# 淫魔の放!

〜休日、休む時間が無いのです〜

Today, strangely enough, both of the Sakuba sisters were taking a break.

And it wasn't as if I hated the situation at all, but...

Well, there was another one as well, but every day was a day off for her so it was the same.

Eheheh! A six-somes? I can't fit it's much inside me!

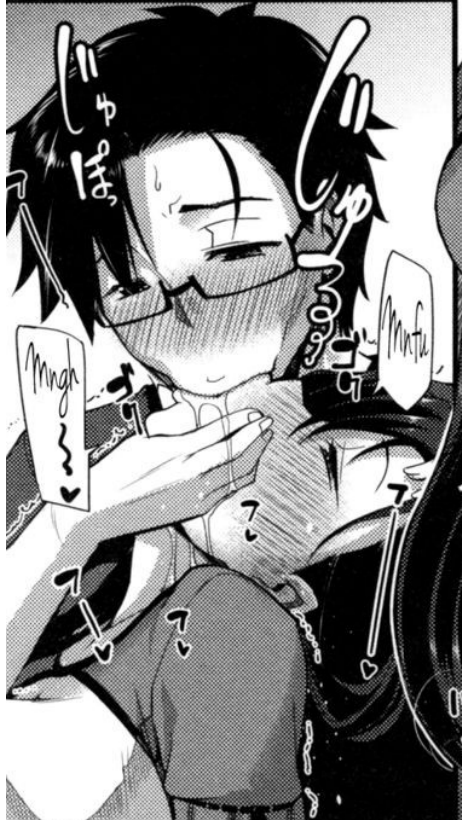

A day off.

Or so they said. "We will suck you off day-off style today, okay!?" Maybe it was because both of them were always kinda working.
