

RADICAL COMIC VOLUME 3.7

REPETITIVE

Who're
you?

People would think that they're made to suffer...

due to their sinful acts

Just think about it!

Why would people perceive that they're so special under my eyes?

You merely wish for a God that fits with your definition of one

Now, I will make you behold your own fate as a mere mortal!

You're not God!

You're actually the deceiving Satan! Am I right?

Indeed I
am God

Thus, you will
bite off your
fingers one
by one...

after picking
out your
eyeball from
its socket!

Isn't it amusing?

Your hands are moving on thier own...

Y-You can't do this!

Why can't I?

Aren't I God?

Please make
it stop!

I'm begging
you...

Don't...

AAAHH...

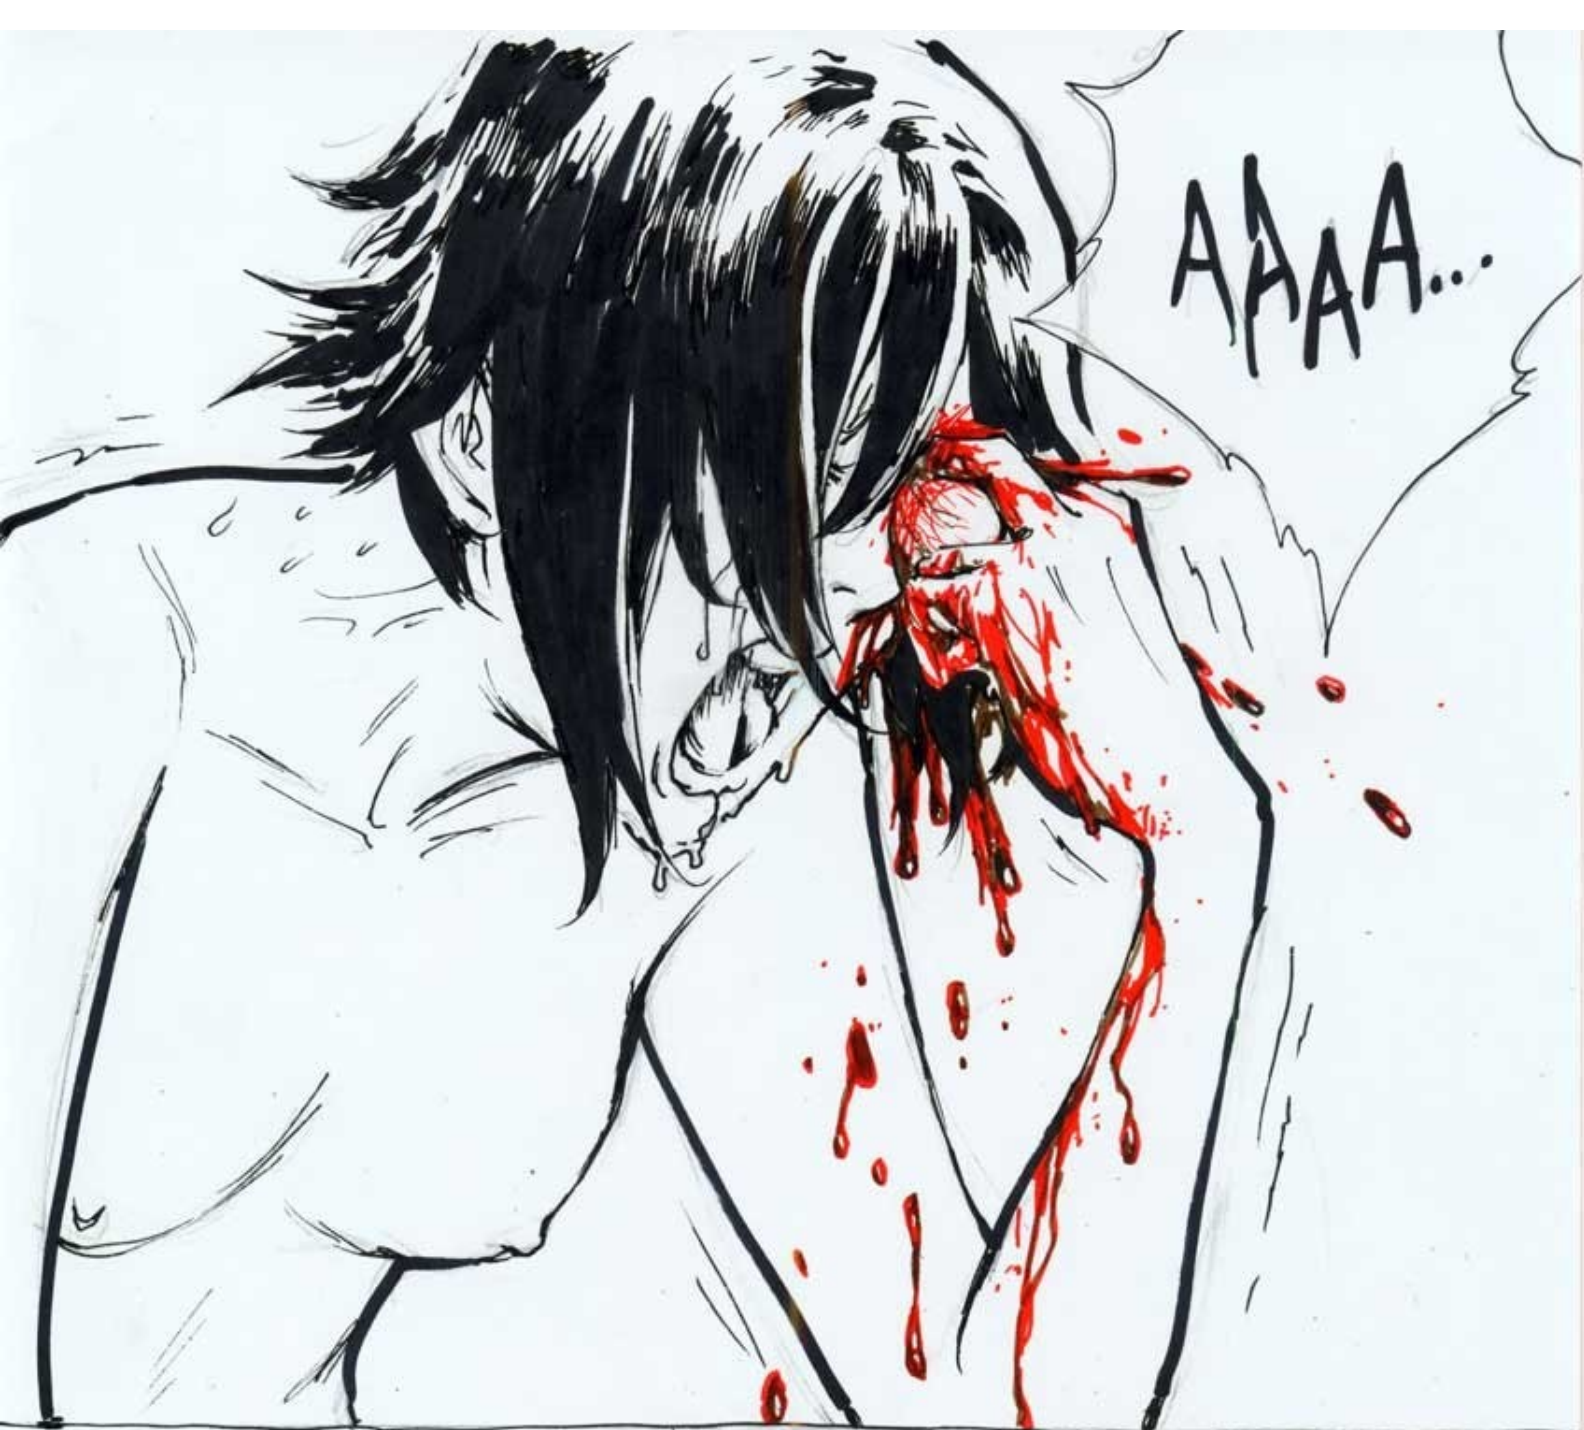

AAH!

