

The two of us have three days off.

here.

Here and

Our vacations were finally approved in August.

私はと彼女の♡に...2

Yeah ♡

Right?

So we're really just getting one more day off.

Feels just like having the weekend off.

Anyway,

You're right.

All the hotels are full by now.

Haruka's my first lesbian lover.

Are you sure you want to spend all three days with me?

ahn!

Two girls, alone together, on vacation...

I don't need to go anywhere if I'm with you, Natsu.

I'm glad.

Of course I do.

What are we going to do?

Ah... Haruka!

You like this, Natsu?

mn!

haa

That'll be a problem.

You hear that, Natsu? A typhoon!

If you're traveling on your summer vacation, watch out!

.....

Yeah.

What are we supposed to do now?

Junior employees rotate between departments every 6 months. It's company policy.

Really?

It's just the two of us here now.

B-by the way, you'll be transferring in October.

We won't be together anymore...

You told me not to do it at work, Natsu.

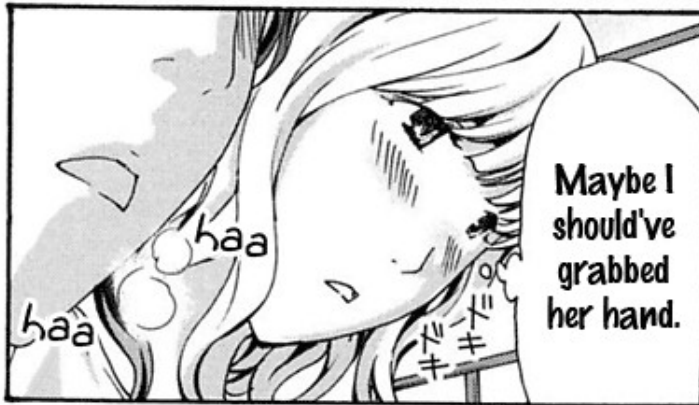

I did... Sorry.

Oh...

Y-You're just changing positions.

Maybe I should've grabbed her hand.

How far can we take this relationship?

