
淫魔のミカタ!
~射精は続くよ何処までも!~

Hey, wait a minute...
This is odd...

My morning wood is untouched...

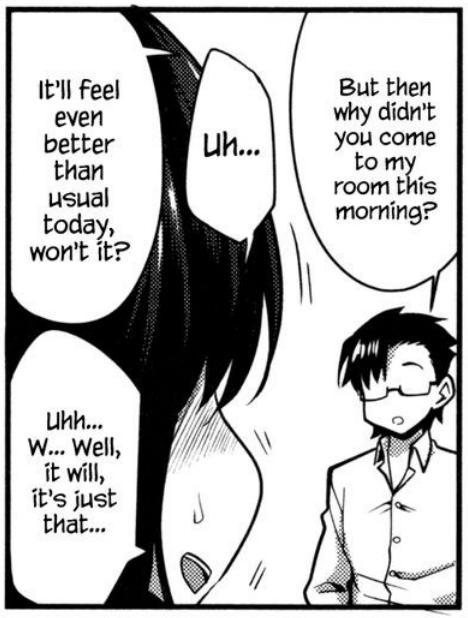

They usually get god knows how many shots out of it every time I wake up.
This hasn't happened before...

...! Could it be... I'm getting the boot!?
It's not that, that would be a huge waste.
Did I run out of semen? Or is this the end of the road!?

Shitone?
Good morning~
?
Wanna know why they didn't come? I'll tell you the reason.

Very good mor-ning!!
Pwah!
I heard all about it from Shitone.
Fuhuhuhu
A day that happens just once in decades... The "Demon body day"...
In which your succubus powers disappear...

It's the only day your bodies become as weak as an ordinary slut's!
Amazing!
Hey, Mom! Why did you tell him!?
So crude.
Eeeh? Because it's the truth.

But then why didn't you come to my room this morning?
Uh...
It'll feel even better than usual today, won't it?
Uhh... W... Well, it will, it's just that...

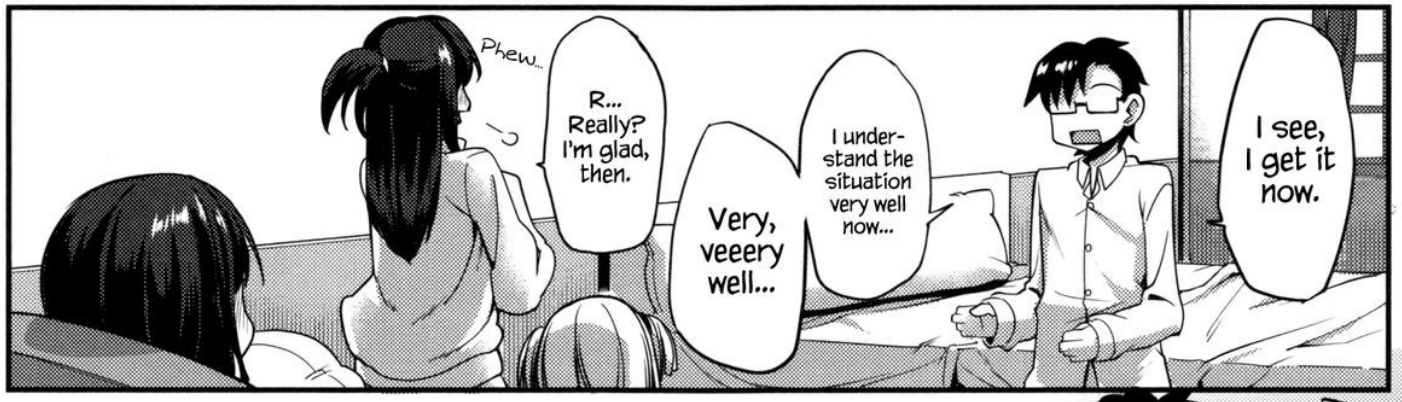

"The magic of your body goes away to cleanse it and renew the kiln of the succubus power,"
あは♡
sounds a little compli-cated...
"Because of that, you can't go against the pheromones and become a slave of the dick,"
is easier to under-stand, don't you think?
Y... Yeah, but...
Right!?

