He said to just pick up something quick and easy...

Now it's just daddy and me.

...but that wouldn't be very healthy.

PUT THIS ON, WOULD YOU?

AH, YES.

Daddy's dick is really long and thick and super smelly.

The smell of it makes me feel funny and my head spin.

NOW IT'S TIME TO MAKE DADDY FEEL GOOD.

Daddy yells at me if my teeth hit it, so I make sure to suck in my cheeks when I take care of his hard, thick dick.

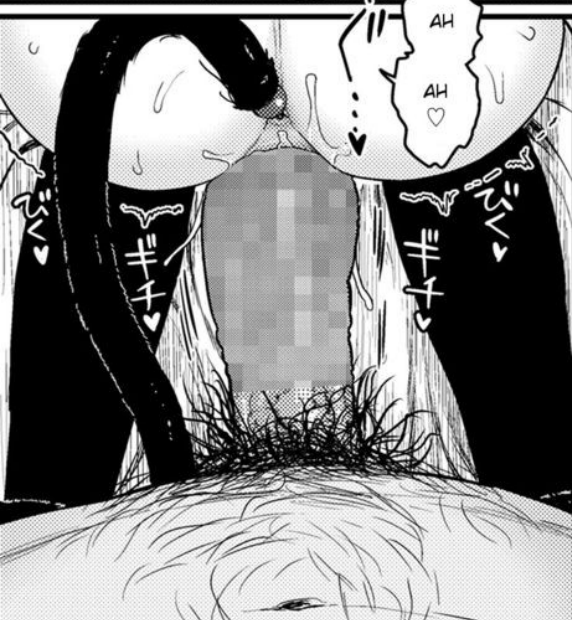

It's so big I can't fit it all the way in.