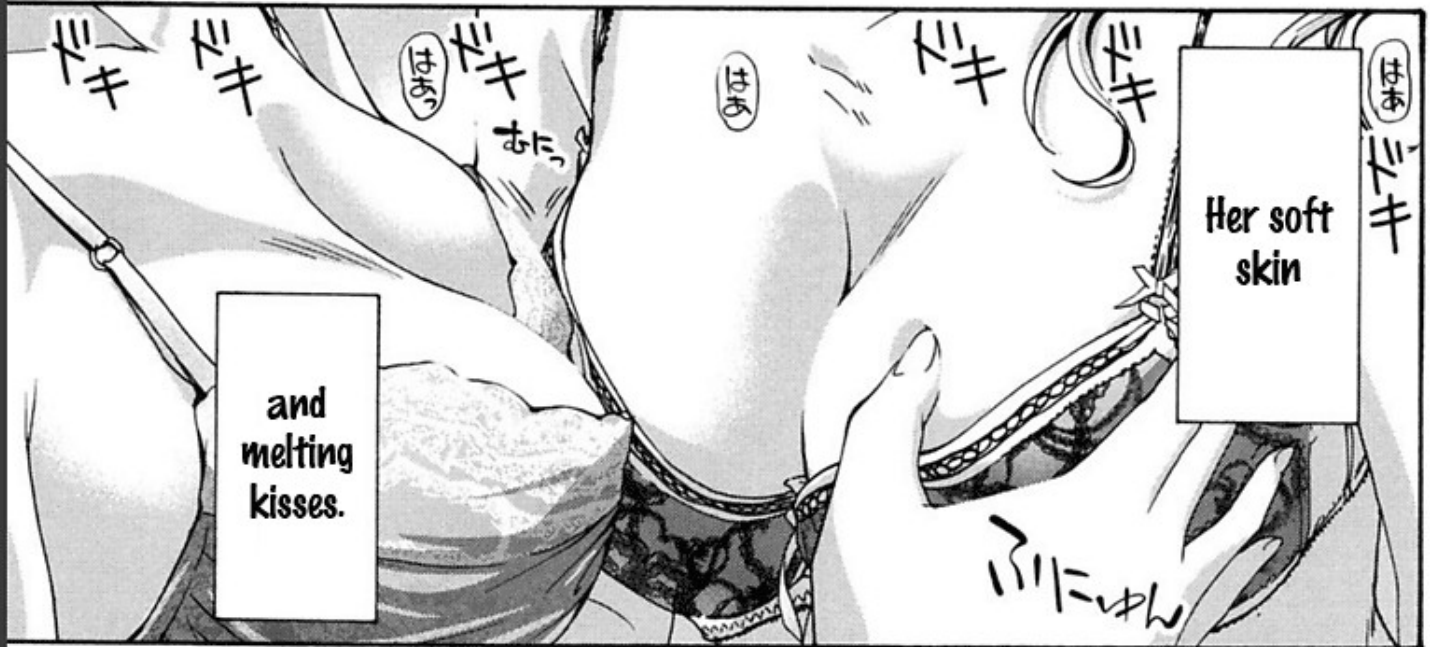

But I'm happy.

We won't be able to meet up anymore-

I don't have weekends off in my new department.

Kyah

Y-You put it on that finger?!

It's perfect. ♡

haa

ah!

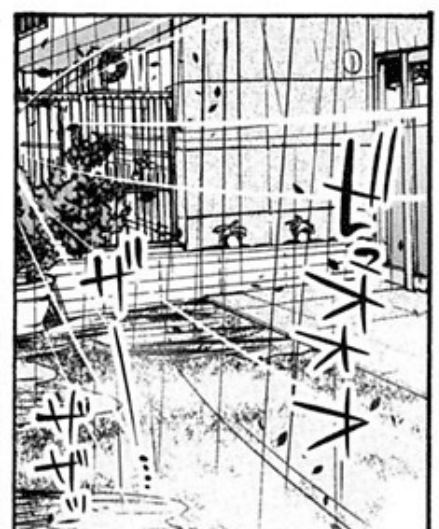

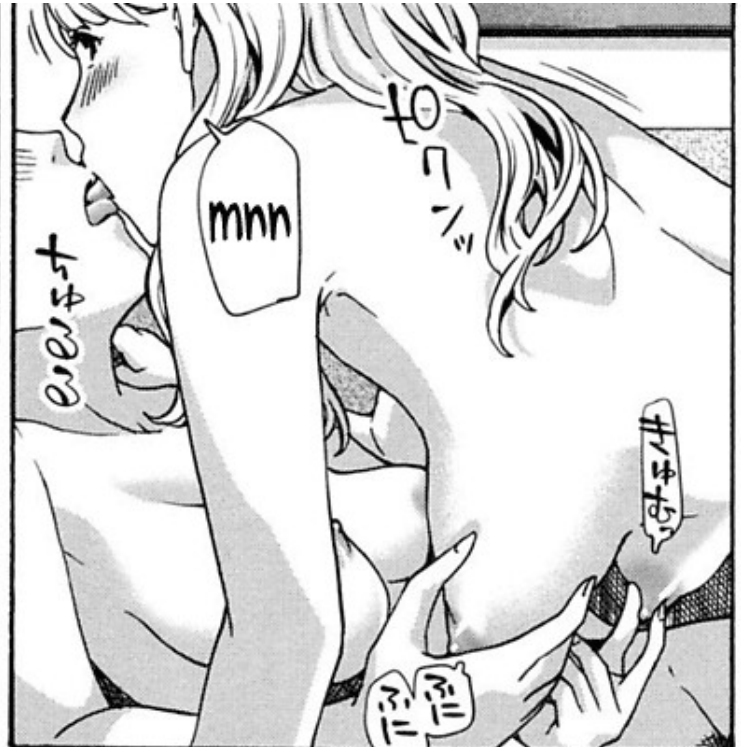

Really?

