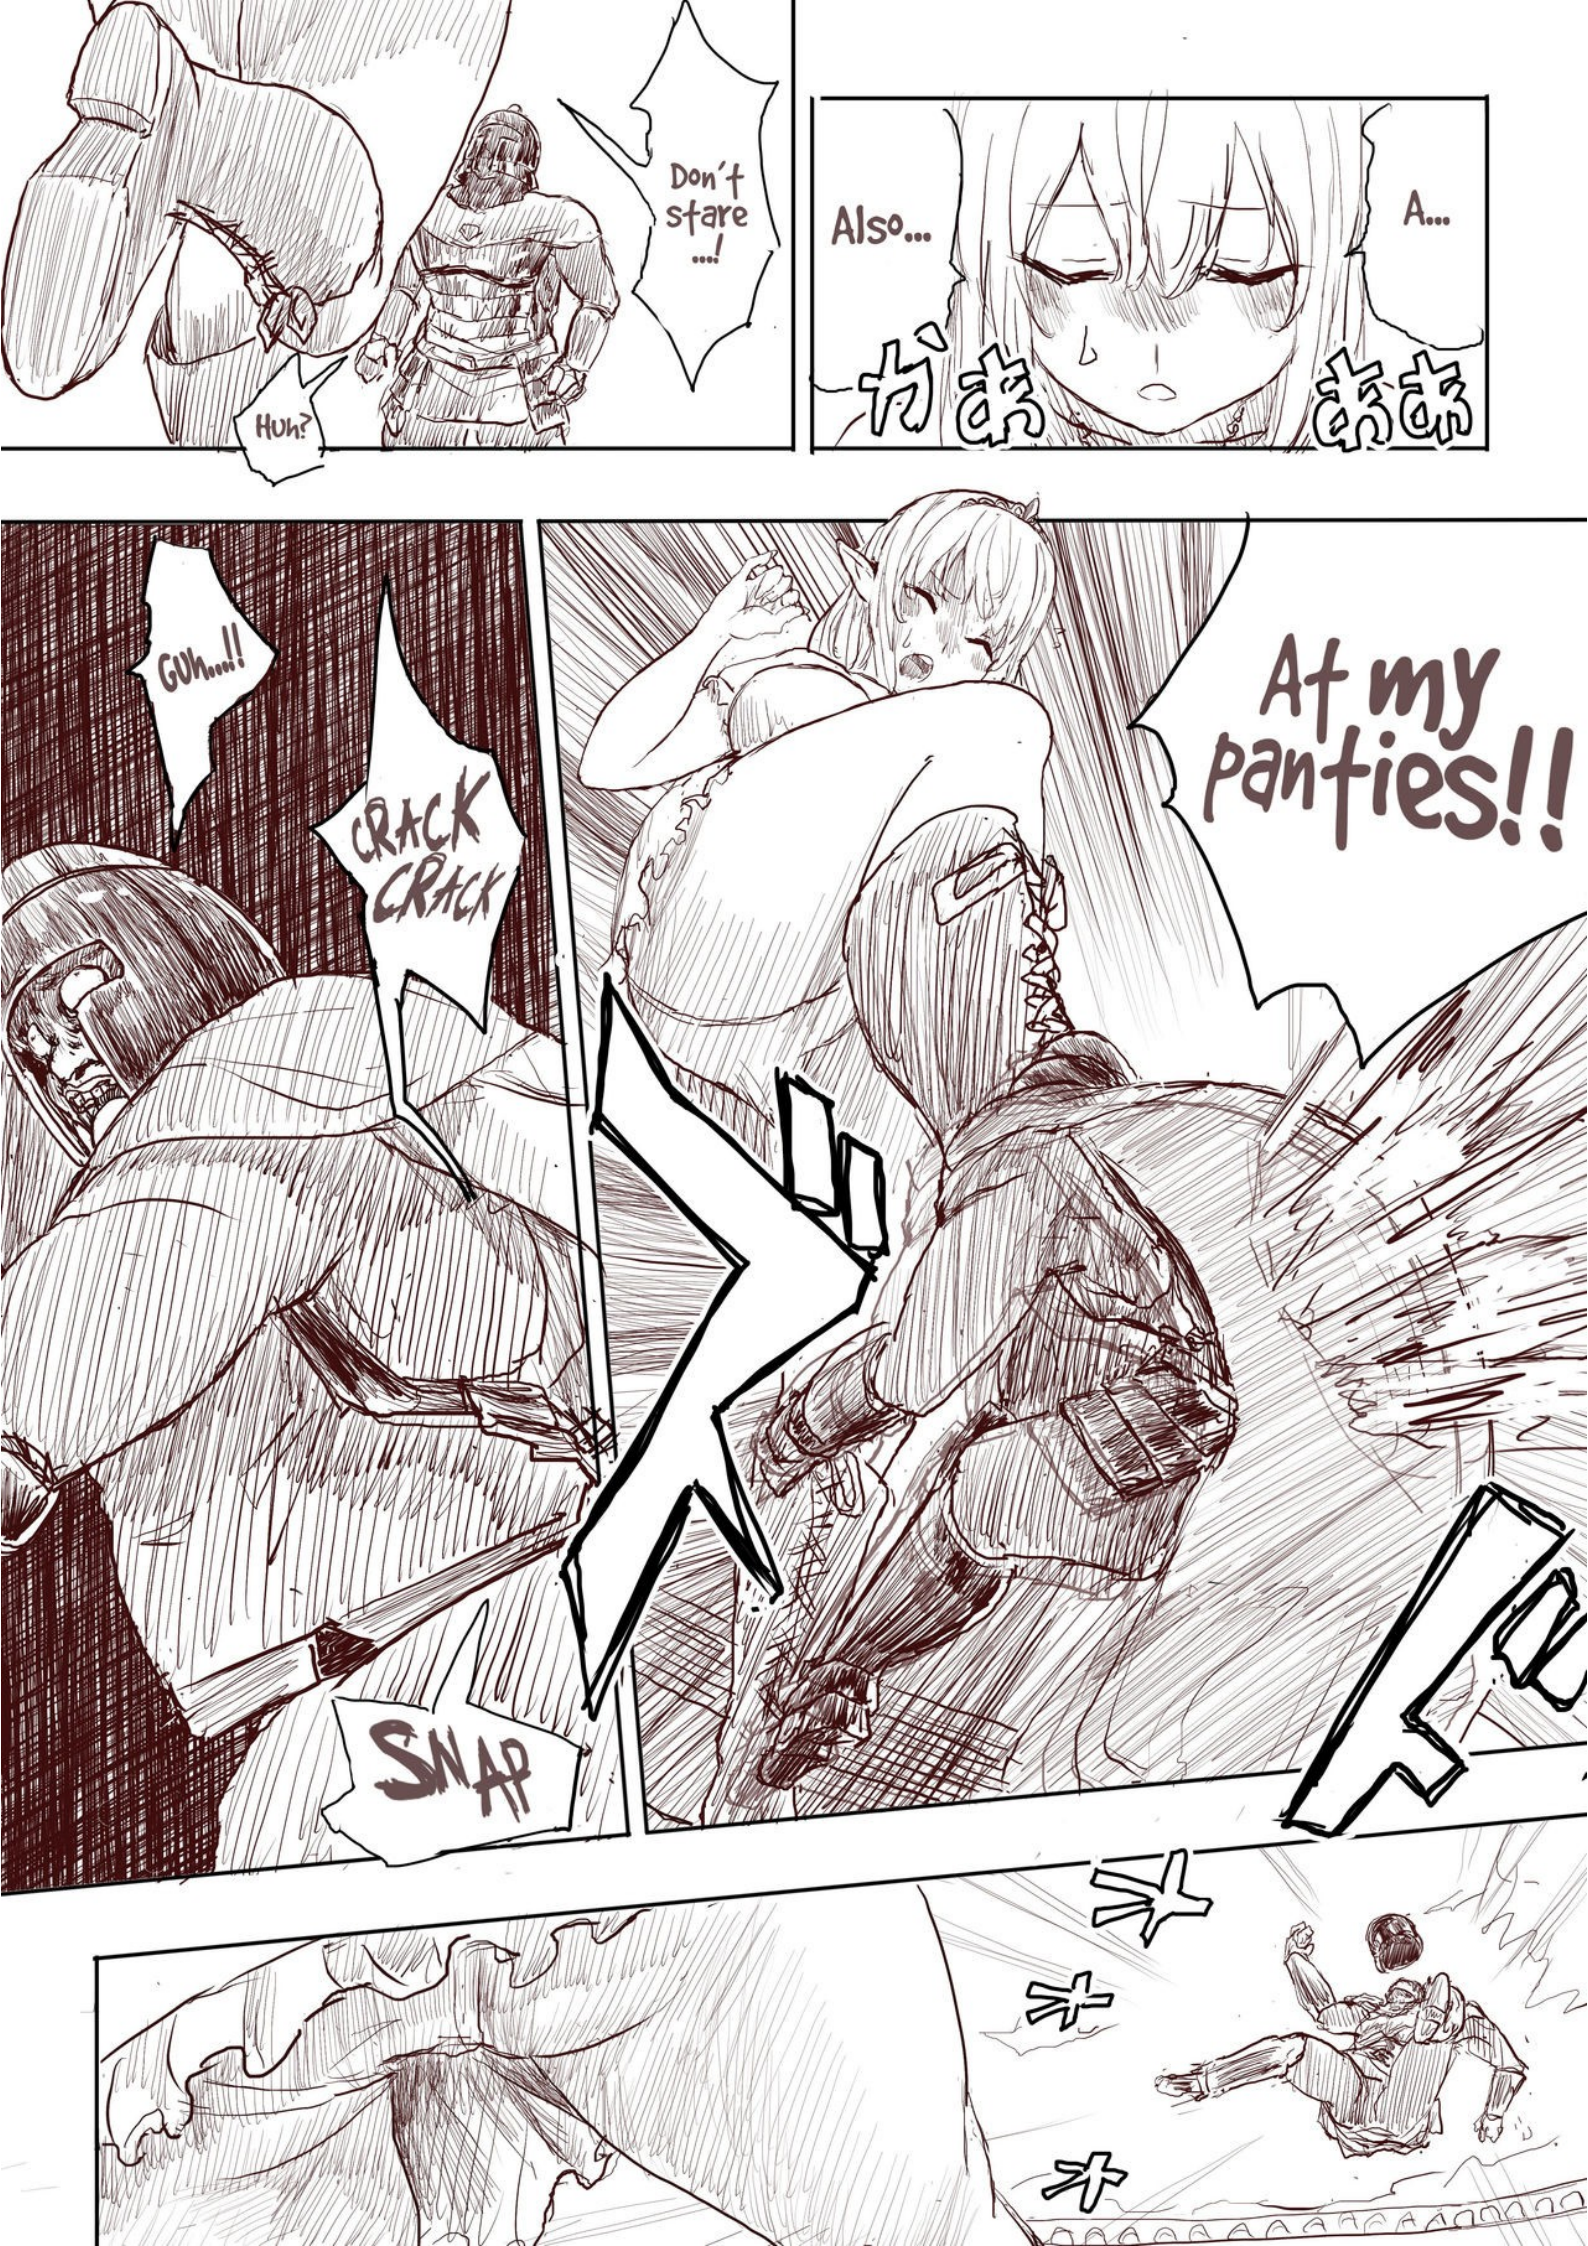

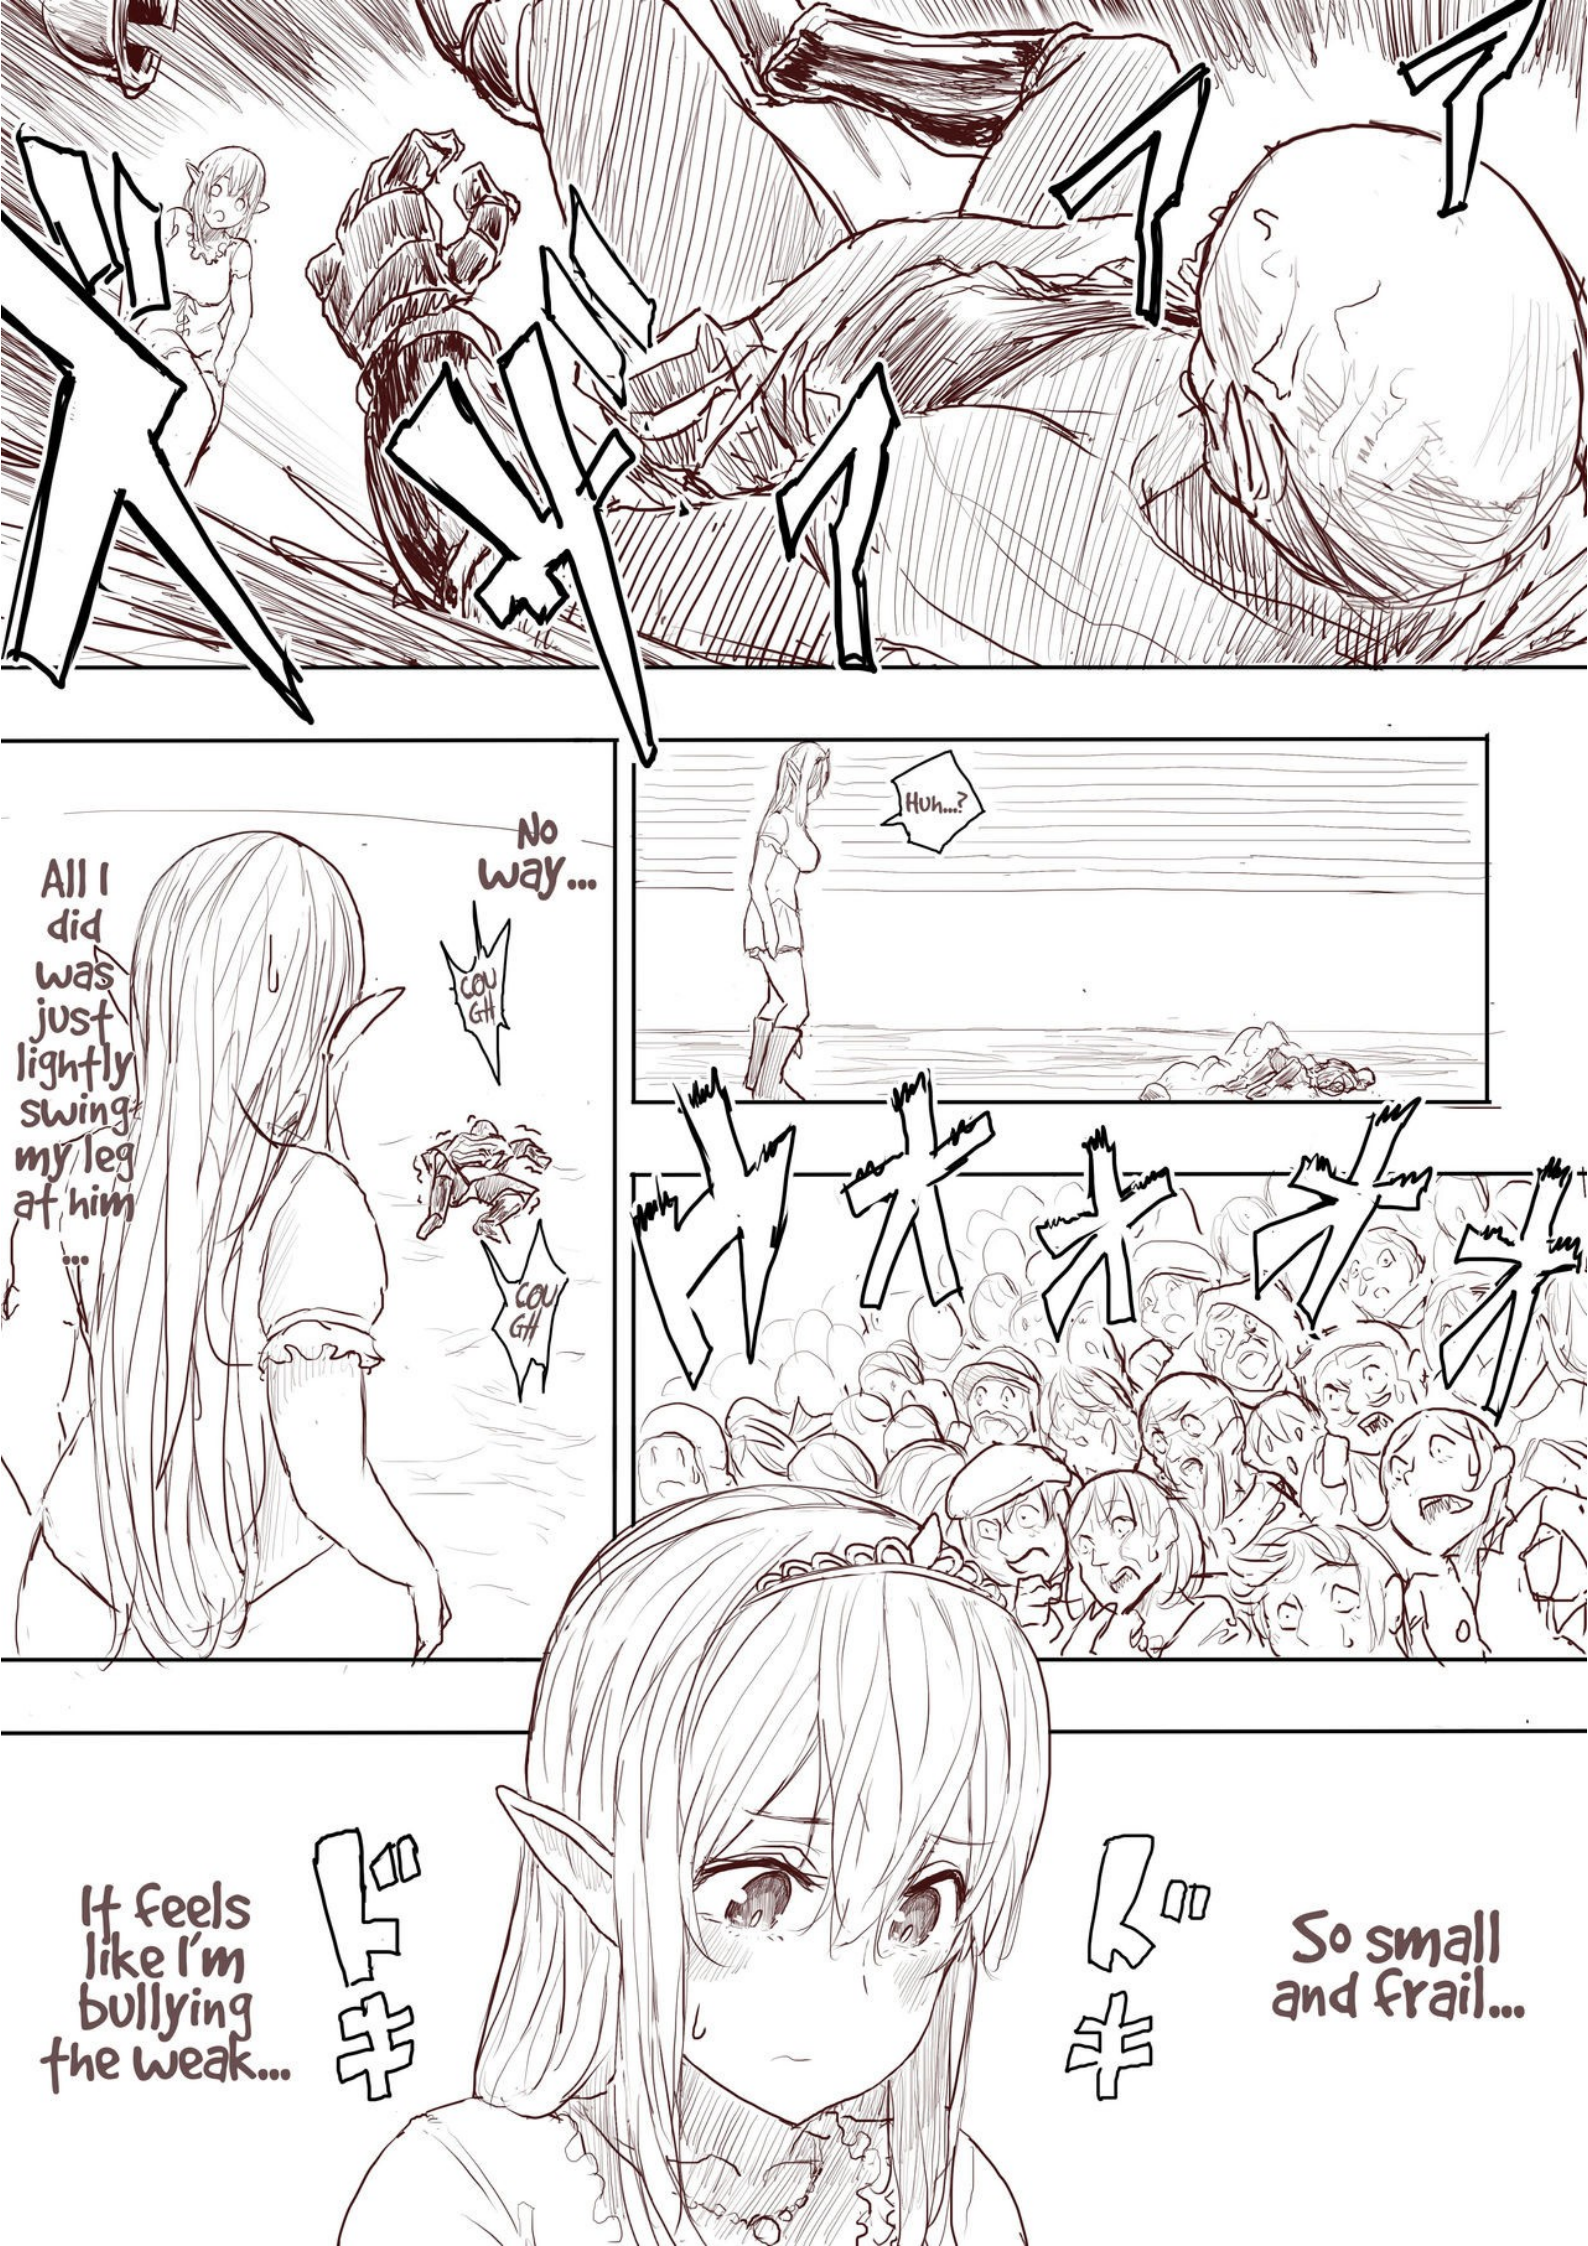

- Her body becomes stronger when she drinks it, and grows in size when her emotions explode.
- Loses her senses in occasional fits as a side effect.
- Side effects become stronger as she grows bigger.
- When her senses are lost, her pupils become wider.

