☪ story about playing underwater with Rui

English - RM36

It's because girls underwater is a fetish of mine.

If asked why I stay at this job...

I am a part time lifeguard of the town's pool.

My name is Hiroyuki Saito.

Although this job seems to be very tedious, surprisingly it is usually boring even if there is trouble.

Of course no one knows.

... Come on!

The swimmer is Rui.

Her noteworthy feature is...

...that she loves to dive.

I feel that her swimwear size decreased day by day.

You should know that diving is not allowed in the lap pool.

She enters the pool with a dive to the bottom.

I watched it happen right in front of me.

... This time she stayed under for a very long time.

If I'm not careful, the rule will get me in trouble...

Has it been more than 5 minutes?

How long have you been under...?

Ooh...

I start masturbating as soon as she dives in and stays underwater...

Damn!!

Ga...

Huh?

Nha...

Are you seriously drowning!?

What's going on...?

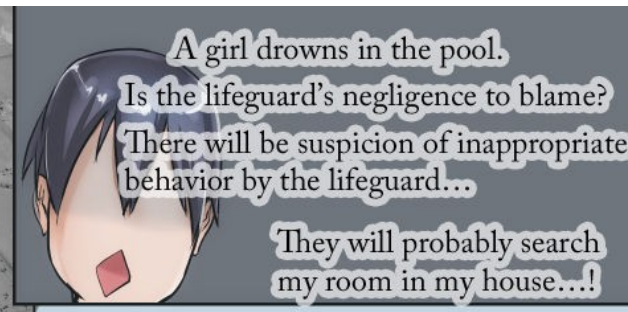

Aa...

Well...I...I?

Are... You okay?

I soon realized she was fine.

A girl drowns in the pool.
Is the lifeguard's negligence to blame?
There will be suspicion of inappropriate behavior by the lifeguard...

They will probably search my room in my house...!

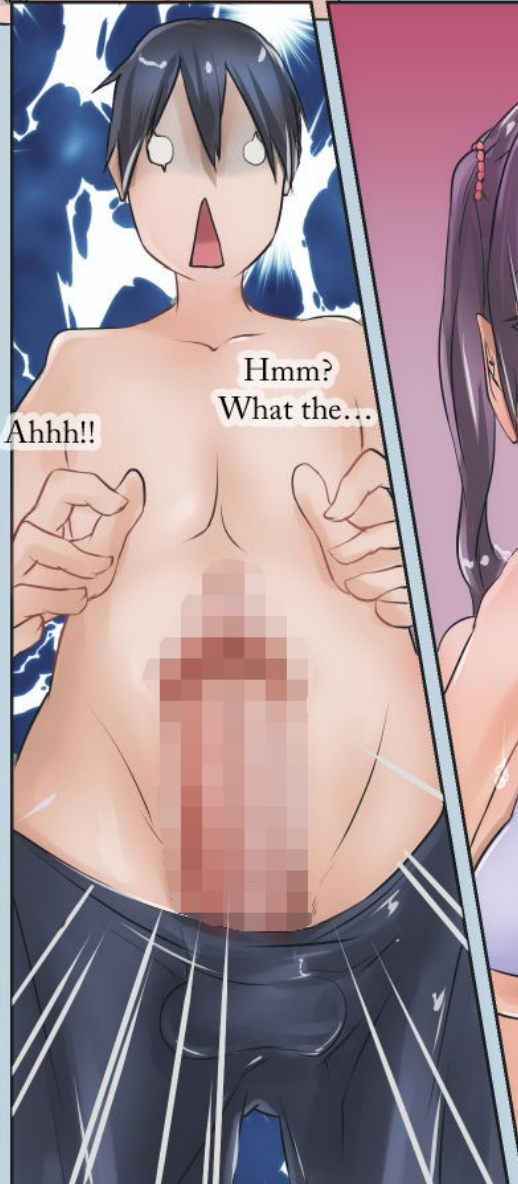

Anyway, I should help!

Not good!

Tremble

Ahhh!!

Hmm?
What the...

Oh, My!

Ah ... Umm ...

Man arrested for exposing himself in public to a girl.

