

Creator's note:

YO! DEAR READERS!

I've been wondering for a while: Can someone with no skill at drawing whatsoever create a hentai using Manga Maker Comicpo only (and its dices)?

So in the end I decided: "Why wait?" I've been making suggestive one-shots for a while but now it's time for the real test! Exclusive for Fakku only:

The True Story of the Red Riding Hood via Manga Maker!

Funny, I'm not even into animals myself but as soon as the story got stuck in my head it just had to be done.
Guess lolis will have to wait for another time...

There isn't anyone actually reading this, is there?

Eeto...?
Who are you?

Everyone! Fap
responsibly-nyan!

Wuf?

Somewhere in the forest
where grandma lives...

Oh come on!
It's mating
season!

I said no!
3 years and
not a single
pig or human
to eat!

But they're not
easy to catch...

I can't believe
my husband
would be so
worthless!
I should have
listened to my
mother after all!

And I have
seen the way
you're looking
at those young
dog-girls!

Just dare go
with another
dog! See what
happens!

And don't come
back until you've
eaten a human!

...that she
will give me candy...

Fufufu...

Grandma's bento
is perfect as usual...

I wonder if she
will give me candy...

I love her cake...

Hm? A dog?
What happened?

I give up... Might
as well just drop
dead...

Are you
hurt?

Doggie? Are you
alright?!

Let me
help you!

Hm?! A human?
An angel?

Must be a village
girl... She looks
cute...

Gotta love the
red dress...

My wife is a
bitch anyway...

Gee...

Haaaah!
Aaaah!
Ah!
Haaaah!

This is bad...
I can't... Anymore
and...

What
is this?
It's
amazing
...

Haah!

N-no... I did...
With a dog...

W-W-What are you
doing now you
perverted insane
dog?

Woohoo!

Damn, this white
thing is in the way.

Whatever, I'll just
push fourth.

Hah...

I'm ruined for
marriage...

Hah...

Well, I think we're
ready for phase two.

Time to bring out the
big guns...

(Colored-blue so they
can be spotted easier
by the reader.)

No good...

I will die...
I will die
from
embarrass-
ment!

My knees
have lost
their
strength...

Hm? Her juices are
stuck to that white thing..
Pushing feels incredible!

It's so wet it's clinging
to her! I can feel her
shape! Awesome!

Oh man the smells!
I could get hooked
to this!

Boo

Cwah

Nnooo!
Stop thrusting
already you
stupid dog!

If you keep
going like that,
you really will...

Woohoo...!

Oops. The white
thing just tore.

Eeeeh? My
panties... Did
they just...?

Whatever... I'll just
keep thrusting...

ハハハ

Hmm... She's
crying nonstop...

Maybe this
is too much
for her? I'll
take it slow...

The head is in ...

I really am being raped
by a dog...

Doing it with a savage
animal...

I want to die...

What did I do to
deserve this?

くっ...

She's sounding much
happier now...

Lets keep at this
pace...

If you go
gentle now...

Hah!

Aaah...

Hah!

Eeh? You're going
slower...?

NO!
Stop you stupid
filthy animal!
You can't start
going slow now!

Ho? She's starting to let out some nice moans.

Ah!

Haaaah...

ニャ..
Ah!

? Haaaah...
♡

This feels kind of good...

My belly feels warm.

What the?! She just tightened unbelievably! I... Oooh... That's it...

Kyaaaaah!

M-Mai maind ith blank...

Haaaah... Wait, doggie...

Haaaah... One.. More time...

That's youth for you. Looks like she's still horny.

Haaaah, I'll... Do the work this...
Huuf... This time.

"pant"

Man that was awesome... Too tired to keep goin' though...

