

Kichijouji Academy's Student Council President Tsukimizato Rin is superb at both studies and sports.

What could want my sister from me?

Well, please have a sit first.

Excuse me.

Is there anything you want from me?

Let's have a nice chat.

Whaa
?!

How-
ever...

U-Um, is this... what you wanted me for?

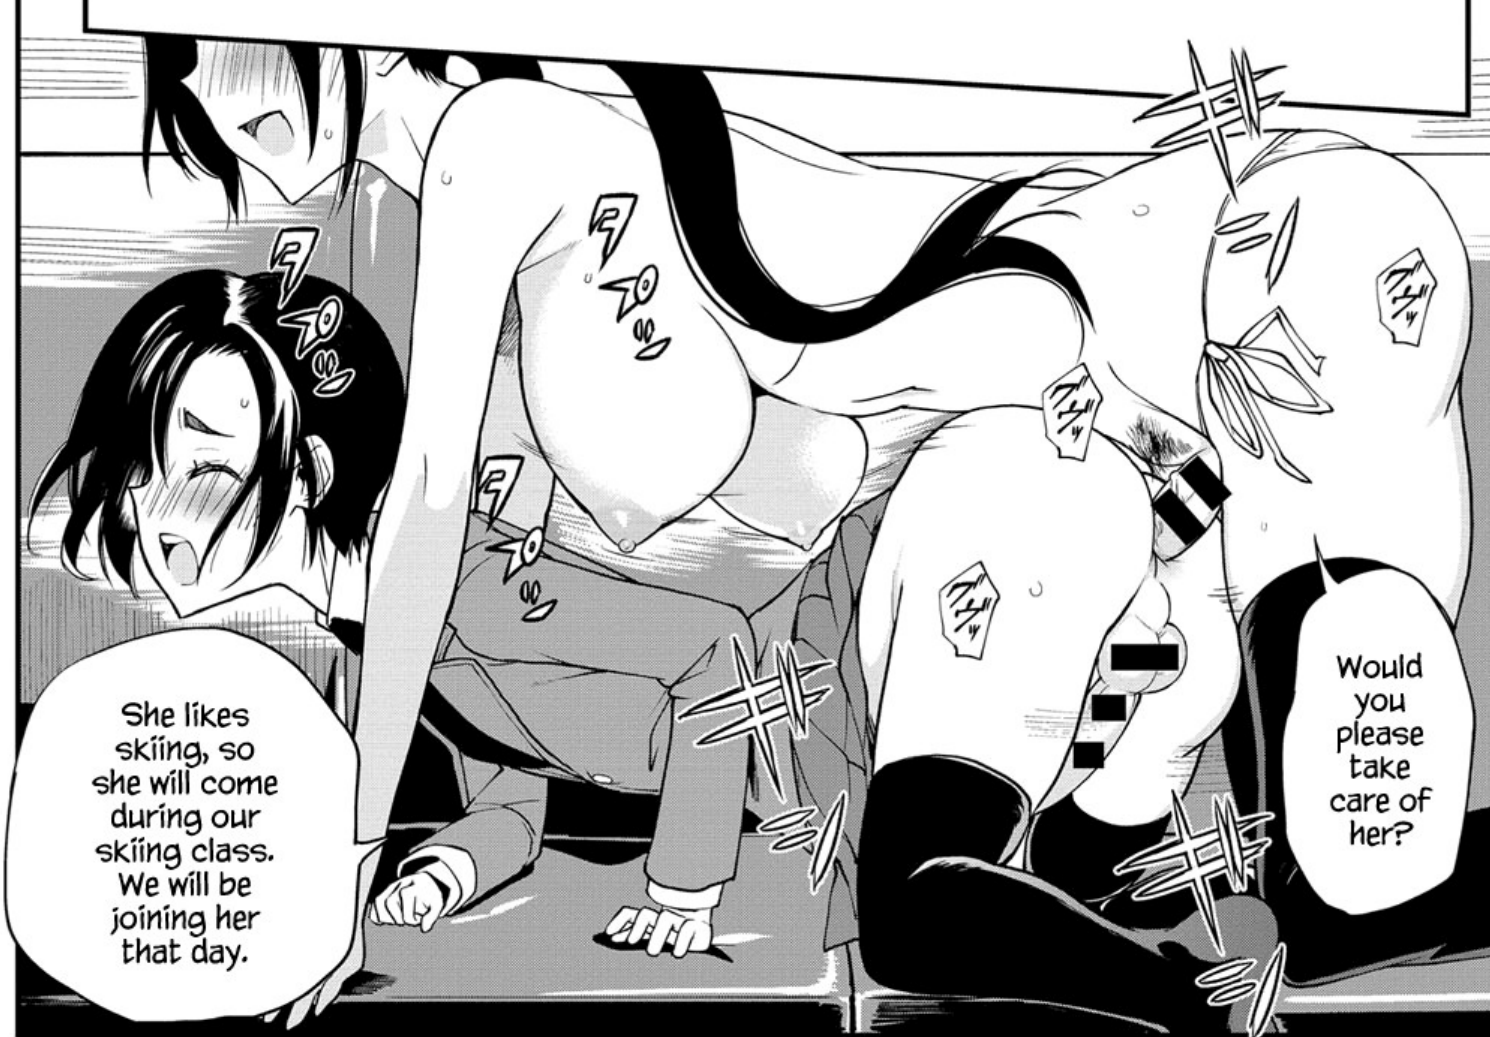