JLEB!

AAAA...

KRAK!

HHH

HHH

HUH

KRAK!

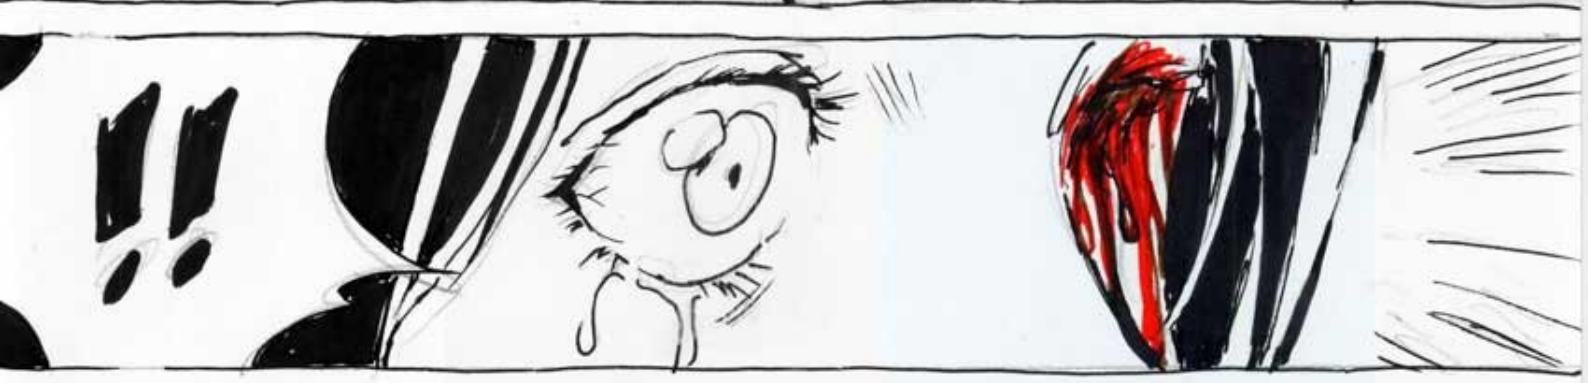

GAH!

The other
side as well!

!!

Please... I
give up!

Not any-
more of this,
please!

Don't make
it go on!

KREEEK...

KREEK!

HA HA HA
HA HA
HA

How was
that?
Does it
hurt!?

!?

What's more?

You're forcing yourself to believe that you really wanted to do that all along?

Overcoming your cognitive dissonance?

Don't you know?
The universe is made up of sub-atomic particles

...where each of their movements are set in stone and well predictable

Of course, it's because I made them that way!

The same way as I made you pick out your own eyeballs a million times!

You can never do anything about it at all!

But you people, forever making yourselves believe that you possess the power to change something...

Where your minds act faster than lightning, searching for that consonance for you to justify your thoughts

