So I reckon you're the reason the humans have been pushing into our area as of late, right?

Are you the rumored hero?

Phew

Stop jesting!

You missed.

!?

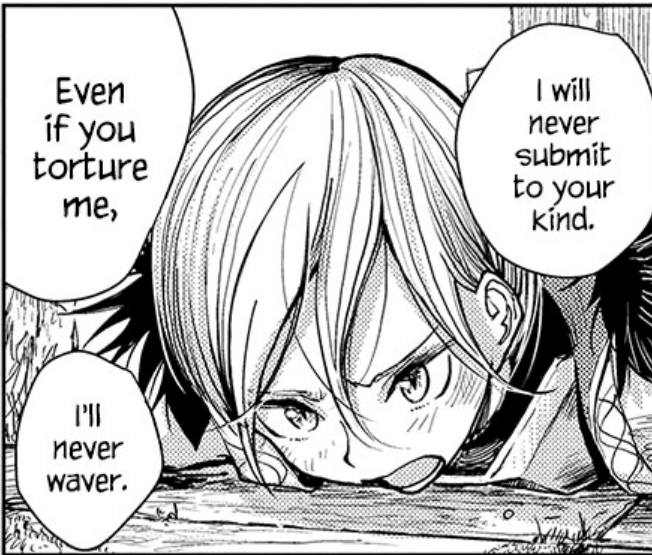

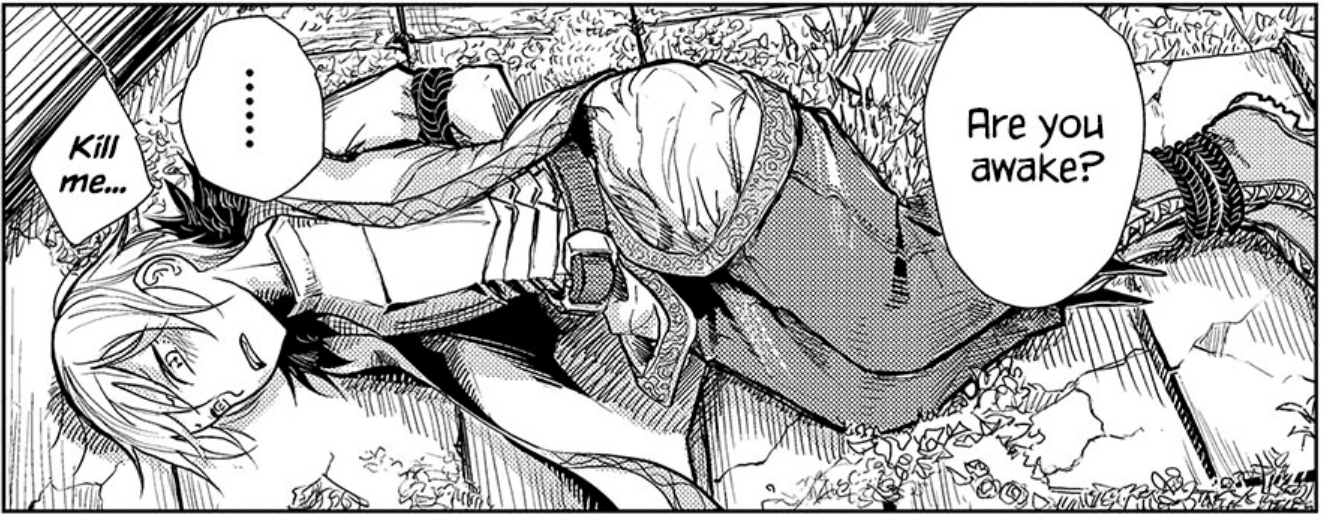

A humanoid demon...

Although you're a mere human, your swordsmanship is wonderful.

Won't you wield that power for the Demon King's army?

If you submit to us now,

I'll even recommend you to become our fencing instructor, what do you say?

Senior hypnotist, the name's Nalu.

but I belong to the Eastern Border Legion of the Demon King's army.

It's a bit late for self-introductions,

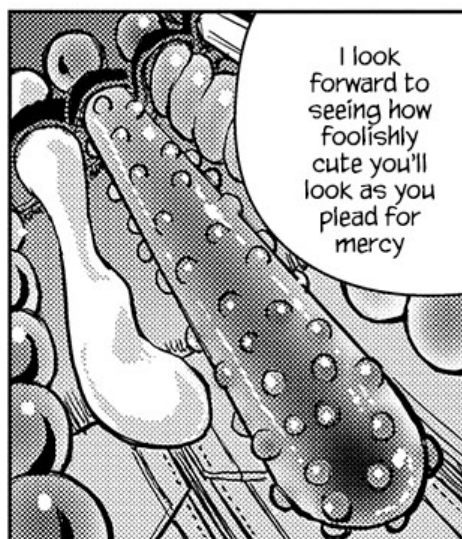

Then let's skip the formalities and go straight to the torturing.