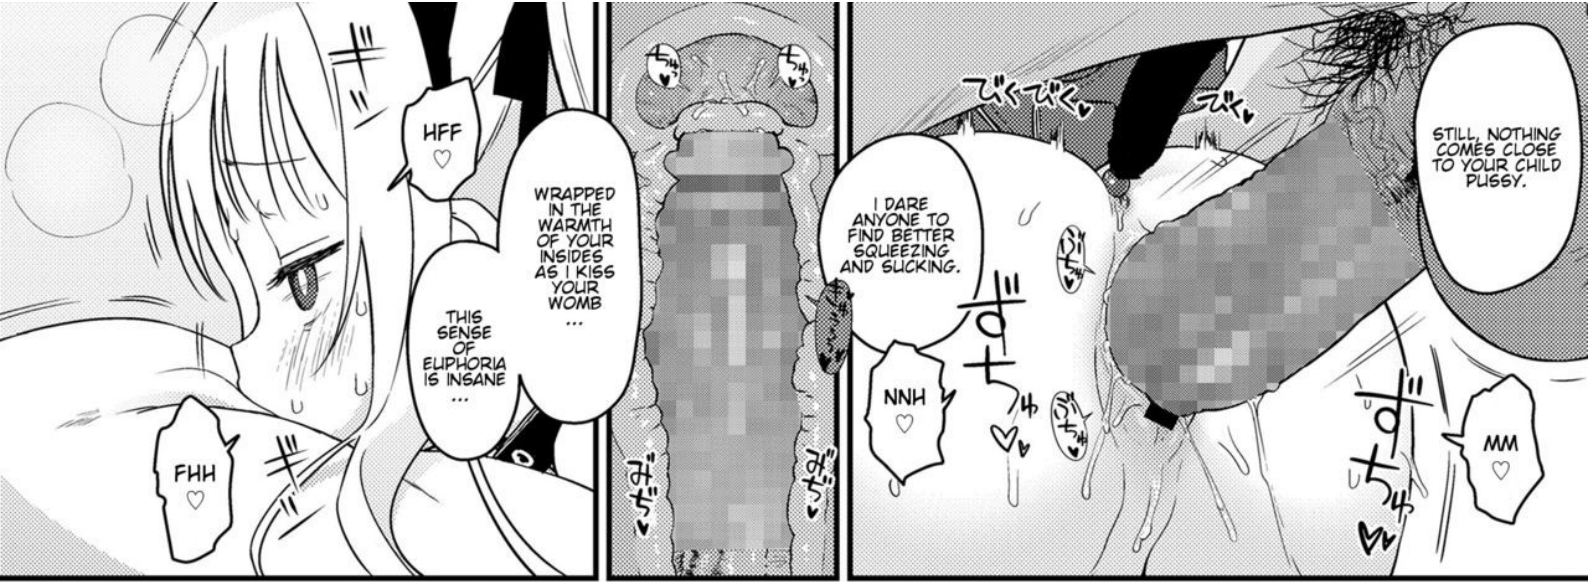

