# Report 014
# Momoe and Aoi

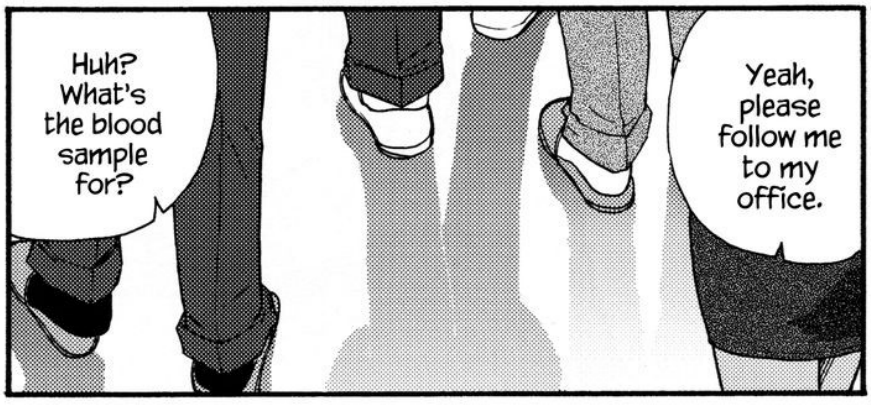

Masaki-senpai suddenly attacked me on the roof,
and while I was struggling with him, I fell off.
When I came to, I was in this hospital.

Two weeks later at the Kuroki General Hospital
Yeah...

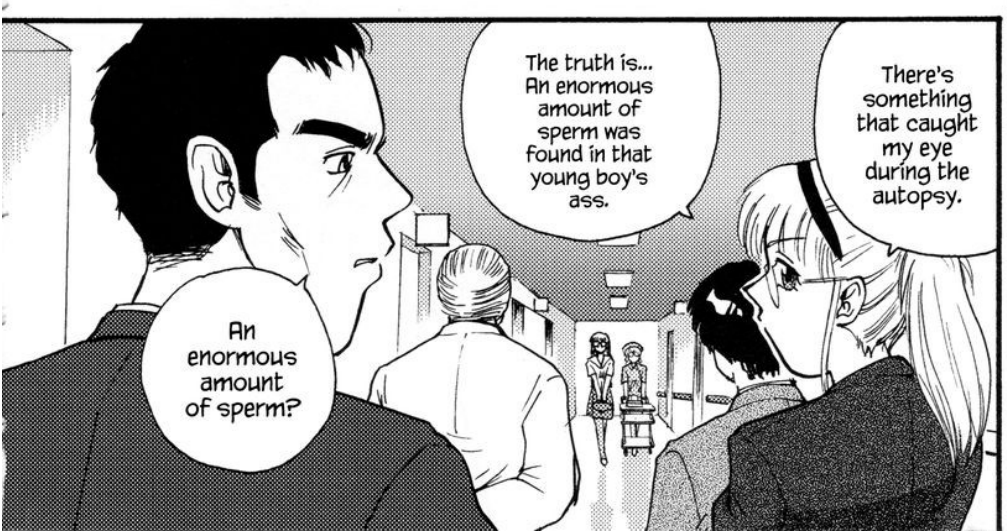

Mental fatigue will be a hindrance to her full recovery.

Inspector Akagi... Could you please leave it at that for today?

That's all I can remember.