There's something I want you to do, Ren-kun.

This time, it's about the exchange student from England.

Yes, I know about her...
Hauh

She likes skiing, so she will come during our skiing class. We will be joining her that day.

Would you please take care of her?

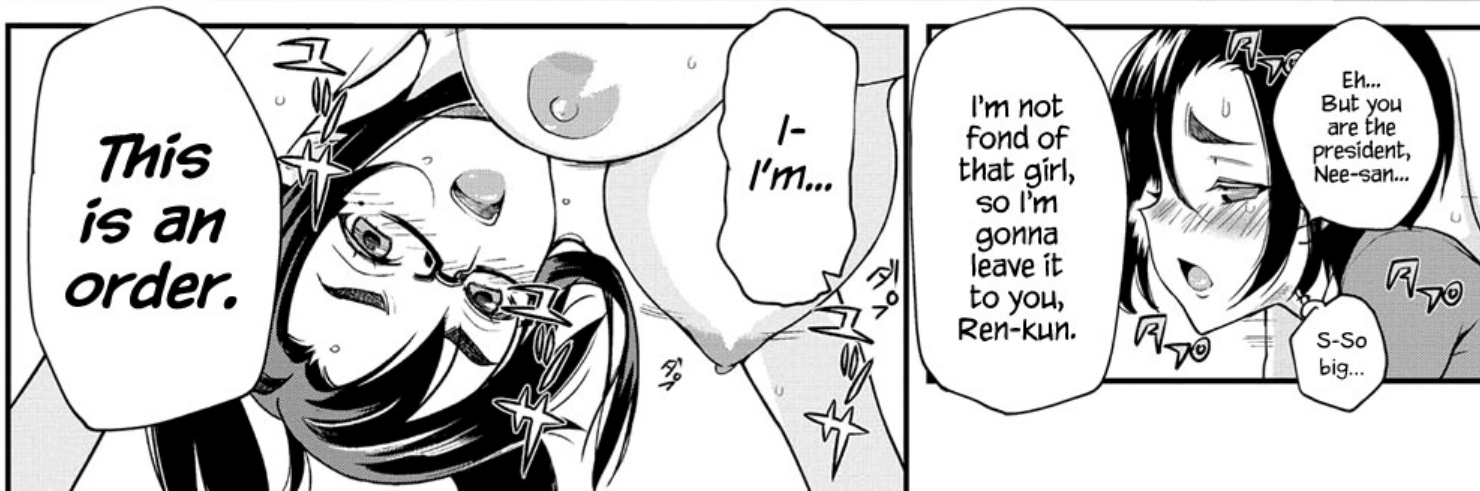

I, as her brother, wasn't an exception.