Well then... shall we begin?

I'm getting a little excited. ♥

Don't fall into depravity right away, okay?

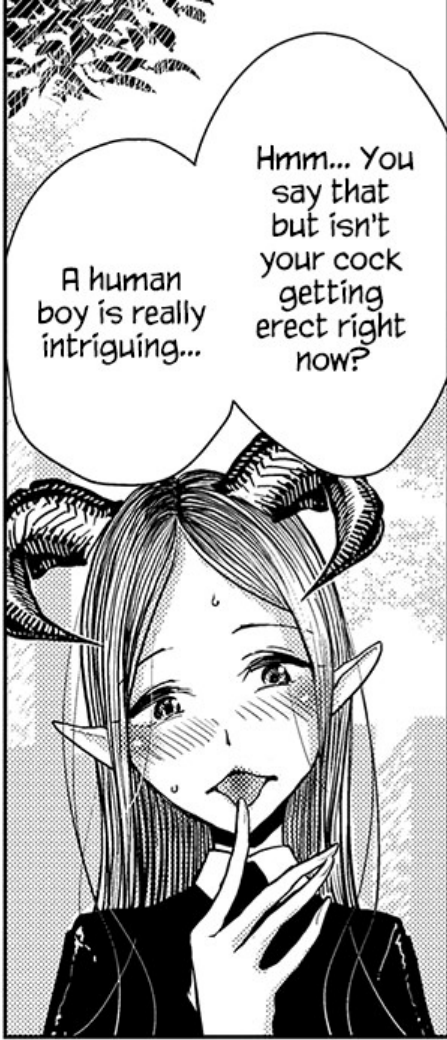

I look forward to seeing how foolishly cute you'll look as you plead for mercy

when I take you down to the hell of pleasures, Hero.

Ahh ♥ Please don't mind my collection of sex toys too much.

A human boy is really intriguing...

Hmm... You say that but isn't your cock getting erect right now?

everything you do will be useless.

I'll forgive you if you stop this now.

As long as... I'm protected by white magic,

Looks like you won't submit if I don't go all out on pleasuring you.

the Hero's spirit is under the protection of a defensive spell...

But it does seem like...

but I'll use my magic on you.

I feel sorry for you,

Looks like I have no choice...

Yeep.

Kuh... Uhh...

"You won't be able to ejaculate no matter how good you feel."

This is my secret technique...

Ugh...

the abyss of pleasure.

as I plunge you deep into

Best

Ugh...

The breaking point for your "ejaculation" is now gone...

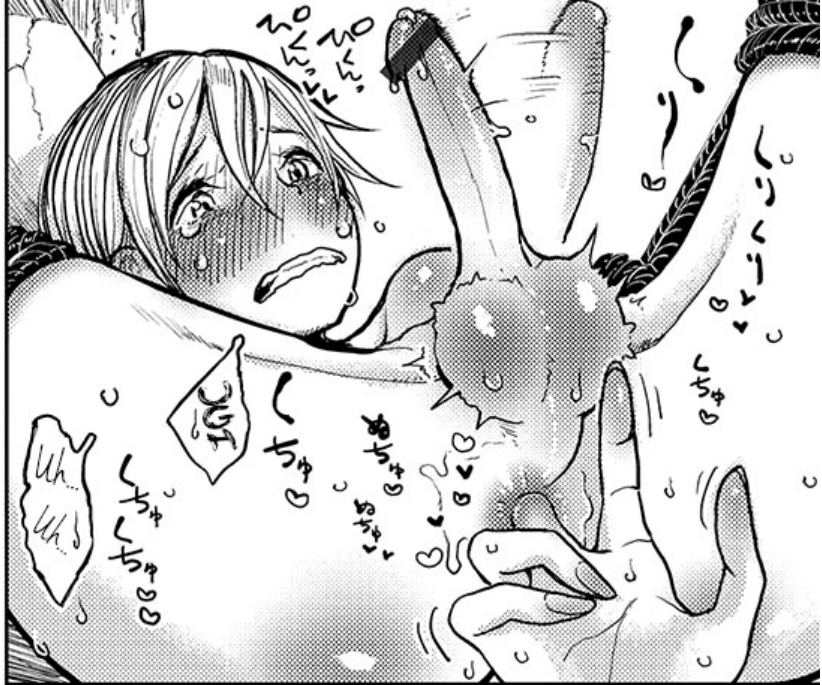

Please enjoy yourself to your heart's content

Gh...