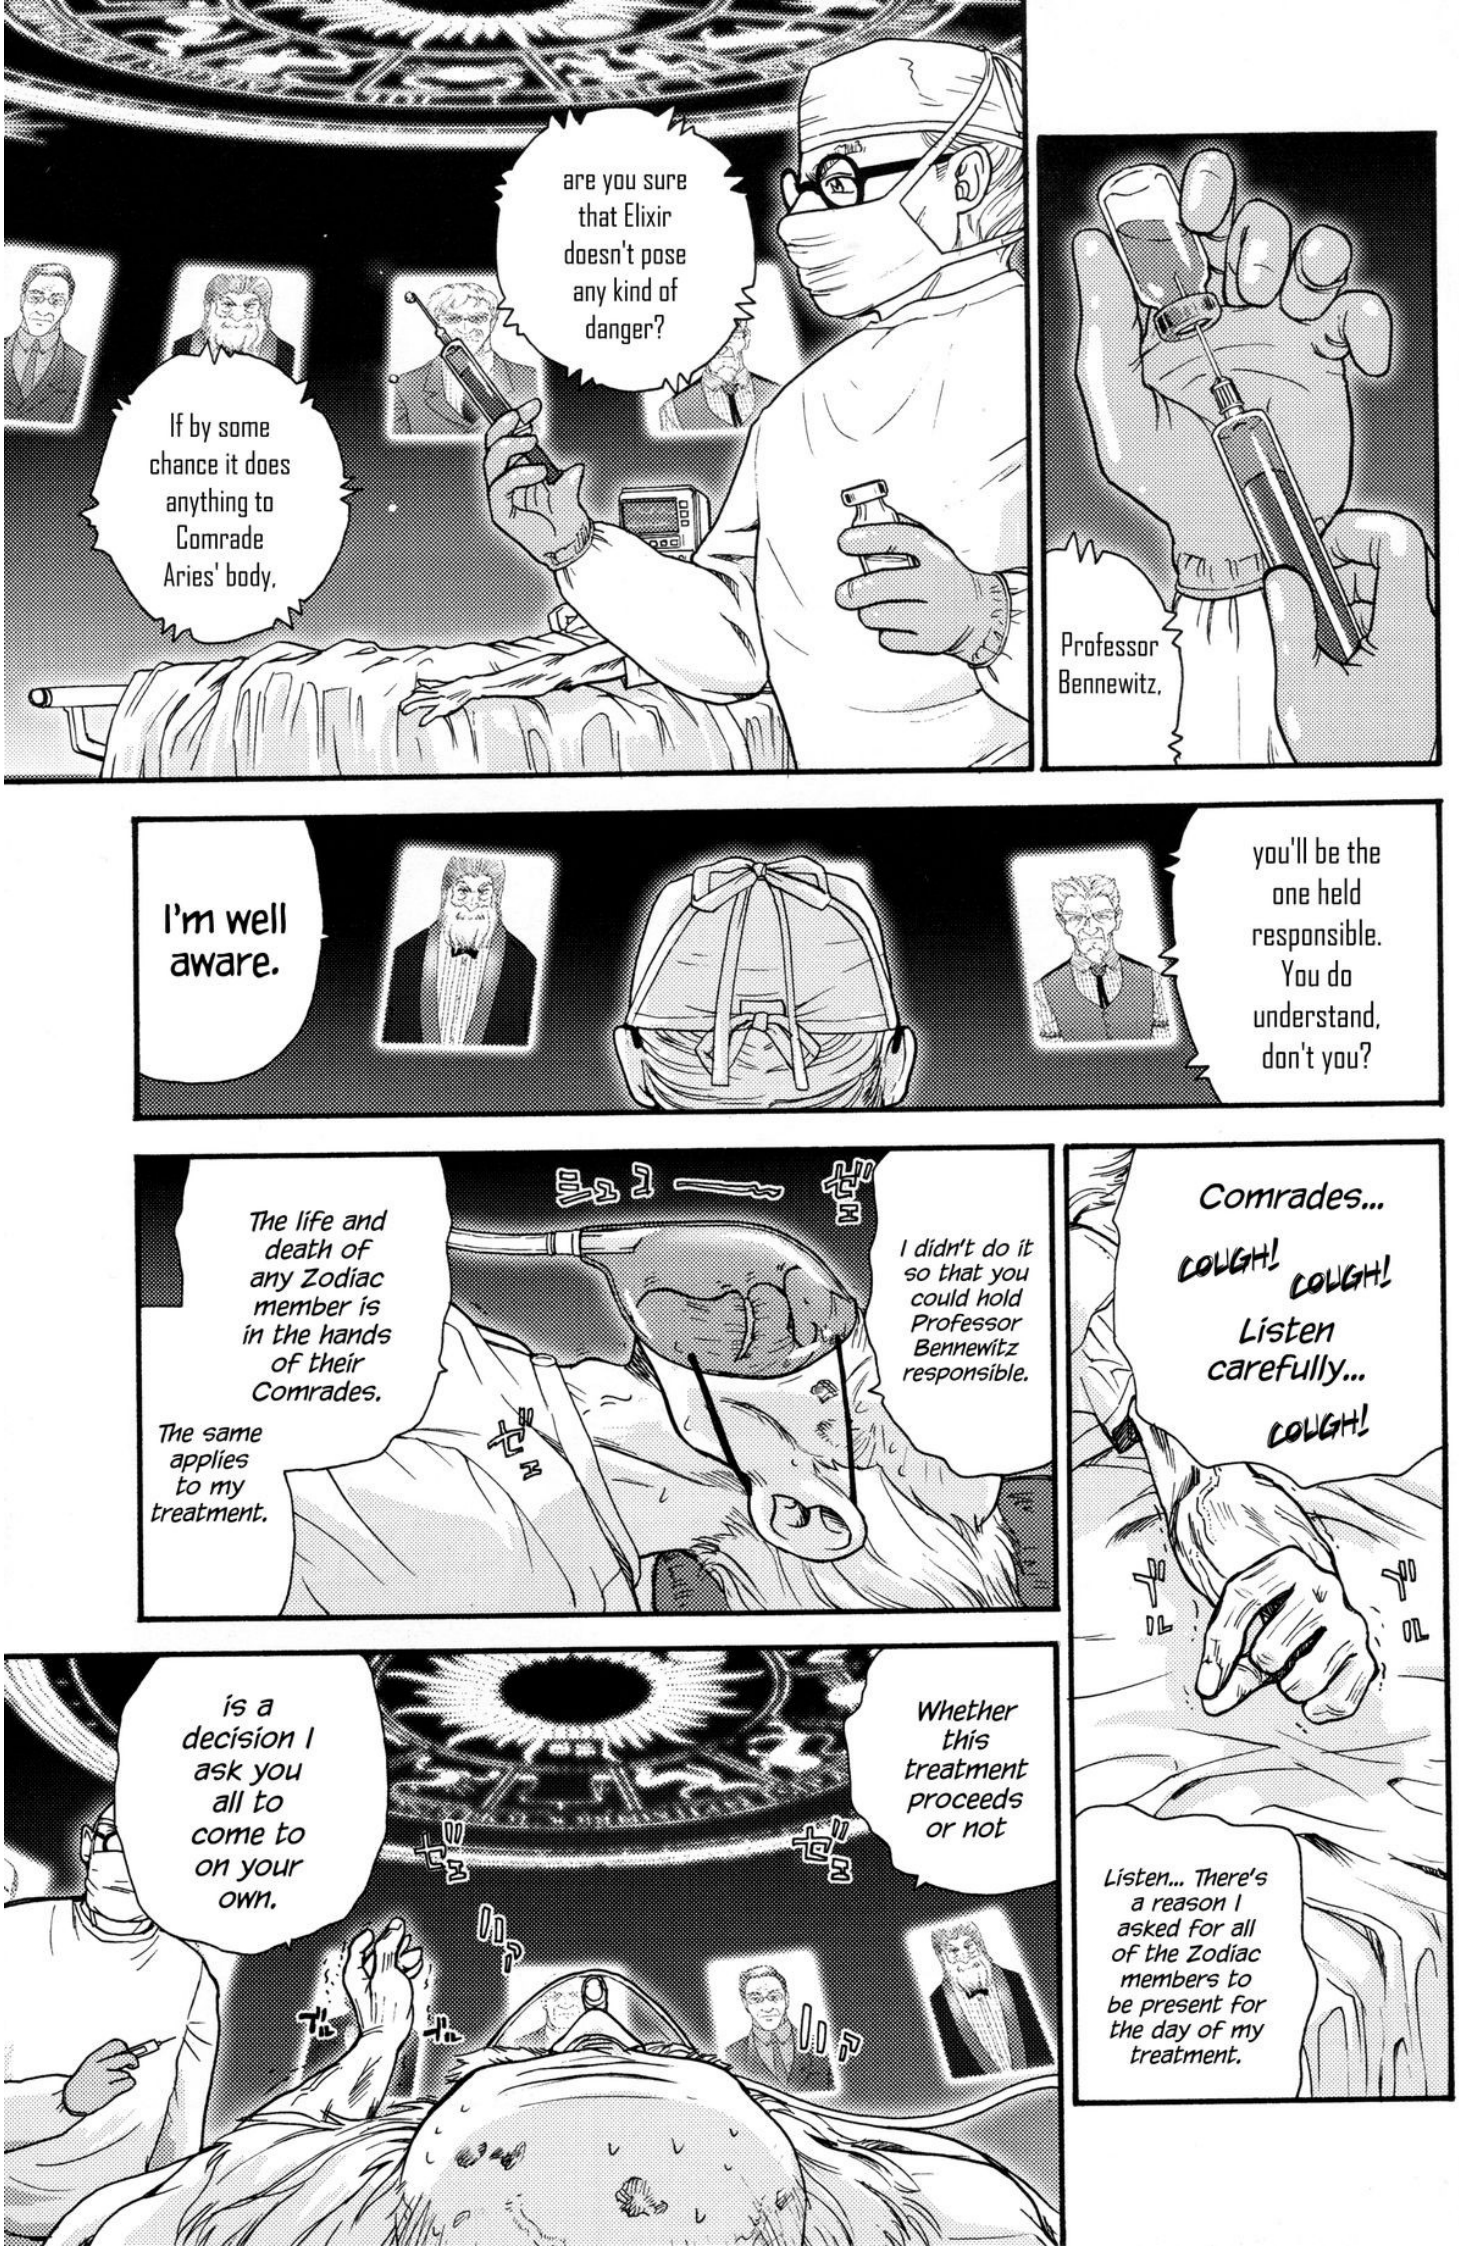

Huh? What's the blood sample for?
Yeah, please follow me to my office.

