Am 8:00

I'm Satonaka Manaka, I'm in my 1st year in High School. I like milk pudding! I'm cheerfully on my way to school!

I'm looking for a boyfriend!
Sigh~ I wish a great boy will appear in front of me all of a sudden~

E-Excuse me...

N-No, no, no, no, I-I-I-I-I'm totally fine...! It's my fault I didn't pay attention either! Excuse me!!

More like, aren't you hurt!!?

No, I'm all right...

Thank goodness~! Please be careful not to hurt yours-

A kiss...

I'm kissing... in a train...

p-... Pahdon me...

I lost... my balance...

If he kisses me like that... I'm gonna fall for him...

They're High School girl's boobie-hand-straps.♥ Make sure you hold them properly.♥

No way... You recorded me...!?

We're gonna send it to all of our friends~★ I know it's unbecoming at my age, but it still got me all excited~★

Ah...

Look at you licking it off~ You sure love semen, don't you~? (Haha)

Nnh...

Don't pinch... my nipples so hard...!

So many old men are touching my boobs.

They push my nipples into my boobs...

Whoever wins at rock-paper-scissors, takes one of my boobs and plays with it however he likes...

or pinch them and pull my boobs...

They really concentrate on my nipples. They made them swell up and played with them for 20 minutes...♥♥

Next-I take their dicks into my hands and it's time for blowjob photos♥

Look my way~

Me next~

My daily routine is jerking off thinking about those pure-white panties every night when I get back home.

I always ride that train sitting across from her and watching her white panties peeking from between her thighs.

There's a middle-schooler who always rides the same train at the same time, and studies in the same car.

The next day.

!!
EH!?

Eh...? Huh...? I've seen it in a book...

It's male genitalia... a dick

She's staring at it... A middle school girl is staring right at my dick...

Gwoh... After seeing them, I got rock-hard...

It's undoing... the zip-

Gwoh...!?

It's a dick... That's a... dick...

It's my first time seeing one... A man's... dick...

KAMOME

Amano Kamome, middle school 3rd grade. Studies every morning to move up to high school! Studies are more important than naughty stuff! That's the kind of a virgin she is.

A dick... A dick... A dick... It's a dick... A dick...

If she stares at it so much... its gonna turn me on... and make it hard...

How about I let her see it closer up...?

Oh no... Nevermind a dick, I have to study...

Chemical reaction... ~becomes... O x... fuse...

△△ reaction... An erect dick... is hard and twitching... No...

Study... I have to study...!

I haven't even kissed or held hands with a boy yet, but...

Here I am kissing a dick so much...
