The End

Afterword

There wasn't an afterword in the original book, so I'll write it here.

Well, not like there was one in the book before that either...

The previous book was an altered version of a commercial work I canceled, but this one isn't like that.

I don't think an artist should be too heavy-handed with a message or anything in their porn books, so this isn't meant to be something deep, but when I was a child there were quite a few kids like this around, and I used them as a model to some extent.

I also consulted my friends about the details, so...

They aren't my experiences, but a result of a lot of seeing and hearing.

(Not that I've actually talked to or been with someone who's been kidnapped!)

Well, as a conclusion, I guess it was a story about wanting to capture a middle schooler, and look inside her panties in peace~

Right. Don't think too deep about it, please. It's just porn.

And that's why a happy ending is fine.

SHOUKO IKEDA (13)

BIRTHDAY: 18TH OF AUGUST

LIKES: OMURICE/MISTER

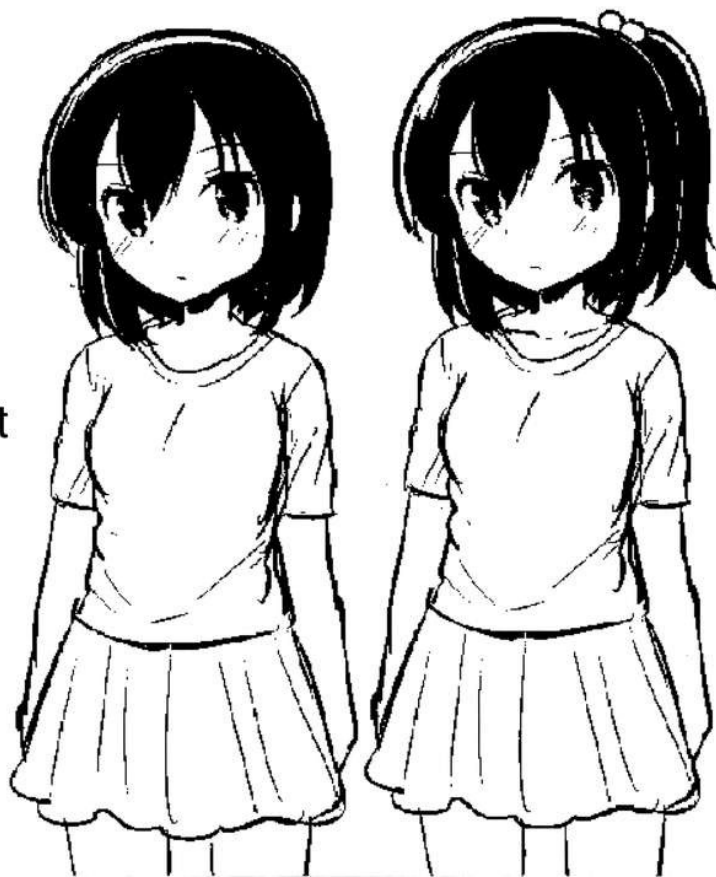

HATES: LONELINESS

BREASTS: THEY'RE THERE ALRIGHT

A CHILD OF A SINGLE-MOTHER WHO HAS LIVED PRETTY MUCH HER WHOLE LIFE ALONE. HER MOTHER IS ALMOST NEVER HOME, AND THOSE RARE TIMES SHE IS, SHE SENDS SHOUKO TO PLAY IN THE PARK SO SHE CAN HAVE SEX WITH HER BOYFRIEND. SHOUKO, SURPRISINGLY ENOUGH, DOESN'T SEEM TO BE DISGUSTED BY SEX THOUGH, AND IS IN FACT QUITE INTERESTED IN IT. SHE LOVES HER MOTHER QUITE A BIT AND HAS LEARNED NEARLY EVERYTHING SHE KNOWS FROM HER, WHICH HAS PERVERTED HER WORLD VIEW SOMEWHAT. SHE HATES HER LAST NAME, WHICH IS WHY SHE STARTED USING HER KIDNAPPER'S.

The Kidnapper She Loved: Extra Story - 2016/12/31

My second middle schooler book.

Unlike the one before, this one isn't a recycled rejected manuscript, I came up with it from scratch. I loaded it with a certain level of evil, but also salvation, and was horny the whole time I drew it.

I already wrote this in the afterword for the extra story (not included here*), but there are a lot of people I used as sort of a model for Shouko, and when I used to live in my old apartment complex, there was a girl called "Shouko" people always told me "not to go near". Well, they said that because she always stole stuff, but you know... Still, it seemed that her family situation was so messed up she would have died if she hadn't done that (she wasn't a middle schooler, much younger than that). I know a lot of people who had the absolute worst home environment growing up, so I used them as a reference. That "we only ever eat two types of frozen food" was a real story, not something I came up with... Whenever I met that "Shouko" I mentioned earlier, she always told me she "only eats bread". I'm glad I had a peaceful childhood.

Lately, I've kinda been feeling "I wish boobs never grew big..." and looking at Shouko's, they're quite massive, so if I were to draw this now I'd probably make them smaller... Considering the plot, she should probably be all skin and bones, but at the same, this is porn, so she ended up soft and cute.

I know I said all sorts of things earlier, but there really aren't any ideologies or opinions baked into this manga; all I wanted to do was draw a lonely girl getting pampered with gifts and money, and falling in love. There's no deeper meaning than that to it (reality's just a part of what makes it so exciting). That's why Shouko's acting like an adult in the beginning while she's still wary, but as we reach the second part, her ability to think is reduced to the level of an average elementary schooler. Well, I suppose she's only 12 in the first half, so... (All the characters appearing in this manga are over the age of 18.)