I... It's not just now!
Geez!
Now you're worried about that?
Eh... Umm...
No way... right?

They don't want you to see them moaning and panting for real, Masato.
M... Mooo om...

They're being shy.
Huh?

Controlling pleasure is what a succubus is supposed to do, right?
Getting washed away by it and letting it show on your face like mom always does is embarrassing!
Hey, Ayano... Would you mind not dissing mommy like it's nothing?
I'm even more sensitive than you guys today, you know?

I see, I get it now.
I understand the situation very well now...
Very, veeery well...
R... Really? I'm glad, then.
Phew...

Let's do this!
ぶるんっ
Eeeh!?
Wait... Masato!? You said you got it just now!
Of course I do!

You said a lot of stuff, but you didn't say anything about not wanting to do it!
Not even once!
たじ たじ
Y... Yeah, but that's not a very succub-ey thing to say. What would the others think...?
Never mind that, let's just do it! Aren't we doing it every day?
Wai... Masato...
...
You've gotten pretty used to this kind of thing, haven't you?
It's not like you hate my dick today, right?
W... Well, no, but...
And we're home as well, so let's give it a go with everything we got.
Aren't you familiar with my cock already?
After hearing that I can't really hold myself back either.
you decide you want to avoid me and go outside,
Ah... Haa...
Haa... Haa...
Even if...
it will be a real problem if you go and snuggle up to a total stranger's crotch with that look on your faces.

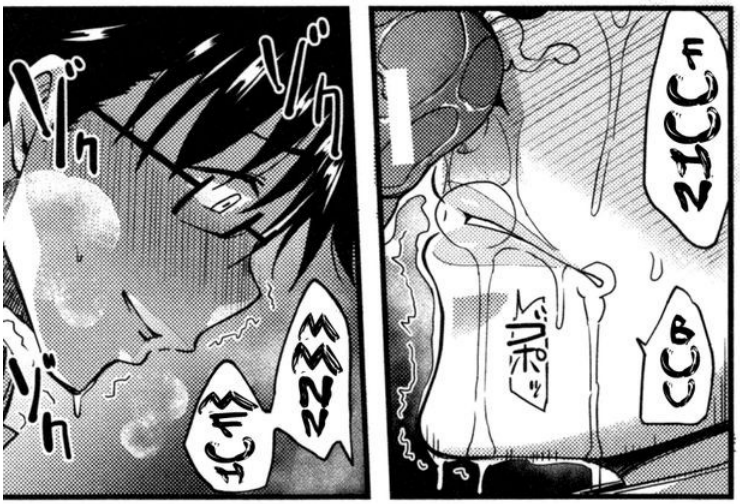

W... Wait, Masato.
I said no... We can't do this... ♥
What can't we do?
Does it stink?
The smell... I can't take it anymore... ♥
M... Mnn ♥ It smells so manly. ♥
The smell alone is making my head spin...

But I really wanna see that...
N... Noo... ♥ Don't push it in.... Nooo... ♥
もにゅ
おいに

Ain't that great? Why don't you go ahead and give it a nice taste?
Haah
I'm telling you... we can't, Masato... If I put it in my mouth...
Haah
I don't know what'll happen to me...
ズッ

Now... I'll put it inside if you open your mouth, Ayano-san...

I'll do it even if you say no.
Now that you're like this I want to stuff my cock in your mouth even more.

HAA~♥

ゴクッ

You're so embarrassed you're hiding your face...
but you're still gobbling down my cock...
It's just like your mom said.
You're a slave to my cock, right?
That's okay.
Taste it as much as you want, please.

Oh... Haah... Aah... Ah...
A... amazing...

What is this, Ayano-san...?
HAA HAA
HAA HAA HAA
The heat inside your mouth and this amount of drool are just not normal...

FUH FUH

This is... a mouth perfectly made for sucking on cocks!
This is nothing to be ashamed of.
It's gonna go to waste unless it's drinking loads of cum.
Come on now, show me that pretty blowjob face
so I can cum a whole lot for you.