I lost my virginity to my sister, kind of...

My sister indulges in sex with female students and teachers who are obsessed with her giant dick every day.

People become attached to her once they find out she's a futanari...

This is an order.

I- I'm...

I'm not fond of that girl, so I'm gonna leave it to you, Ren-kun.

Eh... But you are the president, Nee-san...

S-So big...

N-
No,

I'll do
it, I'll
gladly
take
care of
her...

You
want
to cum,
don't
you?

I'll stop
if you
say no,
alright?

Haa

Haa

After all,
my sister
surely knows
that I can't
go against
her dick...

Uh... If I
want to be
thrustured by
that dick I
have to take
the job...

Today is the skiing class of Kichijouji academy.

She's Patricia from England!

Before we begin, I would like to introduce an exchange student.

Wow! She looks like a doll!

Lemme take a picture!

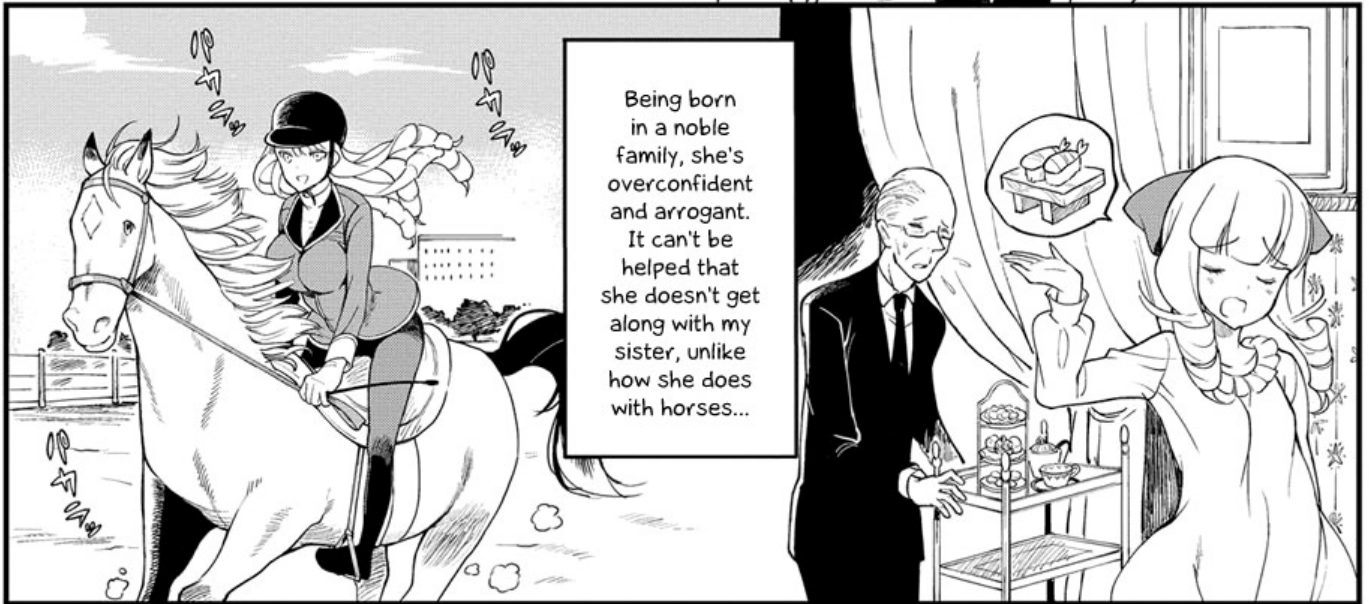

An English exchange student who came from a noble family.

pleasure to meet you too

Patricia Charlotte O'Brien.

She's our cousin.

Nice to meet you, my fellow Japanese classmates.

Being born in a noble family, she's overconfident and arrogant. It can't be helped that she doesn't get along with my sister, unlike how she does with horses...

Alright, first years, please come here.

How have you been?

I was sent as a representative of the student council to be your guide.

Patricia-san, long time no see.

BOO!