Going to be bad when they search my home.

I'm...I'm finished...

Such a thing because of me

Ah...Huh...?

Please... I'm sorry!

I'll go now

'Deep breath'

Rui ... What
are you doing ...

I'm a girl who can
take responsibility
for that.

Sorry, Mr. Hiroyuki

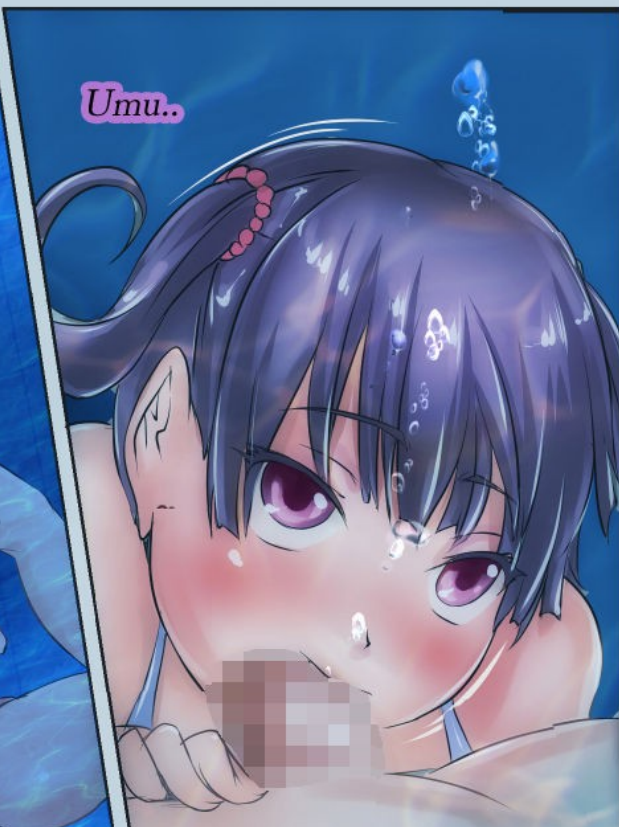

I will take responsibility!

Mr. Hiroyuki's
erection is due
to my immoral
conduct.

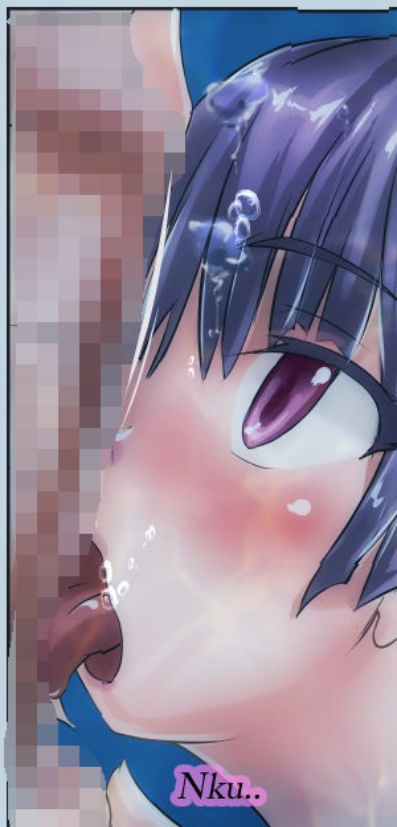

What the hell...

I don't
understand
this situation,
but it feels
really good.

Umu..

Nku..

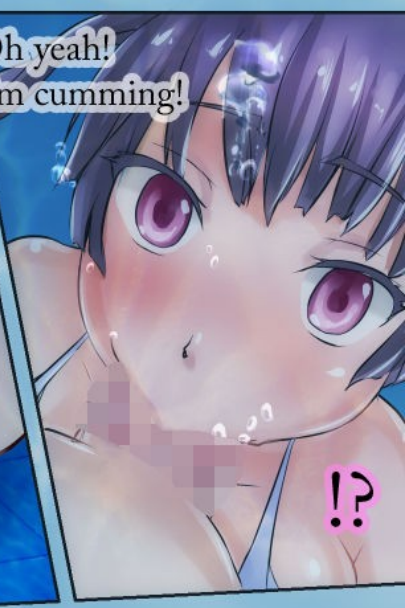

Miss... Rui!!

