あらすじ
短距離走のエース翔(かける)は怪我で陸上部を辞める。以来オヤジ相手の援交で無益な日々を過ごすも快感も覚える。ある日援交相手と一緒のところに部のOBの片思いの先輩と遭遇してしまう。
Oh, thanks for the shirt, by the way.
...Looks like you've calmed down a bit.
Ah ha ha
Well, what's done is done, I guess.
HER BELOVED SENPAI SAW HER SLUTTY SELF...
So... Why on earth were you doing that?
ギ
I guess because... I wanted somewhere to belong.

I got into high school on a sports scholarship, remember?
But I'm clumsy, and not very smart...
Hehehe!
So after my injury, I felt like I had lost everything.
さす
But in bed...
everyone loved me. They all sang my praises.
I... I've always been in love with you. Ever since I met you.
TL: pincluc
ED: Eiri
QC: Tim, maipantsu
What...?
...Why didn't you come to me sooner?
Can't I be your shoulder to lean on?

I can feel you inside me!

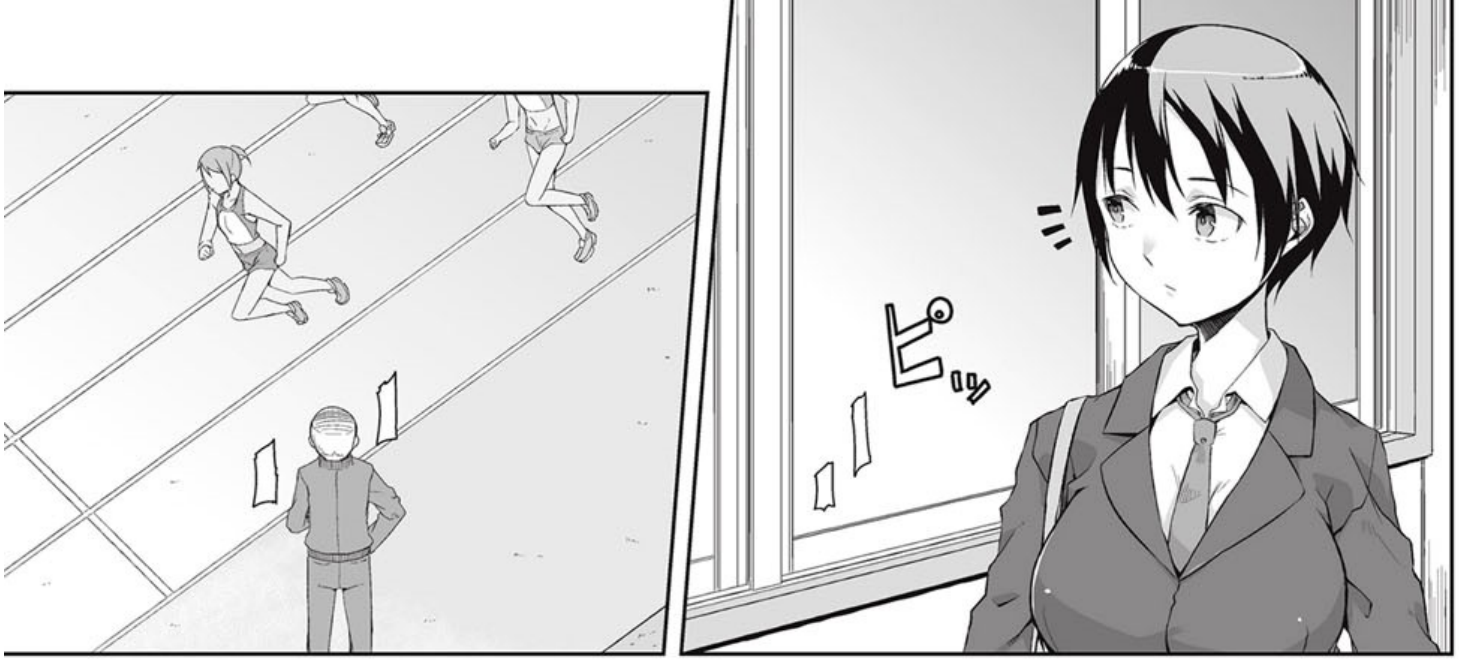

Alright!
Here I go!