For the rest of the day, we'll be practicing the snowplough turn on the beginner course. And you are not allowed to use the lift.

Please pay attention. I'm going to give you instructions now.

Can we ride the lift, Sensei?

Please remember that this is a 'lesson' and don't act on your own.

Extracurricular lessons are a place to cultivate teamwork. I'm well aware that some of you are very confident in your skiing skill, but...

Yes~

Ja...

Ren,
following Rin's instructions is boring. Let's head over there.

It's our turn next. Let's go.

Uhm... Patricia-san?

⋮

But this is an advanced course! Let's not.

We have to stick together...

Sensei said it, right?

Wait!

Well, I shall ski on my own then.

Geez... You Japanese take group activities so seriously...

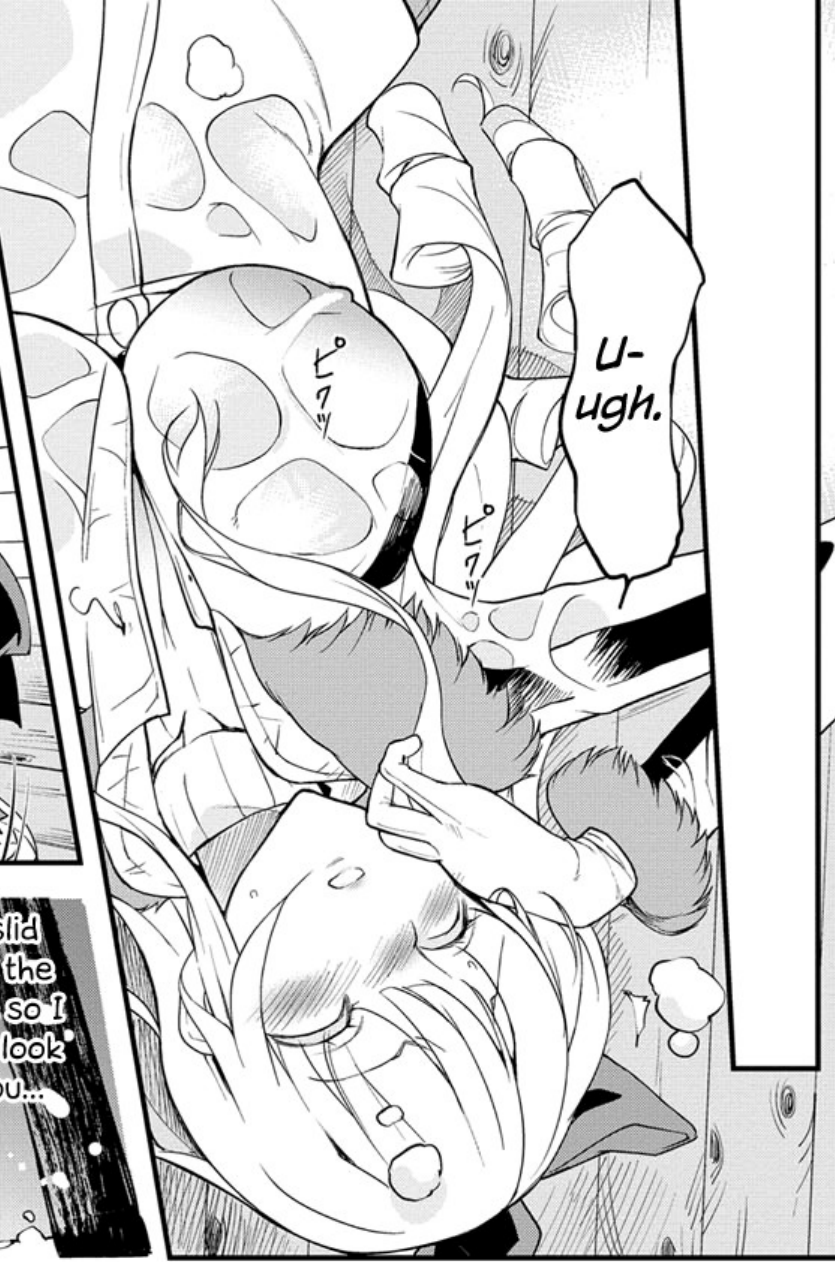

How boring~!