Hmm...

Oh yeah!
I'm cumming!

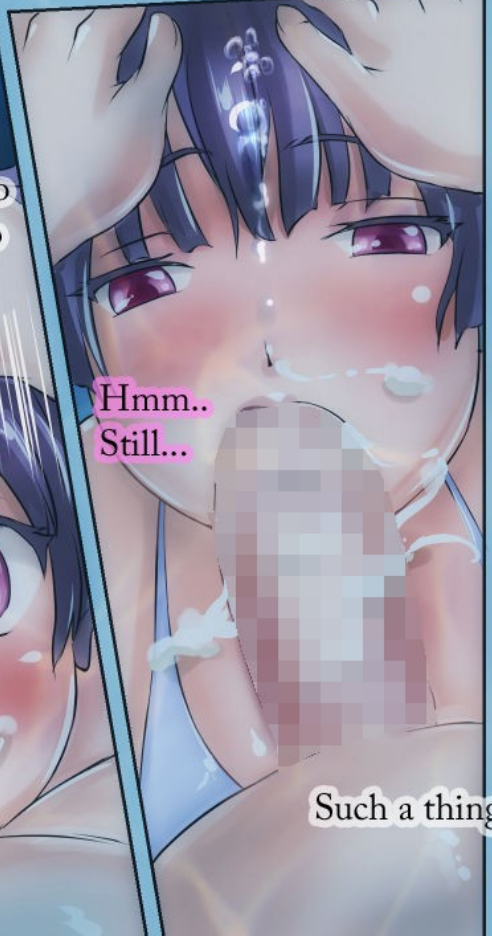

!?

There's no
reason to
quit yet!

MORE!?

Hmm..
Still...

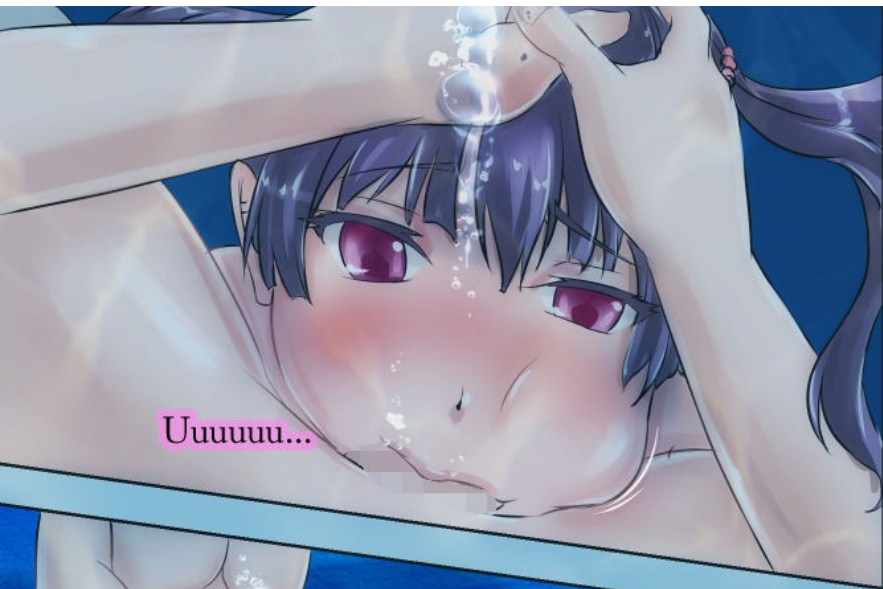

Such a thing...

Bu

Don't stop...!

UH!

I'm cumming again!

(Heavy Breathing)

I didn't expect Hiroyuki to ejaculate two times, Hiroyuki is truly a pervert.

Okay, so how do you know my name?

Wow...It felt so good.

Are you okay?

You always looked at me

with

lewd

thoughts, didn't you?

Huh!

Please be able to continue here in the pool with no one else here.

Oh, hey, pool hours have ended.

You will soon understand how I know your name.