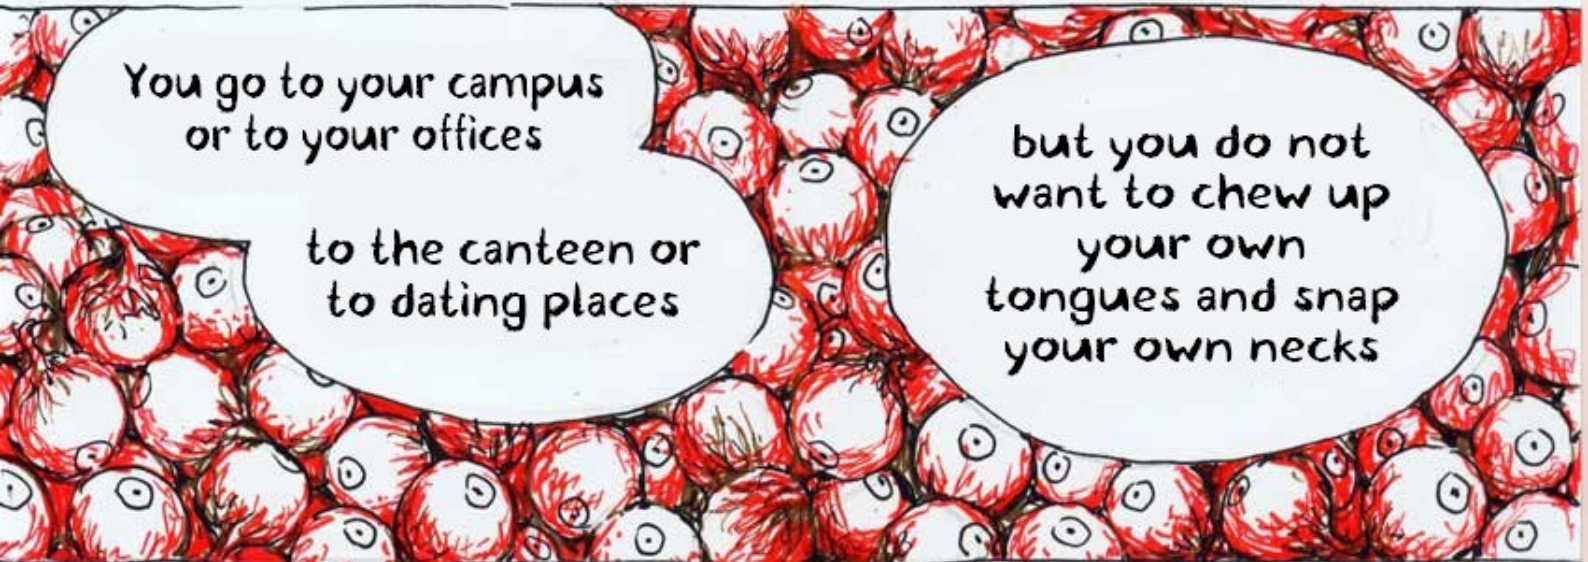

You want to
wake up in the
morning,

want to
have
breakfast

But you do not
want to pick your
eyeballs out

nor want to
bite your
fingers off

You go to your campus
or to your offices

to the canteen or
to dating places

but you do not
want to chew up
your own
tongues and snap
your own necks

You want
to feel
comfortable

want
freedom

you want
your lives to
go on

Don't
you want
to die?

To make this
world just
disappear?

Don't you
want to end
it all?

JLEB!

Do you want to be cursed
with such shortcomings?

When you are
wanting for all
the things

and noth-
ing at all?

You're bound by the
laws of quantum
physics, biological
needs and unending
stimulations,

by your
impulsive
wants and
needs too

You cry when
you were born!

But all this while, the only thing
that you are capable of doing is
merely consoling yourself that
everything should turn out fine

Are you sure you
want to become
somebody?

Are you sure that
you really want
them?

Do you believe
in free will?

In fact, your
lives are all
under my
control!

And this suffering
of yours is only a
short prequel of
what you're facing
next in hell!!

All of you...
belong in hell!

Huh!

Usually, he would
tell you that...

The creator is
certainly more
superior than its
creations

Therefore, God
must've been
much more evil
than Satan

BRUK!

A person with short, dark, shaggy hair and a distressed expression, looking slightly to the side. They are wearing a light-colored shirt. The background is a solid red color.

However,
he is no
God!

And God is
not here

A woman with long, straight blonde hair and bangs, smiling gently. She is wearing a light-colored top. The background is plain white.

Oh yes,

I am his
mother

A person with long, dark, shaggy hair, looking down with a sad or contemplative expression. They are wearing a dark shirt. The background is plain white.

...

Thus I am
far more
evil!

Repeat what
you have been
doing!

For
ever...