You were pretty rash back there.

Oh, you woke up, huh?

U-ugh.

It seems like you bumped into a tree and collapsed!

You slid out of the course so I had to look for you...

Where are we?

It's so cold!

It's because the sun has set down...

I wonder if Sensei and the others noticed that we had an accident... It's snowing outside right now, so I think they'll only come looking for us if the weather settles down tomorrow.

our phones are out of range.

At any rate,

It's probably a small cabin used by hunters. There's still some wind in here, but it's better than the outside.

Hurry up!

J-
Just a
sec, I'm
doing
it now.

O
O!

Uu~ It's
so cold~!
Why are
you slacking
around?
Hurry up
and light
the fire!

Eh?
What's
wrong?
If you
catch a
cold...

I'm not
someone
who would
go nude
before a
guy~!

Uuh...
So
cold...

Huh?!
Are you
kidding
me?

Your
clothes
were
torn and
drenched
with snow,
we have
to dry
them up...

I'll do it
for you,
so please
take your
clothes
off...

I'll do it well.

Now dry them up.

...Ren, take your clothes off and come over here.

But don't you dare look this way!

we have to keep each other warm with our body heat!

I know you'd freeze if you take your clothes off! At times like this,

W-What exactly do you want?

Ha...
How warm.

Haah...

I read it in
a comic
book once.
If we do
this, we'll
be able to
withstand
the cold.

So this
is what
they call
'to be
restored
to life',
huh?

I've read
a lot of
them
since I like
Japanese
manga.

Haah-

N-
No,

it's
because
you
suddenly
touched
me...

What's
wrong?
Your skin
is all rough
and full of
goosebumps.

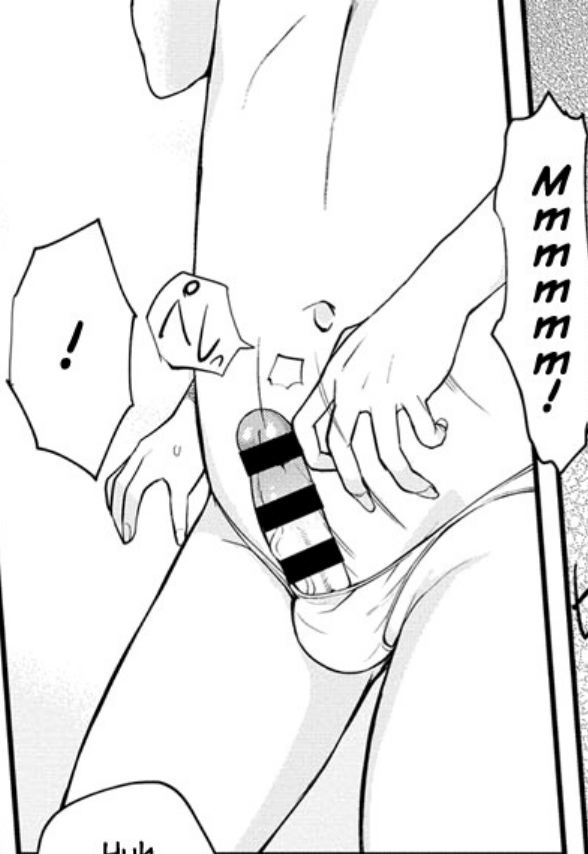

Ouch!

Do you
feel cold?
How weird.
It should
be pretty
warm.

What are you hiding? Show me!

Mmmmm!

O-Oh no... She'll kill me if she sees this...

Huh, I think I hit something.

Aaah!

Please don't touch me, leave me alone...

This is-! This happens when I get a weird feeling!

No! I'll get cold if I do that!

Come over here.

N-No way!

W-What is that thing?!

Humph. I was frightened a second ago, but I'm okay now.

Aa ah!

Hurry up and come here!

Idiot!

Aha ha...

D-Don't push yourself, Patricia-san. Your eyes are tearing.

Don't touch me...

Oh no! I told you just now, didn't I?