Ahh.

I'll lock up
after I'm done -

Then I'm going home.

Did all the
guests leave?

... You can get out of here.

Good work everyone,
I'm going home
after a swim.

Yes, I already looked around.

After fucking the
mouth of the girl
that you met in the
pool, what will
you do next?

Now! Hiroyuki
who sees the
girl sinking
in the water...

Pff -

I'm assuming
you're a pervert!

But ... I guess it
can not be helped.

It's demonic
that you have
to wait until
your boss
leaves.

You knew!?

You were
masturbating
while watching
me every day.

Every time I checked,
you were ejaculating
into a water bottle.

There were a lot of voyeur images in Mr. Hiroyuki's smartphone.

Wait...

I have also confirmed the existence of the perverted water fetish novel based on me.

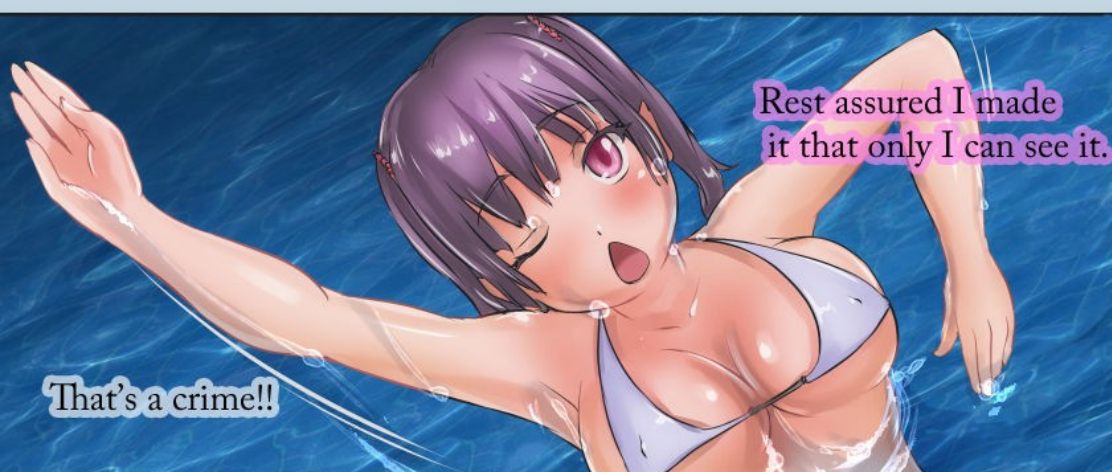

Wait... how is that?!

How were you able to see the contents of my smartphone?!

I also confirmed that you have been writing novels on your smartphone while at work!

"Miss Rui and the Underwater Game" was in your documents.

That's a crime!!

Rest assured I made it that only I can see it.

The wifi here is strong, but the security is weak!

That's..what she really is...
A super pervy girl!

The next part was about the diving pool.

I wonder if it would be terrible at the bottom of the pool...

I'm sure my fantasy novels were basically a depiction of a drowning...

To say that, is she joking...?

My pure image of her is shattered.

However, such a thing did not matter anymore.

Look, I've got a simple respirator for you, Mr. Hiroyuki.

Please let me continue to thank you for your help.

Deep!

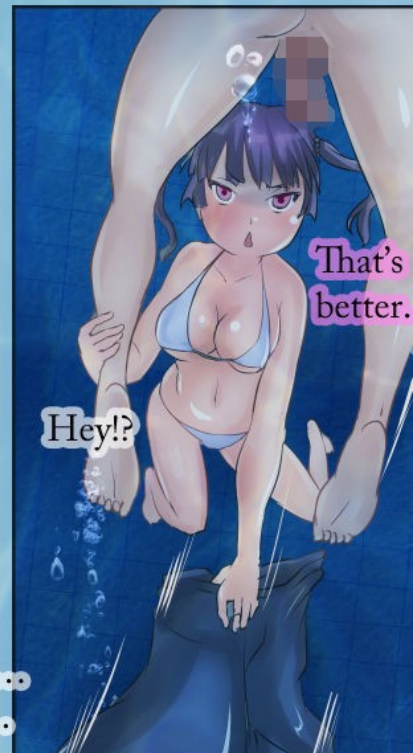

Nn..