This feeling of conquest...
...I'll pump out a nice load for you now, okay?
Yes, that's good...! The face you make when you're drowning in pleasure is just great...
I'm gonna cum, Ayano-san!
Yes... cumming!
I'm cumming!
OOH

C... come on, Ayano-san, bottoms up.
It's still coming out...
I can't stop...
Ama-zing.... Ouh...
It's gonna... spill out.
Phew... Fuuuh...
Aah...
It... finally stop-ped...

ぬぽぉぉ

That sweet and slow breathing... This hole looks like it wants to suck my soul away...
It feels like it might gulp my dick down if I'm not careful...

Oo oh...
...This is bad...

...
...But now...
Yours is looking very good as well, Tomoe-san.
You got like this just from watching us, right, Tomoe-san?
Ah... Yes...
Masato... Masatooo...
Your moans are so cute.
Yes... You're so wet already... And your tongue is twitching so much...
It looks heavenly...

Today, I found out you can cum just from your mouth-pussy.
Your tongue is more like your clitoris, huh?
This is amazing... Nothing like Ayano-san's sensitivity.
Every single little thing I do
becomes pleasure for the both of us.
This feels miles better than usual...

Completely good...
I'll make her feel really good.
The succubus who is usually strong and mighty is cumming just from her tongue right now, huh?
Yessh... ♥ it feelsh ghood... ♥
Sho good...
Ma-shato... ♥

I wonder what would happen if I put this inside instead. How about it, Tomoe-san...?
I don't... know... Let's try it out.♥
Of course I will.
Alright then...
Here it comes...♪
It's only halfway in, are you doing okay down there?
Yes... Your face looks amazing, Tomoe-san... It feels great, doesn't it?

There you go... all in.
I see...
You're leaking out of excitement, aren't you?

Does it feel good enough to pee yourself?
Then how about we look for your pussy's pee switch over here?

Now... where is that pee switch hiding?
How about... here?
Or maybe around here...?
Deep inside...
How about around... here... Hah...
Ha haah...
Every inch of your throat-pussy feels good, doesn't it?
You're feeling good just like usual, aren't you, Tomoe-san?
If that's the case,
how about I rub off the places that feel the best?

You're feeling good too, right?
Yes... This is it. Rubbing it here feels the best.
The insides of your mouth are so wet that my dick can reach as deep as I want.
I'll cum buckets inside your mouth-pussy! Aren't you happy about it!?
How about you help me cum even more, pretty please?

Suck... Just think of my cock like a straw and suck away.
Suck all the semen out of my balls...
Do your best, Tomoe-san!
Yes, that's good... Just like that.
It's coming... Tomoe-san... I'm cumming.
even if it kills you...
I'm gonna pump my cum medicine right inside your sensitive throat-pussy...
Be careful not to spill a single drop...

Drink it all up!
A little deeper...
Fuh... Kuh... Ngh... It's still not... Ooh... Haah...

Tomoe-san... Since it came out while I was still hard, I couldn't pee so well...

If you could put some strength into it, that would be great...
Try to suck it all out.
YES!
Uh...
Uh...!
Fuuh... Uuuh...!!

Haah... Hah... Aaah
That's no good, Tomoe-san, you'll make me cum all over again.
You have to wait for me to give you permis-sion, okay?
You got your turn for now, so...
I'm feeling pretty sorry for Shitone already.
HAA... HAA... AAAH

I'm so sorry, Shitone.
You're the oldest one here, so I thought it would be fine because you're used to it, but...
W... Why you little...
A weakling like me that got even weaker isn't anyone's elder...
...Indeed.
Give me your cock, Masato...♥
So come on, hurry...
Oooh... There's so much drool...
...Can you do me a little favor first?
Huh? What isht it?
Can I dip these in first?
I want to soak my balls a little bit in all this drool...

Ngh ♥ You're just hope-less... ♥
Yes... That's it, get them inside your mouth...
OOH... OOH...
You're really the mother of these two... So expe-rienced....

I did this half-jokingly, but it feels so amazing...
It really feels like it's making me produce even more semen...
I can't even take it anymore...

