

Her lips are so soft...

Her tongue, her cheek, and her chest too, all of her...

haa! haa

Nervous?

I'm... about to moan...

slip

It'll feel better in a moment.

Relax.

Ah!
Haruka?

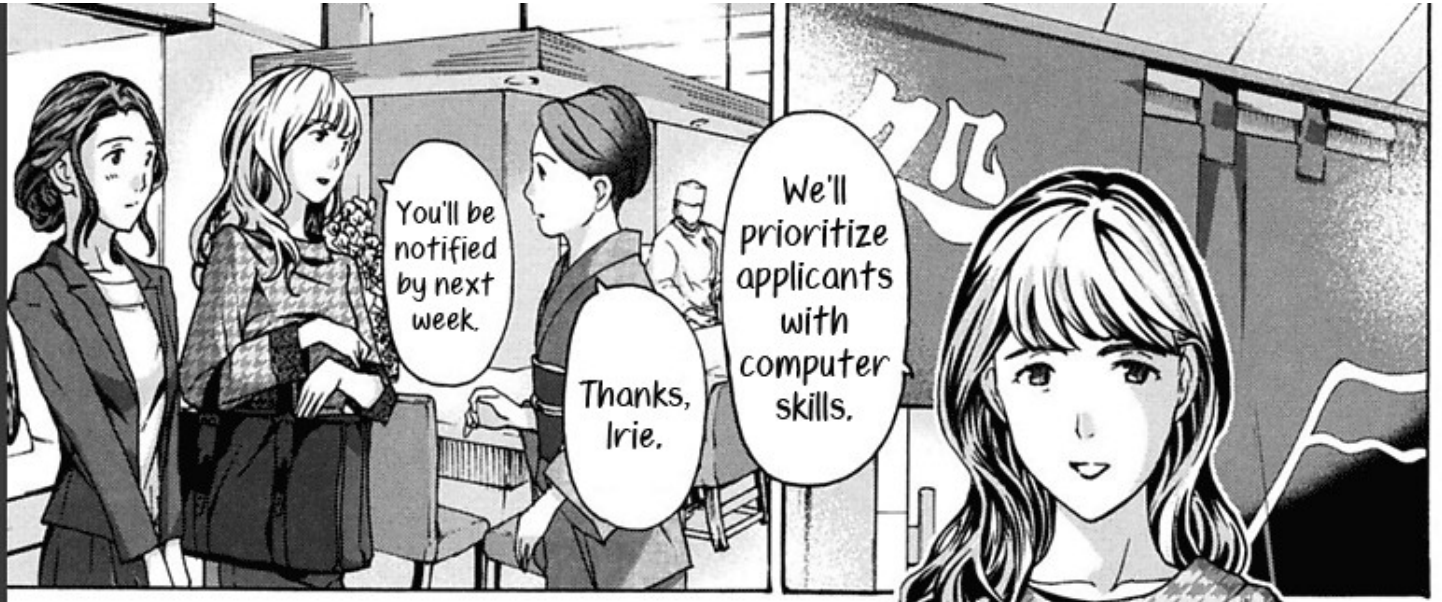

mnn

Ah... ah!

with a girl...

I'm having sex...

You'll be notified by next week.

Thanks, Irie.

We'll prioritize applicants with computer skills.

Pleased to meet you.

Haruka here will contact you.

私はもと彼女のソコ... Softly Upon Her

I'll join you, Chief Irie.

Hehe.

Time for a workout.

After work we hit the gym together.

Maybe I'll leave the next interview to you.

Huh? Are you talking about what happened earlier?

Isogai Haruka joined my section last year.

Good work.

Good work.

Then, we drink at my apartment.

That's not fair!

Let's stop the work talk now.

But that's-

A reward for your hard work!

It was a long day today, so I just felt like it...

Aren't you drinking too much?

The "cute junior" label would suit her perfectly.

Excuse me.

Hee

Hmm.