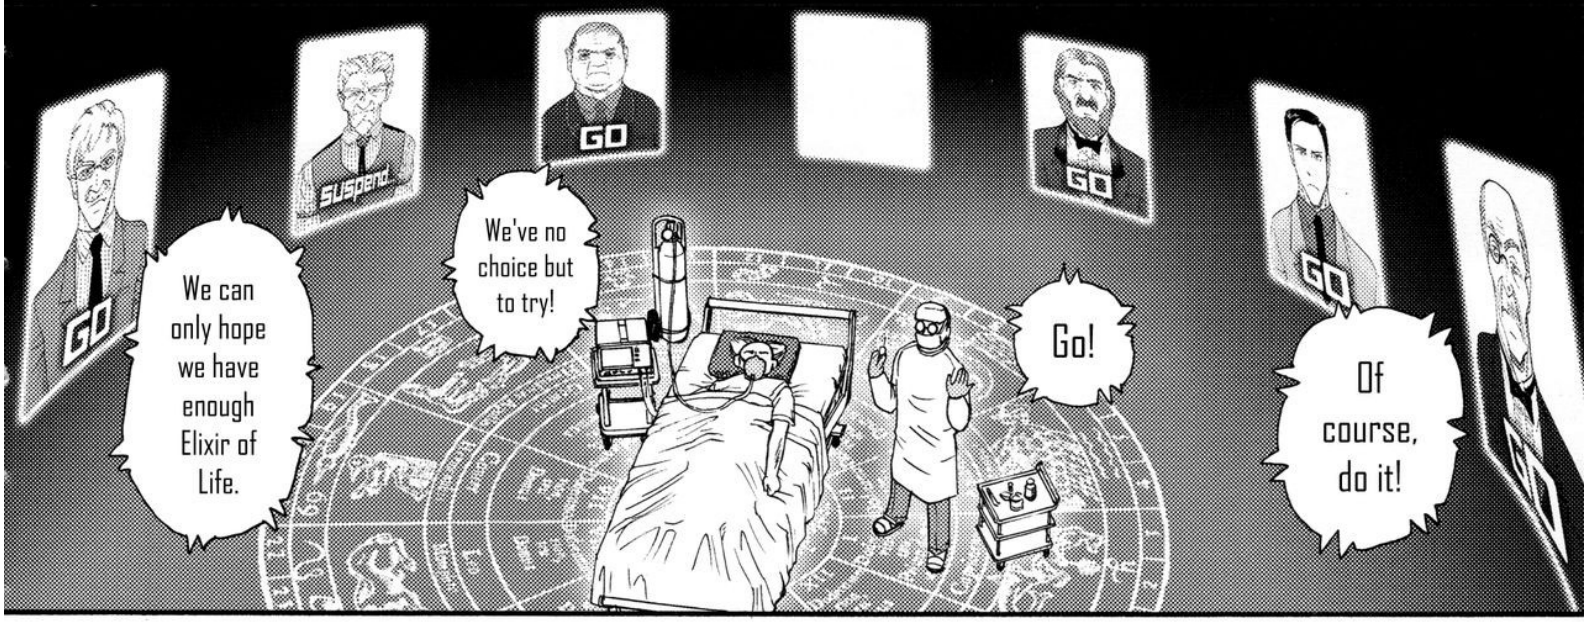

Director... About that blood sample I asked you to prepare...

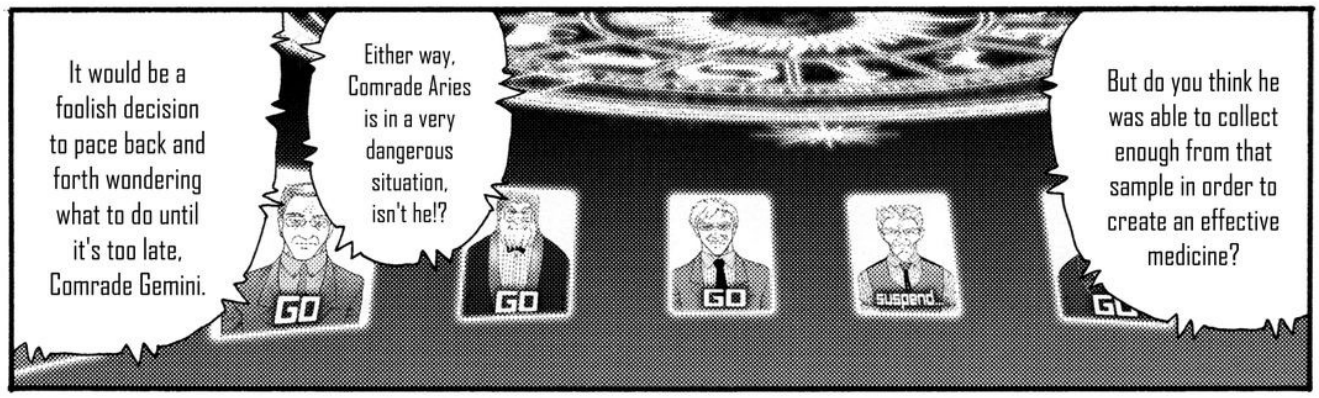

An enormous amount of sperm?
The truth is... An enormous amount of sperm was found in that young boy's ass.
There's something that caught my eye during the autopsy.

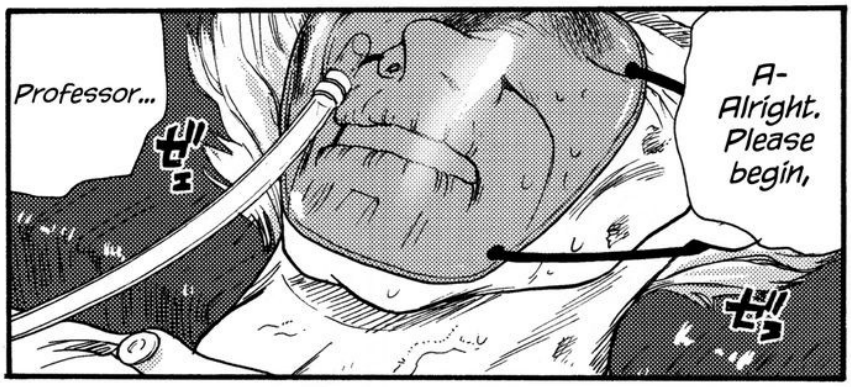

Then why are you collecting a blood sample from that girl?
Given the circumstances, there's no way the sperm belonged to him.
Which would mean that there must have been a third party involved.
A third party... You mean a man?
What do you mean?
Well, you see... The DNA from the blood and the sperm found at the scene seem to match.
The circumstances would seem to suggest that both came from that girl...
But there's no way for that girl to emit sperm.
In any case, they're definitely both from the same person.
A real little puzzle, huh? Sounds interesting.
In that case, here's an idea.
Maybe that girl's actually a futanari or something...
Don't be ridiculous!
Well, it's still possible that the blood belonged to another man.
I'm just doing this to make sure.
Hmm?

That nurse...
She seems to remind me of someone.
No... Must be my imagi-nation.
コッ
コッ
Geez...
Please don't tease me like that, Senpai.
Katou-san, are you almost ready to take a pee?

are you sure that Elixir doesn't pose any kind of danger?
If by some chance it does anything to Comrade Aries' body,
Professor Bennewitz,
I'm well aware.
you'll be the one held responsible. You do understand, don't you?
The life and death of any Zodiac member is in the hands of their Comrades.
The same applies to my treatment.
I didn't do it so that you could hold Professor Bennewitz responsible.
Comrades...
COUGH! COUGH!
Listen carefully...
COUGH!
Listen... There's a reason I asked for all of the Zodiac members to be present for the day of my treatment.
is a decision I ask you all to come to on your own.
Whether this treatment proceeds or not

We can only hope we have enough Elixir of Life.
We've no choice but to try!
Go!
Of course, do it!

It would be a foolish decision to pace back and forth wondering what to do until it's too late, Comrade Gemini.
Either way, Comrade Aries is in a very dangerous situation, isn't he!?
But do you think he was able to collect enough from that sample in order to create an effective medicine?

Professor...
A-Alright. Please begin,

Very well... You have my approval to proceed.
GO
May God be with you, Comrade Aries.

Comrade.
Don't worry, everything will go well,

Don't worry. I'll get Papa Kuroki to prepare a fake.
But what about my blood sample?
C-Can I really take a pee like this?
You were nervous, weren't you? It looks like you were really trying to hold it in.
But I answered them just like you said I should...
Besides, this hole is way too tight.
I-I guess it really won't come out, after all.
In that case, I'll give you a little massage.
Oh... Oh no! Not like that!
Y-You're gonna make something else come out!!!

Whoa! That's amazing!
You were really holding it in, weren't you, Ai-chan?
Hey, Moegi...
You've never done it with Ai-chan before, have you?
It is just as you say, Momoe-sama.
Doing it with the director and all the nurses in this hospital
is quite tough on me.

!
And especially with the Chairman's hospitalized parents...
I'm amazed to see Aoi's mother be so greedy at her age.
Sometimes, I feel like she's gonna tear my dick off.
Stop that!
Don't talk about my parents like that in front of me!
Ooh, I'm so scared...
Cut it out, Moegi.
Aoi-san would like to forget about all that stuff.
.....
More importantly...

Huhu.
I got really horny while licking you, Ai-chan. ♥
Oh my... Senpai...
Take a look. Both my dick and my pussy are all ready to go.
!

Senpai...
Could you let me fuck your ass?
Katou-san!?
Well, Momose-senpai?
Can I?
Geez...
What am I ever going to do with you?
Here you go, Ai-chan.
Sen-pai!!
Please be gentle, okay?

Momoe-sama's pretty amazing, huh? Or should I say Momose-kun?
!?
Ahhhn! Ai-chan! Please be a little gentler!
And to think he used to be such a plain, little boy.
Now, he's such a naughty girl.
No, wait, he's more than just a girl.
Look at his face... Listen to his voice.
I wonder, Chairman...?
Do you get to make love to him every single night?
O-Of course not!
Ahhn! I can't go on...
I can't hold back anymore.
Hm?