NGH... KWAAH...
Look at how big it's become, Shitone.
FUH
Give it to me now if you're ready...
I'm gonna drown in my own drool down here.

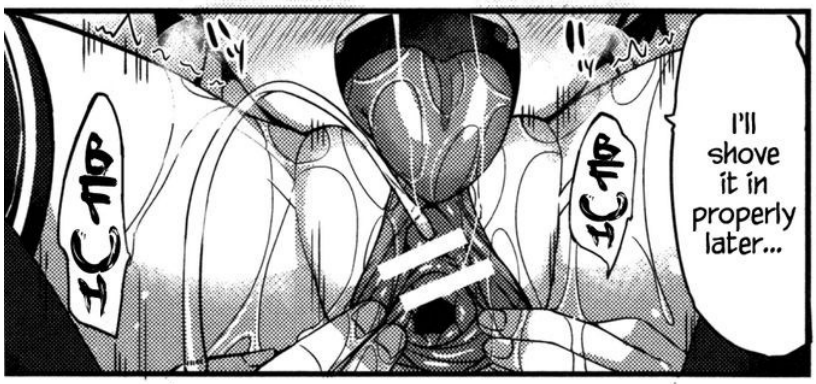

Sorry about that...
...Alright then.
Here comes the train...
Oooh~ So hot. It feels like I'm taking a hot bath... This feels so good!

You can feel how hard I am thanks to you, can't you, Shitone?
You can already smell my cum leaking out, right...?
inside this...
I'll cum a whole lot...
Aaah... Your voice is making my cock vibrate...
mouth-pussy!
Right inside you, Shitone.

Yes... this is amazing... There's that saying about your body being honest, but...
These are stupidly honest bodies, huh...?
You succubi are built to love dicks at a genetic level, aren't you?

You want some love down here too, don't you?
Your whole body is seducing me.

It'd be rude of me
if I didn't ravage you all with my cock!

I'll shove it in properly later...

so don't worry and let's have some nice oral sex now...

Come here.
I have to...
get all the love juice... out of here.
I'll make sure to fill you back up... with cum!

AAH...
I'm so...
re-freshed now...

Phew~ It's such a waste that a day like this happens every god knows how many decades!
It's enough... You can't live if you're in heat like this every day.
...Guess you're right there.
And since we don't have magic today we can't create the contra-ceptive...
!?
You're running your mouth again, Mommy...
It'll be a real problem if we get creampied today...
We'll get... pregnant for sure.
Oh yeah. Sorry about that. Mommy said lots of unnecessary stuff. ♥
……!!

If a thick, humongous cock like this...
spurted out inside Mommy and her cute little girls, it would be quite the problem...
Preg-nant...
Grand-child...
I'll be fathering children and grand-children with these three girls, huh?
Can I... really...

That'd be the worst ♥

You think so too, right, Masato? ♥
Right? ♥
Oh man...
Good-ness graci-ous...

I'm the worst, aren't I?
I'm the absolute worst!
Worst!

Shoving my cock...
But I can't stop myself!
I want to have cream-pie sex with you girls!
Of course I want to shove it deep inside your pussies!
And you're all happy about it, right!?
That was the last of your pride, right? I'll take you girls up on that cute invitation!
HAA HAA

My common sense can just fuck off!
Come on!
Take this!
You're gonna make me cum with that!
What's wrong, Shitone? You said it would be bad if I came inside, didn't you?
What's with that baby-making face?

Let's have a lot of fun mating like animals...

...Ayano-san, this is the sixth shot!
You're cumming too much... ♥ Too much... ♥
Did we make a baby already?
Did my cum get to your eggs already?
Seventh shot...!
N...
Not yet... ♥

These are the same pussies that wring out my semen every single day.
This much isn't nearly enough for all of you, is it now!?
Leave the pumping to me, please!

Come on now, Tomoe-san, I'll pump in some fresh milk right inside your womb!
NO WAY

Make sure you open your womb's entrance nice and wide for it!

let me take a lifetime's worth of bonuses...!
And hog everyone's bodies for some nice baby-making sex...

I...
And to have kids on top of that... I thought I would never get the chance in my whole life to get you girls pregnant...!