"heavy breath"

"heavy breath"

"pant"

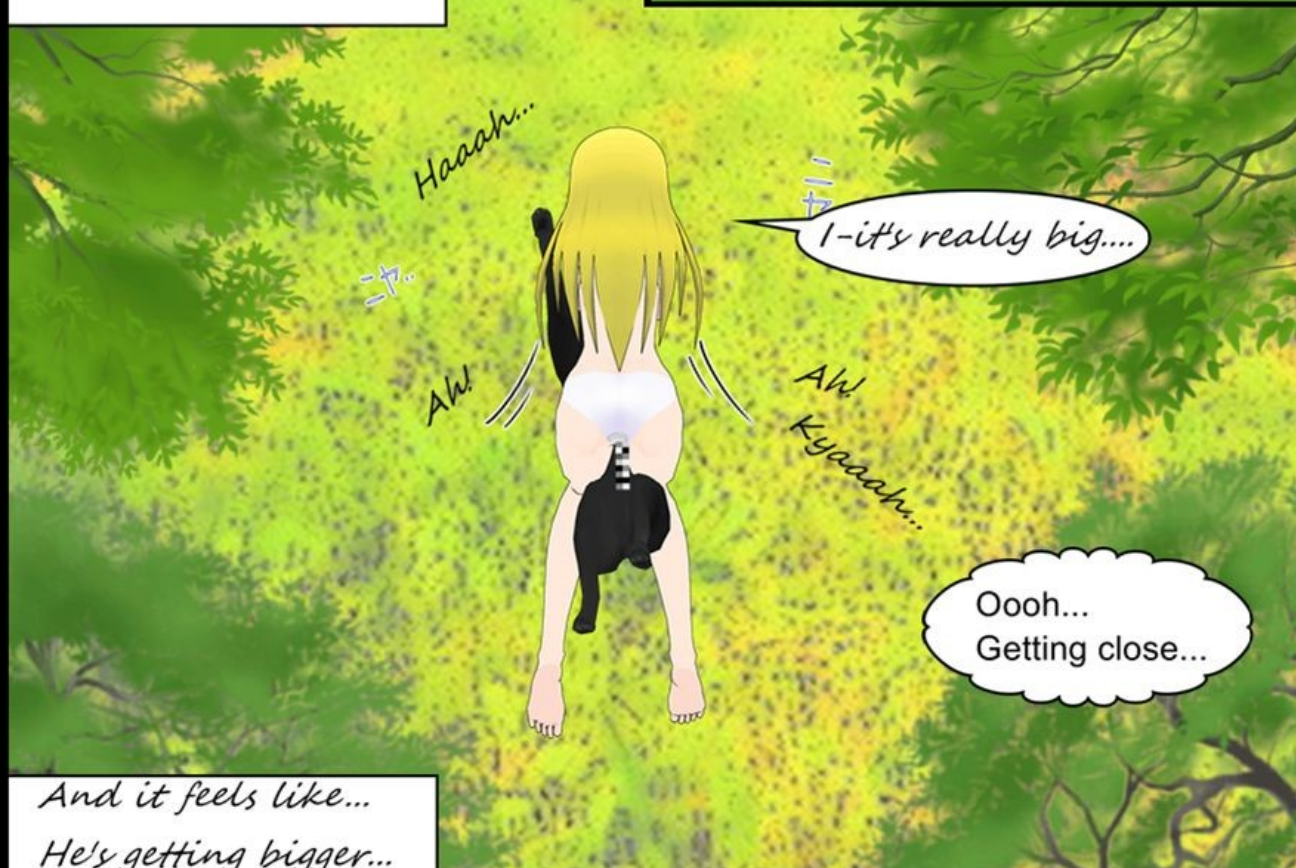

Just give me

In the end you couldn't decide if it was a dog or a wolf-nyan.

Do not question greatness!

Manga maker didn't have a wolf 3d object, so you just settled for the dog one. Right-nyan?

Eeeeh...

*Hah...
Some god you turned out to be...*

Yeah...? Well... You're a cat!

Ho? Playing the insult game when things get tough-nyan?

....."Cough"
Well everyone! Hope to see you again!

Bye bye-nyan!
