The theatre seemed quite empty although it didn't matter since we took the back seats.

the sounds knocked in my heart.

And I remembered a  
memory that  
I...  
I...

The things I did with him were being shown  
for all to see in front of me.

Take it off teacher.

Wait! stop!

I want to see your naked body.

I get to keep my clothes on.

As long as it's yours  
I love it all.

The flat  
tiny chest.

I want to paint everything  
of yours in my color.

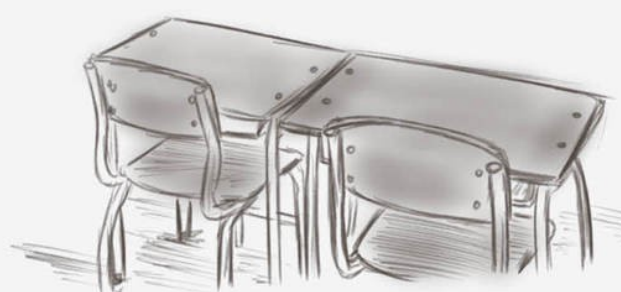

I don't care  
if you're a man or a women.

After all i'm a bad student  
who doesn't listen to teachers you know?

your dick that looks real

I think i'm gonna cum  
just by looking at it.