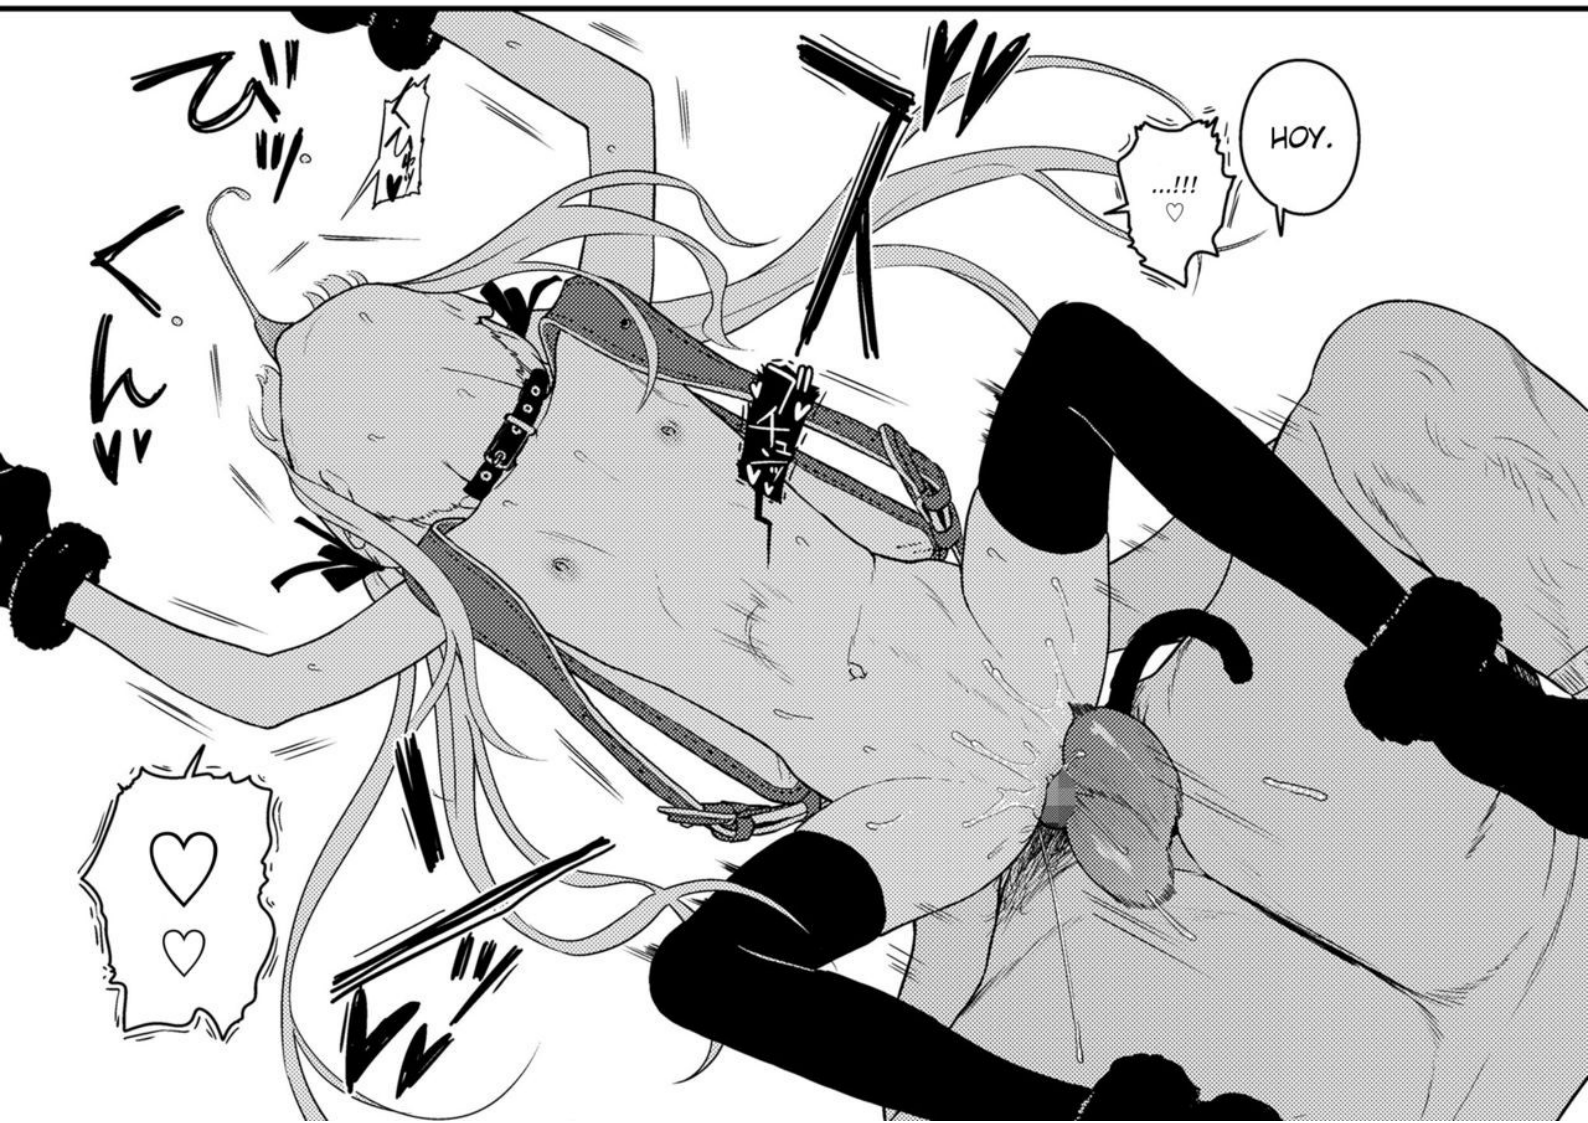