Come on, Momose-kun.
It's your beloved dick.
Lick it. ♥
Ahah! Amazing!!
You're taking it all the way down to the base!!!
Senpai! Your ass is so delicious !!!
Dick...
HAH... MMM! Dick...

Take a look, Chairman!
We've got Momose-kun on a skewer!♥
Momose-kun's so cute!
N...
No...
Nooo!
We're gonna give you plenty more lovin'!
Momose-kun, I mean, Momoe-chan is getting fucked!
Ai and Moegi are both fucking him!!

Did you just say something, Chairman?
Huh?
Get lost...
.....
Get away from Momoe-chan!!!
I told you to get lost! Get lost!!
ポン

Momoe-chan...
Ow!
Eek!

Don't worry, Momoe-chan...
I've driven those bullies away.
Now come here so I can give you a hug.
Fnyah?

Here you go, it's time for your milk.
N-Noo... I'm not some kind of baby, you know!

Nooo! Aoi! Aoiii!!
I'm gonna break! You're gonna break me apart!
You're gonna punch a hole in my belly!!
Ch-Chair-man...

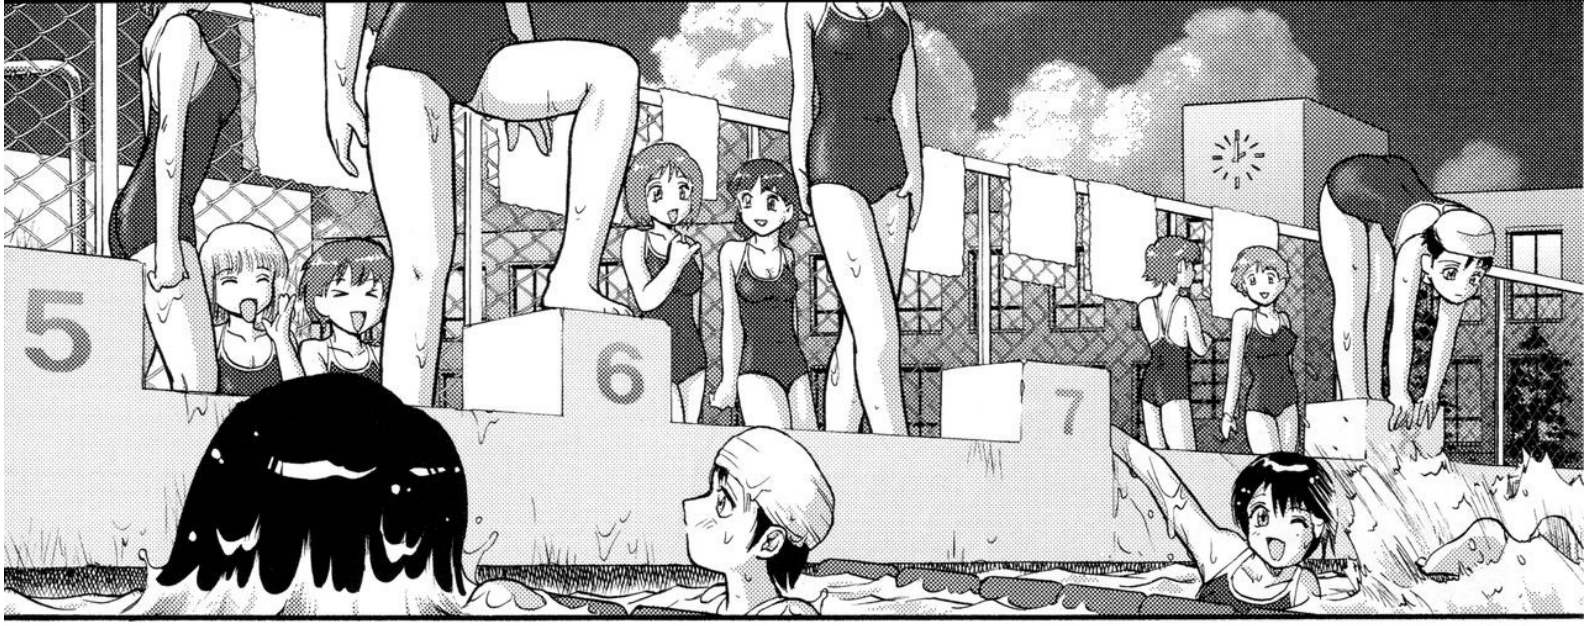

You're so high up in the sky, Momoe-chan!
AAH AAH

So high, so high!
ビュルルルル
That's amazing, Kiyose-san...
You're holding Senpai up so easily.
Haah! I'm gonna cum!!

Oh? I'm surprised to see you worrying about her, Yuki.
Aoi's... not coming back, is she?

Hey, how about that girl next?
.....

You're just looking to get your hands on Aoi's cum again, aren't you?
Yuki...
We've got another English exam tomorrow, don't we?

Mine are also gone...
Huh? My clothes aren't here.

Give those back, Komazaki-san!
Ah! That's my uniform!!
Hey, you two...
Are you looking for these?
Oh? Are you sure you wanna take that tone with me?
How could you do such a thing!?
Ah!
Certainly not something like this!
Aahh!?
What do you mean?
I didn't really do anything, did I?

You girls have been really full of yourselves lately.
ゴゴゴ
You seem to think you own the entire class.
Your grades used to be at the bottom of the class, but you're at the top now, aren't you?
What's so damn funny!?
My Daddy's been scolding me because of you!
Do you have any idea what I've been going through!?
I was wondering what she was going to say...
Isn't it your own fault for not studying hard enough, Komazaki-san?
ガシン

You bitches aren't gonna take us lightly for much longer, damn it!!!
Tell you what... If you girls don't want to get hurt,
I'd suggest you hand in a blank piece of paper on the next exam, alright?
If you defy us, I'll get a university acquaintance of mine to film you while you're in the toilet,
and then I'll spread the video all over the Internet, alright?
A Peeping Tom in the toilet!?
W-What's your problem?
Hey, Komazaki-san...
That Peeping Tom you just mentioned...
Could you tell us a little more about him?

I'm gonna cum!
Me too, Midori!
I'm gonna cum with you!

MMMGH

Time to move on.
It's your turn, Komazaki-san. ♥

What should we do, Midori?
Should we just go ahead and skewer her?
Hehe! The way she's shivering with fear is so cute.
!?
That wouldn't be much fun.
Let's ask her about the university student she just mentioned.
The one who peeps on girls in the toilet.
Good point. He might have some connection to the one who tried to threaten Aoi with that video.
But let's try to make sure she doesn't scream too loud, alright?
Don't worry.

Alright. I'll pin her down, so you be sure to spray it all over her!
There's a thunder-storm outside.
And besides, with my milk,
there's no way she'll ever oppose us.
Come on, Midori! Quit enjoying yourself over there and just let it out!
Shut up! I'm already on my third one, you know!
AH! AH! Here it comes!

Heh... That's amazing.
You're nothing but a bunch of...
My Daddy's gonna make you regret this...

Don't touch me there! Stop!
Don't!
Don't!
Nooo! Don't!

Ahaha! Did you just wet yourself, Komazaki-san?
That's not very proper conduct for a lady of this academy, is it?
Now... About that peeping university student you mentioned earlier...
Could you please give us the details about him?
Come on, you'd better hurry up!
Nooo! Don't!
AHHN... I can feel you rubbing up against me, Midori...
It's really turning me on.

D-Don't!
I-I'll talk!!
Come on, Komazaki-san.
If you don't talk soon, I'll just have to shove this up your pussy.
EEK!?
H-Hirata! His name is Hirata Kyouhei! He's a second-year engineering student at West Tokyo University.
D-Daddy uses him to peep on his political rivals so that he can destroy them!
Hirata Kyouhei, a second-year engineering student at West Tokyo University...
You're sure about that, right?
Yes! Yees!
I swear it's the truth, so...
Don't fuck me! Please don't fuck me!
I'm begging you!
Alright.

But...
EEK!
Of course, I won't fuck you, but...
If you decide to thrust your hips all on your own, that's your business.

