Summary of the story until now:

Kousuke's mother suddenly left him and his father. Because he can't do chores, his kuro gyaru junior trap Saaya has come to be his Mama!! From the cooking and the laundry all the way down to his sexual needs, Saaya takes care of everything for him! After sucking on Saaya's boobs for a while, milk even began coming out of them, despite Saaya being a trap...

ALL!

Hello everyone, I'm Binto. Thank you very much to everyone who read this, from the first timers to the veterans that know everything about Saaya! I'm very happy that you've managed to enjoy this sexual fetish in here. Is it okay? I mean, obviously the sexual part is, but I mean doing everything else for you. I'd like to have my clothes changed, my hair dried, and my meals made for me...all my daily chores can be mothered for me! But that's probably asking too much.

I also do work in mangas like "Otokono Ko-llection!" and similar publications, so if you see that, give it a try.

← We have guest pages coming up! Than you very much, Ayu-san and Yunota-san. ♥

Comments: The cuteness overload is killing me. The gyru trap mama is such a good concept. I hope the artist keeps making these.