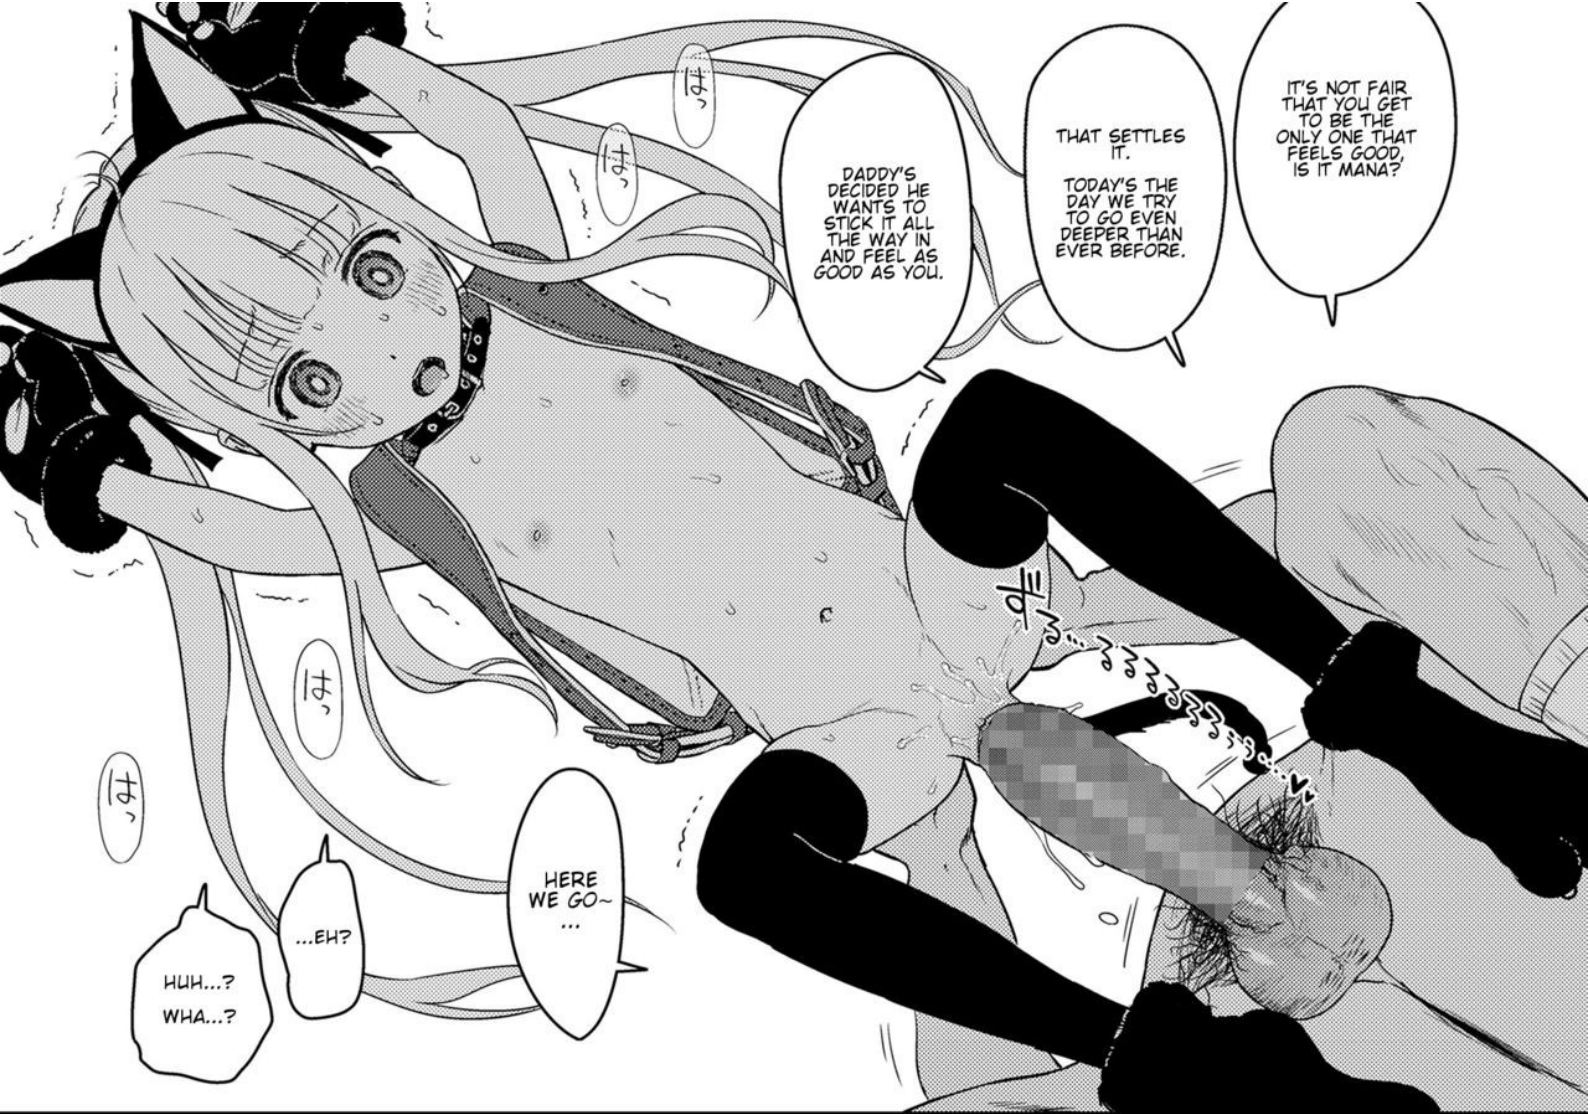

IT FEELS AMAZING...