Haah... Komazaki-san, your virgin pussy is so good...
You're squeezing down on my dick so hard that you'd think your life depended on it.
Ahah! ♥ You've gotten it all the way inside.
Amazing. Unless I push down, the pressure of your pussy just forces me out.
GAH

S-Save me, Kuroki-san! Save me!
Aw... Come on, Komazaki-san.
all you're gonna do is get me all hard again.
If you keep making sounds like that,
Please!
That's okay, Yuki.
Wait a sec, Midori.
I'll turn her around so you can get at her asshole.
Are you serious, Midori?
Yup! I've always wanted to try this out at least once.

What?
No! Stop it!
It'll never fit!
ぐぐぐぐ
See? It went in just fine.
Amazing, your pussy's so tight with Yuki's dick in there.
Ahhn! Midori...
The tip of your dick is rubbing against mine.

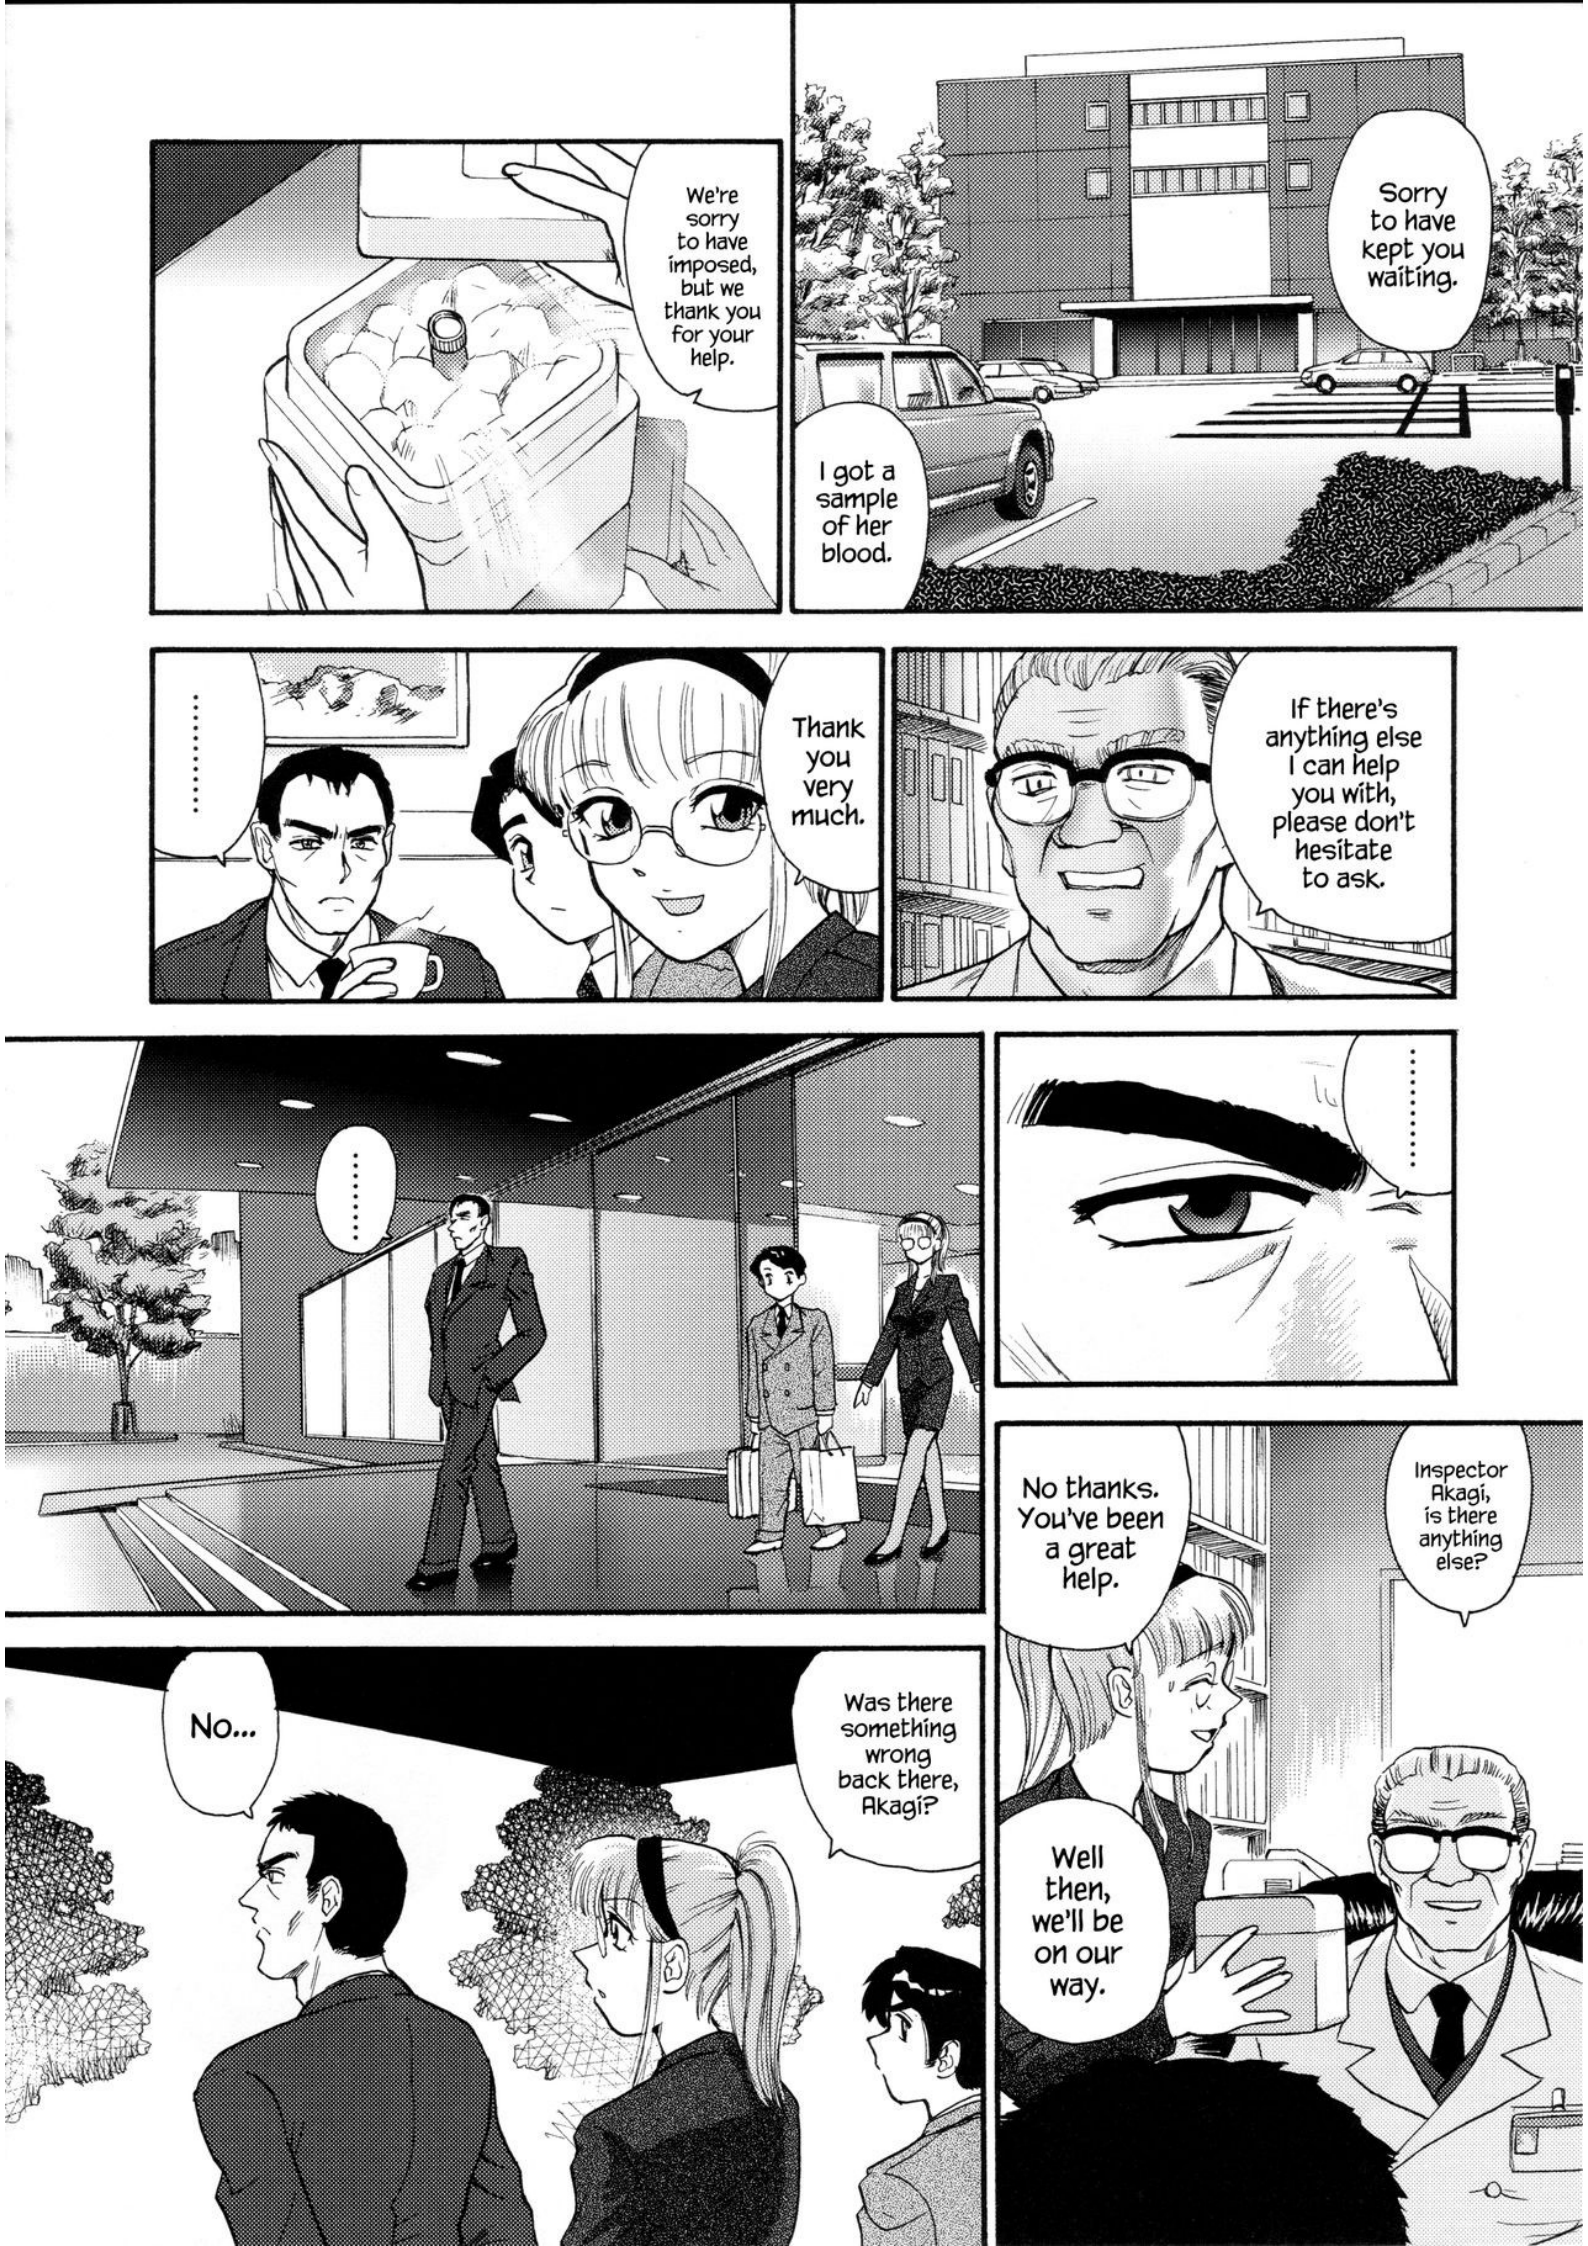

AHHN! I've never felt like this before.
Shove it in, Midori! Keep shoving it in!
L-Like this?