Whoa!

Don't you act like you are above me! I won't forgive you.

What? How impertinent! Watch me!

Haa... Patricia-san.

Easy peasy.

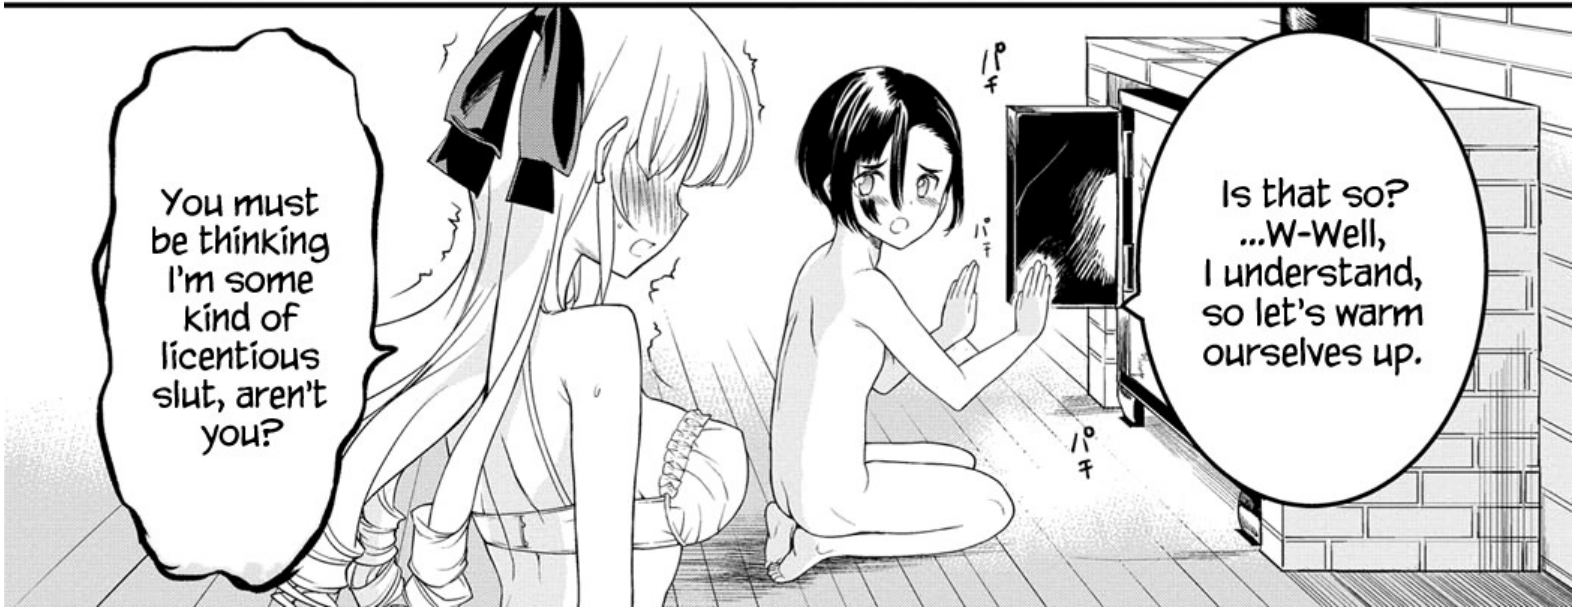

...Hmph.

What are you talking about?! That was my first time! It was my brilliant intuition that made you think that way!

?!

You are very experienced at this, aren't you? I thought that a lady like you wouldn't have any experience at all.

You must be thinking I'm some kind of licentious slut, aren't you?

Is that so? ...W-Well, I understand, so let's warm ourselves up.

I shall prove to you that I am actually a virgin!

I am the daughter of the Charlotte family. I won't forgive you for treating me like a slut!

And her nipples look as sweet as berries.

Patricia-san's skin is as white as snow.

Now, see for yourself!

Wah!

Eh...

She even has blonde pubic hair...

It's even harder than before.

No, Patricia-san. We can't do this.

What are you talking about? Your dick got hard again, didn't it?