Yeah.

Thanks. I'm really happy.

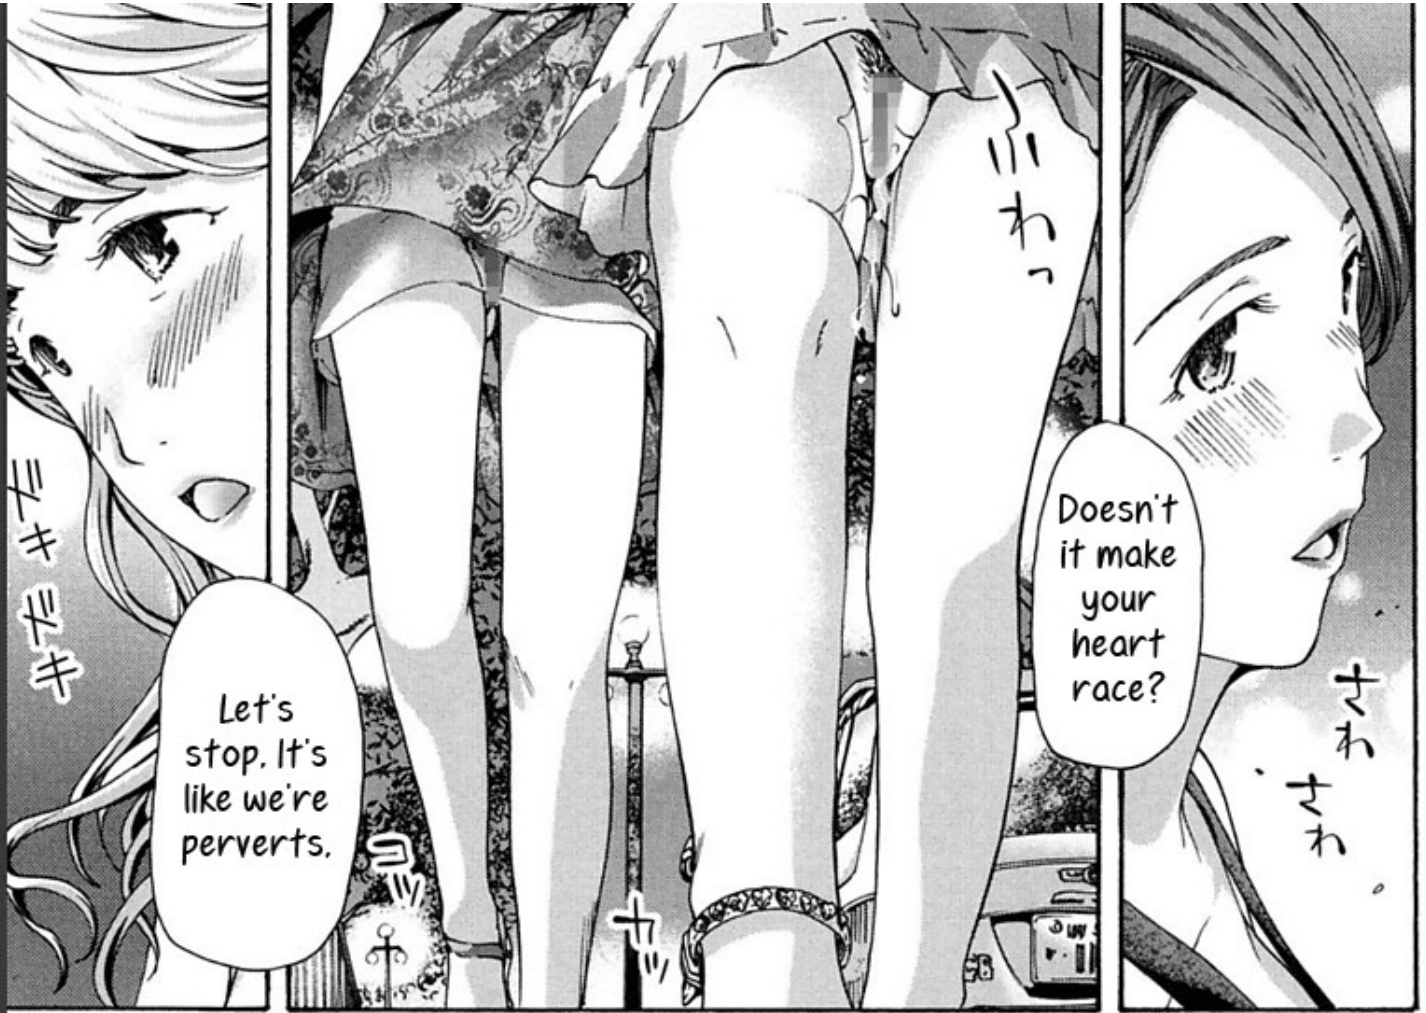

Night came and the rain softened.