How's that, Yuki?
MMMN! It's incredible!
Your dick is simply wonderful, Midori.
Yours too, Yuki. It's so warm.
I love you so much, Midori.
I love you too, Yuki.

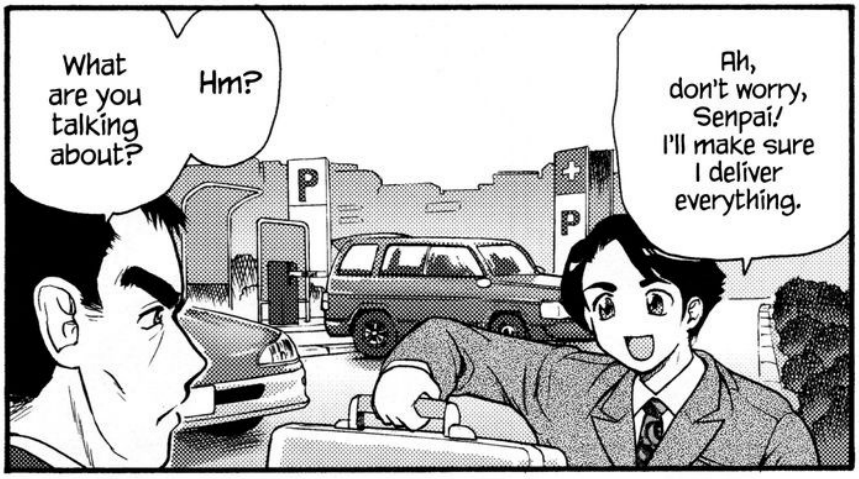

Looks like the rain stopped, huh?
We sure had a lot of fun.
We even managed to get a clue about who might have filmed that video of Aoi.
And as an added extra,
we got ourselves a new friend we can use for all sorts of things.
Haah
Hapf
Huh !?
What's the matter, Midori?
Take a look over there! Isn't that...
Isn't that Aoi!?

We're sorry to have imposed, but we thank you for your help.
Sorry to have kept you waiting.
I got a sample of her blood.
Thank you very much.

If there's anything else I can help you with, please don't hesitate to ask.
.....
.....
Inspector Akagi, is there anything else?
No thanks. You've been a great help.
Well then, we'll be on our way.
Was there something wrong back there, Akagi?
No...