Ugh...

Ugh...  
C'mon now.

Did a girly voice slip out of your mouth just now?

What's the matter, Hero?

Are you perhaps... feeling good from having your ass fingered?

You can't hide it from me, you know?

Your tears and drool seep out every time I move my fingers in your ass.

What you're feeling is clear as day. ♥

If that's the case, your end is nigh, Hero...

So your ass is your weak spot, huh?

Come on. ♥  
Your brain  
might melt  
if you don't  
release all  
that pleasure  
from your  
cock, you  
know?

Resistance  
is futile...

No matter  
how much  
you moan, no  
matter how  
much pleasure  
you feel, you  
won't be able  
to ejaculate  
unless I release  
my spell.

The sweet  
bliss that  
you feel  
from your  
prostate and  
cock will only  
continue to  
accumulate  
in your body.

Since  
you can't  
ejaculate,  
the pleasure  
you're feeling  
is going to  
slowly pile up,  
and you'll end  
up sinking into  
an endless  
euphoria,  
you know?

Many  
discard  
the rest of  
their lives  
just to  
pursue this  
feeling of  
pleasure,  
you know?

Then again,  
his hips  
would  
probably  
give out  
from all  
that  
pleasure  
if he  
ejaculates  
now...

As his  
prostate gland  
gets teased,  
his energetic  
semen squirms  
inside, making  
his urethra  
itch more  
and more. ♥  
This utmost  
despair and  
blissful time...

Come  
on. ♥

The caster's genitals...

There is only one method... to release this spell.

Release your spell on my cock... and let me cum.

Please let me cum.

I'll join the Demon King's army.

By using the key to stimulate the prostate gland the spell was cast on,

it'll forcefully squeeze your semen out.

In other words, my cock is the release key...

and be in a constant state of euphoria,

as your tormented body writhes in agony forever?

Or never get to ejaculate again

Well then, Hero... What will you do?

Join the Demon King's army and be on cloud nine from cumming?

Please shove your cock up my ass and lemme cum!

Please gimme your cock!

I'll join the Demon King's army, so please save me!

Pom

Pom

Well then, here you go.

Put it in yourself.

As a reward... I'll let you use my release key.

