

オナホ妖精カラ松を
手に入れた一松の話!

AS SOON AS
I HEARD THAT
DR. DEKAPAN
HAD CREATED A
NEW ONAHOLE,
I GOT A
PROTOTYPE
RIGHT AWAY.

"ONAHOLE
FAIRY
BREEDING
KIT"
...?

■ Before I knew it, I was drawing the Magical Onahole again.
- MatsuCha.

Again,

Ichimatsu-kun got a magical onahole.

It's that kind of story again.

Since it's a different setting from the previous work, "The story of Karamatsu connecting with a magical onahole!", it's okay if you didn't read it.

This is a different timeline. In this timeline, it's **ICHIKARA**.

Since Ichimatsu-kun can't be honest with his feelings toward Karamatsu, he takes it out on the Onahole.

The story of Ichimatsu who got
the onahole fairy Karamatsu!