I always sleep like this at home...

It's fine, but in your underwear?

slide

Hm?

Her skin's so smooth.

No plans for marriage?

You're really beautiful, you know.

Mind if I sleep with you?

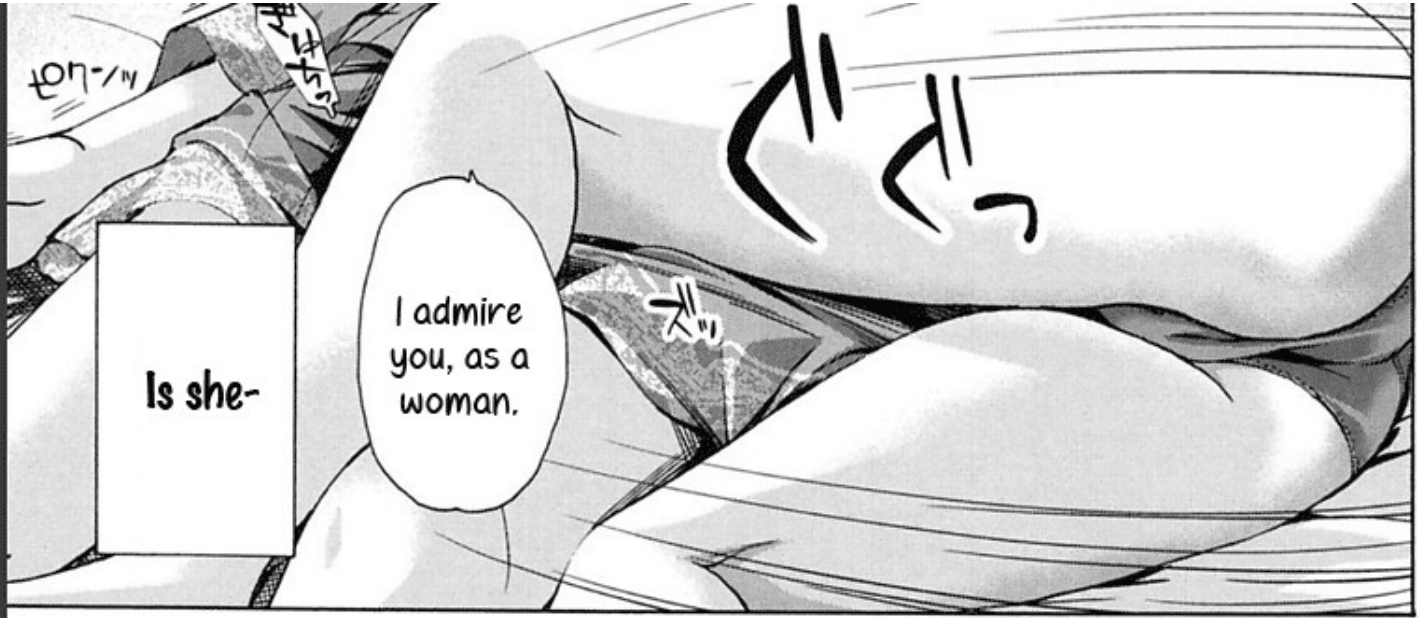

but there's something about the way she touches me.

It's not uncomfortable,

I missed the timing for it. I'm almost 40 now.

Is she-

I admire you, as a woman.

...!?

mh

Don't.

poke

If she goes any further-

ah hey!

Natsu...

You're drunk, Haruka.

mn!

Relax.

Huh?

Her fingers are so soft.

No, Haruka-

Ah! That's-

mn... Hey...

You could touch someone like this?

Ah...

Natsu, you're wet.

Haruka...

She's making my heart race...

It was the first time I came.

Is that mustard spinach on the veranda?

Yeah... I have some other plants, like mini-daikon, too.

J-Just leave it in the washer.

What should I do with the towel?

What am I babbling about...

Even though it's got nothing to do with my job right now...

I'm interested in gardening.