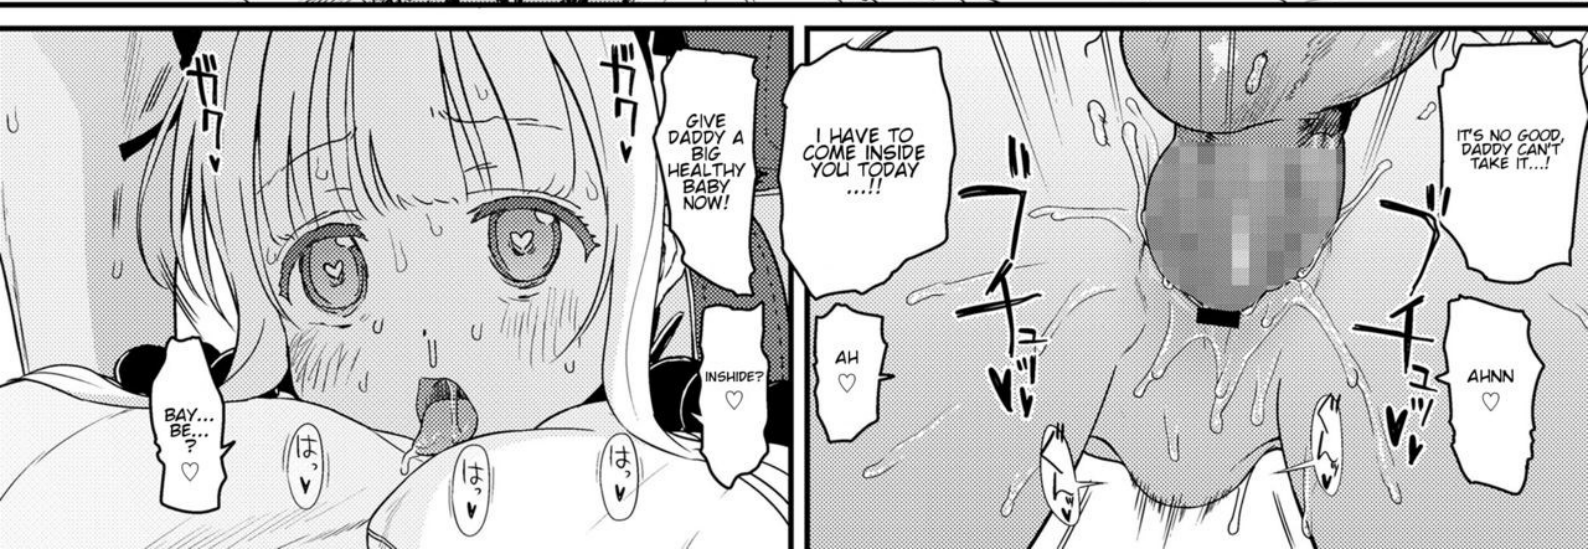

YOU'RE SO GOOD AT THIS NOW, MANA...

