

That was really the worst.

*Aaaa
aaaaa
aahh*

Waiting at the school gate... So in short,

I really don't understand.

I don't understand.

エ...

.....
he went to Tachibana-sama's school uninvited again.

What did I do to deserve to be treated like that?

kept me, her fiancé, waiting, and even did something that awful with the flowers I got just to please her.

She was fooling around at the school gate,

and the way you've treated women has been a disaster.

I've been watching the young master all these years

Wha-...!?

The young master doesn't understand a maiden's heart at all!

How pitiful... You still haven't realized why you were rejected.

"This girl was not worthy of a superior being like myself."
...And so on.

"What a pitiful girl for not understanding my worth."

It sounded like you were only blaming others for your problems.

I reckon the young master didn't even try to think about these things.

You never hold an actual conversation... You don't realize how they feel.

You always only talk about yourself in front of women.

The young master is just not used to women.

N-no way... I'm not such a-

No matter who they were, didn't they all leave shortly afterwards?

I've had lots of conversations with girls up until now...

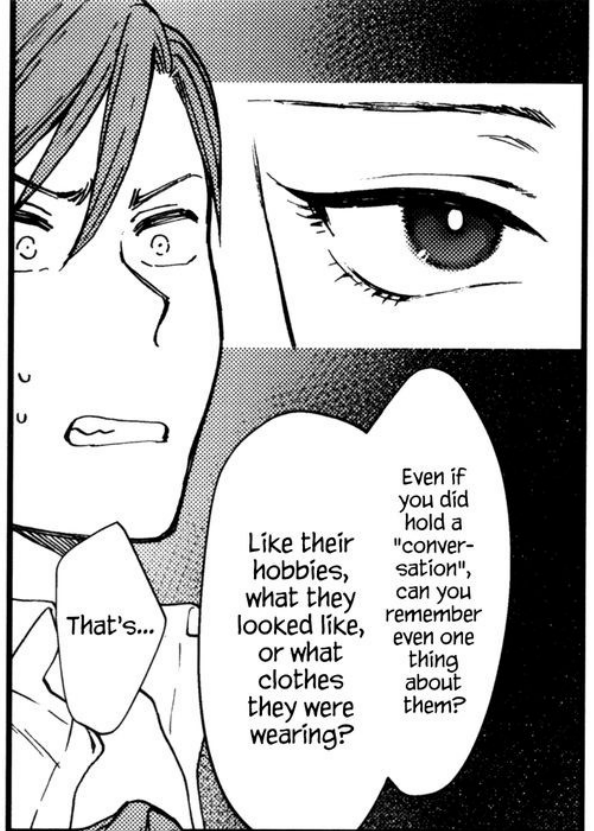

N-no...

It can't be helped...

Well, you are a virgin, after all.

The young master is lacking many qualities that are important for a man.

That's...

Like their hobbies, what they looked like, or what clothes they were wearing?

Even if you did hold a "conversation", can you remember even one thing about them?

The future of the Kobayakawa family depends on the young master and his ability to produce offspring, after all.

That's not true, it is related.

**Being a v-v-
virgin has nothing to do with that!!**

Ah, no, that was just-

If I just need to lose my virginity, you can help me lose it right now, can't you?

Ha!

Agreeing that easily...

Hey, are you for real!?

I understand. I will serve as your partner then.

Eeh !?

Well then, do as you wish for now, young master.

I'm serious, young master.

What should I do???

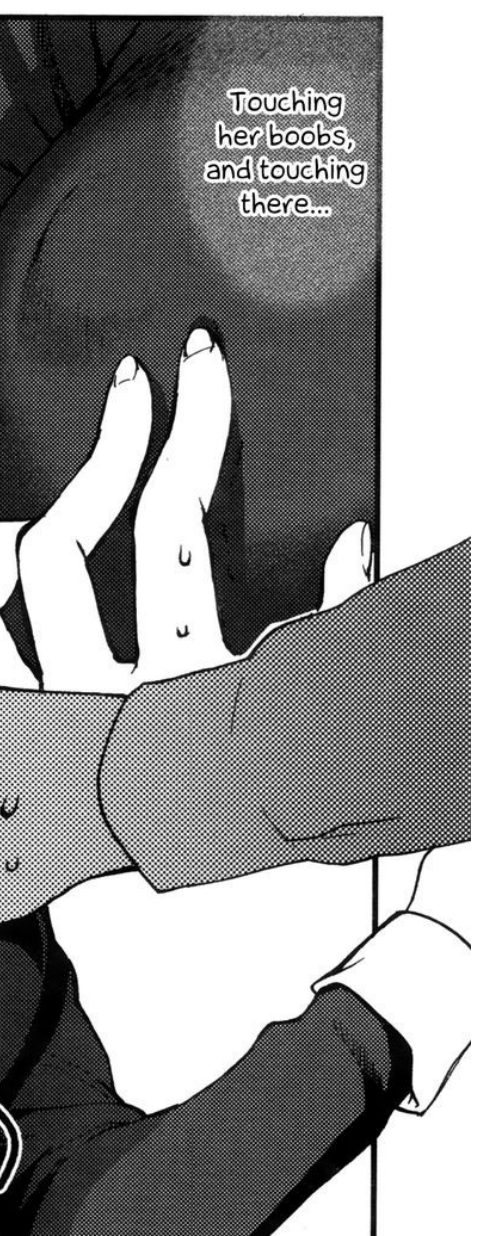

Do what I want...