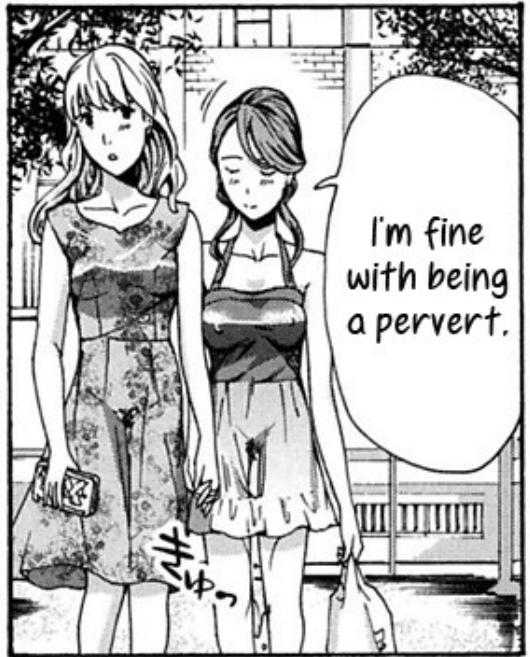

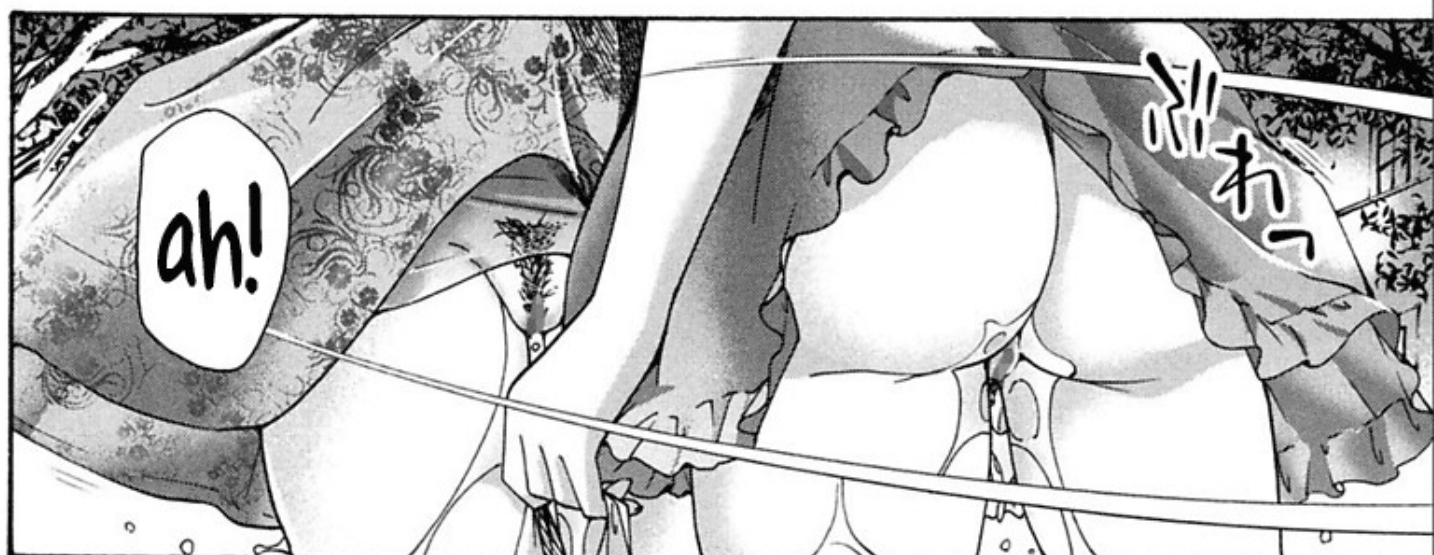

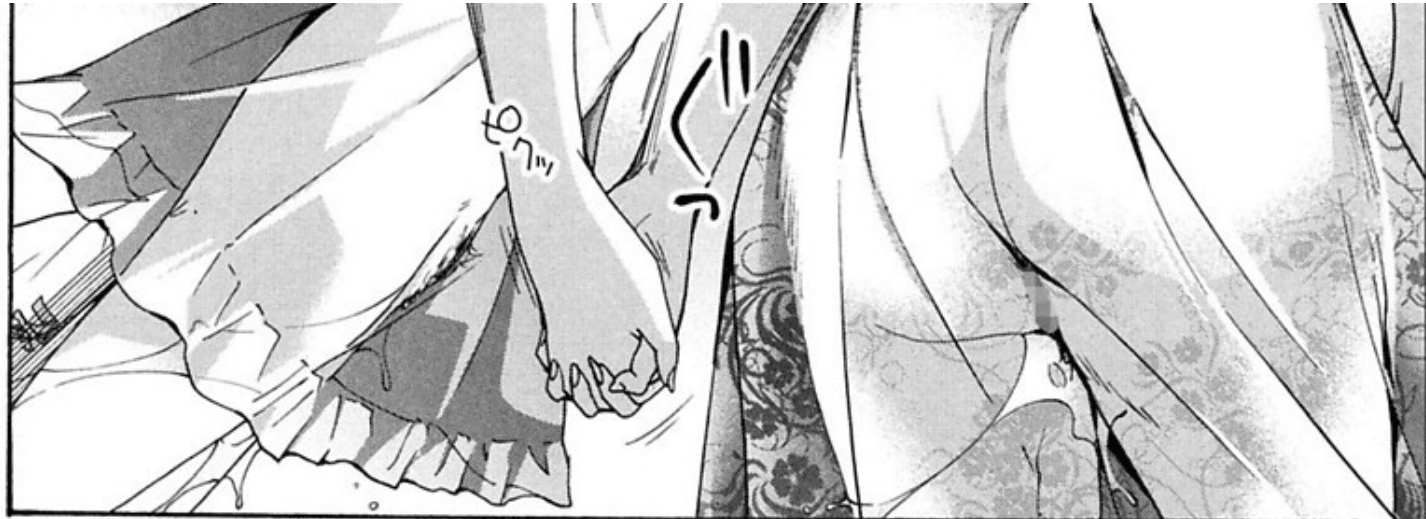

And only a few cars drove by.

There was something special about the rain-washed streets...

あーあ、

After we came back, the rain returned...

Why does she want it so much?

We've been having sex since yesterday.

That... Haruka...

mn...

Don't worry about letting your voice out.

Feels so good!

I'm showing everything to her!

Raise your legs.

Huh? This position?

Ah... No!

If you take it that deep... I'm gonna...

Come here.

Natsu...

Haruka... You're cumming?

Natsu

Put "N to H" on it.

!

Would you like to have it engraved?

Yes.

The morning after that, the typhoon had passed.

N-Natsu!

Yes. It's for her.

Is it for your lover?

...

I can't wait, Haruka.

Come back for it in two weeks.

Got it.

Y-Yes!

I see, a gift for her?

I just want to make her happy...

I got wet.

Idiot ♡

but it's not helping.

I'm wearing underwear,