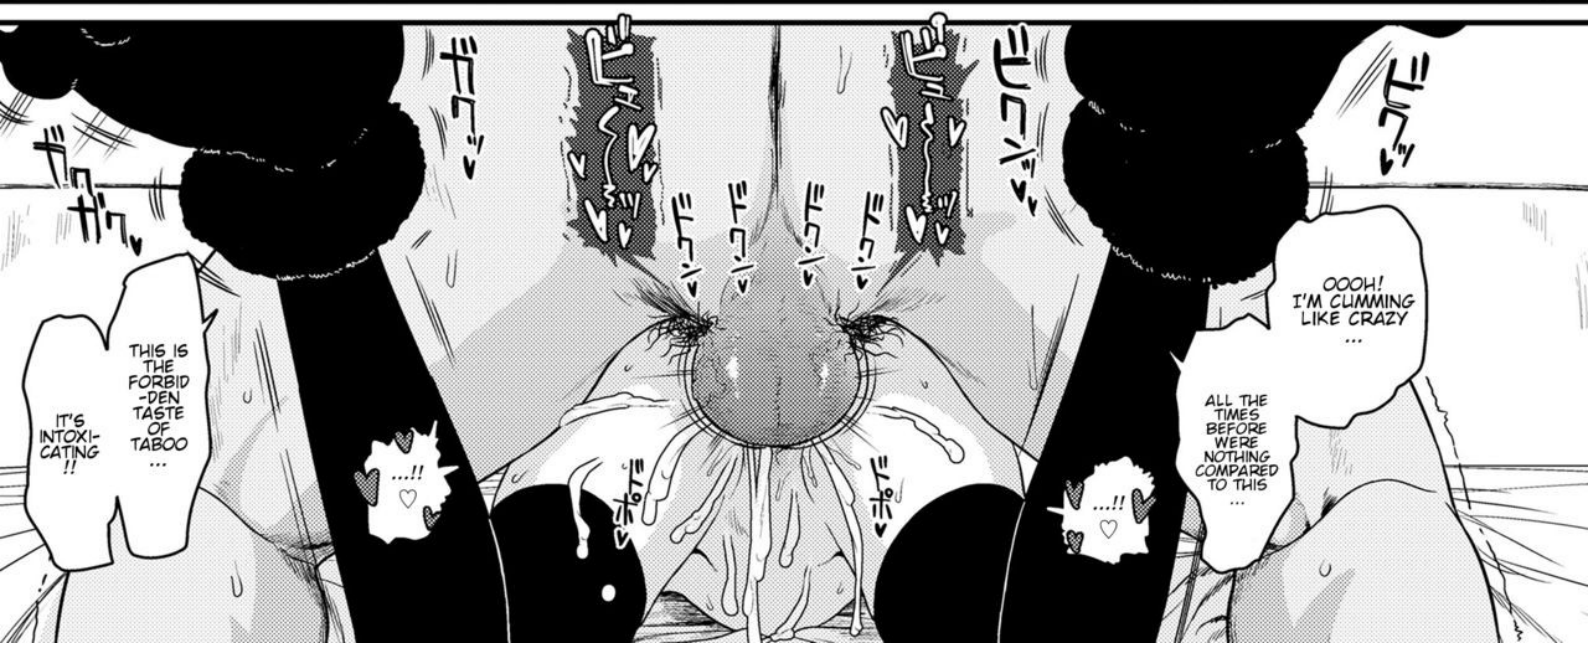