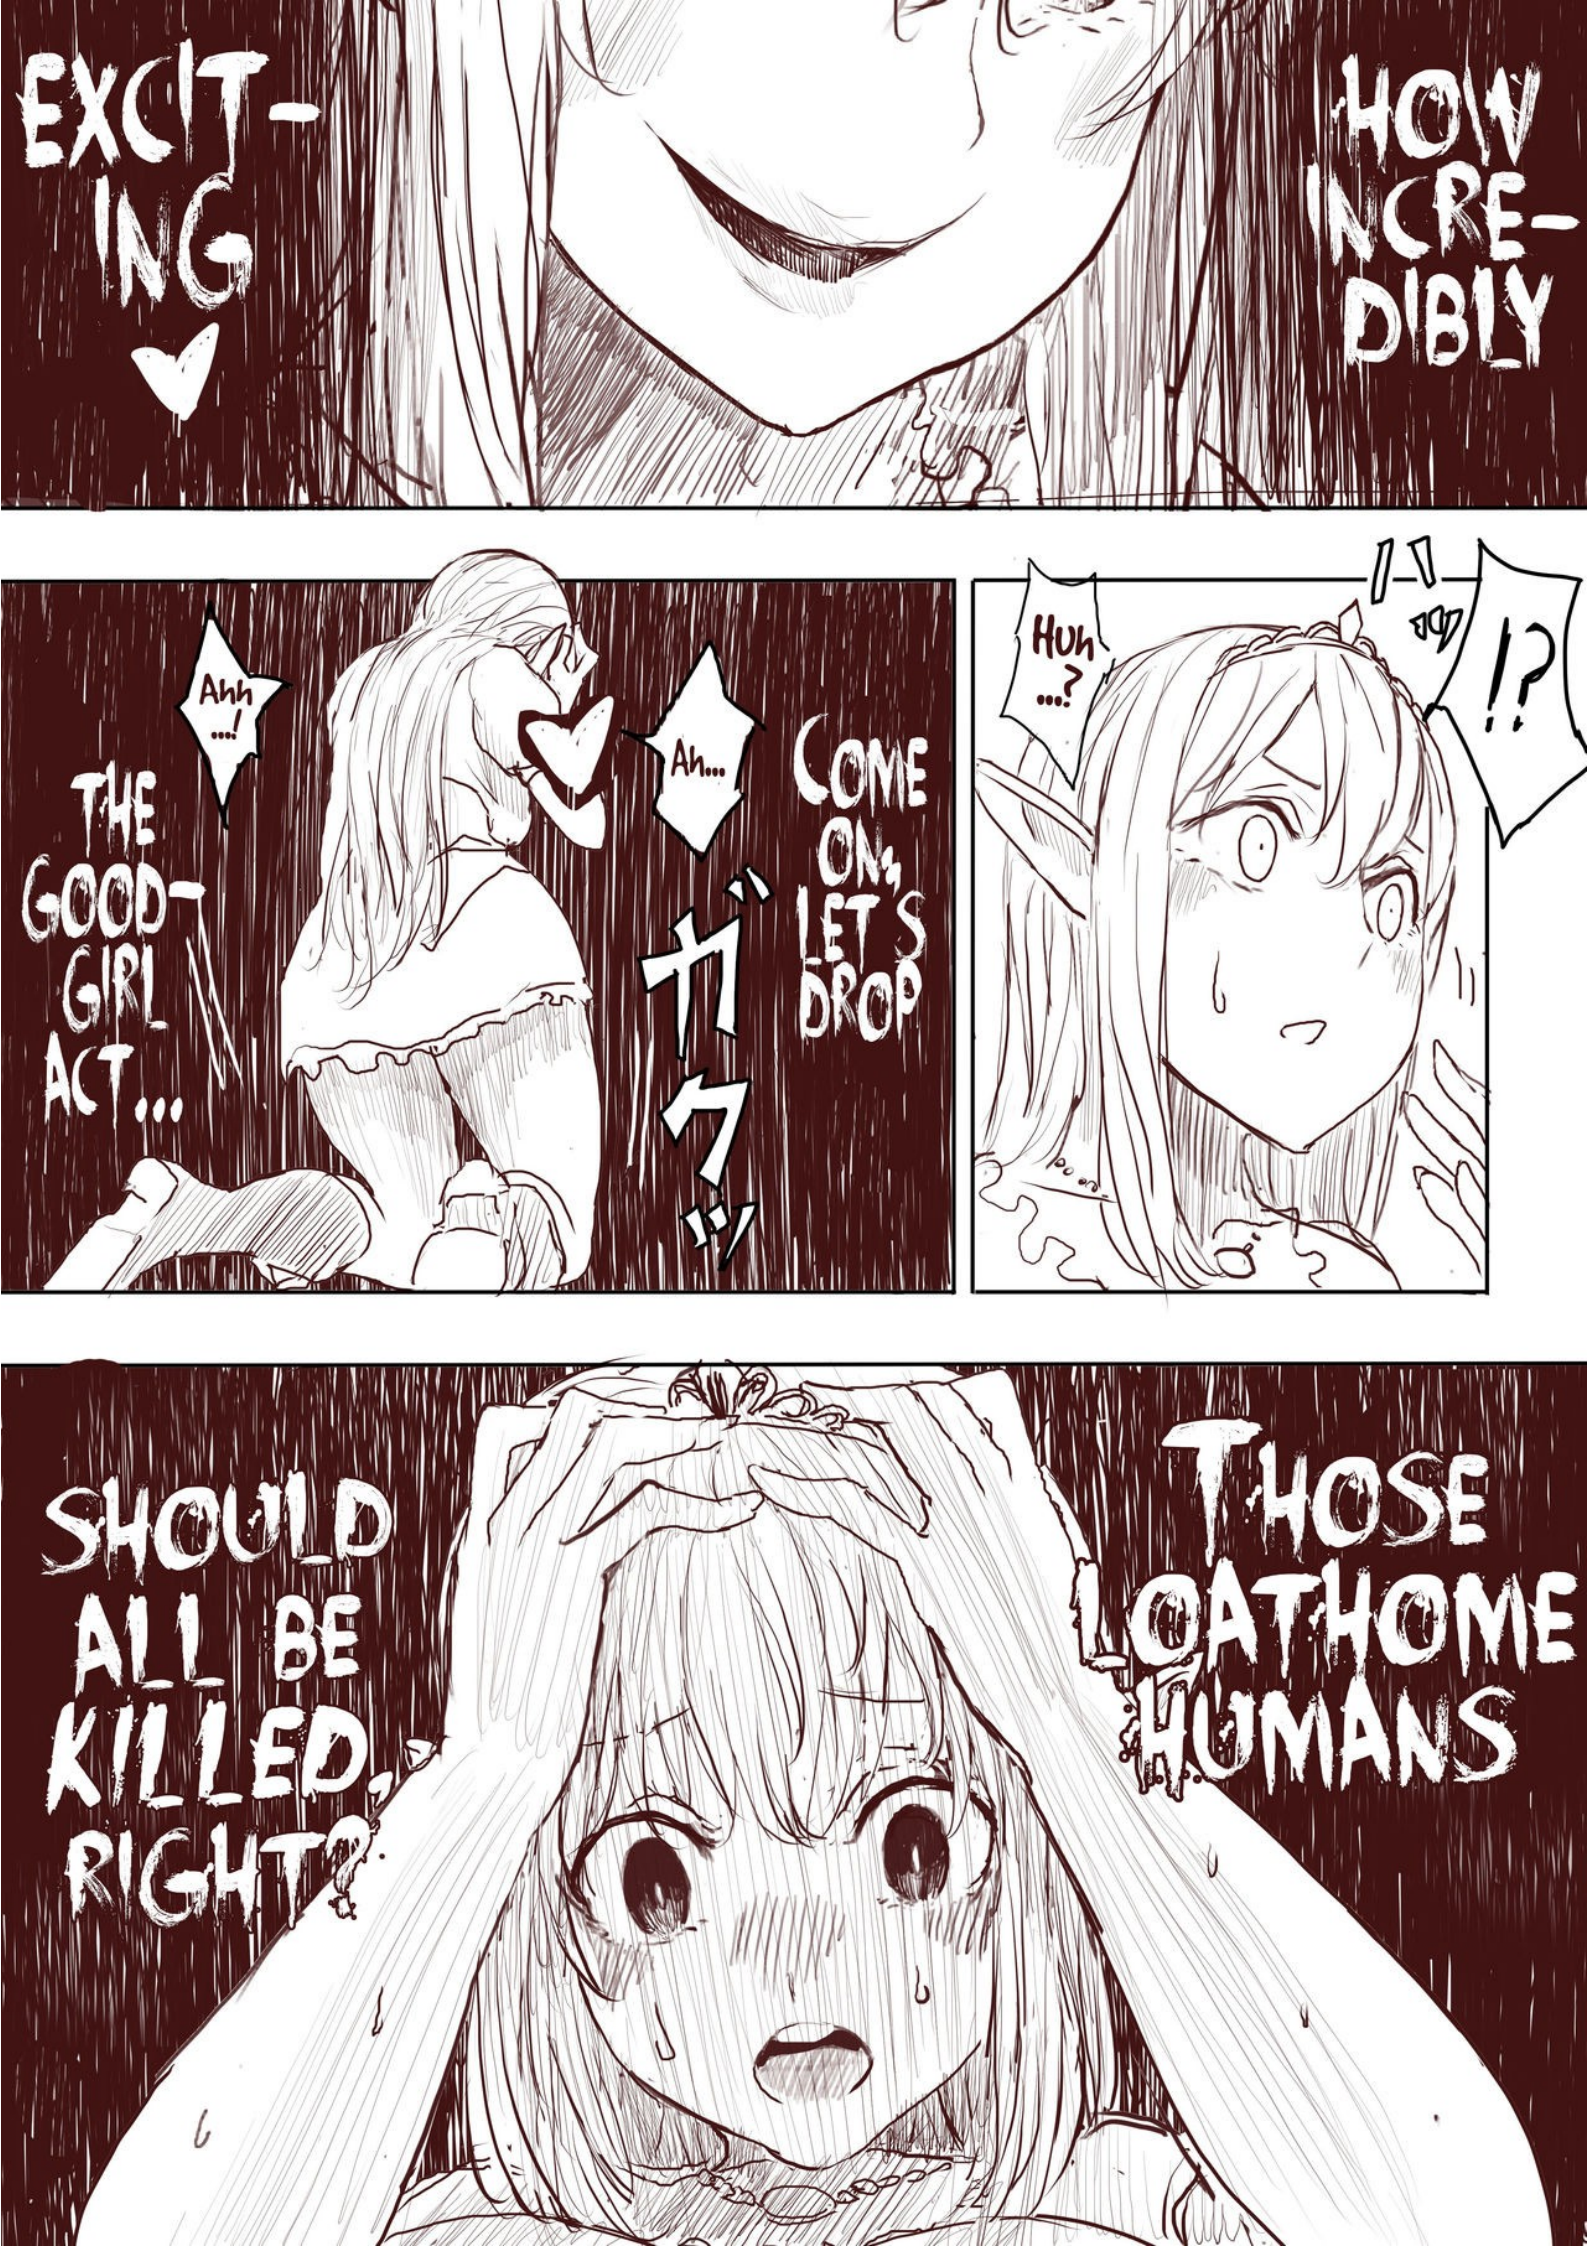

You should hurry up and surrender,

Isn't it a tad too late to be resisting?
I simply can't kill innocent humans...!
N... NO!!

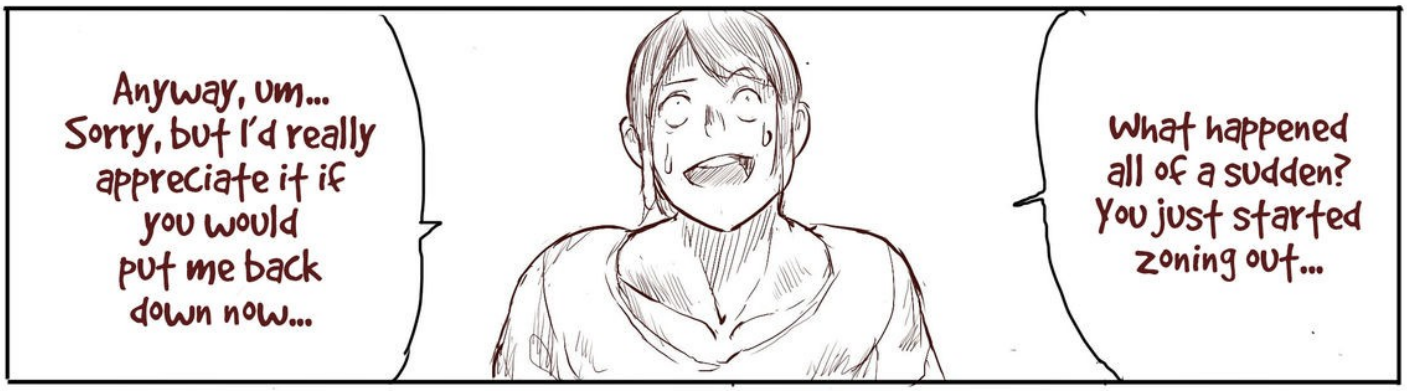

These humans slaughtered the innocent elven race.
The whole reason we have obtained this power...
Is to exact revenge on them for that...
Mm...
So, whether sinful or not...
All humans must be killed!!
Isn't that right?
The reason we came to this colosseum to begin with...
Is so we could get a whole bunch of them at once...!
No! I just...
Thought I could force them into submission with as little casualties as possible by showing them my power...
Let's cut
these silly excuses.

You want to mercilessly massacre them as they're begging for their lives...
You want to show off your massive power and make the humans yield...