!

So s-soft...

Sound effects: ㄱㄱ, ㄴㄴ, ㄷㄷ, ㄹㄹ, ㅁㅁ, ㅂㅂ, ㅅㅅ, ㅇㅇ, ㅈㅈ, ㅊㅊ, ㅋㅋ, ㆁ, ㆁ, ㆁ

Touching her boobs, and touching there...

Touching her
breasts and
other places...
Ah right, I
should kiss
her as well.

Stop,
young
master!

カッ
タッ
R-right,
I should
put it in.

I said
"Stop",
young
master.

If the girl
is not wet
enough,
it will be
a painful
experience
for both
of them.

Sto-
Eeh?
What
did you
say?

It differs from person to person though.

It's possible to use a lubricant, but if you manage to arouse a girl enough, she will get wet on her own, you know?

I let the young master do as he pleases until now, but

it seems like that was a complete failure...

It's exactly like I expected. The young master's ability to sense what another person is feeling is almost non-existent.

#TE

Even if the young master doesn't tell me what makes you feel good...

the girl must be wet for it to work, but the boy's thing must also be hard or it will be difficult to put it in.

Young master,

I-I see...

Let's try it out!

I can easily tell by looking at your face.

...! Wai-

Wait a second, Chizu.

Oh my, young master... Do these breasts pique your interest?

It seems like this little guy gets really excited whenever I gently touch him.

So the tip is one of the young master's weak spots?

...

Pleeease

They're huge!!

Could it be that you want me to do something like this?

S... So soft!

Fufufu... I can tell that this little guy got even harder.

Her white and tender breasts are enveloping my cock. They're almost like guimauve... or marshmallows.

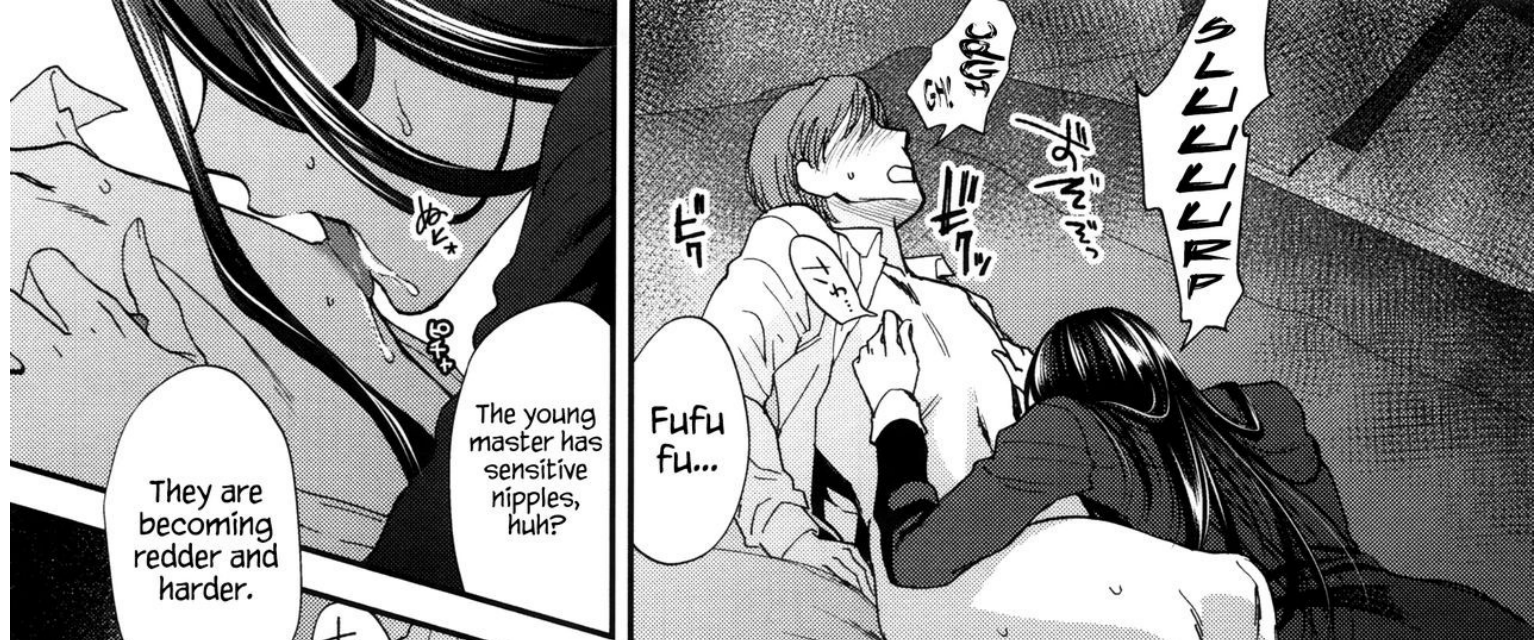

It feels so good.