Are you okay, Kakeru?
Yeah...
I'm fine, Senpai..
So you just worry about making yourself feel good!♥

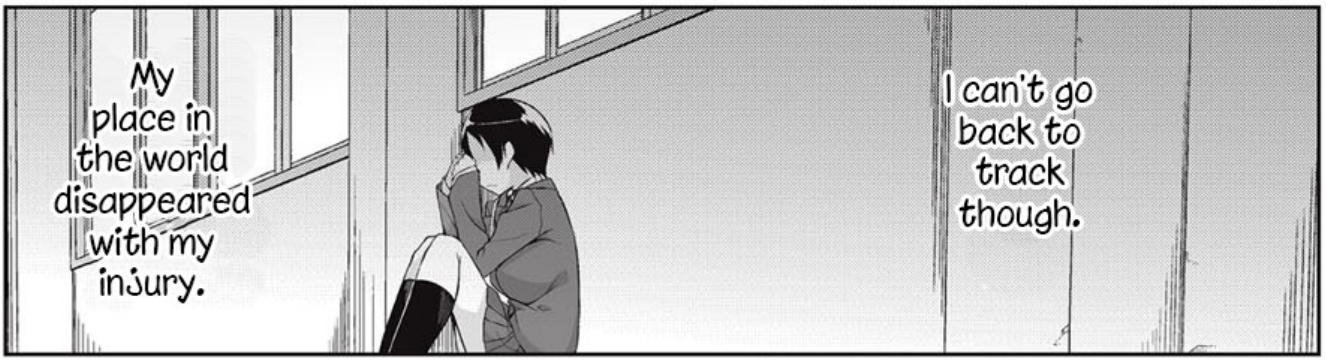

Kakeru! I love you!!
W-w-whoa!!
Ah! No! Don't kiss me, Senpai...!
I've sucked who knows how many dicks with these lips-
I don't care!
...You're right, I can smell the cum on your breath.

How rude! You're gonna get it now!
Whoa!?
Take that!
And that!
How is it, Sen-pai?♥
Whoa, slow down! It's too good!
Ahh... I'm loved!
I'm so happy!♥

More and more!
Mind melting pleasu-
Kakeru! I'm cum-ming!!
...Wha?
Wow, I've never cum so hard!

So that's all I get, huh...
Yeah, me too!
Laying in his arms is so reassuring...
Well, that's fine...
After that I stopped selling my body.
I wore more modest clothes and my tan faded away.
I started attending classes every day again.
I still don't really get this whole studying thing, but I'm trying my best.

ピッ

My place in the world disappeared with my injury.
I can't go back to track though.

But now,
Hey!
Sorry, were you waiting long?
I have some-one I can lean on.

You know...
Isn't it about time you stopped calling me Senpai?
We are dating now.
Nah uh!
You'll always be Senpai to me!
Now I've found my place by his side. Somewhere I can be truly happy.
Or have I?
You alright?
Can we go...

Back to that day... Back to my first time...
This might sound strange coming from me,
but are you really sure about this?
But, I've never had sex before, so I probably won't be any good.
I don't mind. I don't really care about anything anymore...
I see.
Well, let me help you feel a little better, at least.
Swallow this.
...What is it?
Just think of it as an aphrodisiac.
Here goes!

Subject: Hey
It's been a while, Run-chan. Or should I say Kakeru-chan? Saotome here.
My messages weren't getting through so I'm using a different address.
I noticed you haven't been doing much business lately. Whatever is the matter?
I'd love to have a chat if we could.
Does this Sunday work for you?