Okay.

Is she telling me

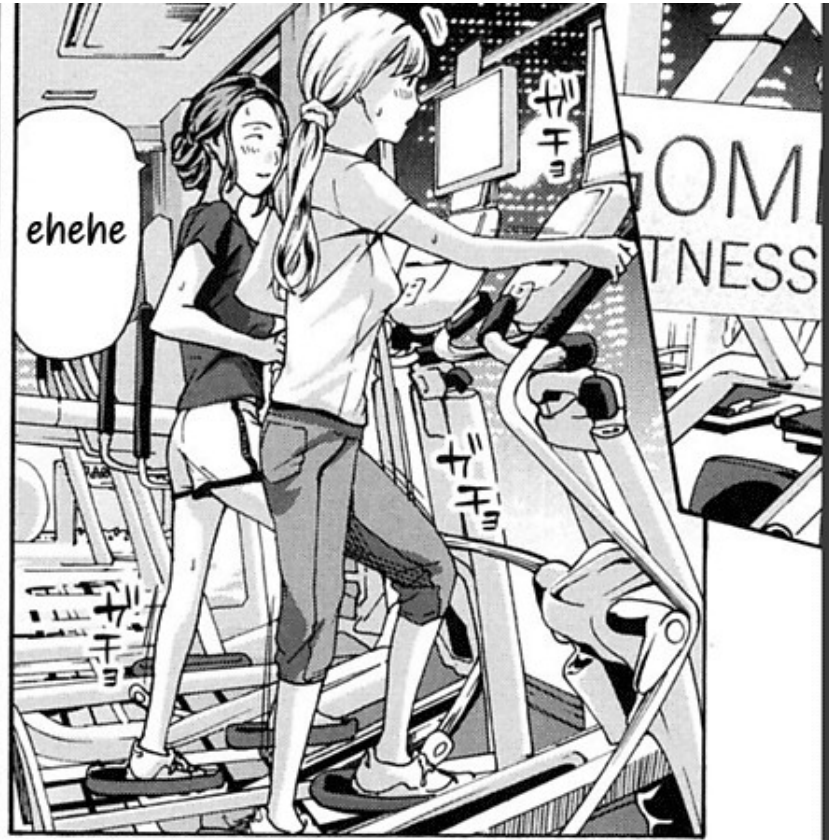

or anything.

I'm not expecting that to become a habit

About yesterday...

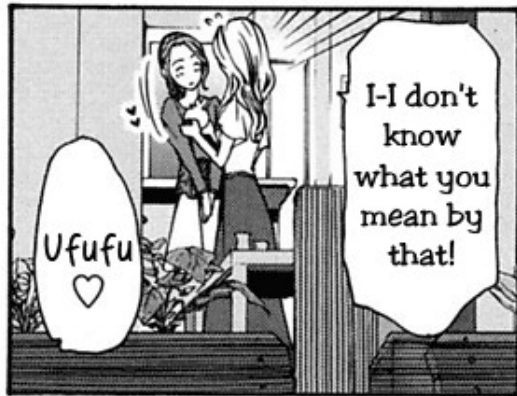

I'll take it with me if you don't want me here.

Please accept it.

Feels like you're trying to worm your way in!

Ufufu ♡

I-I don't know what you mean by that!

Don't worry, I'm on my period too.

Yay!

...You want to stay over?

So she said, but...

Just a kiss.