Nh... The tip got stuck and won't go inside.

W-Will it go inside if I do this?

Waaa!

Eh, won't it hurt...?!

It's alright, just start moving.

So, do you believe me now?

I never doubted you to begin with...

It's so narrow inside... I can't move my dick at all...

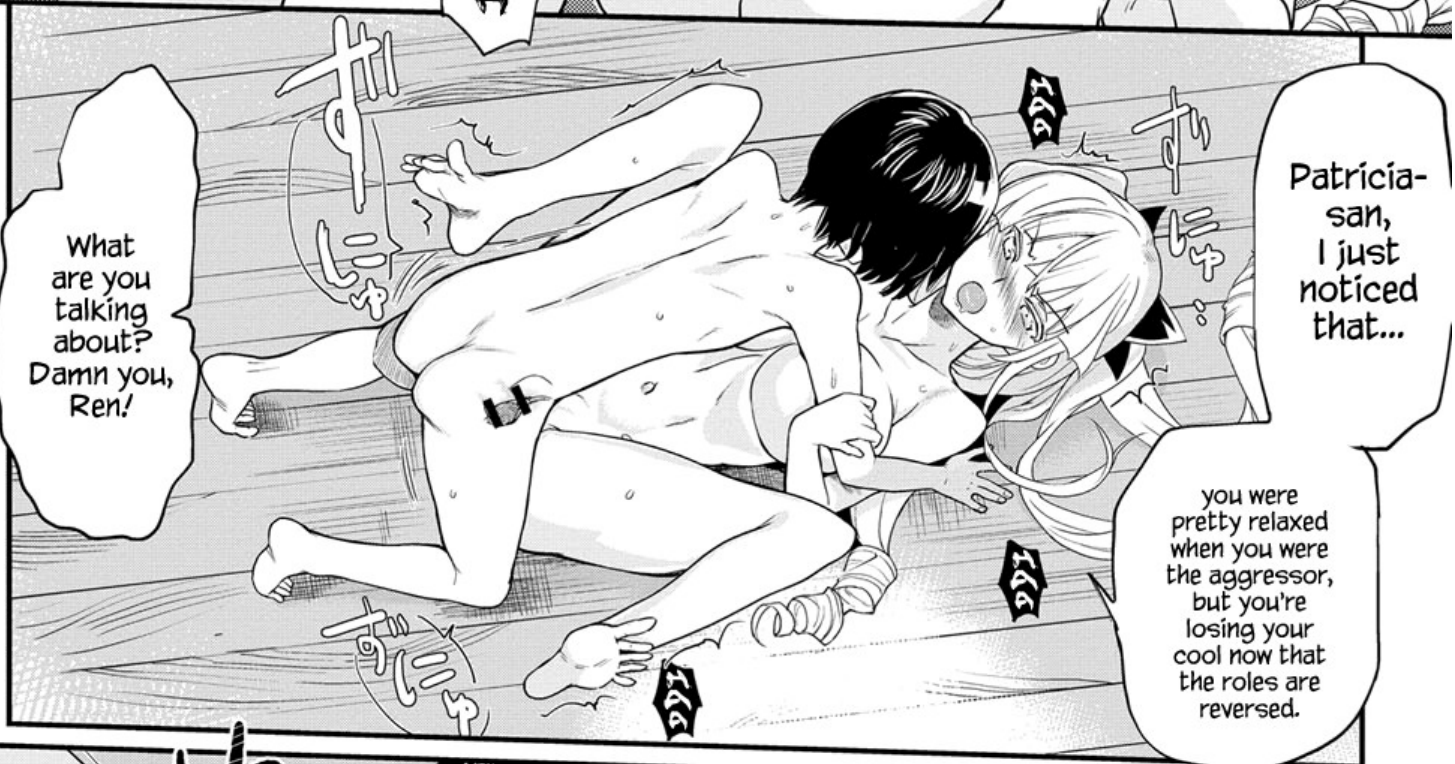

I can feel its warmth, it's wonderful... It does hurt but it's okay.

Urgh... ah! It's sucking my dick. Pleeeeease don't move so gently.