Woah...

Nn..

It is really like the story I wrote... happening here...

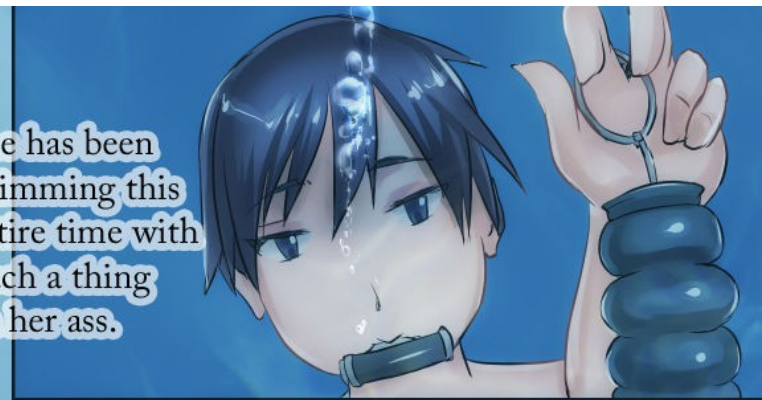

That's better.

Hey!?

She has been swimming this entire time with such a thing in her ass.

Ahhhh!

This... Perverted girl!!

Aaiirrrbbbbbhggg!!

I have to punish this girl more.

Change of script

Un!?

No, wait

Hmm...!!!

Soon, Rui reaches the limit of holding her breath and desperately ascends.

Hmm---!

Hmm---!

This... is different from Hiroyuki's story...

I continued to fuck Rui who had already exceeded her limit at the bottom of the pool.

I can't control my own desires.

Ogh.

Gu.

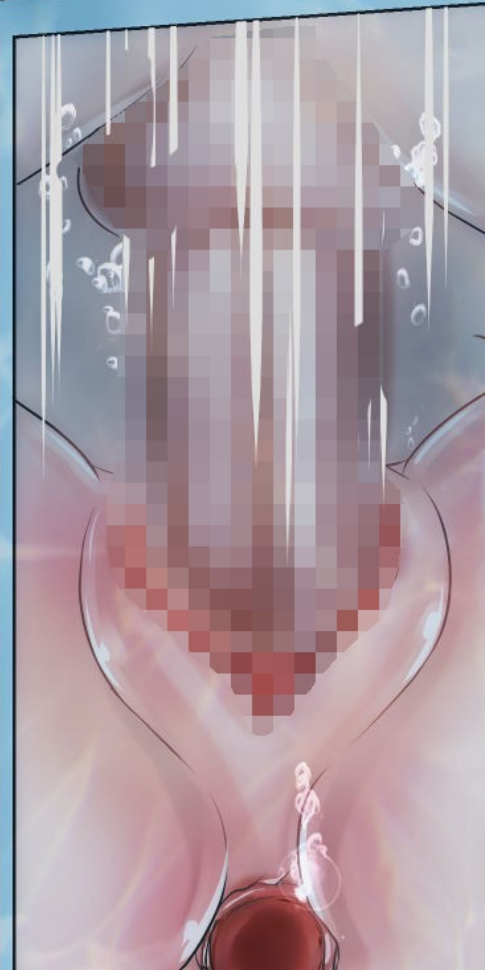

Gu.

Gubb

H...Hiro...

I'll... die...

So much...
time...passed.

Giving...
the air...

Ga..

Ga...

oo

I sucked the rest of
the oxygen from her lungs.

Pretending to
pass air over...

-----!

Rui reached orgasm while drowning and going crazy.

She fainted.

Hey, Saito.
Lock up today.

Okay.

When you finish,
you can go home --

It's probably
just my
imagination.

My reason
was stupid...

I don't remember
what happened
after that very well.

I feel like I
did something
terrible to Rui.

Despite having done something like that to Rui, she came to the pool every day.

Yes ♡

I still have a lot of stories for Rui.

Yea ♡

Every time following that day, the play gets more extreme.
