MY NAME IS YUME.

STILL, SINCE SHE SENDS ME A LETTER EVERY WEEK, AND ONII-CHAN'S ALSO HERE WITH ME...

I DON'T REALLY FEEL LONELY.

MY MOM IS GOING TO BE AWAY FROM HOME FOR A LITTLE WHILE.

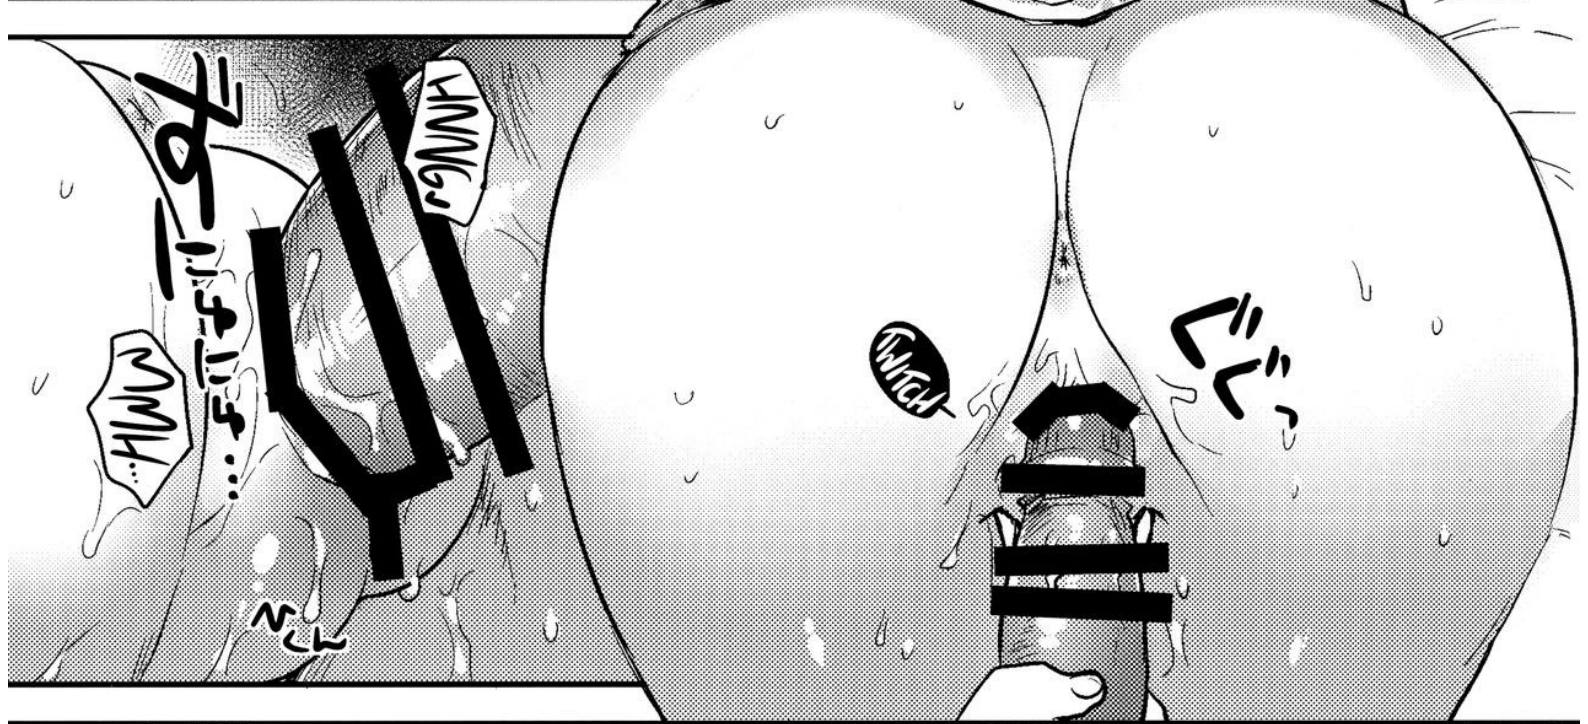

APPARENTLY, SHE'S ON A BUSINESS TRIP OR SOMETHING, BUT I DON'T REALLY KNOW THE DETAILS.

MY FAMILY IS REALLY KIND TO ME. I THINK I'M PRETTY FORTUNATE, DESPITE MY SICKNESS.

I'M ACTUALLY KINDA HAPPY. IT MEANS WE CAN HAVE SEX WHENEVER WE WANT TO.

I'M IN LOVE WITH ONII-CHAN.

THAT I NEED
TO GET WELL
AS SOON AS
POSSIBLE,
AND SET ONII-
CHAN FREE...

I'M WELL
AWARE,
HOWEVER.

YEAH
...

SURE.
IT'S A
PROM-
ISE.

YUME SUGISAKI (14)

BIRTHDAY: 2ND OF DECEMBER

LIKES: CHOCOLATE MINTS (HER MOM
GETS MAD WHEN SHE EATS THEM)

HATES: HOSPITAL FOOD

BREASTS: RELATIVELY BIG

A SICKLY LITTLE SISTER. LIVES A TOUGH LIFE, BUT THANKS TO THE EXCESSIVE CARE PROVIDED BY THE PEOPLE AROUND HER, SHE APPEARS AS IF SHE WERE DOING JUST FINE. SHE'S SUPER-STRESSED OUT ALL THE TIME AS WELL, BUT TRIES TO ENDURE IT WITHOUT WHINING AS SHE DOESN'T WANT TO GIVE HER CARETAKERS TROUBLE. MOST OF THE TIME, THE ONLY PERSON WITH HER IS HER OLDER BROTHER, AND SHE OFTEN FINDS HERSELF WONDERING "I'M THE REASON WHY HE'S STAYING HOME, AREN'T I?" SHE CAN'T, HOWEVER, FIND IT IN HERSELF TO LET HIM GO.

Yume I drew for the circle cut. I remember this being where I switched over to this design.

Original design.

My Little Sister Is Sickly: Extra Story - 2016/12/31

The sixth middle schooler book.

I love weak and fragile girls and intended to make Yume one, but she ended being surprisingly lively. Although her being self-conscious of causing other people trouble and always trying to behave as if she was doing just fine might actually be part of the reason she's so frail.

You probably already understood this after reading the ending, but the story is based on "Munchausen syndrome by proxy".

I'm not going to go in detail about the motives that led here or anything, but the point was kinda to make you think "is that all...?" when Yume talks about how fortunate she is in the extra story. They're both so closed personality-wise, they really feel like siblings. I like it.

I'm a big fan of when a brother and sister think alike and so (if you've read the extra story you already know this) it turns out Yume's brother's feelings for his sister are mutual. At the same time though they both understand that it's wrong, and prioritize resolving their current situation. Now, is this something that runs in their family? That I haven't thought of yet...

This was a pretty simple book so there wasn't too much I had to cut. Although I suppose if you don't read the extra story, you'll be left wondering how exactly does Yume feel about her brother. The same thing happened with Haruna from the Amnesia one. Well, we all know there's no little sister out there who could hate a brother who works so hard to help her out, right!?

I already wrote this in the afterword for the main story, but their parents are divorced, and that's why their dad isn't around. Well, that's what I thought, at least... Also, Yume spends all year in bed and it gets super dirty all the time so she has a really wide and washable mattress! I'm getting even more turned on. I drew Yume being the one getting herself sick a couple of times in a certain place (it was fun).