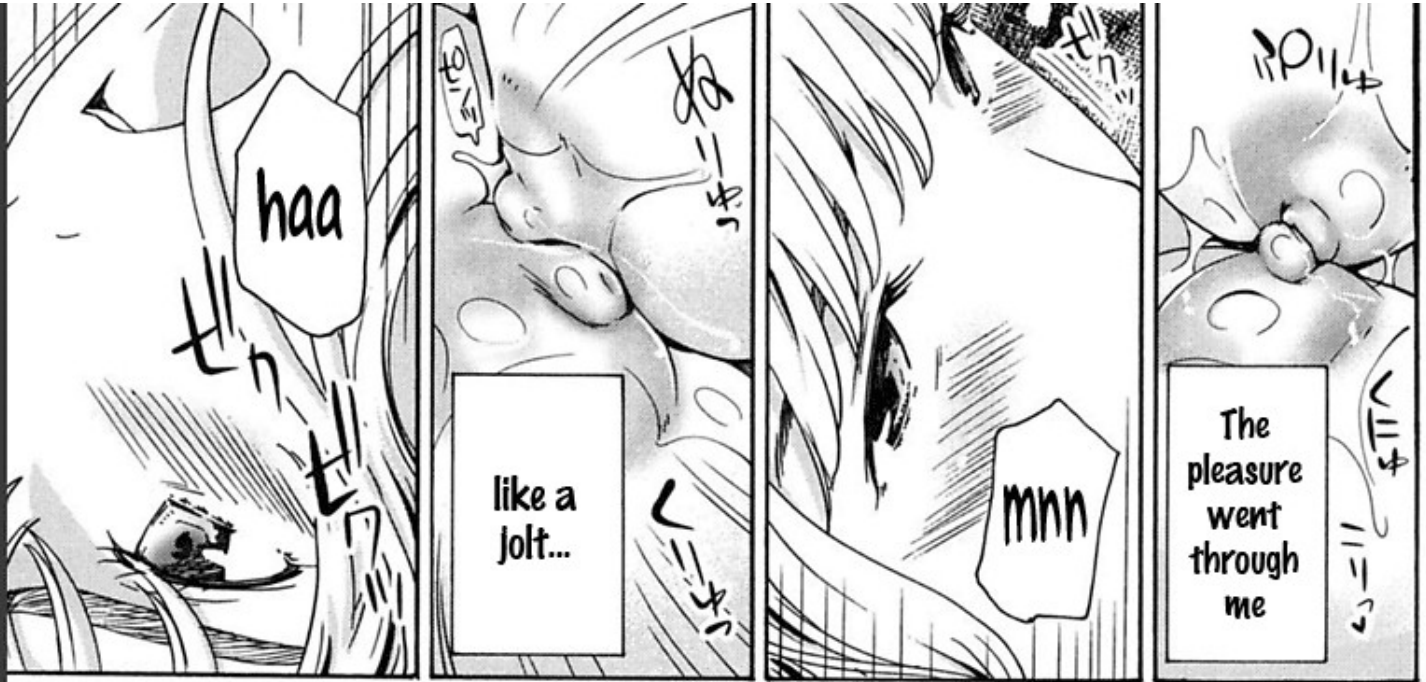

I said no.

mn...

Thank you.

I'll call on you again.

Haruka's young, but she's got a good head on her shoulders.

Thank you very much.

I-It was really cold outside...

It's so warm in here.

Not again...

and I made her...

Natsu...

Haruka...

Yes...

C-Can I take it off for you?

every bit of affection immediately gets a response.

Like scratching an itch,

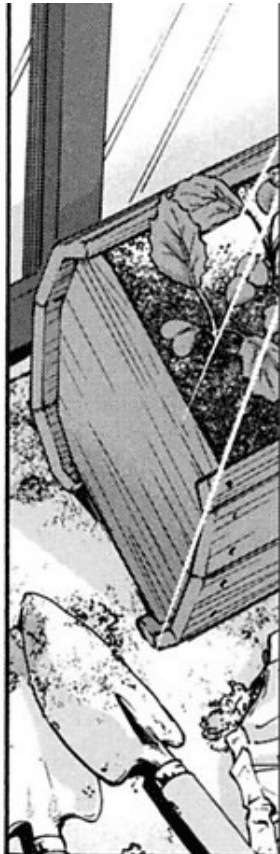

It's hard to find

Our bodies grew hot with last night's aftertaste.

Sheesh

You're getting used to this