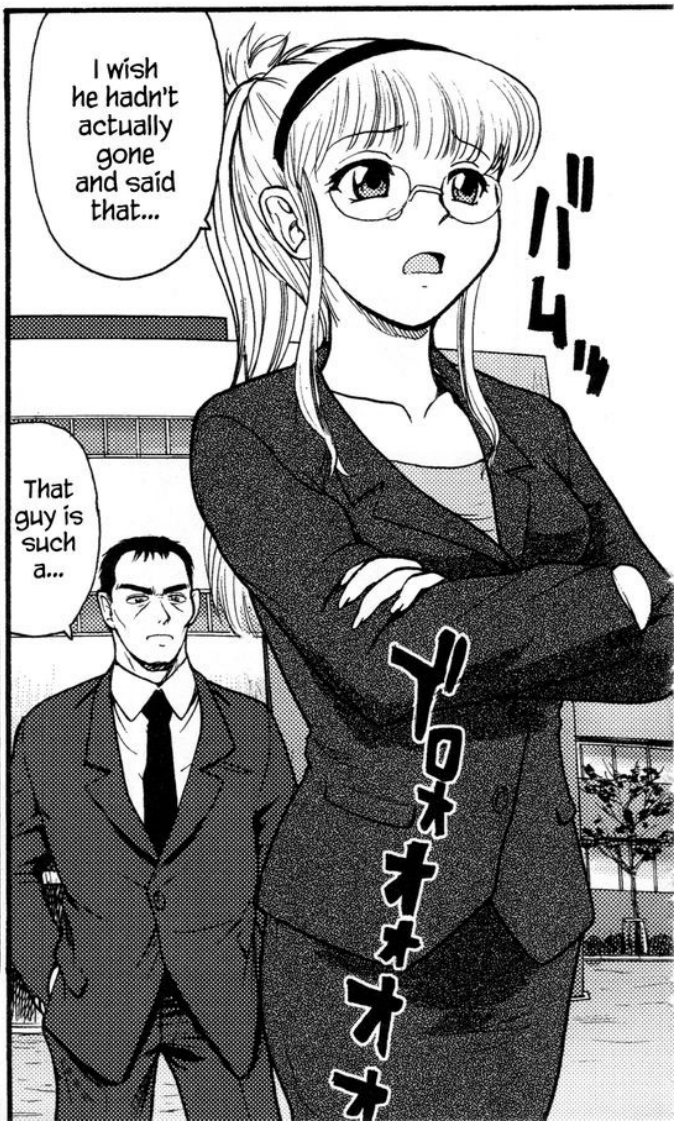

What are you talking about?
Hm?
Ah, don't worry, Senpai! I'll make sure I deliver everything.

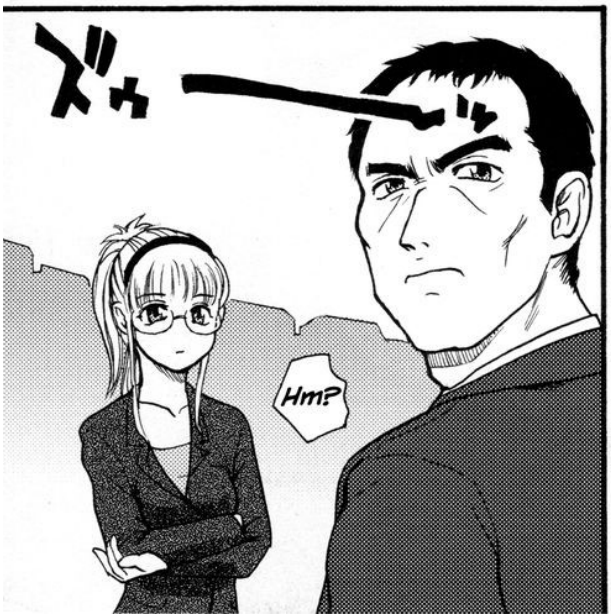

It wasn't anything, really...

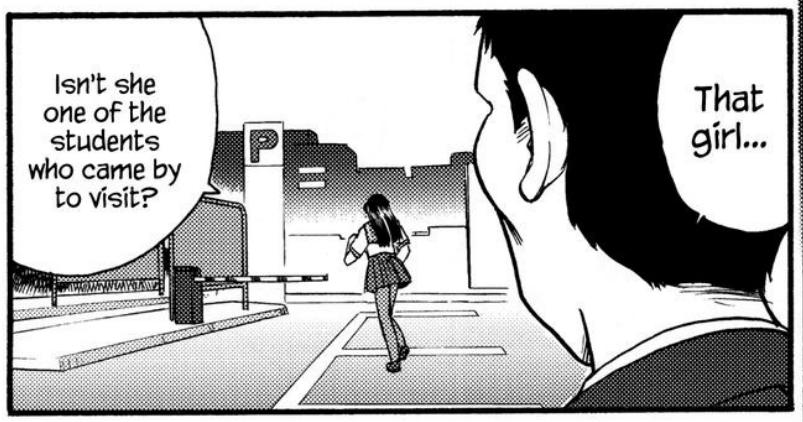

H-Hey! Wait up, Kurobe-kun.
Good work, you two!
I'm not about to be a third wheel here, so I'll get going!
I know it's been a while since you two have seen each other.

I'd actually like to discuss this last case, anyway.
Good idea.

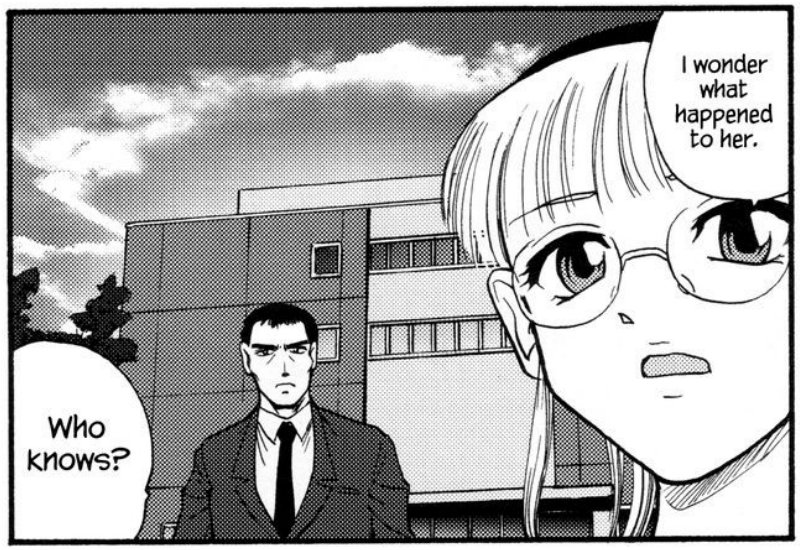

Well, it's been a long time since we've been together like this, so...

So... What about the case?
Yeah, it may have just been my imagi-nation, but...