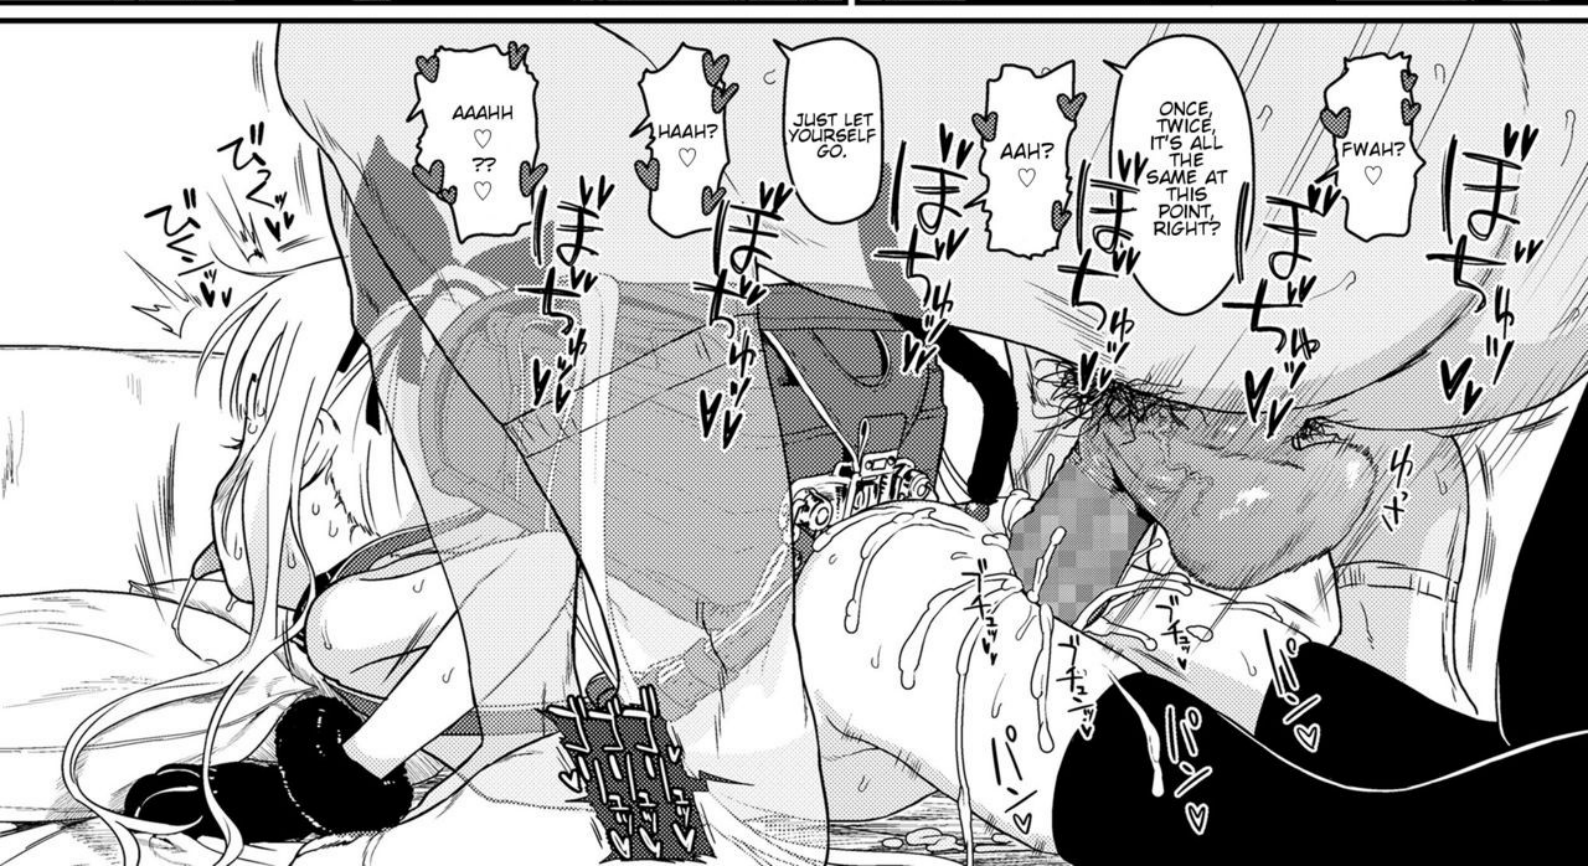