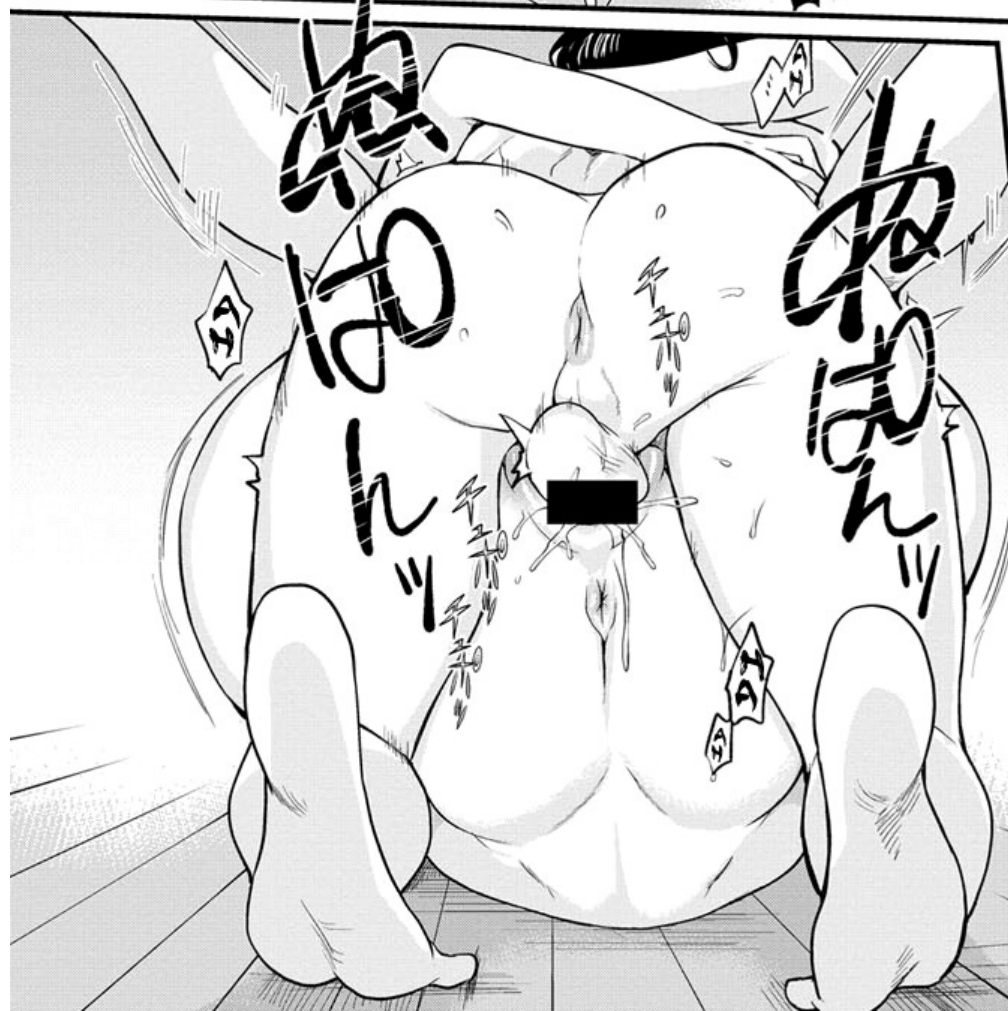

I'll put it in myself this time, okay...?

What are you talking about? Damn you, Ren!

Patricia-san, I just noticed that...

you were pretty relaxed when you were the aggressor, but you're losing your cool now that the roles are reversed.

Haa... Patricia-san, are you going to orgasm? I'm about to cum as well.

Something's coming!

000111

I-I squirted...

Your pussy's twitching like crazy. Don't you feel glad that you have a dick for your first time?

That hurts, Patricia-san!

y-yes, it felt too good.

It's so slippery inside, did you cum too?

Oh... Fantastic!

y-yes!

Let's do it one more time!

Waaah! I can't stop going on...

Fantastic! I'm going to cum~!