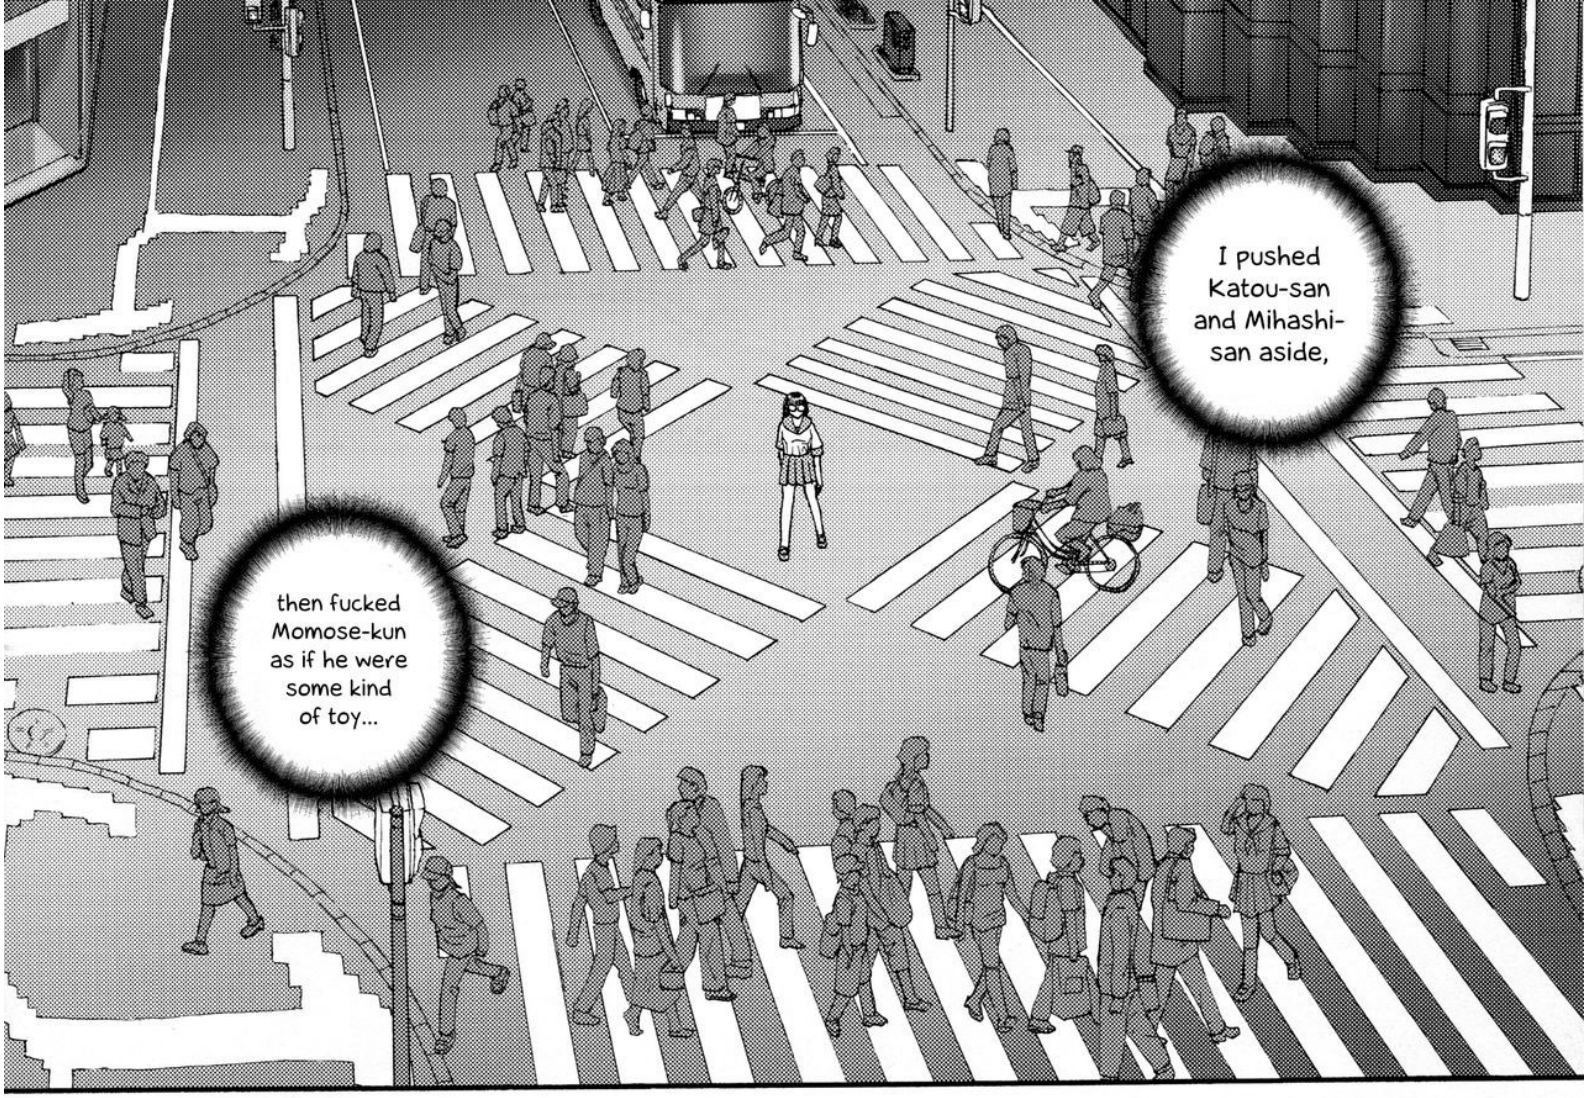

That director's eyes...
It felt as if there was something slightly off about them.
And then there's that nurse we passed by near the hospital room.
I seem to remember seeing her on another, recent case.
And besides that...

You've always had keen senses even when you were in university, Akagi.
I guess that's true...
That's the basis of any investi-gation.
I just can't rely on analysis equipment. I need to see things with my own eyes.

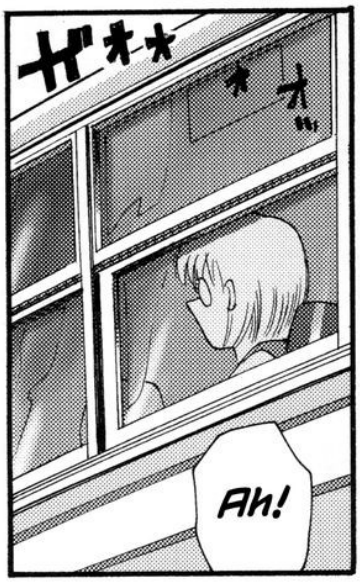

As soon as we get back to the college, let's make sure we investigate those results.

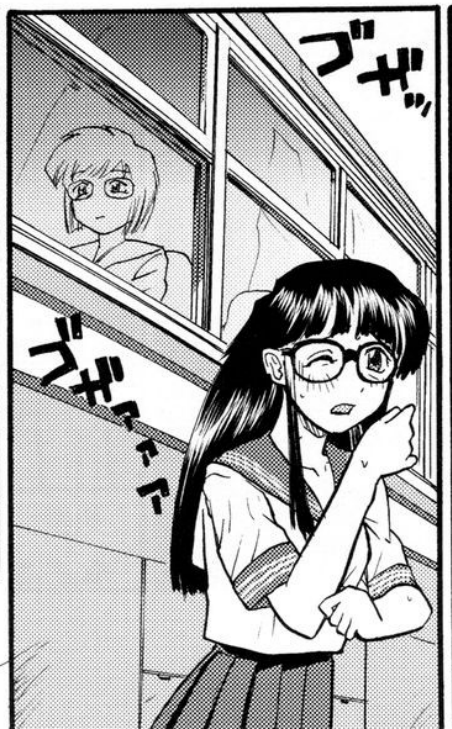

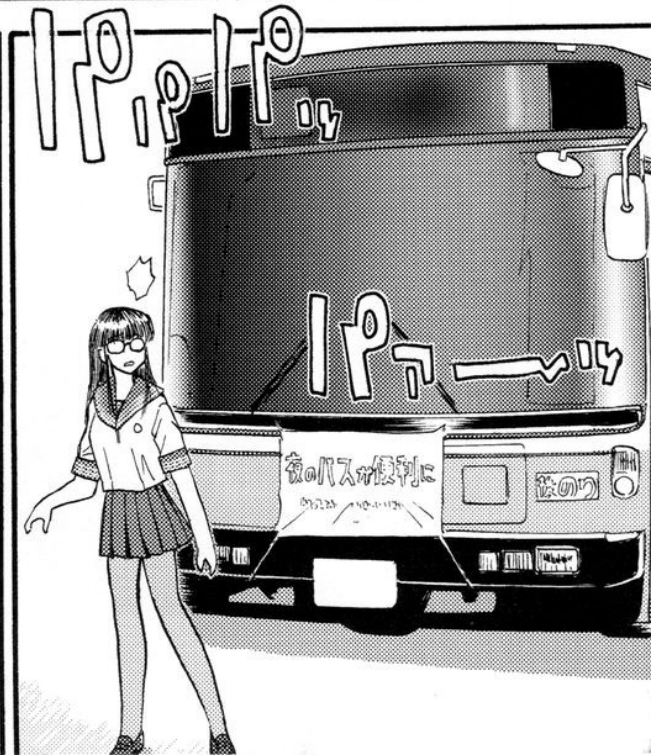

What should I do...?

I pushed Katou-san and Mihashi-san aside,
then fucked Momose-kun as if he were some kind of toy...

I did it so hard and so forcefully...

It was a different person.

So, is she one of your catches, Aoi?
They do look pretty similar, though.
Take a better look. That's a different person.

No! It's Momoe-chan!
Momoe-sama!?

Oh my gosh, I...
Don't worry about it.
Judging by your dick, you're finding it hard to hold back, huh?

Everyone else is waiting for you, including Momoe-sama.
That's right.
Momose-kun too!?
Apparently, he really liked the way you picked him up so high.
He was pestering us to try it out with him.
When you get back, you can let us watch you try it out on him.
Okay.
Well then, let's go home! We can even bring that girl along with us.

It may be best not to push yourself too hard.
So, this is where you were, Comrade Aries.

The prepa-rations are already complete.
All we need now is your command, Comrade Aries!
The "Elixir of Life", huh?
If we can only get it from an angel's tears,
I wonder how much we can get from an angel itself.
Ah, that's right, Professor...
I really should do as my physician prescribes, shouldn't I?