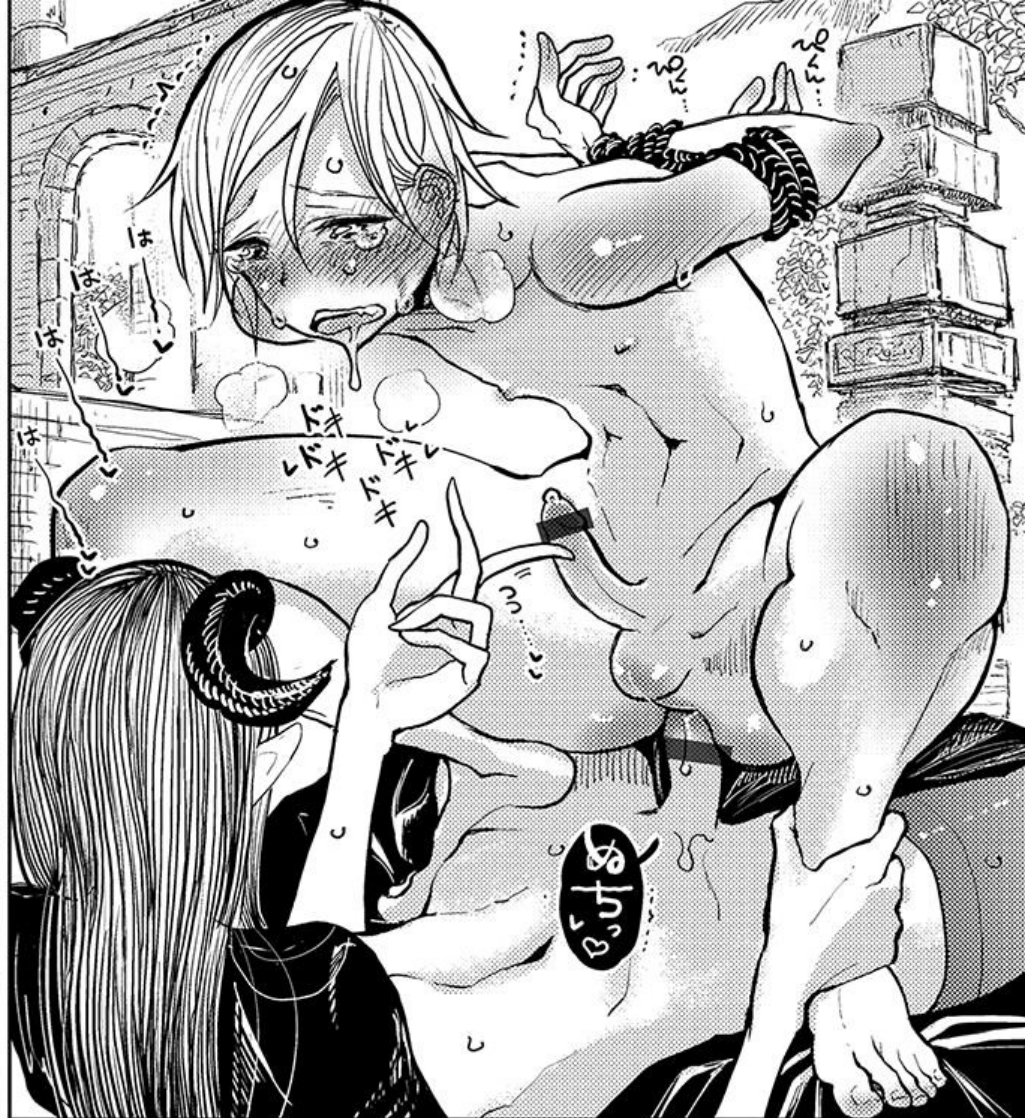

Well said.

Gulp

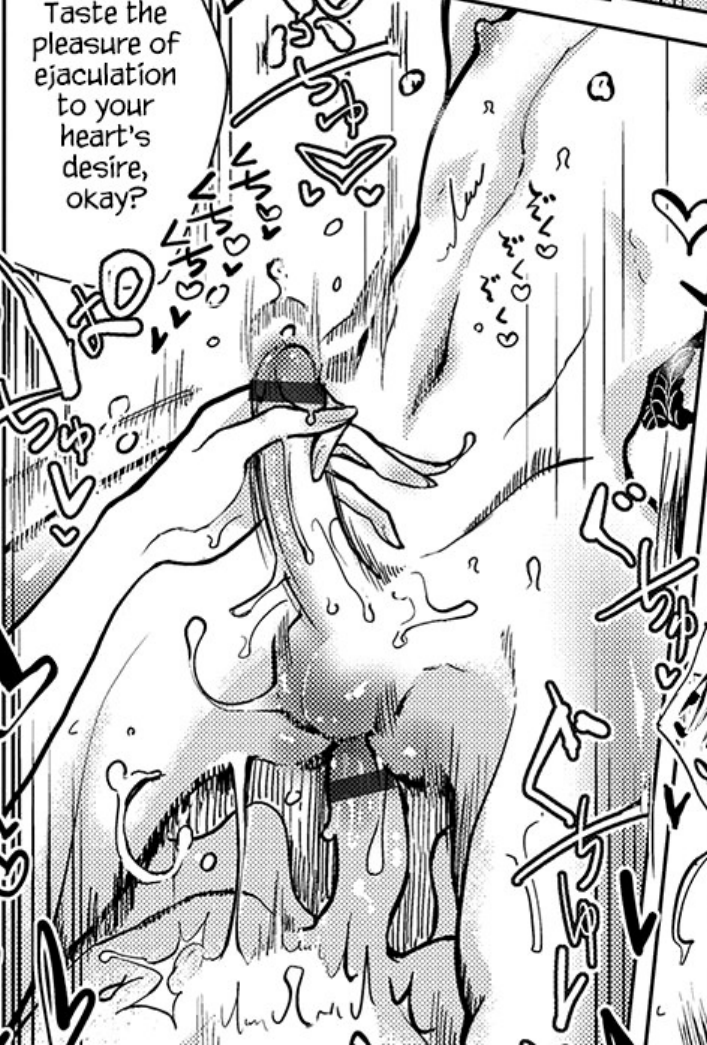

Hehe... You're begging extremely immodestly, aren't you, Hero?

How is it, Hero? You'll be able to release the spell and ejaculate at this rate, you know?

Taste the pleasure of ejaculation to your heart's desire, okay?

Isn't this enough? About to ejaculate already?

Erect the white flag for the Demon King with your cock.

Thank you for your hard work, former Hero.

Just as I expected,

Wow, amazing.

The training grounds

A few days later

In the Demon King's army's eastern frontline base

you're truly a talented fencing instructor for the troops.