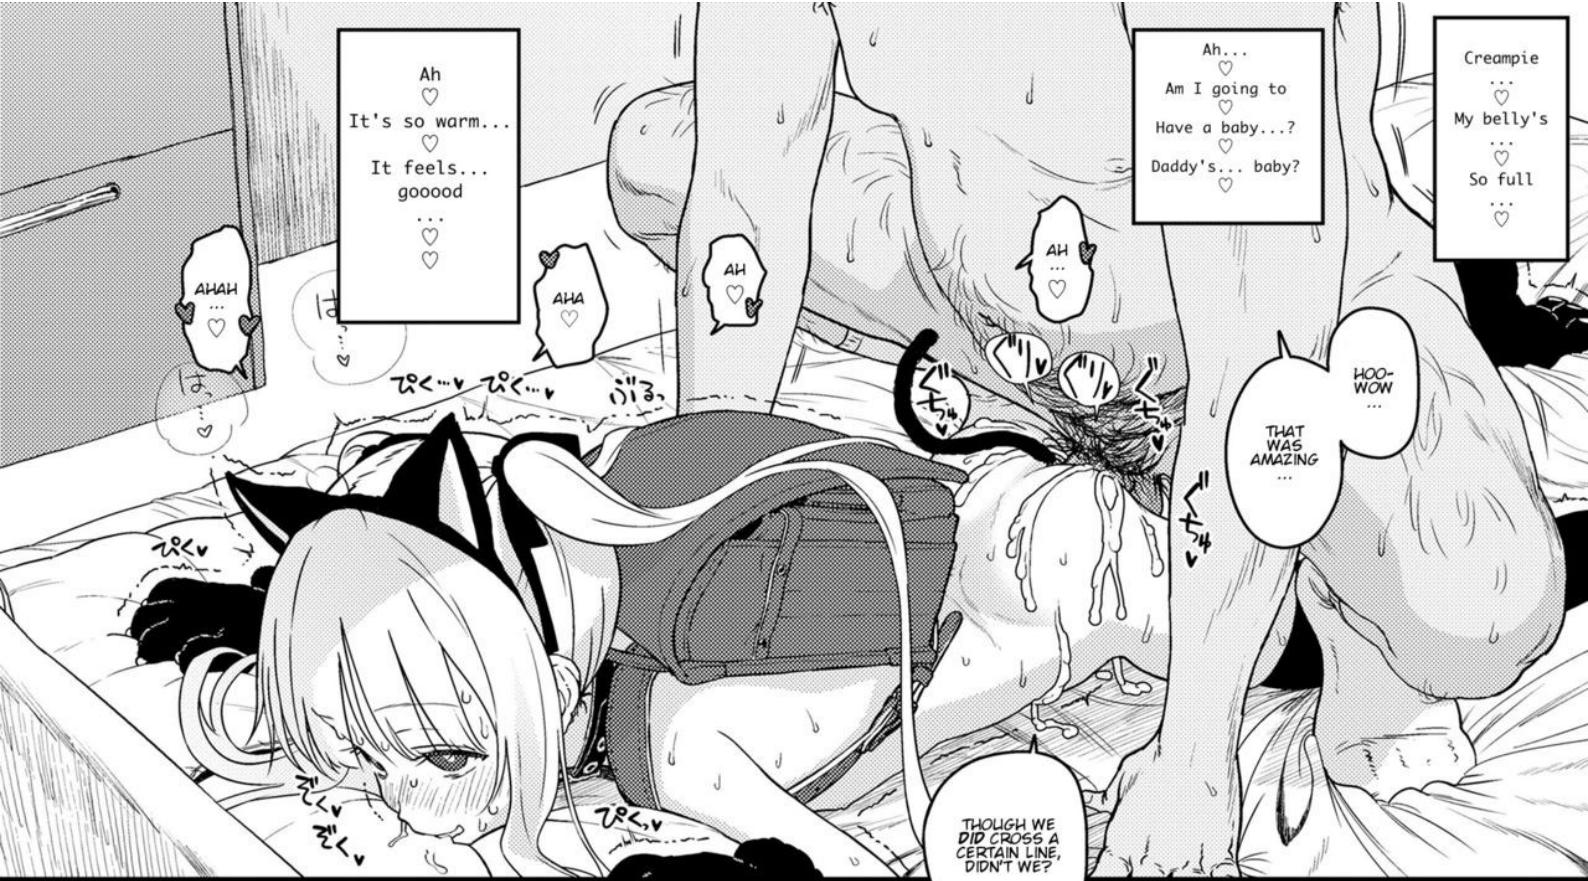

I HAD NO IDEA

INDULGING