They are so soft but still apply so much pressure...

I CAN'T HOLD-CUMMING!

They are becoming redder and harder.

The young master has sensitive nipples, huh?

Fufu fu...

So delicious. Ufu fu~

But please have a little bit more patience.

The young master wants to be touched somewhere else, right?

Huh?

Do as you wish, one more time.

Now then, young master...

O-one more time, doing what I want...

I get it now.

I shouldn't just think about putting it in, but take my time to ease her into it.

Haah

Haah

First, make my partner feel good...

Is it okay if I go deeper?

Uwah, what a sound.

and hot.

Her insides... are so slimy

I-is it all right if I put it in now...?
Her face is completely different from before.

Aah

HAA

Haah

Aah

Right now... you ask?

I think the young master

already knows the answer, doesn't he...?

My cock is so hard it hurts...

Chizu, what

do you want me to do right now?

I know that you normally listen to anything I say without a word, but...

I have to make my partner feel good as well...

N-no. I can't just think about myself.

It... It feels good... Her insides are twisting and entwining with my cock...

Haaa

Damn it~
It feels
so good!

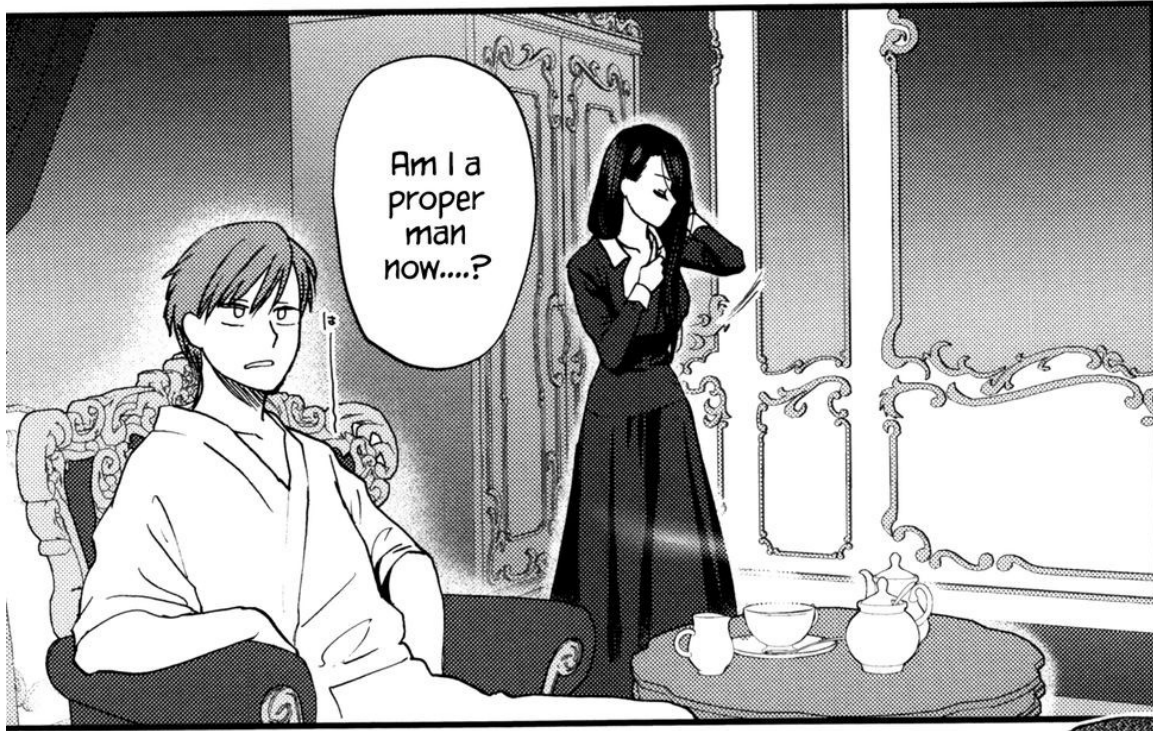

This looks
like it would
feel pretty
amazing!

I want to
pound her
harder.

Deep.
So deep.

Am I a proper man now....?

Eeh, does that mean you are going to teach me until I can reach 100 points?

Well, I would give you 30 points for that.

Still far away from 100 points, you know?

...That's not something you should say out loud even if you suspect it to be true.
